You may not remove any proprietary notices, marks or labels from the Software. You shall institute reasonable measures to ensure compliance with the terms and conditions of this EULA by your personnel and agents.

b. Copyright Notices. You must maintain all copyright notices on all copies of the Software.

c. Transfer. You may only transfer your rights under this EULA (i) as part of a permanent sale or transfer of all of the devices for which the Software is licensed as applicable; (ii) if you transfer all of the Software (including all component parts, the media and printed materials, any upgrades and this EULA); (iii) if you do not retain any copies of any portion of the Software; (iv) if the recipient agrees to the terms of this EULA; and (v) if the Software is an upgrade, such transfer must also include all prior versions of the Software. You agree that failure to meet all of these conditions renders such transfer null and void.

d. [Omitted.]

e. Subsequent EULA. Tyco may also supersede this EULA with a subsequent EULA pursuant to providing you with any future component, release, upgrade or other modification or addition to the Software. Similarly, to the extent that the terms of this EULA conflict with any prior EULA, the terms of this EULA shall prevail.

f. Incorporation of "Open Source" and other Third Party Software. Portions of the Software may be subject to certain thirty party license agreements governing the use, copying, modification, redistribution and warranty of those portions of the Software, including what is commonly known as "open source" software. A copy of each applicable third party license can be found in the file README.TXT or other documentation accompanying the Software. A copy of such source code may be obtained free of charge by contacting your Tyco representative.

g. Trademarks. This EULA does not grant you any rights in connection with any trademarks or service marks of Tyco, its affiliates or its suppliers.

h. Rental. You may not sublicense, rent, lease or lend the Software. You may not make it available to others or post it on a server or web site or otherwise distribute it.

i. Software Keys. The hardware/software key, where applicable, is your proof of license to exercise the rights granted herein and must be retained by you. Lost or stolen keys will not be replaced.

j. Demonstration and Evaluation Copies. A demonstration or evaluation copy of the Software is covered by this EULA; provided that the licenses contained herein shall expire at the end of the demonstration or evaluation period.

k. Registration of Software. The Software may require registration with Tyco prior to use. If you do not register the Software, this EULA is automatically terminated and you may not use the Software.

l. Additional Restrictions. The Software may be subject to additional restrictions and conditions on use as specified in the documentation accompanying such Software, which additional restrictions and conditions are hereby incorporated into and made a part of this EULA.

m. Upgrades and Updates. To the extent Tyco makes them available, Software upgrades and updates may only be used to replace all or part of the original Software that you are licensed to use. Software upgrades and updates do not increase the number of copies licensed to you.

If the Software is an upgrade of a component of a package of Software programs that you licensed as a single product, the Software may be used and transferred only as part of that single product package and may not be separated for use on more than one computer or System. Software upgrades and updates downloaded free of charge via a Tyco authorized World Wide Web or FTP site may be used to upgrade multiple Systems provided that you are licensed to use the original Software on those Systems.

n. Tools and Utilities. Software distributed via a Tyco-authorized World Wide Web or FTP site (or similar Tyco-authorized distribution means) as a tool or utility may be copied and installed without limitation provided that the Software is not distributed or sold and the Software is only used for the intended purpose of the tool or utility and in conjunction with Tyco products. All other terms and conditions of this EULA continue to apply.

5. EXPORT RESTRICTIONS. You agree that you will not export, re-export or transfer any portion of the Software, or any direct product thereof (the foregoing collectively referred to as the "Restricted Components"), to IRAN, NORTH KOREA, SYRIA, CUBA and SUDAN, including any entities or persons in those countries, either directly or indirectly ("Tyco's Position"). You also agree that you will not export, re-export or transfer the Restricted Components to any other countries except in full compliance with all applicable governmental requirements, including but not limited to applicable economic sanctions and constraints administered by the U.S. Treasury Department and applicable export control measures administered by the U.S. Department of Commerce and U.S. Department of State, any other U.S. government agencies, and measures administered by the European Union or the government agencies of any other countries. Any violation by you of the applicable laws or regulations of the U.S. or any other government, or where you breach Tyco's Position notwithstanding whether or not this is contrary to any aforementioned applicable laws or regulations, will result in automatic termination of this EULA.

