Terms and Conditions

Order Information
All prices shown in this price book are list prices in US Dollars. Prices are subject to change without notice. The customer's purchase order must include complete information or order will be held from production until all information is provided. The customer bears sole responsibility for order correctness. Orders are subject to La-Z-Boy Contract Furniture's terms and conditions, regardless of the terms and conditions set forth on the buyer's/customer's purchase order forms. All customer orders must receive credit approval before the order can be entered into production.

Mail, Fax, or E-mail Purchase Orders To:
Knú, LLC
DBA / La-Z-Boy Contract Furniture
P.O. Box 9
Ferdinand, IN 47532
Phone: 812-367-2068
Fax: 812-367-2493
E-mail: customerservice@lzbcontract.com

Payment Terms
Terms are NET 30 days from shipment. If an invoice is not paid in full, within the terms, a monthly finance charge will be assessed at a rate of 1.5% per month or the highest amount permitted by applicable state law. The customer will be liable for any collection and/or attorney fees incurred in the collection of past due accounts.

Selling Information
Distribution of this price list does not in itself constitute an offer to sell. Orders may only be placed by customers authorized by La-Z-Boy Contract Furniture management.

Order Acknowledgment
The customer will receive an order acknowledgement by e-mail or fax. Upon receipt of this acknowledgement it is the customer's responsibility to check the accuracy of the order and notify customer service of any errors. Once an order is acknowledged, La-Z-Boy Contract Furniture will be responsible for shipping exactly the items acknowledged at the prices acknowledged. No changes may be made once an order has been placed into production. The order will be shipped upon completion of production. Every effort will be made to ship orders within the acknowledged ship dates. Acknowledged ship dates, however, are contingent upon conditions beyond our control. We cannot make promises for delivery dates as service by transportation companies varies from destination to destination.

Order Cancellations
Cancellations must be communicated via email or fax to customer service and not to the sales representative. A cancellation penalty will apply. After an order is acknowledged and placed into production, cancellations cannot be accepted.

Packaging
All prices include packaging. Assembled chairs are normally shipped one per carton unless otherwise specified. All of our packaging and cartons meet or exceed ICC specifications.

Freight Terms & Conditions

All product is shipped F.O.B. the La-Z-Boy Contract Furniture factory, with freight prepaid to the continental U.S. destination (dealer's dock or territorial warehouse) and does not include home delivery. Customers must select a standard delivery location for their orders. Docks at the selected delivery location must be equipped to handle a 53' trailer. When a La-Z-Boy Contract Furniture customer/dealer warehouse is selected as the default delivery location, it is understood that La-Z-Boy Contract Furniture pays freight cost to the default delivery location only, and no further. The customer is responsible for all charges from this point. La-Z-Boy Contract Furniture utilizes freight carriers that are dedicated furniture specialists. For all deliveries, it is understood that La-Z-Boy Contract Furniture or its agents are making a dock delivery only, and any further work of truck unloading, delivery beyond the dock, installation, and/or removal of packaging is not authorized or paid for by La-Z-Boy Contract Furniture. ***Home delivery is not included and must be negotiated prior to order placement.*** For all deliveries, whether to the customer location or drop shipment, any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), will result in service charges applied at the rate of $75 per hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged.

International shipments and shipments into the states of Hawaii and Alaska are freight prepaid to the port of exit. La-Z-Boy Contract Furniture reserves the right to implement a fuel surcharge and also reserves the right to select the most appropriate F.O.B. point, carrier, and routing on all shipments. ***Orders with a NET of $1,000 or less are subject to a $75 Shipping and Handling Fee.*** All La-Z-Boy Contract Furniture products are carefully inspected and properly packaged by trained personnel before leaving the factory. The transportation company assumes full responsibility for safe delivery upon acceptance of the shipment. All shipments are delivered to the freight company in good condition. If a shipment is received that has visible damage, product shortages or if delivery has been delayed by the freight company the following steps must be taken:

1. Before signing for the merchandise, make notations of all visible damage and/or shortages on the Bill of Lading. The delivering freight company may not accept responsibility for damage and/or shortages if proper notification of the alleged problem is not given when signing for the merchandise. If visual damage is not apparent, sign the delivery receipt "no visual damage". This will allow recourse for a concealed damage claim. Claims for freight damage, concealed or otherwise, must be filed within ten (10) days of the original delivery date.

2. Do not refuse merchandise damaged in transit. The delivering freight company (not La-Z-Boy Contract Furniture) is responsible for damage to goods which occur in transit or storage.

3. Failure to make claims against La-Z-Boy Contract Furniture or its designated carrier within ten (10) days shall constitute acceptance of the merchandise and a waiver of any defects, errors, or shortages discovered upon inspection.

4. If a claim is filed you must retain all shipping cartons and packing material for inspection by the carrier agent.

Terms and Conditions Continued

Storage Policy
Upon written notice, La-Z-Boy Contract Furniture will provide storage, once an order is completed, for up to five (5) calendar days at no charge. Any order requiring storage beyond five (5) calendar days will be subject to a storage fee of 1% of the total net order per day for each calendar day that the order is held.

Return Merchandise
No returns of merchandise will be accepted without written authorization from La-Z-Boy Contract Furniture. Before a return of merchandise is authorized, La-Z-Boy Contract Furniture reserves the right to inspect the furniture in question. Any item(s) that has been approved for return must be returned properly packed and in the original factory carton. Return transportation charges must be prepaid. Unauthorized returns will be returned to the customer, freight collect. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason given for the return stated on the authorization form. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of the credit issued. Authorized returns caused by customer error are subject to a minimum 30% re-stocking fee plus freight charges.

