Customer Information and General Terms & Conditions

1. TABLE OF AWARD

Special Item Number (SIN) & Description	
51-100	Purchase of Copiers & Accessories
51-100c	Cost-per-Copy
51-100f	Flat Rate Monthly Fee
51-101-2	Consumable Supplies
51-55	Rental Plan of Copiers (Renewals Only)
51-57	Maintenance Service Agreement
51-58	Lease To Ownership Plan (LTOP)
51-58a	Operating Lease Plan (OLP)
51-500	Managed Print Services

2. MAXIMUM ORDER

SIN	Maximum Order
All SINS *(except 51-500)*	$350,000
51-500	$1,000,000

The Government may place, and KMBS may, at its discretion, accept orders in excess of the maximum order amounts set forth above.

3. MINIMUM ORDER
Individual orders with a total dollar value of less than $50.00 will not be accepted by KMBS.

4. GEOGRAPHIC COVERAGE
Worldwide Coverage.

5. POINT OF PRODUCTION
All base models in the price list are eligible products from a designated country under the Trade Agreements Act of 1979. Accessories ordered with base model are also GSA compliant. Please see Section 40 and individual price pages for more information.

6. DISCOUNTS
All prices herein are net (discount deducted) from the commercial price list.

7. QUANTITY DISCOUNTS
Quantity discounts are available upon review of customer requirements in response to Request for Quotes under this contract.

8. PROMPT PAYMENT TERMS
1% prompt payment 10 days, Net 30 days.

9. GOVERNMENT PURCHASE CARDS
a) KMBS will accept the Government purchase card at or below the micro-purchase threshold.
b) KMBS will accept the Government purchase card above the micro-purchase threshold.

The basis for term agreements such as lease, rental, maintenance and Cost-Per-Copy shall be a properly executed delivery order provided to KMBS thirty (30) days prior to the effective date of placement and/or renewal.

10. FOREIGN ITEMS
Refer to #5. In accordance with the Trade Agreements Act, Public Law 96-39; Executive Order 12260 dated December 31, 1980, Federal Procurement Regulation and Temporary Regulation 57, application of the Purchase Evaluation Procedures of the Buy American Act is waived on the purchase of KMBS equipment.

11a. TIME OF DELIVERY
Delivery and installation shall be coordinated by the ordering activity as part of the ordering process when placing orders against the BPA. The Contractor shall deliver and install MFD's within thirty (30) calendar days from the date of award for each task order, or within the timeframe specified by the ordering activity at the task order level.

All copiers rented or purchased under this contract will be furnished with start-up supplies, consisting of one toner and one developer at the time of delivery at no additional charge. Color copiers will contain one toner and one developer of each color.

All purchase orders issued as a result of this contract must specify the precise delivery address including building number and room, street address and zip code needed to make the shipment and inside delivery. In addition, a key operator name and phone number, as well as that of an alternate, must be provided for all installations. In the event that the Government places an order that specifies an equipment configuration that is incomplete, or references prices, terms or conditions that are inconsistent with KMBS' published price list, the Government will not have provided a properly executed order and installation will be delayed pending resolution of any of these issues.

For all digital copiers, a digital needs analysis form must be provided. The digital needs analysis form may be that of a local KMBS authorized service location, or may be obtained directly from KMBS. Failure to provide any of this information at the time of the order will delay installation, and the time allotted for delivery will not commence until such time as KMBS is provided a properly executed order.

11b. EXPEDITED DELIVERY

Expedited delivery may be available on all SINS on an Open Market basis and must be requested at time of order.

11c. OVERNIGHT AND 2-DAY DELIVERY

Contact KMBS for availability.

11d. URGENT REQUIREMENTS

Customers may contact KMBS for price quotes and availability for equipment, accessories and supplies to be shipped via overnight or 2-day services. These services may be available on all SINS on an Open Market Basis and must be requested at time of order.

12. F.O.B. POINTS

OCONUS deliveries are offered on an Open Market FOB Origin basis. If premium routing is requested, the additional charge shall be added as a separate item to KMBS' invoice on an Open Market basis. Prices include delivery to the customer location.

Customers will be responsible for the expense necessitated by the need for rigging. Rigging is defined as inside delivery to the point of installation when adequate elevators are not available, requiring carrying equipment upstairs, through windows, etc. When rigging is required, it will be billed on an Open Market basis.

13a. ORDERING ADDRESS

All orders must be issued to Konica Minolta Business Solutions U.S.A., Inc. and sent to the following address:

Konica Minolta Business Solutions U.S.A., Inc.
c/o Selling Branch/Dealer/Rep (if applicable)
1595 Spring Hill Road, Suite 410
Vienna, VA 22182
703-553-6000 Tel
703-506-1257 Fax
federalorders@kmbs.konicaminolta.us

13b. ORDERING PROCEDURES

For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's), and a sample BPA can be found on the GSA/FSS Schedule homepage:
(http://www.gsa.gov/Portal/gsa/ep/contentView.do?contentType=GSA_BASIC&contentId=8594).

No deviations from the terms/conditions of this schedule are authorized. All purchase orders should include:

· Contract Number
· Special Item Number (SIN)
· BPA number, if applicable
· Quantity, description and price extension of items being ordered
· Description and/or Model
· Ship-to and Bill-to Information
· Term of Agreement
· Copier serial numbers and current location (renewal only)
· Rate, Copy Allowance and Excess Copy Charge
· Point of Contact, Name and Number
· Servicing Dealer, Name and Address (if applicable)

14. PAYMENT ADDRESS

Payment should be made to Konica Minolta Business Solutions U.S.A., Inc. and sent to the "remit-to" address on the invoice.

15. CUSTOMER ONE GUARANTEE

The KMBS service program includes a variety of provisions designed to optimize the availability of KMBS equipment. In support of this, KMBS offers a complete Customer One Guarantee. KMBS agrees to maintain the equipment covered by this guarantee in good operating condition, providing necessary maintenance, service and repairs as specified by the terms of the contract. Any unit that KMBS determines cannot be properly repaired to manufacturer's specifications will be eligible for a replacement under the guarantee.

16. WARRANTY PROVISIONS

Unless specified, equipment is delivered and installed without a warranty period. The following applies to equipment purchased under SIN 51-100 ***ONLY***.

KMBS warrants the equipment and accessories offered under SIN 51-100 will be warranted for ninety (90) days commencing from installation date when installed, repaired, maintained and used according to KMBS' instructions and recommended procedures. Under this warranty provision, KMBS will provide an Advanced-Exchange for defective parts within ninety (90) days from the date of installation. KMBS will at its sole option and expense, repair or replace defective product parts within the ninety (90) day warranty period unless the equipment and accessories are covered under a KMBS Annual Equipment Maintenance Agreement Program from the date of installation, in which case all associated expenses are covered according to the provisions of the KMBS maintenance agreement.

In addition to the above expressed warranty, KMBS offers the government an extended warranty coverage for designated Mid-Range

Color (MRC) products for thirty six (36) months for Boards (PWB's), Write Units/Print Heads and Hard Disk Drives for designated MRC equipment purchased under SIN 51-100 ***ONLY.*** Under this warranty provision, KMBS will provide an Advanced-Exchange only for the above mentioned defective parts within thirty six (36) months from the date of installation.

KMBS will at its sole option and expense, repair or replace the above mentioned defective product parts within the thirty six (36) month MRC warranty period unless the equipment and accessories are covered under a KMBS Annual Equipment Maintenance Program, in which case all associated expenses are covered according to the provisions of the KMBS maintenance agreement.

All other color equipment models and accessories purchased under SIN 51-100 NOT designated in this program are warranted for ninety (90) days from installation

* Please refer to KMBS price pages to determine Mid-Range Color (MRC) models covered under this program.

17. EXPORT PACKING CHARGES
Export Packing is available for most products at standard commercial rates on an Open Market basis.

18. GOVERNMENT PURCHASE CARD
At the Governments option, payments of $25,000 or less for oral or written delivery orders may be made using the Government commercial credit card. "Oral delivery orders" are orders placed orally in person or by phone which is paid for by a government commercial credit card. KMBS will not process the transaction for payment through the credit card clearinghouse until the purchased items have been shipped or services have been performed. Unless the cardholder requests correction or replacement of a defective item in accordance with other contract requirements, KMBS shall immediately credit a cardholder's account for items returned as defective.

19. INSTALLATION
There are charges for installation and delivery of equipment. Installation and delivery vary by model; please see the individual price page for pricing.

20. REPAIR PARTS
Repair parts are available through KMBS authorized dealers and the KMBS Direct Branch Organization on an Open Market basis.