6. LIMITED WARRANTY.

a. Warranty. Tyco warrants that the recording medium on which the Software is recorded, hardware key, and the documentation provided with it, will be free of defects in materials and workmanship under normal use for a period of ninety (90) days from the date of delivery to the first user. Tyco further warrants that for the same period, the Software provided on the recording medium under this license will substantially perform as described in the user documentation provided with the product when used with specified hardware. THE FOREGOING EXPRESS WARRANTY REPLACES AND IS IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED OR OTHER WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OR NON-MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY, CUSTOM, TRADE, QUIET ENJOYMENT, ACCURACY OF INFORMATIONAL CONTENT, OR SYSTEM INTEGRATION. TYCO MAKES NO WARRANTY THAT ANY PORTION OF THE SOFTWARE WILL OPERATE ERROR-FREE, FREE OF ANY SECURITY DEFECTS OR IN AN UNINTERRUPTED MANNER. TYCO SHALL NOT BE RESPONSIBLE FOR PROBLEMS CAUSED BY CHANGES IN THE OPERATING CHARACTERISTICS OF THE DEVICE(S) UPON WHICH THE SOFTWARE IS OPERATING, OR FOR PROBLEMS IN THE INTERACTION OF THE SOFTWARE WITH NON-TYCO SOFTWARE OR HARDWARE PRODUCTS. TYCO NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON PURPORTING TO ACT ON ITS BEHALF TO MODIFY OR TO CHANGE THIS WARRANTY, NOR TO ASSUME FOR IT ANY OTHER WARRANTY OR LIABILITY CONCERNING THIS SOFTWARE. THE WARRANTY MADE BY TYCO MAY BE VOIDED BY ABUSE OR MISUSE. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS UNDER MANDATORY LAW THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

b. Exclusive Remedy. Tyco's entire liability and your exclusive remedy under the warranty set forth in this Section 6 will be, at Tyco's option, to (i) attempt to correct Software errors with efforts Tyco believes suitable to the problem, (ii) replace at no cost the recording medium, Software or documentation with functional equivalents as applicable, or (iii) refund a pro-rated portion of the license fee paid for such Software (less depreciation based on a five-year life expectancy)in exchange for return of the software, provided, in each case, that Tyco is notified in writing of all warranty problems during the applicable warranty period. Any replacement item will be warranted for the remainder of the original warranty period.

No remedy is provided for failure of the Software if such failure is the result of accident, abuse, alteration or misapplication with respect to the Software or any hardware on which it is loaded. Warranty service or assistance is provided at the original point of purchase.

7. LIMITATION OF LIABILITY & EXCLUSION OF DAMAGES.

a. LIMITATION OF LIABILITY. IN NO EVENT WILL TYCO'S AGGREGATE LIABILITY (INCLUDING, BUT NOT LIMITED TO, LIABILITY FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF CONTRACT, MISREPRESENTATION AND OTHER CONTRACT OR TORT CLAIMS) ARISING FROM OR RELATED TO THIS EULA, OR THE USE OF THE SOFTWARE, EXCEED THE GREATER OF USD$5.00 OR THE AMOUNT OF FEES YOU PAID TO TYCO OR ITS RESELLER FOR THE SOFTWARE THAT GIVES RISE TO SUCH LIABILITY. BECAUSE AND TO THE EXTENT THAT SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSIONS OR LIMITATIONS OF LIABILITY ABOVE, THESE MAY NOT APPLY TO YOU.

b. EXCLUSION OF OTHER DAMAGES. UNDER NO CIRCUMSTANCES SHALL TYCO OR ANY OF ITS RESELLERS OR LICENSORS BE LIABLE FOR ANY OF THE FOLLOWING: (I) THIRD PARTY CLAIMS; (II) LOSS OR DAMAGE TO ANY SYSTEMS, RECORDS OR DATA, OR LIABILITIES RELATED TO A VIOLATION OF AN INDIVIDUAL'S PRIVACY RIGHTS; OR (III) INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES (INCLUDING LOST PROFITS AND LOST SAVINGS), IN EACH CASE EVEN IF TYCO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. YOU ARE SOLELY RESPONSIBLE AND LIABLE FOR VERIFYING THE SECURITY, ACCURACY AND ADEQUACY OF ANY OUTPUT FROM THE SOFTWARE, AND FOR ANY RELIANCE THEREON. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR THE LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, SO SOME OF THE ABOVE LIMITATIONS MAY APPLY TO YOU ONLY TO THE EXTENT PERMITTED BY THOSE LAWS.