Customer Satisfaction
Our goal at La-Z-Boy Contract Furniture is to ensure that our customers are completely satisfied with our products. If a problem arises with La-Z-Boy Contract Furniture after the warranty period, La-Z-Boy Contract Furniture will make its best effort to satisfy the customer in a manner that is fair to all concerned.

Important Notes
1. COM or COL orders must contain the fabric supplier name, pattern name, and color name of the pattern you wish to order.
2. Directional covers, such as stripes, patterns, and plaids may not meet your satisfaction due to contoured shapes and tufting on some furniture styles. Should one of these designs be selected, we will do our best to manufacture the furniture to meet your satisfaction. However, such orders are not subject to return.
3. Textiles listed are supplied by the fabric suppliers and not all colors of the textile listed may be available.
4. Once an order for cut yardage is acknowledged, adjustments or cancellations will result in a restocking fee for the purchase price of the fabric.
5. Not all textiles are available in CAL 133.

Limited Lifetime Warranty

La-Z-Boy Contract Furniture warrants the products it manufactures against defects in material and workmanship under normal use and service for the expected useful life of the product from the date of shipment. This limited warranty is valid only to the original purchaser using the product for its intended purpose, provided the product is covered in its original cover. This warranty does not apply to expected changes resulting from normal wear and tear, use and aging of the product. Specifically excluded from this limited warranty are defects and damage resulting from abuse, neglect, misuse, or excessive use. Product alteration, substitution of components or materials, improper cleaning or repair, and installation and handling damages are also not covered by this warranty. All other express or implied warranties made by agents, dealers, sales representatives or any other representatives, including any warranty of merchantability or fitness for a particular purpose, are hereby excluded.

There are no representations as to the capacity or performance of the products sold hereunder except as set forth in the price book or quotation specifications, if any, and such representations are expressly conditioned upon the correctness of the data furnished by purchaser and upon the products being properly installed and maintained.

La-Z-Boy Contract Furniture's sole obligation shall be to repair any defective product or product component covered under this warranty, including shipping and labor, during the warranty period. In no event shall La-Z-Boy Contract Furniture be liable for any consequential or incidental damages, including lost profits or revenues incurred by the purchaser with respect to any goods furnished by La-Z-Boy Contract Furniture. Expenses incurred by purchaser in repairing or replacing La-Z-Boy Contract Furniture's product must be pre-approved in writing by La-Z-Boy Contract Furniture.

La-Z-Boy Contract Furniture offers no warranty on the following product components or characteristics: all forms of upholstery, including fabric, vinyl and leather, as well as wood grain, color and texture. La-Z-Boy Contract Furniture offers no warranty on COM, COL, or any other special order fabric used at the request of the Purchaser. Warranties offered by cover suppliers to La-Z-Boy Contract Furniture, if any, are hereby assigned to Purchaser.

In the event a product has to be returned to the factory for verification of a defect and/or repair, it must be pre-approved in writing by La-Z-Boy Contract Furniture, freight pre-paid, and include a copy of the original invoice with the date and name of original purchaser.

La-Z-Boy Contract Furniture hereby assigns to the original owner any and all warranties offered by its component suppliers. To the extent the terms of these warranties differ from the terms of the Limited Warranty, the terms of the suppliers' component warranties shall apply. However, La-Z-Boy Contract Furniture does not guarantee that the component supplier will comply with any terms of the warranty of such supplier.

KNÚ, LLC WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES INCLUDING ANY LOSS, EXPENSE, OR DAMAGE OTHER THAN TO THE PRODUCT ITSELF THAT MAY RESULT FROM A DEFECT IN THE PRODUCT. SOME STATES DO NOT ALLOW FOR THE EXCLUSION OR LIMITATION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY.

KNÚ, LLC MAKES NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THESE AND ALL OTHER IMPLIED WARRANTIES ARE SPECIFICALLY DISCLAIMED. SOME STATES DO NOT ALLOW AN EXCLUSION OR LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY.

THIS WARRANTY GIVES YOU, THE ORIGINAL PURCHASER, SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. EXCEPT FOR SUCH OTHER RIGHTS, THE REMEDIES PROVIDED UNDER THIS WARRANTY STATE THE LIMIT OF KNÚ, LLC'S RESPONSIBILITIES.

435-1	Classic Cherry	435T	Classic Cherry
530-1	Medium Maple	530T	Medium Maple
165	Autumn Cherry		
166	Formal Cherry		
174	Formal Mahogany		

Customer's Own Finish (COF)
Color panels must be submitted to the following address for matching purposes:
Knú, LLC
DBA / La-Z-Boy Contract Furniture
ATTN: COF Department
1300 North Broad Street
Leland, MS 38756

La-Z-Boy Contract Furniture will provide a matching finish sample for customer's approval prior to acknowledgment of the order. The order will not be scheduled for production until an approved finish sample has been received. The following List Price per order will apply:

1-9 Units	$396 List Per Finish
10-24 Units	$264 List Per Finish
25+ Units	$200 List Per Finish

Moisture Barrier Options

Moisture barriers that are designed to prevent penetration to the foam and other filling materials are available on most items at an additional charge. Moisture barriers are applied between the upholstery cover and filling materials. The following list price upcharge will apply to each surface on which the protective barriers may be applied.

MBB	Chair/Recliner: Single Back: $50 List per cushion
MBS	Chair/Recliner: Single Seat: $50 List per cushion
MB2B	Bariatric Chair/Bariatric Recliner: Single Back: $75 List per cushion
MB2S	Bariatric Chair/Bariatric Recliner: Single Seat: $75 List per cushion
MB3	Loveseat: Seat or Back: $100 List per cushion
MB4	Sofa: Seat or Back: $150 List per cushion
MB5	Sleep Chair Pullout: $75 List per cushion

COM/COL

COM (Customer's Own Material)
All La-Z-Boy Contract Furniture seating styles are available in COM. Prices are listed in the column containing the Grade of COM.

