Government Warranty/Guarantee

Warranty/Guarantee: PLANMECA (manufacturer) warrants that the Products will, at the time of shipment, be free from defect in material and workmanship (no warranty on labor). This warranty will remain in force for a period of twelve (12) months from the date of installation or eighteen (18) months from the date of shipment (whichever occurs first), except for the tube head warranty, which is twenty four months from the date of installation as described herein. All parts found defective within the warranty period shall be replaced with the cost of the replacement parts, including shipping charges to be borne by PLANMECA (manufacturer). This warranty shall not apply to Products or parts which have been subjected to abuse, misuse, negligence, or accident or to which any modifications, alterations, or attachments have been made without written authorization of PLANMECA (manufacturer). Nor shall it apply if the Products are installed or operated violating instructions for safe use or in a location not free from excessive dirt, dust, moisture, fumes, or extremes of temperature. Nor shall this warranty apply to any Products or parts hereof which are normally consumed in operation or have normal life inherently shorter than the warranty period specified above, for example bulbs and tubes.

The warranty set forth herein is PLANMECA' s (manufacturer's) only warranty in respect of Products and parts and is in lieu of, and purchaser hereby waives as to PLANMECA (manufacturer), all other warranties whether of fitness for particular purpose or otherwise, guarantees and liabilities, express or implied, arising by law or otherwise. In no event will PLANMECA (manufacturer) be liable in breach of warranty action, for any general, consequential or incidental damage(s), including, without limitation, any damages from delay, loss of use and loss of profits by reason of PLANMECA' s (manufacturer's) negligence or otherwise in connection with the sale, delivery, installation, repair, or use of its products. No employee, representative, or dealer is authorized to change this warranty in any way or to grant any other warranty dealing with this subject

Additional Warranty Information