21. SERVICE & DISTRIBUTION POINTS
Our site www.kmbs.konicaminolta.us has a listing of KMBS' service and distribution points. Once there, click on SERVICE >> SERVICE LOCATOR and then enter the product type and zip code of office requiring service. For sales locations, simply click on SALES LOCATOR from the main page, enter the product type, then enter the zip code of any office requiring sales assistance. These lists are updated daily so current information is always available.

22. PARTICIPATING DEALERS: N/A
Dealers may not accept purchase orders or submit invoices in their name using KMBS' GSA schedule. All purchase orders for sales and service must be made out in accordance with Item #13a. To find local authorized dealers in your area, please refer to Item #21 above.

23. PREVENTIVE MAINTENANCE
All copiers installed on this contract and covered by a current maintenance agreement will have preventative maintenance (PM) performed regularly in accordance with KMBS' copier maintenance standards. This service will be performed when the copiers reach the prescribed PM copy volume as dictated by KMBS' engineers.

24a. ENVIRONMENTAL ATTRIBUTES
KMBS is aware of the magnitude of global environmental problems and continually takes autonomous and proactive measures to protect the environment. Environmental Preservation Action Policies include:
1) Consistent implementation of environmental management systems throughout the company based on ISO 14001 requirements.
2) Reduction of resource and energy consumption and waste generation at all levels of operations.
3) Development of environmentally conscious products that offer the highest possible energy efficiency, improved ease of recycling and minimum content of substances that might negatively impact the environment.
4) Green procurement procedures, collecting from suppliers precise data on parts and materials.

ISO 14001 certification is accredited third-party verification that provides a formal structure for environmental management. The requirements of ISO 14001 cover the main principles of professional management and are based on the cyclical process of plan, implement, check and review. The standard outlines 21 specific requirements for areas of management control, grouped under policy, planning, implementation and operation, checking and corrective action and management review. The intent of ISO 14001 is to support environmental protection and prevention of pollution.

24b. SECTION 508 COMPLIANCE
KMBS takes compliance with Section 508 seriously and has developed a rigorous process to ensure that our products are easy to use. Section 508, part of the Rehabilitation Act of 1973, requires that electronic and information technology developed, procured, maintained or used by the U.S. Federal Government be accessible to individuals with disabilities.

KMBS designs and manufactures products that enable all people to access and use quality images, making them more productive and efficient in the working world. The ideals of Section 508 are designed into all KMBS products. KMBS's design philosophy requires that accessibility should be considered from the beginning and be incorporated into core requirements, that accessibility features will not restrict functionality, that the design process will incorporate accessibility and usability evaluations, and that products will be compatible with personal assistive technologies and devices commonly used by impaired operators. The application of this philosophy

ensures that KMBS customers benefit from state-of-the-art technology and features that make our products easy to access as well as operate, including front-loading paper trays, adjustable display contrasts, convenient heights and reach, and easily accessible machine interiors for adding toner and replacing imaging cartridges.

Detailed information by model regarding KMBS's Section 508 Compliance can be obtained from: http://kmbs.konicaminolta.us/content/about/section508/section508.html

24c. UL APPROVAL
All equipment contained herein carries the UL Approval.

25. **REGISTRATIONS**
DUNS NUMBER: 62-657-8041
CAGE CODE: 3AV14
BUSINESS SIZE: Large

26. REGISTERED IN SAM (System for Awards Management): Yes

27. ORDER OF PRECEDENCE
Orders placed under this contract shall be governed by the prices and terms of this contract at time of order only, regardless of any prices, terms, or omissions on order documents.

28. TRADE-INS
Trade-Ins are not included in this contract but will be considered as Open Market items and not subject to the Multiple Award Schedule contract. KMBS will pick up and remove any trade-in equipment upon request at the local prevailing transportation rates on an Open Market basis.

29. EXCLUSIONS
KMBS reserves the right to return orders requiring installation in remote areas not readily or adequately serviced by KMBS.

30. OPEN MARKET
Orders not issued as stated in this catalog and orders placed directly with anyone other than Konica Minolta Business Solutions U.S.A., Inc. will be Open Market and as such, this contract number may not be used. No deviations from terms and conditions specified in this schedule are authorized.

31. METER READINGS
The Government will submit meter readings to KMBS via telephone, fax, web, or email, contact initiated by KMBS, or any other means authorized by KMBS.

Estimated Meter Readings - It is the responsibility of the applicable agency to provide meter readings to KMBS in an agreed upon format. In the event a meter reading is not provided on a timely basis, KMBS may estimate the meter.

32. COMMERCIAL ELIGIBILITY
Government contractors may use this contract after being authorized in writing by the Federal Agency which awarded the contract to the contractor requesting GSA pricing. A written purchase order must be issued and must contain a statement as follows:

"This order is placed pursuant to written authorization from (Name of Government Agency)...(date), a copy of which is attached (or which you have on file-after the initial order). In the event of an inconsistency between the terms and conditions of this order and those of your Federal Supply Service Contract, the latter will govern."

Contractors certified to use this contract as a source of supply will use items ordered in the performance of the Federal Contract and shall notify KMBS promptly in writing in the event that the authorization furnished herein is terminated. Federal grantees are not permitted to use this contract as a source of supply.

33. ELECTRONIC FUNDS TRANSFER (EFT)
KMBS will accept payment by EFT method for all invoices. Please reference the following information:

Bank of Tokyo-Mitsubishi UFJ, Ltd
1251 Avenue of Americas
New York, NY 10020 – 1104
Account Name: Konica Minolta Business Solutions USA, Inc.
Account # 310067073
ABA# 026009632
Tel# 201-413-8767
FAX 201-413-8788

All remittance information not submitted with the EFT transmission should be forwarded to:
Konica Minolta Business Solutions U.S.A., Inc.
500 Day Hill Road, Dept. C403
Windsor, CT 06095

34. EQUIPMENT/ACCESSORY/SUPPLY RETURN POLICY
Requests for return authorizations due to a KMBS error must be submitted within 30 days from the date of shipment to Government Marketing Division at 703-553-6000. The equipment being returned must be in new condition (unused) and should be returned in the original shipping container whenever possible. Any equipment that is returned without prior written approval from KMBS will be rejected.

Requests for return authorization due to a Government error must be submitted within 30 days from the date of shipment to KMBS Government Marketing Division at 703-533-6000 and will be subject to a 15% restocking charge. Equipment being returned must be in new condition (unused). Any equipment that is returned without prior written approval from KMBS will be rejected.

Receipt of Defective Equipment: If the Government receives a defective unit, at its option, KMBS will:
1) repair the product at no charge using new replacement parts or
2) exchange the product with a product that is new or
3) refund the purchase price of the product.

35. RELOCATIONS
Relocations of installed KMBS equipment shall be handled by the local authorized service location. Relocation costs shall be at the local prevailing rates on an Open Market basis.

36. BLANKET PURCHASE AGREEMENT (BPA)
Available to any eligible user of the GSA Contract.

37. RIGGING
Rigging refers to any inside delivery or removal from or to point of installation where adequate access (elevator) is not available requiring movement of equipment up stairways, through windows, etc. If rigging is required, this will be quoted as an Open Market item.

38. SOFTWARE AGREEMENT
The following statement refers to all software covered in Konica Minolta Business Solutions, U.S.A., Inc. contract GS-25F-0030M. *Konica Minolta's Software License Agreement (containing software license terms and conditions) and Konica Minolta's Software Maintenance and Support Agreement (containing software maintenance terms and conditions) are hereby incorporated into this contract by reference.*
Customers that want to obtain copies of Konica Minolta Business Solutions U.S.A., Inc.'s Software Agreement may do so through their local Konica Minolta branch or authorized dealer.

39. STATE AND LOCAL TAXES (52-229-1):
Notwithstanding the terms of the Federal, State, and Local Taxes Clause, the contract price excludes all State and Local taxes levied on or measured by the contract or sales price of the services or completed supplies furnished under this contract. The contractor shall state separately on its invoices taxes excluded from the contract price, and the Government agrees either to pay the amount of the taxes (based on the current value of the equipment) to the contractor or provide evidence necessary to sustain an exemption. See FAR clauses 52.229-1 State and Local Taxes; 52.229-3 Federal, State, and Local Taxes, which are incorporated by, reference.

40. ACCESSORIES
Accessories may not be purchased separately on Konica Minolta Business Solutions U.S.A., Inc.'s GSA Contract. Konica Minolta sells accessories only in conjunction with base copier units in a bundled configuration. If a federal customer needs to order Konica Minolta accessories only without a base unit included, a separate Open Market Purchase Order must be issued. Any order for accessories only referencing the Konica Minolta GSA Contract number will be returned.

51-58 LTOP and 51-58a FMV Lease

1. STATEMENT OF GOVERNMENT INTENT
For the purpose of this solicitation, Lease Term is defined as the duration of the lease in months (not to exceed 60 months) as shown on the Ordering Agency's initial delivery order. It is understood by all parties to this contract that this is a leasing arrangement. In that regard, the Government anticipates fulfilling the leasing agreement subject to the availability of appropriated funds and the continued needs of the Ordering Agency.