Yardage requirements are based on non-directional 54" wide (between selvage edges) fabric.

All fabrics must be backed with an appropriate type backing. Do not send wall coverings or drapery fabrics.

COM material must be shipped from fabric supplier in continuous yardage. La-Z-Boy Contract Furniture cannot accept individual pieces of the same fabric.

Please complete the COM/COL form and ship form along with the fabric sample for approval prepaid to:
Knú, LLC
DBA / La-Z-Boy Contract Furniture
ATTN: COM/COL Department
P. O. Box 9
One Best Drive
Ferdinand, IN 47532

Once COM/COL fabric has been approved send COM/COL yardage to:
Knú, LLC
DBA / La-Z-Boy Contract Furniture
ATTN: COM/COL Department
1300 North Broad Street
Leland, MS 38756

Please send purchase order to:
Knú, LLC
DBA / La-Z-Boy Contract Furniture
P.O. Box 9
Ferdinand, IN 47532
Fax: 812-367-2493
E-mail: customerservice@lzbcontract.com

La-Z-Boy Contract Furniture must receive the purchase order prior to receiving the COM/COL yardage. Lead time does not begin until the COM/COL yardage has been received by the COM/COL Department at Leland, MS.

Please attach a sample of your material to the COM form and indicate the direction it is to be applied. Unless otherwise directed, all COM will be applied up the roll with no pattern. Since some fabrics are reversible, please attach the fabric such that the exposed side is facing outward. La-Z-Boy Contract Furniture does not warrant COM fabrics.

Refer to individual product pages for standard COM yardage requirements. For fabrics with railroads or repeats please refer to the chart on page 11.

When sending in COM to have CAL133 backing added, La-Z-Boy Contract Furniture will need an additional yardage amount equal to either 5% of the total yardage, or 1 yard, whichever is the greatest.

When COM is accepted, La-Z-Boy Contract Furniture assumes no responsibility for the appearance, behavior, or durability of the COM. La-Z-Boy Contract Furniture will inspect all COM fabrics upon receipt at the plant, but will not be held responsible for variations of dye lots, wear, fading, pattern matches, and/or flaws.

COL (Customer's Own Leather)
Prices are listed in the column containing the grade of COL. Not all La-Z-Boy Contract Furniture seating styles are available as a COL. Requirements are based on the usable footage of leather hides measuring a minimum of 50-55 square feet. COL requirements listed by each model are actual ***usable*** square footage requirements needed for that particular product. Additional seams may be required to efficiently utilize all of the square footage of the hides.

Note that leather is a natural product. Brands, excessive scars, and other significant defects will be excluded from the cutting process unless otherwise specified by the customer. Additional hides may be required based on the condition of the COL.

Due to a variation in leather thickness, it is important to attach a 4" X 4" swatch of the material to the COM/COL Form. Acceptance of the leather by La-Z-Boy Contract Furniture signifies that the leather can be applied to the end product. La-Z-Boy Contract Furniture's approval does not constitute any responsibility or warranty on the part of La-Z-Boy Contract Furniture as to the appearance, behavior, or durability of the COL. La-Z-Boy Contract Furniture does not warrant COL.

COM/COL Form

(Entire Form must be filled out)

LA-Z-BOY CONTRACT FURNITURE

Dealer Name	Fabric Supplier
Address	Pattern Name and Number
City/State/Zip	
Contact Name	Pattern Repeat ***(in inches)*** **Order will not be processed with out this information* No Repeat _____ Vertical Repeat _____ Horizontal Repeat _____
Telephone

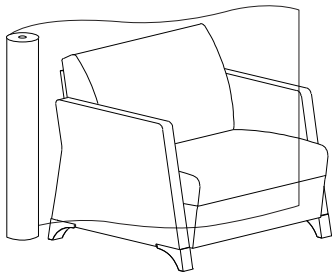
Leland, MS 38756

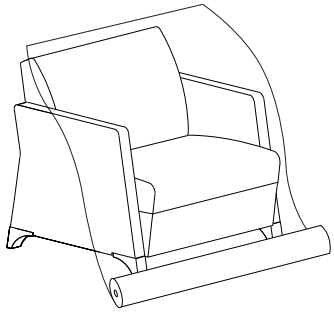
Fabric Repeats

The chart below represents a patterned fabric being selected with a repeat. When a multiple repeat is present, the calculation for the yardage needed is determined by adding the vertical and horizontal measurements together and then referring to the chart for the extra yardage required. For example; on a guest chair a 4" vertical repeat and a 5" horizontal repeat requires 18.5% if the pattern is directed across the roll, 23.5% if the pattern is directed up the roll and 28.5% for a 2-Way repeat.

RR
Across the Roll
Railroaded



UR
Up the Roll



Guest/Visitor and Tandem Seating

Repeat (In Inches)	Cut Across The Roll (RR)	Cut Up The Roll (UR)	2-Way

21 ¼" - 33"	Add 30%	Add 35%	Add 40%

CAL 117/CAL 133

All La-Z-Boy Contract Furniture standard upholstered seating and the filling materials used in the construction of our seating, either meet or exceed the flammability requirements of Cal 117-2013. La-Z-Boy Contract Furniture will manufacture its seating when requested by a customer or where required by law to meet or exceed the flammability requirements of California Technical Bulletin 133. CAL TB133 requires actual tests of the complete unit and not just the components as CAL 117-2013 does. CAL TB133 is specific to the fabric, frame, and all filaments.