8. GENERAL. If any provision of this EULA is found to be unlawful, void, or for any reason unenforceable, then that provision shall be severed from this EULA and shall not affect the validity and enforceability of the remaining provisions. You should retain proof of the license fee paid, including model number, serial number and date of payment, and present such proof of payment when seeking service or assistance covered by the warranty set forth in this EULA. This EULA is governed by the laws of the State of New York, without regards to its conflicts of law principles. The parties hereby irrevocably agree that they submit themselves to the

personal jurisdiction of the state and federal courts of New York for purposes of resolving any and all disputes arising under or related to these terms and conditions. The parties specifically exclude the application of the provisions of the United Nations.

HID GLOBAL CORPORATION
END USER LICENSE AGREEMENT (“EULA”)

(GSA Version v.11182016)

IMPORTANT - READ CAREFULLY: This End User License Agreement (“EULA”) is a legal agreement between you (“Licensee”), as an entity, and HID Global Corporation. (“HID”) governing the use of the software products and modules (“Software”) that came with this EULA, whether provided on a standalone basis or installed or embedded on hardware products (“Hardware”), and any associated product documentation or other written materials accompanying or provided with the Software (“Documentation”). **LICENSEE AGREES TO BE BOUND BY THE TERMS OF THIS EULA EXECUTING THIS PURCHASE ORDER. IF LICENSEE DOES NOT AGREE TO THE TERMS AND CONDITIONS OF THIS EULA, DO NOT EXECUTE THIS AGREEMENT.**

1. Grant of License. In consideration of payment of the applicable license fee by Licensee to HID or its authorized reseller and subject to Licensee’s compliance with the terms and conditions of this EULA, HID grants Licensee a non-exclusive, non-transferable, non-sublicensable, worldwide right to use the Software solely for Licensee’s business operations. Licensee’s right to use the Software is expressly subject to the limitations in the number of end users, workstations, servers or other such limitations as indicated by the invoice or other purchasing documentation issued by HID or HID’s authorized reseller for the Software and/or Hardware provided to Licensee (“Purchase Documents”). Except as expressly set forth in Section 2(a), only object code, machine-readable versions of the Software are licensed to Licensee hereunder, and Licensee has no rights under this EULA to the source code versions of the Software. Licensee may use, reproduce and internally distribute the Software and the Documentation solely in connection with and as reasonably necessary for Licensee’s authorized use of the Software and for backup and archive purposes; provided, however, that Licensee may not copy any Software that is installed, embedded or otherwise resident in any Hardware products. Subject to the foregoing license grant and terms and conditions of this EULA, Licensee may make the Software and Documentation available to a third party to operate the Software on behalf of Licensee, provided that Licensee shall be fully liable for such third party’s compliance with the terms and conditions of this EULA.

2. Restrictions. The license rights granted in this EULA are subject to the following restrictions:

(a) Licensee may not sell, license, sublicense, lend, rent, lease, or otherwise transfer the Software to a third party; provided, however, that if any sample code or application programming interfaces are provided by HID with or as part of the Software (hereunder, “API’s”) for the purpose of enabling interoperability between the Software and an application developed by or for Licensee (“Licensee App”), Licensee may distribute those portions of the API’s that are marked or identified in the Documentation as being redistributable solely as part of a Licensee App.

(b) Licensee may not use the Software for time-sharing, outsourcing, service bureau, or managed service provider purposes, or otherwise make the Software available to third parties for their commercial purposes, unless expressly authorized in writing by HID.

(c) Licensee acknowledges that the Software in source code form remains a confidential trade secret of HID and/or its third party licensors (“Licensors”). Licensee may not reverse engineer, decipher, decompile, modify or disassemble the Software or otherwise attempt to derive the source code of the Software, incorporate the Software in whole or in part in any other software or product, or develop derivative works of the Software or allow others to do so, or to attempt to do any of the foregoing (except and only to the extent the foregoing restrictions are prohibited by applicable law notwithstanding this limitation).