The Ordering Agency, upon issuance of any delivery order pursuant to Special Item Numbers (SIN's) 51-58, 51-58a , intends to use the equipment for the lease term specified in the initial delivery order so long as the needs of the Ordering Agency for the equipment or functionally similar equipment continues to exist and adequate funds are appropriated. Each lease hereunder shall be initiated by a delivery order which shall, either through a statement of work or other attachment specify the equipment being leased, and the terms of the transaction as required in other sections of SIN's 51-58, 51-58a. The lease commencement is the date of acceptance as defined by FAR Subpart 12.4. The first period or initial term of the leasing agreement will be through September 30th of the fiscal year in which the order is placed, or as extended by act of Congress, unless the ordering office has multi-year funding.

Ordering Agencies are advised to follow the guidance provided in Federal Acquisition Regulation (FAR) Subpart 7.4 Equipment Lease or Purchase, and to review the lease terms and conditions prior to ordering and obligating funding for a lease. Ordering Agencies are responsible for the obligation of the funding consistent with fiscal law when entering into any lease arrangement.

2. ORDERING PROCEDURES
(1) Ordering Agencies are strongly encouraged to conduct a needs assessment prior to the procurement of copiers.
(2) When the Ordering Agency expresses an interest in leasing a product(s), the Ordering Agency will provide the following information to the prospective vendors:
(i) Which product(s) is (are) required.

(ii) The required delivery date.
(iii) The proposed term of the lease.
(iv) Where the equipment is located.
(v) Description of the intended use of the equipment.
(3) The contractor will respond with:
(i) Whether the contractor can provide the required equipment.
(ii) The monthly payment based on the rate and the initial and residual values of the equipment.
(iii) The estimated cost, if any, of applicable State or local taxes.
(iv) A confirmation of the availability of the equipment on the required delivery date.
(v) Extent of warranty coverage, if any, of the leased products.
(vi) Cite the cost of any mandatory maintenance as applicable.
(vii) The Termination Ceiling Charges, as applicable. (See Section 13, Early Termination Charges).
(4) The ordering agency and contractor shall agree upon a termination ceiling charge which is established in accordance with the appropriate formula in Section 13. Early Termination Charges (See FAR Subpart 17.1)
(5) The Contracting Officer shall insert the agreed upon termination ceiling charge for the 1st year in the order and modify it for successive years upon availability of funds.

3. ORDERS AND PERIOD OF LEASE ARRANGEMENTS

a. **Lease Options: Ordering Agencies placing orders for equipment under a leasing arrangement must specify on the delivery order the applicable leasing SIN (51-58 or 51-58a) under which the equipment is being leased.**

b. Annual Year Funding. When using annually appropriated funds when placing an order for leasing, the following applies:

(1) Any lease executed by the Ordering Agency shall be on the basis that the known requirements exceed the remainder of the fiscal year. Due to funding constraints however the Ordering Agency cannot normally commit to a term longer than one fiscal year at the commencement of the lease. To facilitate the exercise of renewal options for future fiscal years, the lease term will be specified in the delivery order. All orders for leasing shall remain in effect through the Government fiscal year (or as extended by Act of Congress), or the planned expiration date of the lease, whichever is earlier, unless the Ordering Agency exercises its rights hereunder to acquire title to the equipment prior to the planned expiration date. Despite the fact that the delivery order will specify the total lease term, orders under the lease shall not be deemed to obligate succeeding fiscal year's funds or to otherwise commit the Ordering Agency to a renewal.

(2) All orders for leasing automatically terminate at the end of the Government fiscal year (or as extended by Act of Congress) or the contract term, whichever is earlier. However, Ordering Agencies should notify the contractor in writing thirty (30) calendar days prior to the expiration of such orders as to the Government's intent to renew. Ordering Agencies are instructed to follow the guidelines set forth in Paragraph 14 of this section with regard to termination of lease terms for non-appropriation or agency decisions not to renew. Should Ordering Agencies decide to terminate the lease prior to the expiration of the lease term under any other condition other than those set forth in Paragraph 14, early termination charges shall apply, (See Section 13, Early Termination).

c. Multi-Year Funding Within contract Period: Where an Ordering Agency's specific appropriation authority provides for funds in excess of a 12 month (fiscal year) period, the Ordering Agency may place a schedule contract order for leasing for a period up to the expiration of its period of appropriation availability, or the expiration of the contract period whichever comes first, notwithstanding the intervening fiscal years.

d. In recognition of the types of products on this Schedule and the potential adverse impact to the Government's mission, the Government's quiet and peaceful possession and unrestricted use of the equipment shall not be disturbed in the event the equipment is sold by the Contractor, or in the event of bankruptcy of the contractor, corporate dissolution of the Contractor, or other event, so long as the Government is not in default. The equipment shall remain in the possession of the Government until the expiration of the lease. Any assignment, sale, bankruptcy, or other transfer of the leased equipment by the contractor will not relieve the Contractor of its obligations to the Government, and will not change the Government's duties or increase the burdens or risks imposed on the Government.

e. Assignment of Claims: In accordance with GSAR 552.232-23 Assignment of Claims under this contract, the Ordering Agency Contracting Officer may approve the assignment of claim for an order under these leasing Special Item Numbers (SINs) in accordance with FAR 32.803. Contractors cannot prohibit or otherwise limit the Government's ability to setoff lease payments under any lease or assignment of a lease.

f. Government Rights under Lease: The Government does NOT waive any performance requirements, warranty rights nor other contract or statutory rights, such as the right to set off payments against other Government debt, as a part of the lease. The Government's acceptance of an assignment of a lease, does not waive any of the Government contract provisions.

4. MAINTENANCE AND INSTALLATION

a. Maintenance is not included in the lease payments. The Ordering Agency will obtain maintenance from the contractor or a designated authorized service provider.
b. When installation and/or maintenance are to be performed by the Contractor, the payments, terms and conditions will be as stated in this contract. Maintenance payments and terms and conditions during subsequent renewal periods of this lease will be those of the prevailing GSA Schedule contract in effect.

5. MONTHLY PAYMENTS

a. Prior to the placement of an order under this SIN, the Ordering Agency and KMBS must agree on a "base value" for the products to be leased. The base value will be the contract purchase price (less any discounts). For operating leases the residual value is independent of the purchase option price. The residual value will be used in the calculation of the original lease payment.
b. To determine the initial lease term payment, the contractor agrees to apply the negotiated lease factor to the agreed upon base value:

Examples: Lease factor one (1) percent over the rate for the three year (or other term) Treasury Bill (T-bill) at the most current U. S. Treasury auction. -OR-
The Contractor's most favored finance rate factor as agreed to during contract negotiations. -OR-
The lease payment may be calculated by using a programmed business calculator or by using "rate" functions provided in commercial computer spreadsheets (e.g., Lotus 1-2-3, Excel).

Lease Factors: Monthly LTOP & OLP Rate Factors

TERM	LTOP	OLP/FMV
24	0.04745	0.04220
36	0.03330	0.03087
48	0.02600	0.02510
60	0.02250	0.02150

THE ABOVE RATES ARE APPLIED TO THE PUBLISHED GSA PURCHASE PRICING TO DETERMINE MONTHLY LEASE PRICES FOR LTOP AND OLP. THESE RATES ARE ALSO USED TO CALCULATE CPC & FRMF PRICING

KMBS offers LTOP and OLP rates for all months 24-60. For the rates not shown, please contact the Federal Contracts Manager at 703-553-6000.

c. The purchase option price will be based upon the unamortized principle of the product. The payment will be based upon the unamortized principle, as shown on the payment schedule as of the last payment prior to date of transfer of ownership. In the event the Government desires, at any time, to acquire title to equipment leased hereunder, the Government may make a one time lump sum payment.

6. **EXPIRATION OF LEASE TERM:**
a. Upon the expiration of the Lease Term, the Ordering Agency will:
(i) Upon 30 day written notice, return the Equipment to the Contractor or -
(ii) Purchase the equipment at the fair market value of the equipment or;
(iii) Obtain requirements in accordance with FAR 8.4 (Ordering Procedures) by issuing a new request for quote.
Note: Customers are advised to see paragraph 13-18 for additional lease expiration provisions.

7. ADDITIONS
For the purpose of this solicitation the definition of an addition is defined as follows: The addition of accessories features or other enhancements available for lease under this contract to an existing model (base unit) already installed. Additions shall not change the functionality of the installed equipment.

a. The ordering agency may require the contractor to modify existing leased equipment through order modifications, provided the modifications are customarily offered by the contractor for the equipment leased. The price of the modification will be mutually agreed upon by the ordering agency and the contractor. The ordering agency may pay for the modification at full price upon acceptance, or the modification price may be leased coterminous with the initial lease term. The contract lease interest rate in effect at the time of order of the modification will be used to calculate the monthly payment applicable to the modification.