La-Z-Boy Contract Furniture recommends the use of a CAL 117-2013 Fabric, Fire Resistant Foam, and a Fire Resistant Barrier for a successful CAL TB133 burn test; however, this alone does not guarantee a product will pass the burn test. The cost of a burn test is $500 (net) plus the cost of the product, along with the barrier and the fabric. Please allow a minimum of six (6) weeks for the production of the product and the completion of the test. Once the product successfully passes the burn test a certificate will be supplied.

If you do not need actual certification, the product can be upholstered using Fire Resistant Foam and the Fire Resistant Barrier at an upcharge of $80 List per yard. Use the COM yardage requirements for your upcharge formula. COM yardage requirements are located on the individual product pages. (Please note that your COM fabric selection must pass CAL 117-2013 which will be stated in your fabric specifications.)

When sending in COM to have CAL TB133 added, La-Z-Boy Contract Furniture will need an additional yardage amount equal to either 5% of the total yardage, or 1 yard, whichever is the greatest. CAL TB133 can not be added to a leather or DV vinyl.

CAL TB133 outlines the method and technique to which the furniture should be tested. Beyond that, it leaves classifications of furniture fabric to the discretion of the manufacturer/supplier of the fabric over which La-Z-Boy Contract Furniture has no control. La-Z-Boy Contract Furniture has tested a variety of chairs and fabrics with successful test results. La-Z-Boy Contract Furniture then cross-referenced similar models to see which ones would be applicable; however, this does not constitute a certification of an actual burn test.

The following upholstered frames have passed the CAL TB133 Fire Test for furniture manufactured for public area use. Please contact customer service for pricing and lead times.

Model	Textile
Dialogue DIA10UA	Maharam Article Flume (458600-013)
Dixon DX10	CF Stinson Carat Sunflower (61481)
EV Collection E4017	CF Stinson Script Spearmint (ST10)
Gratzi LF14AWS	Arc-Com Frontier AC - 67492
Harmony H5017	CF Stinson Script Palm (SCT 20)
Odeon Lounge L40P15UA	Maharam Medium Marina (022) Momentum Bravo Tumbleweed
Odeon Sleeper OD2800	CF Stinson Matrix Mystic (MA118)
Tranquility TR1170UF	CF Stinson Mingle Natural (61762)

UL Listing

All electrical components used in La-Z-Boy Contract Furniture products are UL listed. A UL listing for the entire La-Z-Boy Contract Furniture products can be obtained at an additional charge. Please contact customer service for pricing and lead times.

Note: La-Z-Boy Contract Furniture makes no recommendations or representations regarding whether CAL 133 certification or UL listing is required for the lawful use of La-Z-Boy Contract products. It is the sole responsibility of the customer to ascertain and comply with the laws, ordinances, regulations and codes of their particular jurisdiction that apply to their use of La-Z-Boy Contract products.

Genuine Leather (Grade GL) is both luxurious and practical. It is soft, supple and extraordinarily adaptable. Our leather program is appealing and complements both traditional and contemporary styling, with a broad color selection. The look of this leather is greatly enhanced by a number of natural markings that are part of the beauty and nature of genuine leather. Their unique look and durable characteristics make each piece a classic.

Leather Finesse (Grade AL) uses handsome, genuine top grain leather in all the places the body touches, inside seat and back, and arms. Quality Vinyl (Grade DV) is used in all non-contact areas, outside back and sides.

Vinyl (Grade DV) is a complete upholstered vinyl unit.

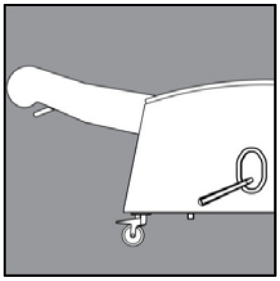
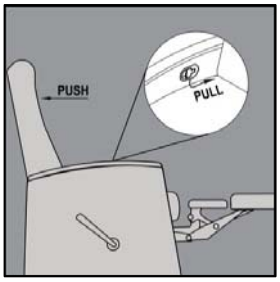
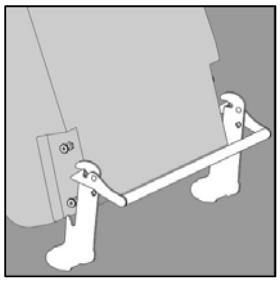
Mobile Healthcare Recliner Features



Infinite Position Non-Locking Back
Patients can adjust seating and back positions to their exact preferences through simple body movement.



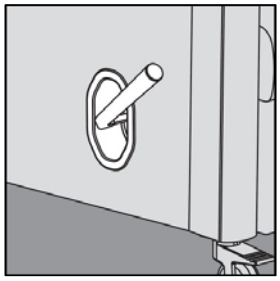
Infinite Position Locking Back Lever
Infinite Position Locking Back allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing) on select models. Locking Back Lever is located on the outside of the left arm (facing) on Dual Lateral Transfer Arm models.



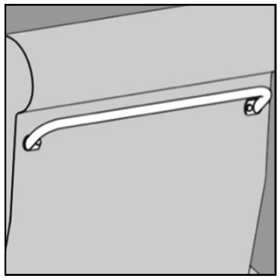
Quick Removable Back
Recliners are standard with removable back for easy cleanability for infectious disease control on select models.

LIQUICELL®

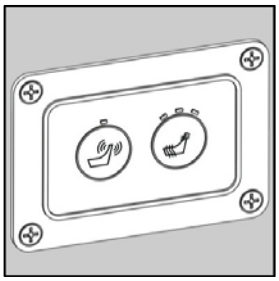
LiquiCell is standard on all La-Z-Boy Contract Furniture recliner seats. For more information please see page 110.