(d) Licensee shall not disclose or publish the results of any performance, functional, or other evaluation or benchmarking of the Software to any third party without the prior written consent of HID.

(e) If the Software or Hardware product uses a volume license key or other method to limit the volume of use of the product, Licensee shall not disable, bypass or otherwise circumvent the operation of such key or method.

(f) For some Software or Hardware products, there are additional product-specific restrictions set forth in the applicable product addendum attached to or referenced in this EULA. In the event of any conflict between the terms of this EULA and the terms of any applicable product addendum, the terms of the product addendum shall be controlling.

3. Support.

3.1 Support. During the term of this EULA and subject to Licensee’s payment of the applicable support fees, HID or HID’s authorized reseller will make technical support and software maintenance available to Licensee on the terms provided in the most recent version of HID’s Support Handbook (“Support”).

3.2 Procurement and Support of System. Licensee is responsible for procuring, installing and maintaining the hardware or software infrastructure, including a suitable operating system environment (collectively the "System"), required for the proper operation of the Software. Licensee acknowledges that updates to the Software provided as part of Support may require modification or upgrades to certain components of the System in order to utilize such updates, and that Licensee is solely responsible for obtaining such software and hardware modification or upgrades from the applicable suppliers or manufacturers.

4. Certification and Audit. Licensee shall use commercially reasonable efforts to implement measures to monitor and ensure all users of the Software comply with the restrictions and limitations of this EULA. At HID's written request, but not more frequently than once annually during the term of this EULA, Licensee shall certify to HID, in a writing signed by Licensee's authorized representative, Licensee's compliance with the terms of this EULA, and provide HID a list of (a) the number of users by country, and (b) the locations and types of the systems on which it operates or has installed the Software. HID reserves the right to audit Licensee's use of the Software no more than once annually, per Licensee site, at HID's expense. HID shall schedule any audit at least fifteen (15) days in advance. Any such audit shall be conducted during regular business hours at Licensee's facilities and shall not unreasonably interfere with Licensee's business activities. If such audit reveals that Licensee has underpaid fees to HID, HID shall invoice Licensee for such fees at the prices previously agreed to . Such audit shall be in accordance with all applicable Government security requirements.

5. Ownership. The Software is licensed under the terms of this EULA, not sold. HID and/or its Licensors own all title and proprietary rights, including without restriction all intellectual property rights, in and to the Software and Documentation and all copies thereof, all of which contain valuable trade secrets of HID and/or its Licensors. Licensee may not remove, modify or otherwise tamper with any copyright, trademark, proprietary rights notices, labeling, legend, disclaimer or warning notices included in or embedded in any part of the Software or Documentation or in any copy made of the Software or Documentation.

6. Warranty and Disclaimers.

6.1 Limited Warranty. HID warrants that for a period of ninety (90) days from the date the Software is delivered to Licensee (FCA Origin) or downloaded by Licensee, whichever is earlier, that: (a) the media on which the Software is recorded will be free from material defects in materials and workmanship under normal use, and (b) the Software will perform substantially in accordance with the then-current Documentation, provided that such Software is properly used by Licensee in accordance with such Documentation and this EULA. If Licensee discovers within this warranty period that the Software fails to substantially conform to the Documentation, Licensee must promptly notify HID or HID's authorized reseller in writing and obtain a Return Material Authorization ("RMA") and a RMA number, prior to return of the defective Software.

6.2 Remedies. HID's sole and exclusive liability and Licensee's sole and exclusive remedy under this limited warranty shall be, at HID's election, either: (a) replacement of the media if defective, or (b) HID's commercially reasonable effort to repair or replace the Software to make the Software perform substantially in accordance with the accompanying Documentation, if the Software as initially delivered is non-conforming. In the event HID is unable to remedy the non-conformity and such non-conformity materially affects the functionality of the Software, Licensee may promptly terminate the Software license applicable to the non-conforming Software and return such Software and any applicable Documentation to HID or HID's authorized reseller. In such event, Licensee will receive a refund of the license fee received by HID with respect to such Software. The above remedies are available only if HID or HID's authorized reseller is promptly notified in writing within the ninety (90) day warranty period. Any replacement Software will be warranted for the remainder of the original warranty period, or for thirty (30) days, whichever is longer.

