## Schedules e-Library

Schedules e-Library is the online source for the latest contract award information for GSA and Department of Veterans Affairs (VA) Schedules, as well as Governmentwide Acquisition Contracts (GWACs).

Schedules e-Library provides information on which suppliers have a contract and what items are available, by using various search options—i.e., Contractor/Manufacturer Name, Contract Number, Special Item Number (SIN), Schedule Number, GWAC Name, or Keywords.

This program utilizes the advances of electronic commerce while providing access 24 hours a day, 7 days a week.

## GSA Advantage!®

GSA Advantage!® is the online shopping and ordering system that provides access to thousands of contractors and millions of supplies and services. Although anyone may browse on GSA Advantage!®, only a federal government employee with a GSA SmartPay® purchase card or a GSA Activity Address Code (AAC) may shop on GSA Advantage!®.

## e-Buy

e-Buy, a component of GSA Advantage!®, is an online Request for Quotation (RFQ) tool designed to facilitate the request for submission of quotations for a wide range of commercial supplies and services that are offered by GSA Schedule and Governmentwide Acquisition Contract (GWAC) contractors.

For federal agencies (buyers), e-Buy maximizes their buying power by leveraging the power of the Internet to increase Schedule and GWAC contractor participation to obtain quotations that result in best value purchase decisions.

For Schedule and GWAC contractors (sellers), e-Buy provides greater opportunities to offer quotations and increase business volume for supplies and services provided under their Schedule contracts and GWACs.

**Schedule 78 has a huge choice of products and services that can enhance Morale, Welfare, and Recreational Programs as well support other critical missions such as military operations and natural disaster relief.**

Morale, Welfare, and Recreation (MWR) programs contribute significantly in the support of military communities and federal agencies, which serve to enhance the quality of life of military members, federal employees, and ultimately their families. High quality and well maintained MWR programs are important to retention, readiness and overall mission success. Products under Schedule 78 can also provide value added tools that augment military units, help with disaster relief operations and so much more!