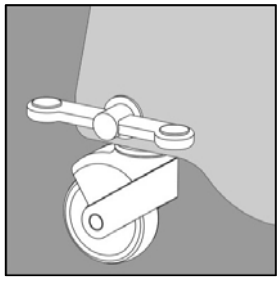
Recliner Handle
Recliners are standard with left side (facing) black handle. Recliner handle assists weakened occupants with footrest elevation. No need to push on back to open recliner footrest.



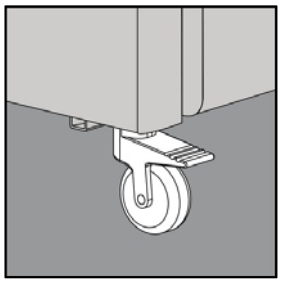
Padded Push bar
All mobile recliners feature padded push bar for ease of movement.



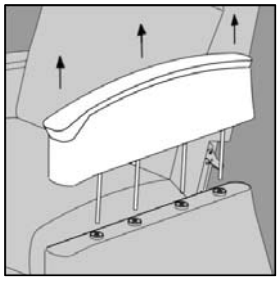
Heat/Heat & Massage Recliners
Heat (H) and Heat & Massage (HM) Control is located on the inside left arm (facing).



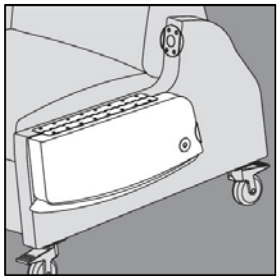
Lock & Steer (S / Q)
The 2- Caster Lock and Steer (S) feature is controlled by a three position lever located at the rear of the chair on the left arm facing. Lever controls rear casters only. The 4-Caster Lock and Steer (Q) feature is controlled by a three position lever located at the front of the chair on the left arm facing. Lever controls all four casters. (Q) 4-Caster Lock and Steer feature is available on select models only.



4" Swivel Locking Casters
Select model recliners are standard with three-4" swivel locking casters and one-4" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.



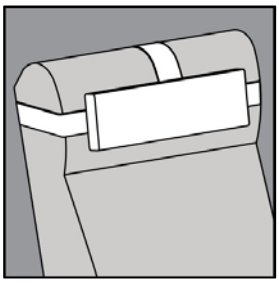
Removable Arm
Removable Right Arm (facing) allows for lateral transfer of patient. Refer to individual product pages for list of available options.



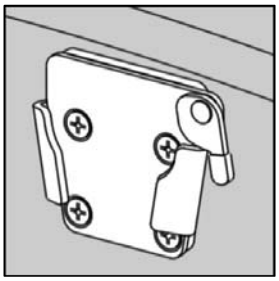
Lateral Transfer Arm
The Lateral Transfer (fold down) Arm is located on the Right Side (facing) of the recliner. Dual Lateral Transfer Arm models are also available. Refer to individual product pages for list of available options. When one arm is in down position, add 4" to the overall width of the chair.

Features are not available on all models, please refer to individual product pages for availability

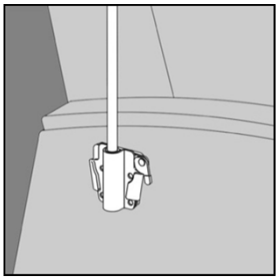
Mobile Healthcare Recliner Options



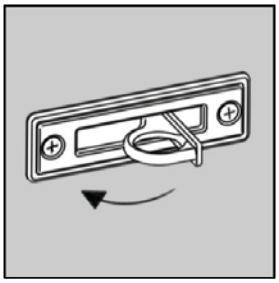
Adjustable Headrest Pillow (AHP)
Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric.



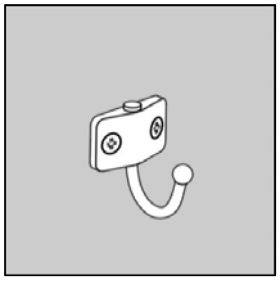
Quick Release Bracket (QR)
Quick Release Bracket is mounted into metal insert nuts and used with IV Pole, Side Tray, and Oxygen Tank Holder.



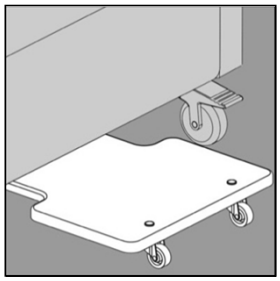
IV Pole and Bracket (IV)
IV pole and bracket is positioned on the recliner arm toward the back of the chair. Dual IV Poles (DP) also available.



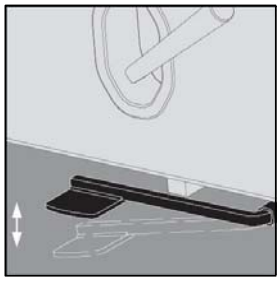
Foley Bag Holder (FBH)
Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.



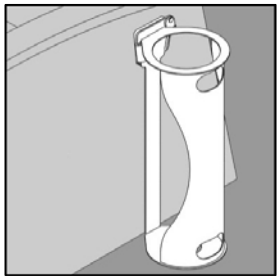
Urine Bag Hook (UH)
Accommodates Foley bags and other drainage bags. Located on arm opposite from the handle.



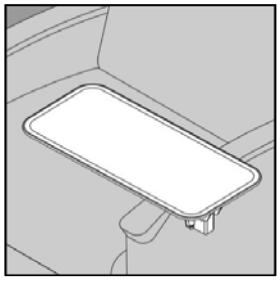
Foot Tray (FT4-1/ FT5/ FT7000)
Pull out foot tray easily slides out to support patient's feet during transport. *(Not intended as a step)*



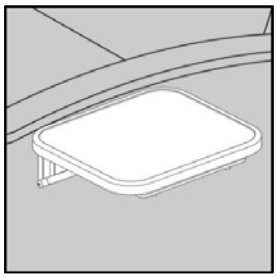
Trendelenburg Option (TE)
Trendelenburg allows an additional 12° pitch. Trendelenburg lever is conveniently located on both sides of the recliner.