6.3 Restrictions and Exclusions. HID does not warrant that the Software will meet Licensee's requirements or will operate in combination with other software or hardware which may be selected for use by Licensee, or that the operation of the Software will be uninterrupted or error-free. This limited warranty is VOID if failure of the Software is due to accident, negligence, abuse, improper installation or misuse of the Software.

6.4 Disclaimers. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE WARRANTIES STATED ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR QUALITY OF SERVICE. NO WARRANTIES SHALL ARISE UNDER THIS EULA FROM COURSE OF DEALING OR USAGE OF TRADE. HID DOES NOT WARRANT THAT THE SOFTWARE OR DOCUMENTATION IS FREE OF THIRD PARTY CLAIMS OF INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS.

7. Limitation of Liability. HID, ITS LICENSORS, AGENTS, SUPPLIERS, DISTRIBUTORS OR RESELLERS SHALL NOT BE LIABLE WHATSOEVER FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING WITHOUT LIMITATION DAMAGES FOR LOST PROFITS, DATA OR LOSS OF USE, OR PROCUREMENT OF REPLACEMENT SOFTWARE, HOWEVER INCURRED BY THE LICENSEE OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY LAW, HID'S LICENSORS DISCLAIM ALL DAMAGES OF ANY KIND. EXCEPT FOR ANY INDEMNIFICATION PROVIDED HEREIN, THE AGGREGATE AND CUMULATIVE LIABILITY OF HID FOR DAMAGES UNDER THIS EULA SHALL. NOT EXCEED THE AMOUNT OF THE FEES PAID BY LICENSEE FOR THE SOFTWARE LICENSED UNDER THIS EULA. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO (1) PERSONAL INJURY OR DEATH RESULTING FROM LICENSOR'S NEGLIGENCE; (2) FOR FRAUD; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

8. IP Indemnity.

8.1 Indemnity. HID will defend Licensee from and against any claim brought by a third party against Licensee to the extent such claim alleges that the Software directly infringes any intellectual property rights of such third party ("Claim"), and will pay all costs, damages and expenses (including reasonable legal fees) finally awarded against Licensee by a court of competent jurisdiction or agreed to in a written settlement agreement signed by HID arising out of such Claim; provided that Licensee: (a) gives HID prompt written notice upon learning of a Claim or potential Claim; (b) allows HID to assume control of the defense of such Claim and all related settlement negotiations; and (c) reasonably cooperates with HID, at HID's request and expense, in the defense or settlement of the Claim, including the provision of all assistance, information and authority reasonably requested by HID. Notwithstanding the foregoing, HID shall have no liability for any claim of infringement based in whole or in part on (i) the use of a superseded or altered release of the Software to the extent that the infringement would have been avoided by the use of a current unaltered release of the Software provided by HID or its affiliates to Licensee, (ii) the modification of the Software by anyone other than HID or its authorized agents to the extent that the infringement would have been avoided but for such modification, (iii) the use of the Software other than in accordance with the documentation accompanying the Software or the applicable license agreement, (iv) the combination of the Software with other software or hardware not provided by HID, where the combination causes the infringement and not the Software standing alone, (v) third party software, including open source software, incorporated in the Software, or (vi) product features based on published standards where there was no non-infringing way to implement such standards. Licensee reserve the right for appropriate consultation and the contractor's right to intervene in the proceedings at its own expense through counsel of its choice. Nothing contained herein shall be construed in derogation of the U.S. Department of Justice's right to defend any claim or suit brought against the U.S. pursuant to its jurisdictional statute 28 U.S.C.§ 516.