For 51-58a, residual value should be negotiated for the modification.
For example: Lease to Ownership
Price of the modification - $1,000
Months remaining on the equipment lease - 19
Current contract lease factor at the time of the modification .045 for 24 mo lease, the term closest to remainder of lease.
Interest equivalent (i) for lease factor is 0.625% per month [rate(N,-pmt,Price)/rate(24,-0.045,1)]
Modification Payment $55.98 [PMT(i,N,P)/PMT(.625%,19,1000)]
b. The Ordering Agency may affix or install any accessory, addition, equipment or device on the equipment ("additions") provided that such additions:
(1) can be removed without causing material damage to the equipment;
(2) do not reduce the value of the equipment; and
(3) are obtained from or approved by the contractor, and are not subject to the interest of any third party other than the contractor.
c. Any other additions may not be installed without the contractor's prior written consent. At the end of the lease term, the Government shall remove any additions which:
(1) were not leased from the contractor, and
(2) are readily removable without causing material damage or impairment of the intended function, use, or value of the equipment, and restore the equipment to its original configuration.
d. Any additions, which are not removable, will become the contractor's property (lien free).
e. Payment may be modified based on the schedule price adjusted to reflect the actual period until the end of the lease term.
f. Should the Ordering Agency elect to replace equipment under the lease, a new FAR 8.4 competition is required. This does not preclude substitution for failure to perform.
Ordering Agencies are advised that when making the decision to conduct a new competition, consideration must be given to the early termination of existing equipment and/or the financial considerations involved with the rollover of existing equipment should the current contractor prevail. Ordering Agencies are strongly advised to perform a cost benefit analysis in accordance with their agency procedures and policies with regard to rollovers.

8. RISK OF LOSS OR DAMAGE
The Government is relieved from all risk of loss or damage to the equipment during periods of transportation, installation, and during the

entire time the equipment is in possession of the Government, except when loss or damage is due to the fault or negligence of the Government. The Government shall assume risk of loss or damage to the equipment during relocation unless the Contractor shall undertake such relocation.

9. WARRANTY
Unless specified, equipment is delivered and installed without a warranty.

10. EQUIPMENT PERFORMANCE
a. The equipment supplied must be in operational or repairable condition throughout the term of the lease.
(1) Operational condition means the equipment is producing clear and clean copies, all mechanical accessories are operating as intended and in all respects the equipment is performing up to the standards in the manufacturer's specifications.
(2) Repairable condition means that the equipment can be repaired by a qualified technician within the terms of the maintenance agreement. Additionally, all required replacement parts are available and the equipment down time does not exceed that specified in the maintenance agreement.
b. After a thirty (30) day notice and cure period, if the equipment continues to fail to be operational or repairable as defined above, the Ordering Agency may take those remedies available to it under either the contractor warranty provisions or default clause set forth in FAR 52.212-4(m). Such recourse will not be the basis for increasing the monthly payment or extending the term of the lease.
c. Maintenance and Support: Preventive Maintenance: The contractor shall provide preventive maintenance at least equal to the commercial practice. Intervals between scheduled maintenance services shall be no greater than those provided to commercial customers for the same model of copier.

Response to Service Calls: At minimum, during normal working hours (as specified by the using activity), M-F (excluding holidays observed by the Government), the contractor shall respond to verbal or written requests for service calls. The contractor shall repair the copier within either nine (9) working hours or sixteen (16) working hours (as specified by the User Activity) after the verbal or written request for service. For copiers identified as critical, the contractor shall respond to verbal requests for service calls and shall repair the copier within four (4) working hours.

Copiers designated critical will be identified by the ordering activity in the order and shall not exceed 5% of the total number of copiers on the order. The contractor's response time on a service call starts, when authorized personnel of an ordering activity place a verbal request to the contractor for a service call or a written request is received by the contractor requesting a service call, whichever is earlier. Contractors are required to submit a contingency plan to maintain full and proper operation of copiers and to avoid extended delays for repair or replacement of copiers.

Repair and Maintenance Service: Offerors shall submit and include in their pricelist's, a list of Names, addresses, and phone number(s) of authorized representatives, responsible to the contractor, who may be contacted by ordering activities for repair and maintenance of equipment. Only those authorized representatives listed may render maintenance service, unless the list is subsequently modified by mutual agreement between the contractor and the Contracting Officer, to add or terminate authorized representatives.

11. TITLE
During the Lease Term, the equipment shall always remain the property of the contractor. The Government shall have no right or interest in the equipment except as provided in this leasing agreement and shall hold the equipment subject and subordinate to the rights of the contractor.

12. STATE AND LOCAL TAXES (52-229-1):
Notwithstanding the terms of the Federal, State, and Local Taxes Clause, the contract price excludes all State and Local taxes levied on or measured by the contract or sales price of the services or completed supplies furnished under this contract. The contractor shall state separately on its invoices taxes excluded from the contract price, and the Government agrees either to pay the amount of the taxes (based on the current value of the equipment) to the contractor or provide evidence necessary to sustain an exemption. See FAR clauses 52.229-1 State and Local Taxes; 52.229-3 Federal, State, and Local Taxes, which are incorporated by, reference.

13. EARLY TERMINATION CHARGES
Equipment leased under this agreement may be terminated at any time during a Government fiscal year by the Ordering Agency's Contracting Office responsible for the delivery order in accordance with FAR 52.212-4, paragraph (l) Termination for the Government's Convenience.

The Termination Ceiling Charge is a limit on the amount that a contractor may claim from the Ordering Agency on the termination for convenience of a lease or failure to renew a lease prior to the end of the lease term for reasons other than those set forth in section 14, Termination for Non-Appropriation. Termination ceiling charges will apply for each year of the lease term (See FAR 17.1). The Ordering Agency and contractor shall establish a Termination Ceiling amount. The Contracting Officer shall insert the Termination Ceiling Charge for amount of the first year in the order and modify it for successive years upon availability of funds.

No claim will be accepted for future costs: supplies, maintenance, usage charges or interest expense beyond the date of cancellation. In accordance with the bona fide needs rule, all termination charges must reasonably represent the value the Ordering Agency received for the work performed at cancellation based upon the shorter lease term. No termination cost will be associated with the expiration of the lease term.

<u>Formula 1: FOR Lease To Own (LTOP) SIN 51-58</u>
Termination Fee = pmt (i,n,P) *n - sum of PMT - FMV
"P" = Schedule Price of equipment at time of order, inclusive of Ordering Agency negotiated price reductions should be considered.
"PMT" = Actual Monthly Payment paid on order to termination
"i" = Monthly Interest Rate applicable to the order
"n" = number of months from order to termination

"pmt" = Monthly payment corrected to actual lease term"
"FMV" = Fair Market Value of equipment if returned at termination. Unit price adjustments, residual or FMV values used to calculate operating leases, should not be considered

Formula 2: For Operating leases SIN 51 58a
Termination Fee = PV (i, n,-PMT)
"PV"= Present Value
"i" = Interest rate per month, equal to the interest rate applicable to the calculation of the payment on the delivery order
"n"= Number of months remaining from termination date to the end of the lease term
"PMT" = Current monthly payment amount of the original payments through end of the lease

14. TERMINATION FOR NON-APPROPRIATION
The Ordering Agency reasonably believes that the bona fide need will exist for the entire lease term and corresponding funds in an amount sufficient to make all payment for the lease term will be available to the Ordering Agency. Therefore, it is unlikely that leases entered into under the SINs 51 58/Lease to Own (Copiers), 51 58a/Operating Lease (Copier), all other equipment will be terminated prior to the full lease term. Nevertheless, the Ordering Agency's Contracting Officer may terminate or not renew leases at the end of any initial base period or renewal period under this paragraph if (a) it no longer has a bona fide need for the equipment or functionally similar equipment; or (b) there is a continuing need, but adequate funds have not been appropriated to the ordering agency in an amount sufficient to continue to make the lease payments. If this occurs, the Ordering Agency will promptly notify the contractor and the equipment lease will be cancelled at the end of the last fiscal year for which funds were appropriated. The determination of the availability of funds is made solely by the Government.

15. LEASE EXTENSIONS
Extension of the present lease term is not permitted. Future copier requirements shall be procured in accordance with FAR 8.4, FSS Ordering Procedures.

16. LEASE EXPIRATIONS – SIN 51-58/LTOP
Title to equipment installed under SIN 51-58 automatically transfers to the Government upon conclusion of the Lease Term Agreement.