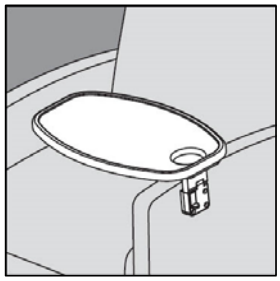
Oxygen Tank Holder (OTH)
Oxygen Tank Holder is placed on outside right arm (facing) toward the back of the chair.



Side Tray (TSL1 / TSR1)
Side Trays can be mounted to the left, right, or both sides of the chair. Side Tray measures 23" L x 10 5/8" W. When tray is in fold down position, it extends 4" from the side of the arm.



Folding Side Tray Table (FST)
Folding Side Tray is mounted on the right side (facing). The small Folding Side Tray measures 12" L x 10 5/8" W and the large Folding Side Tray measures 17" L x 10 5/8" W. When tray is in fold down position, it extends 2 1/2" from the side of the arm.



Rotating Side Tray (RST)
Rotating Side Tray can be mounted to the left, right, or both sides of the chair. Side Tray measures 20 1/2" L x 12 3/4" W x 3/4" H. Features spill containment area and cup holder. When tray is in fold down position, it extends 3 1/2" from the side of the arm.

Padded Side Tray (PLFST)
Padded Large Right Side (facing) Folding Side Tray is upholstered allowing patients to comfortably rest their arms during treatment. Side Tray measures 17" L x 10 5/8" W. When tray is in fold down position, it extends 2 1/2" from the side of the arm. Padded Side Tray requires 1 yard of fabric.

Options are not available on all models, please refer to individual product pages for availability

Preventative Biocidal EOS^{CU} Arm Caps are optional on EV Collection and Rēma Collection Recliners. Refer to individual product pages for pricing.

802C Grey

Preventive|Biocidal Surfaces™: Reducing Bacteria with EOS ^{CU}

EOS^{CU} (Cupron Enhanced EOS Surface) is a Preventive|Biocidal Surface™. The only synthetic hard surface EPA-registered for Public-Health Claims, EOS ^{CU} continuously kills 99.9% of harmful bacteria* within 2 hours of exposure, even after recontamination.

With the rise of healthcare-associated infections (HAIs) and antibiotic-resistant microbes, new infection control methods are needed. Preventive|Biocidal Surfaces™ compliment your current protocols without additional human processes or training required. Working around the clock,
EOS^{CU}:

- Eliminates 99.9% of disease-causing bacteria* on the surfaces, including drug resistant organisms like MRSA and Acinetobacter
- Is a self-sanitizing surface that works in conjunction with other sanitation processes to protect people and the environment
- Works behind the scenes and never takes a break, continuously killing the harmful bacteria that land on the surface.

Because the technology is embedded throughout the entire product, it cannot be worn off or become less effective over time. In fact, scratches or abrasions that would create dangerous hiding places for bacteria to live on other surfaces do not hinder the efficacy of the Preventive|Biocidal Surfaces™ at all. Instead, they expose the bacteria to even more active ions.

EOS^{CU} has a warm, modern design with colors inspired by nature that contribute to the healing environment. Because the copper is fully oxidized, the surface retains its original neutral earth tones, creating a warm healing environment compared to non-oxidized copper surfaces.

The Power of Copper

Copper is a known microbial killer. The element eliminates bacteria through ions that damage bacterial cells. When bacteria and copper ions come into contact, the copper ions weaken the outer membrane of the bacteria cell through the process of oxidation. Copper is toxic to the inside of the cell and, eventually, the copper ions cause the cell to rupture. The cell then loses its vital structure, and dies.

For more information, visit www.eoscu.com.

EPA Registration #: 84542-7

**Testing demonstrates effective antibacterial activity against Staphylococcus aureus (ATCC 6538), Enterobacter aerogenes (ATCC 13048), Methicillin resistant Staphylococcus aureus (MRSA-ATCC 33592), Escherichia coli 0157:H7 (ATCC 35150) and Pseudomonas aeruginosa (ATCC 15442).*

The use of the Antimicrobial Cupron Enhanced EOS Surface is a supplement to and not a substitute for standard infection control practices; users must continue to follow all current infection control practices, including those practices related to cleaning and disinfection of environmental surfaces. The Antimicrobial Cupron Enhanced EOS Surface has been shown to reduce microbial contamination but it does not necessarily prevent cross contamination

LiquiCell ® is standard on all La-Z-Boy Contract Furniture recliner seats.

What is LiquiCell®?

LiquiCell® is a medical technology that protects skin tissues from being stretched and torn, thereby optimizing blood flow. This ultra-thin cell contains a liquid that is in constant motion allowing the body to glide or float with an object. This means greater long-term comfort due to lessened body aches, pain and fatigue.

- ***LiquiCell®*** provides unsurpassed long-term comfort to improve patient quality of life.
- ***LiquiCell®*** significantly reduces shear and friction.
- ***LiquiCell®*** is an aid in the process of helping prevent pressure ulcers, thereby shortening long-term medical care and lowering costs.

LiquiCell® is designed to protect skin tissues at elbow, ankle, ischial tuberosity, sacral, and lumbar areas for individuals who spend extended time lying down and/or seated, who are experiencing physical discomfort, and who are at risk for pressure ulcer development.

How does LiquiCell® Work?
When the body comes into contact with an object, the forces of mechanical load (perpendicular and parallel pressures) come into play with regard to comfort and discomfort.