8.2 Additional Remedies. If the Software, or any material portion thereof, is held by a court of competent jurisdiction to infringe, or if HID believes that the Software may be subject to a Claim or held to infringe, HID shall, in its discretion and at its expense (a) replace or modify the Software so as to be non-infringing, provided that the replacement Software provides substantially similar functionality; (b) obtain for Licensee a license to continue using the Software; or (c) if non-infringing product or a license to use the Software cannot be obtained upon commercially reasonable terms, as determined by HID & Licensee in writing, the parties may (i) terminate the license for the affected Software (as applicable) and (ii) upon return of the Software by Licensee or certification of its destruction, refund a pro-rated portion of the license fees or other charges paid by Licensee to HID (or its affiliate company) for such Software (for perpetual licenses, as depreciated on a four-year straight-line basis and for term limited licenses, for the unused remainder of the term) and, if applicable, the unused portion of any prepaid support fees that directly relate to such Software.

8.3 Limitation and Exclusive Remedy. The indemnity provided herein states HID's and its affiliate companies' entire liability and Licensee's sole and exclusive remedy for any claim of intellectual property infringement by, or with respect to, the Software. The foregoing limitation of liability shall not apply to (1) personal injury or death resulting from Licensor's negligence; (2) for fraud; or (3) for any other matter for which liability cannot be excluded by law.

9. Export. Licensee shall comply fully with all international and national laws and regulations that apply to the Software and Documentation and to Licensee's use thereof, including, but not limited to the U.S. Export Administration Regulations and end-user, end-use and destination restrictions issued by U.S. and other governments. Without limiting the generality of the foregoing, Licensee expressly agrees that it shall not, and shall cause its representatives to agree not to, export, directly or indirectly, re-export, divert, or transfer the Software or Documentation or any direct product thereof to any destination, company or person restricted or prohibited by U.S. laws or regulations or laws or regulations of any other applicable jurisdiction.

10. Third Party Software Component License Terms. To the extent there are any third party software components licensed to HID by Licensors included in the Software, such components shall be licensed as part of the Software in accordance with the terms and conditions of this EULA. Such Licensors may provide additional rights, requirements and notices (which rights, requirements and notices can be found in a readme file or product addendum or are otherwise distributed with the Software), and nothing herein shall alter or limit any such additional rights, requirements or notices provided to Licensee by such Licensors.

11. U.S. Government Restricted Rights. The Software is provided with "Restricted Rights". Use, duplication or disclosure by the U.S. Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights at 48 CFR 52.227-19, as applicable (and the successor clauses to any of the foregoing). The contractor/manufacturer is HID Global Corporation. All Software provided to the U.S. Government, including its civilian and military agencies, is commercial computer software that was developed at private expense prior to its provision to any U.S. Government entity. Subject to any applicable regulations set out in the FAR or DFARS (and any superseding regulations), the Software is provided with the commercial license rights and restrictions described elsewhere in this EULA. For Department of Defense agencies, the restrictions set forth in the "Technical Data - Commercial items" clause at DFARS 252.227-7015 (Nov 1995) shall also apply.

12. Term and Termination of License.

The term applicable to Licensee's use of the Software shall be defined in the Purchase Order Documents. When the End User is an instrumentality of the U.S., recourse against the United States for any alleged breach of this Agreement must be made as a dispute under the contract Disputes Clause (Contract Disputes Act). During any dispute under the Disputes Clause, [vendor] shall proceed diligently with performance of this Agreement, pending final resolution of any request for relief, claim, appeal, or action arising under the Agreement, and comply with any decision of the Contracting Officer.

13. General. This EULA, together with the Purchase Order Documents and any attached and/or referenced addenda, exhibits and schedules, constitutes the complete agreement between the parties and supersedes all prior or contemporaneous agreements or representations, written or oral, concerning the subject matter of this EULA. This EULA may not be modified or amended, except in writing signed by the duly authorized representatives of Licensee and HID. No other act, document (including Licensee's purchase order or other Licensee document), usage or custom shall be deemed to amend or modify this EULA. If any of these provisions are held to be unenforceable in any jurisdiction for any reason, such provision shall be reformed only to the extent necessary to make it enforceable, and such decision shall not affect the enforceability (a) of such provision under other circumstances or jurisdictions, or (b) of the remaining provisions hereof under all circumstances or jurisdictions. These terms and conditions, and interpretation thereof, will be governed by the Federal laws of the United States. . These terms and conditions, the separate software license agreement, and Licensee's use will not be governed by the United Nations Convention of Contracts for the International Sale of Goods, the application of which is hereby expressly excluded.