17. LEASE EXPIRATIONS – SIN 51-58a/OLP
Extension of the present lease term is not permitted. Future copier requirements shall be procured in accordance with FAR 8.4 covering Ordering Procedures. Unless notified by the Ordering Agency that the Government intends to exercise its option to purchase the equipment, the equipment, upon the expiration of the lease term, will be removed by the contractor at the earliest practicable time. The Ordering Agency is responsible for removal charges. Unless specified under the schedule contract, removal charges will be administered outside the scope of the contract.

The equipment shall be in the same condition as when delivered, with the exception of ordinary wear and tear. The contractor shall conduct a timely inspection of the returned products and within thirty (30) days of the return, assert a claim if the condition of the equipment exceeds normal wear and tear.

In the event the Ordering Agency desires, at any time, to acquire title to equipment leased hereunder, the price will be mutually agreed upon by the parties.

18. RETURN OF EQUIPMENT - LEASE TERMINATION
The Government will provide written instructions for the removal of the equipment. The Ordering Agency is required to provide serial numbers and exact location of equipment for pick up. Upon receipt of this notice the contractor shall remove the equipment within thirty (30) days or a mutually agreed date and time. The Ordering Agency is responsible for removal charges. Unless specified under the schedule contract, removal charges will be administered outside the scope of the contract. The equipment shall be in the same condition as when delivered, with the exception of ordinary wear and tear. The contractor shall conduct a timely inspection of the returned products and within thirty (30) days of the return, assert a claim if the condition of the equipment exceeds normal wear and tear. Equipment not removed by the contractor within thirty (30) days of the date of notification by the Order Agency shall be considered as abandoned and subject to such disposal as the Government may deem appropriate.

51-55 Rental Renewals

1. RENTAL EQUIPMENT & SUPPLIES SIN 51-55
All KMBS copiers furnished for rental will be in good working order. Copiers may be either new or newly remanufactured at KMBS' discretion. Rental prices include copier, appropriate paper cassettes by model, instruction, delivery, installation, photoreceptor and all necessary parts, supplies and service for maintenance, but do not include toner, developer, or paper. Toner and developer are purchased separately as consumable supply items. One toner and one developer are included upon initial delivery inside the copier at no additional charge.

In the event that the use of non-KMBS supplies cause damage to the copier and/or its components or generates the need for excessive service calls, KMBS may charge for any repairs and parts to bring the equipment into KMBS specifications, for the replacement of damaged drums, or cancel the rental agreement by providing thirty (30) day advance written notice to the government. Work will not commence by KMBS until the Government issues a purchase order to pay for all repairs and parts caused by the use of non-KMBS supplies.

2. SERVICE OF RENTAL EQUIPMENT
Unless otherwise specified by the using activity, KMBS must repair or replace equipment within nine (9) working hours after it receives

written or oral notice of a breakdown in equipment. If not, deductions of rental charges will be made on the basis of 1/30th of the monthly rate for each day the equipment is inoperative. KMBS shall grant a credit to the Government for any machine which fails to perform at an effectiveness level of ninety percent (90%) during any month.

The effectiveness level for a machine is computed by the formula; One Hundred percent (100%) minus (the total # of hours downtime divided by the total productive time in the month). Total productive time shall be computed by multiplying eight (8) hours per day by the number of working days in the month (weekends and Federal holidays excluded). The credit shall be a percentage amount of the fixed monthly rental charge, which is determined by subtracting the actual percentage of effectiveness level attained during the month from 90.

Example: If a machine was down for twenty (20) hours in a month which had 168 hours of total productive time, the percentage downtime would be 11.9% (20 hrs/168 hrs), the effectiveness level would be 88.1% (100%-11.9%). In this instance, the credit due the Government would be 1.9% (90%-88.1%); however, if the effectiveness level were 90% or higher, no credit is due to the Government.

In the event that a piece of rental equipment is inoperative due to machine failure, through no fault or negligence of the Government, and the total number hours of downtime exceeds ten percent (10%) of the total productive use time for three consecutive calendar months, the Government has the right to require KMBS to replace the equipment or terminate the order with no termination or removal charges being assessed to the Government.

The purchase option credits for the replacement equipment shall be not less than the credits accrued from the date of installation of the original equipment, regardless of whether the replacement is made at the request of the Government or for the convenience of KMBS.

3. TITLE TO RENTAL EQUIPMENT

The copier(s) placed with the Government remain the property of Konica Minolta Business Solutions U.S.A., Inc., and the Government agrees not to make any alterations in the copier(s), nor to remove the copier(s) from the original installation address without prior written approval of Konica Minolta Business Solutions U.S.A., Inc. Where relocation does take place, the Government will be responsible for expenses incurred on an Open Market basis. The Government agrees to return the copier(s) in the same condition as when received except for reasonable wear. During the term hereof and while the Government has possession of the copier(s), KMBS assumes all risk of loss or damage to the copier(s) except where such loss or damage is due to negligence on the part of the Government.

4. PURCHASE ORDERS

A written order shall be the only basis for rental renewals in accordance with the original terms and conditions. Orders issued to KMBS shall be for a federal fiscal year. The fiscal year, as interpreted in this contract, shall begin on the first full day of installation at the using agency. The year shall end on September 30th of the same federal fiscal year. An additional order must be issued for each subsequent year.

Orders for less than ninety (90) days will not be accepted by KMBS, unless the purchase order states that the Government intends to continue the rental into the next fiscal year. Orders for rental shall cover only the period of use of the equipment within the contract period.

5. P.O. RENEWALS

If the agency neglects to renew their PO, then KMBS shall have the right to continue invoicing and customer will pay until such time as notice of termination or renewal P.O. has been provided to KMBS. Rental charges shall commence on the next working day following that on which the equipment is installed and ready to operate.

Rental payment to the contractor shall be restricted to the actual period the equipment was in use, prorated on the basis of twelve (12) calendar months in the contract year, thirty (30) days in a month. All current rental placements will continue to renew at current rental rates throughout the full rental placement term.

The Government will be required to pay an excess copy charge once the monthly copy volume of the rental agreement is exceeded. KMBS is not responsible for the monitoring of Government machine usage to insure that billings do not exceed the dollar amounts indicated on the purchase orders. As a result, the amount of funds shown on the purchase order shall not be binding on KMBS.

6. TERMINATION & REMOVAL

If the Government fulfills the requirements of a rental agreement then no termination charges will be applied. Termination charges will apply if a one-year rental agreement is terminated at any time during the agreement upon thirty (30) days advance written notice to KMBS. The Government will be liable for any amounts currently owed plus 4 monthly payments or remaining balance whichever is less.

Termination charges will apply if a two-year rental agreement is terminated at any time prior to the completion of the two-year period.

The Government is liable for any difference between the two-year rate and the one-year rate retroactive to the start date of the agreement plus any amounts currently owed plus 4 monthly payments or remaining balance whichever is less. For example, if a two-year rental agreement is terminated in month thirteen (13), the Government owes the difference between the two-year and one-year rate for the thirteen (13) months the equipment was rented plus 4 monthly payments.

7. DISCONTINUANCE OF SERVICE

Removal charges will apply if the Government cancels a rental agreement prior to the expiration of the term and if the Government requires KMBS to go inside a building (other than the loading dock or front door) to retrieve the copier.

8. CONVERSION TO PURCHASE

The Government may exercise the option to convert a rental to purchase on the anniversary date of any month after installation. For

each month the copier is installed on rental, the Government will accumulate credit towards the purchase of the copier. The credit is determined by multiplying the equity amount listed for the month of conversion by the number of months the copier was installed. Please contact your Government Account Manager to obtain monthly and maximum rental credit amounts. The maximum rental credit available is eighty (80%) of the GSA purchase price.

All receivables for a rental copier to be converted to purchase must be current prior to the conversion. To exercise the rental conversion to purchase option, the Government must advise KMBS in writing of its intent to purchase, listing the machine by model and serial number. The Government should also issue a purchase order authorizing payment of the difference between the GSA price and the rental credits.

Upon completion of the conversion and after the expiration of the ninety (90) day warranty, KMBS shall, if requested, provide Cost-Per-Copy Maintenance service in accordance with SIN 51-57. Rental accrual is not transferable from one machine to another, except for copiers which were replaced at the initiation of KMBS, or at the request of the Government for mechanical reasons.

SIN 51-55 IS CURRENTLY FOR RENTAL RENEWALS OF EXISTING AGREEMENTS ONLY.

CPC Plan (SIN 51-100C) and FRMF Plan (SIN 51-100F)

Cost-Per-Copy Plan for Copiers 51-100c - Includes cost-per-copy plans; the customer identifies the guaranteed minimum number of copies required per month and the required functional capability of the copier equipment. As necessary to satisfy the customer's requirements, the contractor provides the required copier equipment, including accessories, attachments, copy-control devices and systems, all consumable supplies (except copying paper and transparency films), and full-service maintenance including repair parts. The customer pays a fixed monthly fee based on the customer's guaranteed minimum number of copies per month. For copies over the guaranteed minimum, the customer pays an additional fee for each copy made.