At this contact point, tissue compression takes place between the object and bony prominence (bone) and the on-set of discomfort begins. As tissue is compressed;

1. Soft tissues are stretched and sheared (torn)
2. The flow of blood is restricted or even stopped
3. Nerves are depressed.

The stretching and ultimate tearing of soft tissues brings about discomfort, pain and eventually long term trauma (that of pressure ulcers and tissue ulceration).

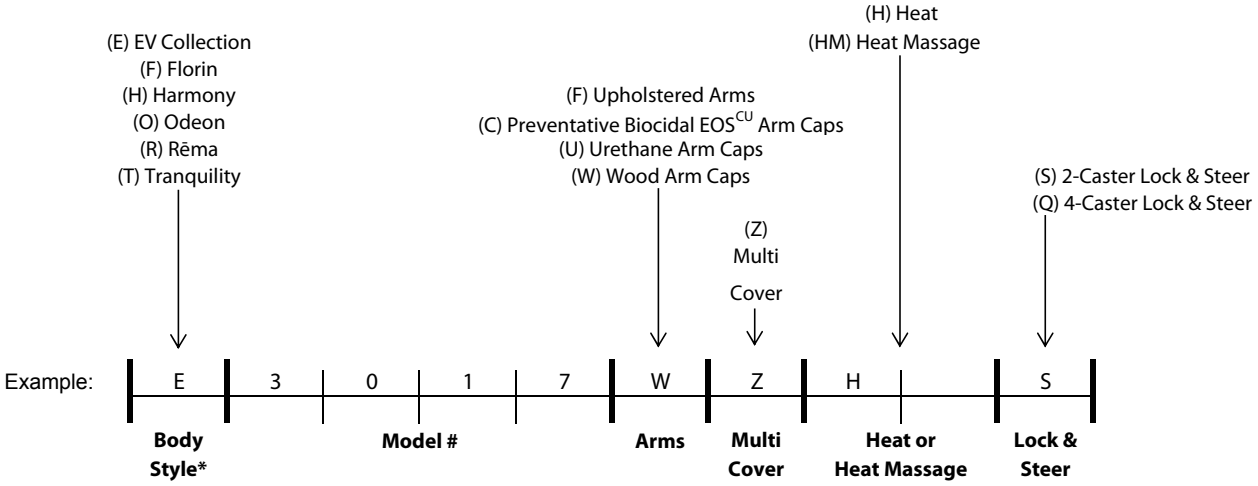
An important function of the circulatory system is to bring good oxygenated blood to the tissues and organs of the body and remove waste and by-products. By restricting blood flow and even stopping it, necrosis (dying of tissue cells) and the on-set of trauma begins.

Nerve depression sends a signal to our brain that tells us to move or shift our body position because we are experiencing discomfort. This leads to increased friction and shear stress occurring at the skin tissue level.

Using a combination of a low viscosity liquid, contained within a very thin and pliable pouch, and strategically placed baffles (seal points) to control the flow of liquid, perpendicular pressure is equalized across the specific point of contact. By equalizing perpendicular pressure, soft tissue shear stress is significantly reduced, blood flow becomes less restrictive and nerve depression is lessened. As movement and/or shifting of the body takes place, the liquid within the ultra-thin cell moves to allow the opposing forces (body and object) to float or glide with one another, thereby significantly reducing friction and shear stress.

Recliner Ordering Guide

How to Order:
The chart below is a guide to use when building the recliner model # for your purchase order.
Please select the body style preferred, the model #, and then enter the features you would like your recliner to have.
If feature is not desired, leave space blank. List your Textile, Finish, and Options below the model #.
Price is determined by fabric grade choice. Features and Options are in addition to recliner price.



*For 1304, 1307, 1308, & 1309 recliners, please use FL, HA, OD, TR, or RG for body style.

**Features are not available on all models, please refer to individual product pages for availability

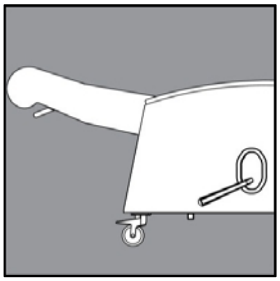
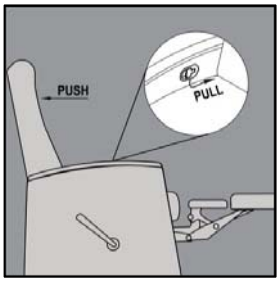
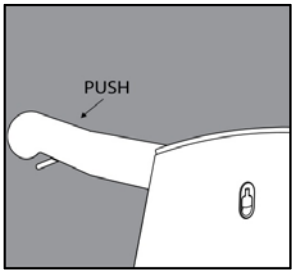
Healthcare Recliner Features



Infinite Position Non-Locking Back
Patients can adjust seating and back positions to their exact preferences through simple body movement.



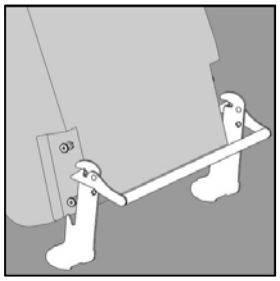
Infinite Position Locking Back Lever
Infinite Position Locking Back allows patient/caregivers to lock back in any recline position. Locking Back Lever is located on the inside of the left arm (facing).



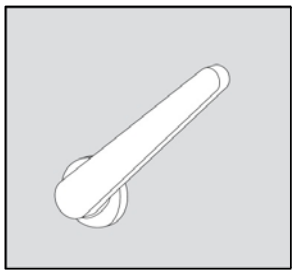
Room Saver
Room Saver recliners sits within 5" of the wall & still fully reclines. Patients/Visitors can adjust seating and back positions to their exact preferences through simple body movement.

