One Workplace is a family-owned company that improves the lifestyle and efficiencies of organizations and their employees by creating integrated, flexible, and custom-tailored workspaces. Our customers are in many industries, including, Government, healthcare, education, financial and high-tech and range from start-up to Fortune 500. We design successful workplace environment solutions that transform company culture and behavior by encouraging collaboration, fostering creativity, promoting productivity, and inspiring innovation.

As a one-stop shop, One Workplace creates engaging workplaces through the integration of architecture, furniture, and technology. With our specialization in these areas, along with our collaborative approach and team of experts, we are positioned to create environments that highly productive and employee focused.

Opened in 1925 as a bookstore, One Workplace is now Northern California's largest commercial office furniture dealership. We have built a strong foundation and have three regional offices to serve the needs of companies in the Bay Area, as well as networks of global dealers to serve the requirements of multi-national corporations.

At One Workplace we not only focus on the physical workspace, we explore how it relates to employee productivity, creativity and collaboration. Through the integration of architecture, office furniture and technology solutions, we create an environment that is tailored to the way you do business. We understand the kind of furniture you will need to integrate with the technology appliances of tomorrow, and how those needs may change in the future. One Workplace provides scalable solutions that will help you adapt to the ever-evolving changes in technology, business processes and the workforce