Flat-Rate Monthly Fee Copying Plan For Copiers 51-100f - Includes flat-rate monthly-fee plans; the customer identifies the approximate number of copies required per month (i.e., monthly volume level) and the required functional capability of the copier equipment. As necessary to satisfy the customer's requirements, the contractor provides the required copier equipment, accessories, attachments, copy-control devices and systems, all consumable supplies (except copying paper and transparency films), and full maintenance services including repair parts. The customer pays a flat-rate monthly fee for copier, regardless of the number of copies made each month.

KMBS agrees to furnish 36, 48 or 60 month term Cost Per Copy (CPC) and Flat Rate Monthly Fee (FRMF) copier units within the 48 contiguous states, AK, HI and the District of Columbia. KMBS reserves the right to reject any order for equipment outside a 50-mile radius from a KMBS branch office location or a KMBS authorized dealer location. KMBS may accept any order outside of the 50 mile radius from a KMBS branch office or dealer when it is mutually agreeable to both KMBS and the Government.

1. CONTRACT TERM

It is understood by both the Government and KMBS that the Government fully intends that each machine placed under this plan will remain in place for a full 36, 48 or 60 months (the "Term"), as a minimum, starting from the date of installation. By placing a delivery order under the terms of a CPC or FRMF Plan, it is understood that the Government ordering office intends to exercise each renewal option and to extend the Plan until the completion of the entire Term, as long as the need for the equipment or functionally similar equipment continues to exist, and funds are appropriated.

If (i) a delivery order expires prior to the expiration of the relevant full Term and the Government does not exercise any option to renew the delivery order, or (ii) the Government terminates the Delivery Order pursuant to a Termination for Convenience or (iii) the Government terminates due to a non-appropriation; the Government agrees not to replace the equipment leased under a Delivery Order with functionally similar equipment for a period of one (1) year succeeding such expiration, termination, or non-appropriation.

Non-Substitution: It is the intent of the Government by placing a delivery order under this contract to exercise each renewal option and to extend the lease until completion of the full Term (base period and all renewal periods) so long as the bona fide needs for the equipment or functionally similar equipment continues to exist.

If (i) a delivery order expires prior to the expiration of the relevant full Term and the Government does not exercise any option to renew the delivery order, or (ii) the Government terminates the Delivery Order pursuant to a Termination for Convenience or (iii) the Government terminates due to a non-appropriation; the Government agrees not to replace the equipment leased under a Delivery Order with functionally similar equipment for a period of one (1) year succeeding such expiration, termination, or non-appropriation. Any CPC or FRMF Plan delivery order shall be executed by the Government on the basis that the known requirement for such equipment exceeds the initial base period of the delivery order, which is typically 12 months or for the remainder of the fiscal year. Delivery orders with options to renew that are funded by annual (fiscal year) appropriations may provide for the initial base period and option periods that cross fiscal years, as long as the base period of each option does not exceed 12 months.

When an ordering agency's specific appropriation authority provides for funds in excess of a fiscal year period, the ordering office may place a delivery order for a period up to expiration of the Term, or to the expiration of the period of availability of the multiple year appropriation. The Term will be specified in each delivery order, including any relevant renewal options of the Government. All delivery orders, whether for the initial base period or renewal period, shall remain in effect through September 30 of the fiscal year.

The Government shall provide KMBS with written notice to exercise each renewal option as soon as practicable, but in no event later than (30) business days after the Government receives notice of availability of fiscal year appropriations.

2. EQUIPMENT

All machines installed will be newly manufactured, Factory Produced New Model, remanufactured or used equipment at KMBS' option.

Title to the equipment remains with KMBS.

3. MINIMUM ORDER
KMBS reserves the right to require a minimum order of 25 machines at any one location on any one purchase order. Individual orders with a total dollar value of less than $50.00 will not be accepted by KMBS.

4. PRICING
Pricing for each volume band for copiers will include:

- Equipment and Accessories
- Consumables (except paper and transparencies),
- Full maintenance and repair services (including both preventive and emergency repairs during normal working hours), and
- Training for key operators, at the time of machine installation, as well as later as required by an ordering activity to maintain availability of trained key operators.

PRICING WILL BE BASED ON A COMBINATION OF GSA PURCHASE (51-100), LEASE (51-58a), MAINTENANCE w/ SUPPLY (51-57) PRICING AGAINST A REQUIRED VOLUME OF COPIES PER MONTH FOR CPC AND HISTORICAL VOLUME FOR FRMF. PRICING CAN ONLY BE DEVELOPED BASED UPON THE CUSTOMER'S SPECIFIC REQUIREMENTS PROVIDED AT THE TIME OF REQUEST. NO PUBLISHED GSA CPC OR FRMF PRICING IS AVAILABLE.

5. GUARANTEED MO. MINIMUM VOLUME FOR CPC
(a) SIN 51 100C - For Cost-Per-Copy, the Guaranteed Monthly Minimum Volume (i.e., guaranteed number of copies per month) for each copying machine volume band are as shown below. The Government agrees to pay the following "Guaranteed Monthly Minimum Volume copies/month:

Volume Band 1	750
Volume Band 2	5,001
Volume Band 3	15,001
Volume Band 4	30,001
Volume Band 5	50,001
Volume Band 6	80,001
Volume Band 7	100,000

(b) SIN 51 100C - Excluding the copying machines described in (c) and (d) below, if the actual monthly volume (i.e., actual total number of copies) is less than the "Guaranteed Monthly Minimum Volume" the Government agrees for the number of copies identified under the "Guaranteed Monthly Minimum Volume" at the order cost-per-copy price.

(c) SIN 51 100C - The "Guaranteed Monthly Minimum Volume" is not applicable to copier machines installed less than the total billing month. The actual copies from these machines will be paid at the order cost-per-copy price. SIN 51 100C - In any month in which the Monthly Effectiveness Level (MEL) is less than 95 percent, the Government will not be responsible for paying any charge for lack of monthly volume.

(d) SIN 51 100F - Neither guaranteed or copy charges are applicable.

6. REMITTANCE
Payment should be made to Konica Minolta Business Solutions U.S.A., Inc. and sent to the "remit-to" address on the invoice.

7. INSTALLATION & TRAINING
Pricing will include delivery (except excess rigging charges which will be quoted and billed as an Open Market item, if required) and installation of hardware, with the exception of those items indicated as Government installable.

In addition to delivery and installation referenced above, KMBS will unpack, install and check the equipment to insure that it is in good working order. The Government will assign a Key Operator who will be responsible for normal operator maintenance; i.e., loading of paper, adding toner and developer, clearing paper mis-feeds, and cleaning platen glass. Equipment pricing includes one initial training session and manual, unless otherwise noted. Any additional on-site training or network integration assistance can be obtained on an Open Market basis through a separate contract from KMBS.

8. ADD-ON EQUIPMENT TO THE ORIGINAL UNIT
New placements may be made at the original installation sites. 1) A different lease term may be chosen for the add-on equipment to maintain the original end date of the delivery order on a co-terminus basis OR 2) the monthly price of the add-on equipment remains as originally awarded and add-on installation units will not co-terminate with the original installs but will fulfill their complete 36, 48 or 60 month term. The original installations and any add-ons may be extended to achieve a consolidated co-terminus date.

9. ADD-ON ACCESSORIES
The Government may add accessories as listed in this catalog to current placements. A different lease price will be used for the add-on accessory in order for the accessory to co-terminate with the original equipment installation. KMBS reserves the right to reject any equipment accessory add-ons.

10. ALTERATIONS OR REMOVALS
The Government may not make or permit any alterations to the machines by others nor remove the machines from the stated address without KMBS' written authorization.

11. NON-KMBS ACCESSORIES
Authorized KMBS personnel will not install or connect non-KMBS attachments to KMBS equipment. To insure that KMBS equipment

complies with the federal, state and local regulations and ordinances; the Occupational Safety and Health Act of 1970; Underwriters Laboratory requirements and in order to maintain the KMBS equipment in good working order, it is necessary that any such attachment or accessory be subject to KMBS' approval to determine its compliance with the above mentioned acts, regulations, ordinances and requirements.

Should the accessories or attachments meet with KMBS' concurrence and Underwriter's Laboratory combination listing for use with the KMBS equipment to which it is to be attached, the Government may purchase from KMBS and KMBS will install the necessary interface for the non-KMBS attachment. All charges will be on an "Open Market" basis. Non-KMBS attachments/accessories which do not comply with these provisions will not be permitted and may void maintenance coverage.

12. CONSUMABLE SUPPLIES (CPC AND FRMF)

Both the CPC and FRMF plans include all operating supplies excluding paper. Supplies will be delivered via standard "ground" procedures after receipt of a verbal order from pre-determined authorized personnel. The Government must provide a point of contact who will be responsible for ordering additional supplies from KMBS. The Government must also identify the location and serial number of the unit for which the additional supplies are being ordered.