LIQUICELL®

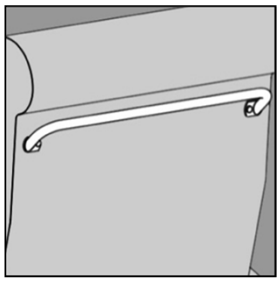
LiquiCell is standard on all La-Z-Boy Contract Furniture recliner seats. For more information please see page 110.



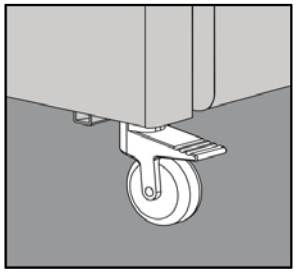
Quick Removable Back
(5025/5125 & 5027/5127 Models Only)
Recliners are standard with removable back for easy cleanability for infectious disease control on select models.



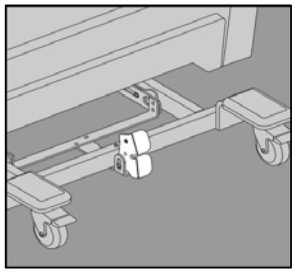
Recliner Handle
Recliners are standard with left side (facing) black handle. Recliner handle assists weakened occupants with footrest elevation. No need to push on back to open recliner footrest.



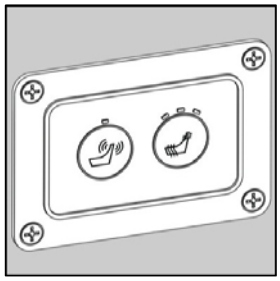
Padded Push bar
All mobile recliners feature padded push bar for ease of movement.



3" Swivel Locking Casters
(5027/5127/1307/1309 Models Only)
Recliners are standard with three-3" swivel locking casters and one-3" rigid locking caster located in the front of the recliner. Optional swivel locking caster can be exchanged for rigid locking caster.



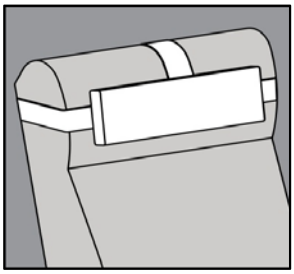
Rocker/Lock Mechanism
(5027/5127 Models Only)
The rocker recliner features a locking mechanism that locks the rocker making it easy on the patient for entering/exiting the chair and also during transport.



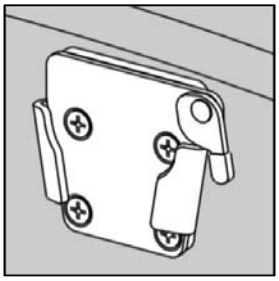
Heat/Heat & Massage Recliners
(5025/5125 & 5027/5127 Models Only)
Heat (H) and Heat & Massage (HM) Control is located on the inside left arm (facing).

Features are not available on all models, please refer to individual product pages for availability

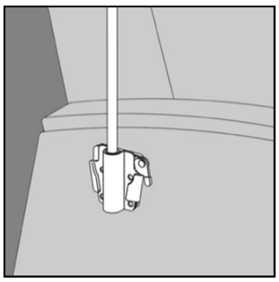
Healthcare Recliner Options



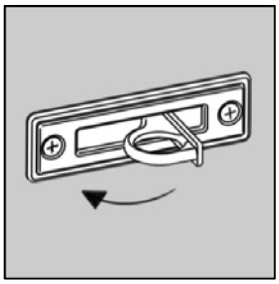
Adjustable Headrest Pillow (AHP)
Adjustable Headrest Pillow gives additional comfort to a patient or visitor. Adjustable Headrest Pillow requires 1 yard of fabric



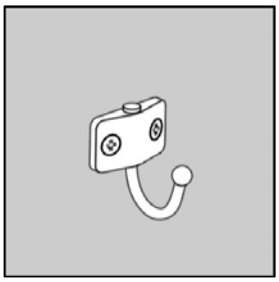
Quick Release Bracket (QR)
(5025/5125 & 5027/5127 Models Only)
Quick Release Bracket is mounted into metal insert nuts and used with IV Pole and Oxygen Tank Holder.



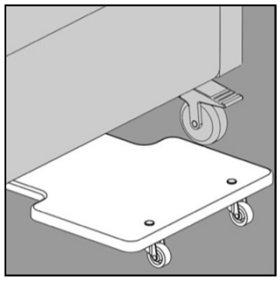
IV Pole and Bracket (IV)
(5025/5125 & 5027/5127 Models Only)
IV pole and bracket is positioned on the recliner arm toward the back of the chair. Dual IV Poles (DP) also available.



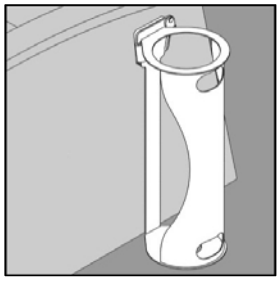
Foley Bag Holder (FBH)
(5025/5125 & 5027/5127 Models Only)
Accommodates Foley bags and other drainage bags and closes flush with chair when not in use. Located on opposite arm from the handle toward the front of the chair.



Urine Bag Hook (UH)
(5025/5125 & 5027/5127 Models Only)
Accommodates Foley bags and other drainage bags. Located on arm opposite from the handle.



Foot Tray (FT5)
(5025/5125 & 5027/5127 Models Only)
Pull out foot tray easily slides out to support patient's feet during transport. *(Not intended as a step)*



Oxygen Tank Holder (OTH)
(5025/5125 & 5027/5127 Models Only)
Oxygen Tank Holder is placed on outside right arm (facing) toward the back of the chair.

Options are not available on all models, please refer to individual product pages for availability
