EPA SPREADSHEET

Manufacturer's Part Number
Offeror must ensure the Original Equipment Manufacturer (OEM), Manufacturer Part Number or Wholesaler Number for each product proposed reflects the actual part number assigned.
If the OEM, Manufacturer, or Wholesaler Part Number is submitted incorrectly or not submitted, the product offering will not be awarded.

Fair and Reasonable Pricing
To determine fair and reasonable pricing, the GSA Contracting Officer may consider many factors, including pricing on competitor contracts, historical pricing, and currently available pricing in other venues.
Offers which provide Most Favored Customer pricing, but which are not fair and competitive will not be found fair and reasonable and will not be awarded.

Dear Mr. Muirhead:

This Letter of Supply is in reference to the offer that Muirhead Enterprises International dBA Acrosafe Products, Inc. submitted in response to the General Services Administration's Contract Number GS-07F-0372V.

Muirhead Enterprises International dBA Acrosafe Products, Inc. has been awarded a Multiple Award Schedule (MAS) contract under the aforementioned contract number. Queen City Manufacturing guarantees an uninterrupted source of supply, with sufficient quantities of product, for the duration of the base contract period **6/15/2009 to 6/14/2014 OPTION EXERCISED TO: JUNE 15, 2014 TO JUNE 14, 2019.**

TAA COMPLIANCE:
Queen City Manufacturing understands that all products and services that are offered on MAS contracts must be compliant with the Trade Agreements Act (TAA) (19 U.S.C. 2501, *et seq*) and certifies that each end product, except those listed as Attachment A (if any) is a U.S. made or designated country end product. As such, all products supplied by Queen City Manufacturing to Muirhead Enterprises International dBA Acrosafe Products, Inc. will be TAA compliant. Muirhead Enterprises International dBA Acrosafe Products, Inc. will be notified immediately upon discovery of any changes in the Country of Origin of supplied products.

EPA/CPG:
Queen City Manufacturing understands that if they certify that the products being supplied meet or exceed the minimum content levels established under the Comprehensive Procurement Guidelines (CPGs)*** program then they must furnish Muirhead Enterprises International dBA Acrosafe Products, Inc. proof in the form of a copy of the certification from the manufacturer or a copy of the environmental organization's certification in order for Muirhead Enterprises International dBA Acrosafe Products, Inc. to be allowed to display the appropriate environmental attributes on their GSA contract. The percentage of the recovered materials and post-consumer materials must also be provided to the offeror/contractor.

Queen City Manufacturing understands that if no proof of the environmental attributes being claimed is provided then the offeror will not be allowed to display the applicable environmental attribute icon.

The person whose signature appears below is authorized to make the commitments noted above.

Sincerely,

Christian Love
