

E-Tools

Schedules e-Library

Schedules e-Library is the online source for the latest contract award information for GSA and Department of Veterans Affairs (VA) Schedules, as well as Governmentwide Acquisition Contracts (GWACs).

Schedules e-Library provides information on which suppliers have a contract and what items are available, by using various search options—i.e., Contractor/Manufacturer Name, Contract Number, Special Item Number (SIN), Schedule Number, GWAC Name, or Keywords.

This program utilizes the advances of electronic commerce while providing access 24 hours a day, 7 days a week.

GSA Advantage!®

GSA Advantage!® is the online shopping and ordering system that provides access to thousands of contractors and millions of supplies and services. Although anyone may browse on GSA Advantage!®, only a federal government employee with a GSA SmartPay® purchase card or a GSA Activity Address Code (AAC) may shop on GSA Advantage!®.

e-Buy

e-Buy, a component of GSA Advantage!®, is an online Request for Quotation (RFQ) tool designed to facilitate the request for submission of quotations for a wide range of commercial supplies and services that are offered by GSA Schedule and Governmentwide Acquisition Contract (GWAC) contractors.

For federal agencies (buyers), e-Buy maximizes their buying power by leveraging the power of the Internet to increase Schedule and GWAC contractor participation to obtain quotations that result in best value purchase decisions.

For Schedule and GWAC contractors (sellers), e-Buy provides greater opportunities to offer quotations and increase business volume for supplies and services provided under their Schedule contracts and GWACs.

Scientific Equipment and Services

Schedules 66 & 873: Scientific Equipment and Services

www.gsa.gov/scientific

Science changes the world.

The tools and technology on our schedules help our customers save lives and accomplish their missions. For one stop shopping for all general purpose and specialized laboratory equipment and furniture, unmanned aerial vehicles, measurement and testing equipment, and laboratory test and analysis services, allow GSA to provide you with the latest technology and services to meet your needs

FSG 59 and 66

Test and Measurement Equipment, Aviation Instruments and Equipment, Aircraft Components, Unmanned Scientific Vehicles and Related Services (66 II J)

- Antennas, Waveguides, and Related Equipment
- Electrical and Electronic Properties Measuring and Testing Equipment
- Physical Properties Testing Equipment Materials and Machine Testing and Analyzing Instruments
- Pressure, Temperature, and Humidity Measuring and Controlling Instruments
- Combination and Miscellaneous Instruments
- Avionics Equipment, Unmanned Scientific Vehicle Systems and Related Services
- Leasing and Product Support Options
- New Products/Services

FSG 66, 37, and 41

Chemistry, Biochemistry, Clinical Instruments, General Purpose Laboratory Instruments, Laboratory Furnishings and Accessories, and Related Services (66 II N)

- Chemical Analysis Instruments
- Diluters, Pipettors, and Pipetting Systems
- Optical Instruments, Test Equipment, Components and Accessories
- Animal Caging, Accessories and Options
- Laboratory and Refrigeration Equipment, Accessories and Options
- Environmental Chambers
- Laboratory Equipment and Supplies
- Optical Instruments
- Scales, Balances, Options and Accessories
- Product Support Options

FSG 66

Geophysical, Environmental Analysis Equipment and Services (66 II Q)

- Geophysical Instruments
- Geophysical and Meteorological Data Collection
- Noise Measuring Instruments
- Liquid And Gas Analysis Equipment
- Hazard Detection Equipment
- Service and Product Support Options

FSG 873

Laboratory and Testing Analysis Services (873)

- Mechanical Testing
- Chemical Testing
- Electrical Testing
- Geotechnical and Thermal/Fire Testing
- Other forms of Laboratory Testing and Analysis