13. SERVICE

All CPC and FRMF copiers are to be serviced and maintained in good operating condition during KMBS' normal business hours (8:30 a.m. to 5:00 p.m. - Monday through Friday, except Federal Government and KMBS holidays) without charge to the Government, provided such service is secured form the authorized KMBS Service Point making the original installation, except charges for repair or replacement arising from the negligence of the Government. After Hours Service, if available, will be negotiated and charged as an Open Market item.

Preventive Maintenance: KMBS shall provide, at a minimum, one yearly service call as a preventive maintenance service to ensure that the each copier furnished under the resulting contract is maintained in fully operational condition. However, intervals between scheduled maintenance services shall be no greater than those provided to commercial customers for the same model of copier.

Response to Service Calls: During normal working hours (as specified by the using activity), Monday through Friday (excluding holidays observed by the Government), KMBS shall respond to verbal or written requests for service calls. Copiers shall be repaired within either nine (9) working hours or sixteen (16) working hours (as specified by the using activity) after the verbal or written request for the service call. However, for copiers identified as critical, the contractor shall respond to verbal requests for service calls and shall repair the copier within four (4) working hours. Copiers designated critical will be identified by the ordering activity in the order and shall not exceed 5% of the total number of copiers on the order. Response time on a service call starts, when authorized personnel of an ordering activity place a verbal request for a service call or a written request is received requesting a service call, whichever is earlier.

Backup and Replacement Copiers: KMBS shall have backup and replacement copiers available to support each Volume Band. Backup copiers are those copiers that are temporarily installed. Replacement copiers are those copiers that are installed in place of a malfunctioning copier and that are intended to remain in place for the remainder of the contract period. When a copier cannot be repaired within sixteen (16) working hours, the ordering activity may request a backup copier. KMBS shall deliver backup copiers within eight (8) working hours of the ordering activity's request that a backup copier is required. Backup copiers must equal or exceed the capabilities of the copier being replaced. Charges for use of the backup copier shall be identical to the charges for use of the original copier being replaced. If the original copier is not satisfactory repaired and returned to the ordering activity within a total of forty (40) working hours from the time of request for a service call, KMBS shall provide a replacement copier of the same make and model as the original copier or a replacement copier satisfactory to the ordering activity. If agreed to by the ordering activity, the backup copier may be used as the replacement copier. KMBS shall provide the ordering activity with the serial number, location, and model number of the replacement copier.

Qualification of Personnel (CPC and FRMF): KMBS shall have qualified management, service technicians and delivery personnel in sufficient numbers to service and support the requirements under contract within the specified response times. Failure to maintain sufficient qualified personnel to meet the required response times may result in termination for default. KMBS shall designate and identify a program/project manager who is authorized to make decisions to ensure that the contract implementation and day-to-day operation is efficient and effective. Upon request, KMBS shall submit descriptions of the pertinent experience of those employees that will have principal responsibility for the Cost-per-Copy and Flat rate Monthly Fee Programs (e.g., program/project manager, key customer service representatives, dispatchers, service technicians).

14. COPIER OPERATIONAL EFFECTIVENESS (CPC and FRMF)

Initial Installation: If a copier is not fully operational at the time of installation, the Government may, at its option, require KMBS to provide an immediate replacement copier. A fully operational copier can satisfactorily perform all the performance functions applicable to the copier.

Replacement Copier: Replacement copiers are those copiers that are installed in place of a malfunctioning copier and that are intended to remain in place for the remainder of the contract period.

Monthly Effectiveness Level: Each copier furnished under the resulting contract shall perform at a 95 percent or higher Monthly Effectiveness Level (MEL). The Monthly Effectiveness Level percentage shall be calculated as follows: Monthly Effectiveness Level percent = ((total monthly production period in hours) minus (total number of copier downtime hours over the monthly production period) divided by (total monthly production period in hours)) times 100. The total monthly production period in hours shall be calculated by multiplying 8 hours per day times the number of working days in the month (weekend and Federal holidays excluded). The total number of copier downtime hours over the monthly production period shall be calculated as the number of minutes the copier was down (unable to perform one or more of its specified functions) during the monthly production period, divided by 60.

Credit (MEL): Failure of any copier to achieve a Monthly Effectiveness Level of 95 percent or higher shall entitle the Government to unilaterally take credit against the monthly billing for that particular copier. The credit shall be calculated as the difference between 100 percent and the achieved MEL percent times the maximum monthly charge.

- For copiers under a cost-per-copy plan, the maximum monthly charge will be calculated based on the lower number of copies specified under the Volume Band applicable to the copier.
- For copiers under a flat-rate monthly-fee plan, the maximum monthly charge will be the flat-rate monthly charge.

In any month in which the Monthly Effectiveness Level is less than 95 percent, the Government will not be responsible for paying any charge for lack of monthly volume. If the MEL is 95 percent or higher, the Government will take no credit. e.g., Credit calculation:

If the copier was down for 1200 minutes in a month which had a total monthly production period of 21 days and the monthly cost-per-copy charge was .005 cents per copy for a Volume Band III (30,000 copies per month) copier, the Government's unilateral credit against the monthly billing would be calculated as follows:

Total monthly productions hours: 21 days times 8 hours = 168 total monthly production hours
Total number of copier downtime hours over the monthly production period: 1200 minutes divided by 60 = 20 hours
MEL percent: (168 minus 20, divided by 168) times 100 = 88.095 percent
Credit percentage taken: 100 percent minus 88.095 percent = 11.005 percent
Monthly maximum cost-per-copy charge: ($ .015 per copy) times (30,000 copies) = $450
Government credit: 11.005 percent of $450 = $ 49.52

If a copier operates at less than a 90 percent Monthly Effectiveness Level for any month, the ordering activity shall have the option to require the contractor to replace the copier with a new replacement copier and the Government's right to unilaterally take credit against the monthly billing.

In lieu of requiring a replacement of the copier, the ordering activity (e.g., Program Manager) may require KMBS to certify (e.g., on the repair record) that sufficient maintenance has been performed to ensure a 95 percent or higher Monthly Effectiveness Level. If the ordering activity exercises this option, the Government shall still retain the right to unilaterally take credit against the monthly billing. If after certification, the copier operates at less than 95 percent Monthly Effectiveness Level for the following month, KMBS shall replace the copier with a brand new copier or the Government may opt to terminate the contract for default.

15. EQUIPMENT RELOCATION

Any equipment relocation costs, including dismantling, packing, shipping, uncrating, set up, and any applicable network integration charges will be at the Government's expense. In the event that equipment being maintained under this contract and procured under the CPC or FRMF program is moved to another location, KMBS shall continue to maintain the equipment at the new location unless the equipment is moved to a geographical location not covered by this contract. The Government shall give at least (30) days written notice of its intention to move the equipment unless such a move is required due to an emergency. When shipment is under control of the Government and damage in incurred which results in cost for either labor or parts to restore the equipment to good operating condition at the new site, such costs shall be borne by the Government.

No relocation of equipment shall reduce or impair any obligation of the Government to pay the payments for the Guaranteed Monthly Minimum Volume due under the CPC Plan or the monthly FRMF pricing, which shall continue in full force and effect.

16. EQUIPMENT CONDITION UPON RETURN

Upon the expiration or other termination of a delivery order under a CPC or FRMF Plan, the Government agrees, at its own expense and risk, to pay for any repairs and to replace any parts required to place the equipment in the same condition as when received by the Government, reasonable wear and tear excepted.

17. CONVERSION TO PURCHASE

In the event the Government desires, at any time, to purchase the equipment, the Government may make a one-time lump sum payment. The purchase option price shall be the sum of (i) the net present value of the payments for the Guaranteed Monthly Minimum Volume or FRMF pricing remaining through the end of the Term, discounted to present value using a rate of three percent per annum, plus (ii) the fair market value of the equipment. The Government shall give KMBS sixty (60) days prior written notice of its exercise of the purchase option. Please contact KMBS to obtain an "Early Purchase Option" quote.

18. TERMINATION AND REMOVAL

KMBS requires 60 days written notice for all cancellations. Exceptions to the payment of cancellation charges will only be permitted as follows;

a) The equipment is purchased prior to the end of the Term.
b) When KMBS receives written notice signed by the contracting officer responsible for the installation and the cognizant fiscal or financial officer which states, "This is to certify that sufficient funds have not been and will not be appropriated to renew the delivery order. The Government will not replace the equipment with equipment that is functionally similar to that leased for a period of no less than one year following termination under the provisions for non-appropriation."

(CPC 51-100c)

In the event of expiration, termination, or discontinuance of CPC service for any reason other than non-appropriations or the default of KMBS prior to the expiration of the Term, the Government will pay a discontinuation charge equal to the monthly base charge for the appropriate volume band multiplied by the appropriate factor for the effective date of termination as outlined below:

	36 Month Term
Discontinuance in the first 12 months	9 times Monthly Minimum
Discontinuance in the first 13-24 months	8 times Monthly Minimum
Discontinuance in the first 25-34 months	6 times Monthly Minimum
Discontinuance at 35 months	2 times Monthly Minimum

	48 Month Term
Discontinuance in the first 12 months	9 times Monthly Minimum
Discontinuance in the first 13-24 months	8 times Monthly Minimum
Discontinuance in the first 25-36 months	6 times Monthly Minimum
Discontinuance in the first 37-46 months	5 times Monthly Minimum
Discontinuance at 47 months	2 times Monthly Minimum

	60 Month Term
Discontinuance in the first 12 months	9 times Monthly Minimum
Discontinuance in the first 13-24 months	8 times Monthly Minimum
Discontinuance in the first 25-36 months	6 times Monthly Minimum
Discontinuance in the first 37-47 months	5 times Monthly Minimum
Discontinuance in the first 48-58 months	3 times Monthly Minimum
Discontinuance at 59 months	2 times Monthly Minimum

(FRMF 51-100f)
Termination charges for KMBS' FRMF Plan (SIN 51-100F) are based on the standard GSA termination charges for GSA Operating Lease SIN 51-58a.

19. LOSS OR DAMAGE
The Government is relieved from all risk of loss or damage to the equipment during periods of transportation, installation, and during the entire time the equipment is in possession of the Government, except when loss or damage is due to the fault or negligence of the Government. The Government shall assume risk of loss or damage to the equipment during relocation unless the Contractor shall undertake such relocation.

20. GOVERNMENT RESPONSIBILITIES

(CPC 51-100c)
Meter Readings are required for invoicing under 51-100c. The Government will submit meter reading to KMBS via telephone, fax, web, or email, contact initiated by KMBS, or any other means authorized by KMBS. It is the responsibility of the applicable agency to provide meter reading to KMBS in an agreed upon format. In the event a meter reading is not provided on a timely basis, KMBS will issue invoices based on the Guaranteed Monthly Minimum Volume.

(FRMF 51-100f)
Meter Readings are not required for invoicing under 51-100f; however meter readings are required in order to provide the Government with any usage reporting. The Government will submit meter reading to KMBS via telephone, fax, web, or email, contact initiated by KMBS, or any other means authorized by KMBS. It is the responsibility of the applicable agency to provide meter reading to KMBS in an agreed upon format.

21. ELECTRICITY
The Government will furnish the proper electrical current meeting KMBS' published standards, and required electrical receptacles for the equipment.

22. SURVIVAL OF TERMS: ORDER OF PRECEDENCE
a. In the event of any inconsistency between the terms and conditions of this CPC or FRMF Plan and other terms and conditions of this GSA Schedule, the terms and conditions of this CPC or FRMF Plan shall have precedence with respect to any delivery order governed thereby.

b. Termination, expiration or modification of this GSA Schedule shall in no way reduce or affect the Government's liability or obligations with respect to any delivery order issued prior to the effective date of such termination, expiration or modification. Each delivery order issued pursuant to this CPC or FRMF Plan and any renewal thereof shall survive the expiration, termination or modification of this GSA Schedule and each delivery order and any renewal thereof shall be subject to the term and conditions of this CPC or FRMF Plan in effect on the date of the issuance of the initial delivery order.

51-57 Maintenance

1. MAINTENANCE
*This is a non-mandatory source that may be used by agencies for the maintenance of Government-owned equipment.
*This is a mandatory requirement for all equipment acquired under the LTOP and OLP Lease plans.

KMBS will provide service on all copiers located within fifty (50) miles of a KMBS branch or an authorized dealer. KMBS will maintain copiers in good working condition throughout the period covered by a Full Service Maintenance or a Cost-Per-Copy Maintenance program. Repair service necessitated by ordinary use will be provided as required by and at the request of the Government during KMBS' normal business hours. The Government agrees to provide KMBS full access to the copiers to perform service without delay.

Repair work will begin within nine (9) hours from the time the repair order is received, Monday through Friday, 8:30 a.m. to 5:00 p.m. except Federal Government and KMBS holidays. Failure to render emergency service within nine (9) business hours (maximum), after written or oral notification, shall be subject to a deduction of 1/30th of the monthly rate for each day the equipment is inoperative. Full Service Maintenance or Cost-Per-Copy Maintenance shall remain in full force and effect for the remainder of the life of this contract, i.e. the remainder of the fiscal year or the maximum number of annual copies specified in the maintenance plan.

For copiers within fifty (50) miles of a service location, KMBS shall grant a credit to the Government for any machine that fails to perform at an effectiveness level of ninety percent (90%) during any month. The effectiveness level for a machine shall be computed in the same manner as under SIN 51-55, 51-100C, and 51-100F. The credit shall be a percentage amount of the fixed monthly maintenance charge, which is determined by subtracting the actual percentage of effectiveness level attained during the month from 90.
(Examples: if the effectiveness level for a machine is 87% for the month the credit would be 3% of the fixed monthly maintenance charge; if the effectiveness level is 90% or higher there is no credit due under this provision).

If, in KMBS' opinion, extensive repair work is necessary on any copier that is currently under a maintenance agreement, and that has been under a maintenance agreement since the expiration of the original purchase warranty, through either a KMBS branch or authorized dealer, KMBS will perform the repair work at either the Government location or a KMBS location at KMBS' expense (excluding charges for a replacement unit, if any, for use during performance of the repair work). Transportation costs, if any, will be at KMBS' expense. Only new or remanufactured KMBS parts shall be used. All parts that are replaced by KMBS shall remain the property of the Government.

2. MAINTENANCE PLANS

- Cost-Per-Copy (CPC) Maintenance Plans include all parts and consumable supplies (except paper).
- Full Service Maintenance (FSM) Plans include photoreceptor drum replacement, unless user has selected the contract specifically without drum. Consumable supplies such as toner, developer, cleaning rollers, filters, webs, staples and PM/Maintenance Kits are not included.

In the event that the use of non-KMBS supplies causes damage to the copier and/or its components or generates the need for excessive service calls, KMBS may charge for any repairs and parts to bring the equipment into KMBS specifications, charge for the replacement of damaged drums, or cancel the maintenance agreement by providing thirty (30) day advance written notice to the Government. Work will not commence by Konica until the Government issues a purchase order to pay for all repairs and parts caused by the use of non-Konica supplies.

All charges will be in accordance with the Hourly Repair rates indicated by the table in Section 8 below. Parts would be billed Open Market. KMBS is not responsible for repairs made necessary by accident, misuse, abuse, neglect, theft, riot, vandalism, electrical power failure, fire, water or other casualty or to repairs made necessary by service personnel other than those of KMBS will not be required to replace motors burned out by current fluctuation or negligence/abuse by the operator. Service connected with relocation of copiers, adding, removing or maintaining accessories may be obtained on an Open Market basis.

3. INSPECTION OF EQUIPMENT

Copiers being placed for the first time under maintenance service shall be in good operating condition and shall be subject to inspection by KMBS at the time the order is placed. If the copier is coming out of KMBS' warranty or being converted from a rental to purchase, no inspection is required. If the copier is to be placed under a Full Service Maintenance or Cost-Per-Copy Maintenance program at any other time, including a lapse in coverage, an initial inspection is required to insure KMBS that the copier is within KMBS specifications. There will be no charge for the inspection.

If repairs to the copier are necessary to bring the copier up to KMBS specifications, KMBS shall furnish the user agency with an estimate of repair cost. Work will not commence by KMBS until the Government has issued KMBS a purchase order for the estimated price of the repair work and parts. Prices charged to the Government will be in accordance with Hourly Repair rates indicated by the table in Section 8 below. If parts are required, they would be billed on an Open Market basis.

4. PARTS OBSOLESCENCE

KMBS guarantees the availability of parts for its copier equipment for a period of seven (7) years from the last date of manufacture. A parts disclaimer applies to any agreement initiated after the parts guarantee expires. If at any time after the parts guarantee expires, parts become unavailable for the equipment covered by a maintenance agreement, KMBS reserves the right to terminate the maintenance agreement and any amounts due the customer will be applied to any unpaid invoices, with any surplus being refunded within thirty (30) days.

5. PURCHASE ORDERS

A written purchase order shall be the only basis for maintenance agreements under this contract. KMBS will honor orders for maintenance service for periods less than (1) year, in which event, payment to KMBS shall be prorated on the basis of 1/12th of the offered price for each month the service was rendered, plus 1/30th of the monthly rate for each day less than a complete month the service was rendered. Once an order is placed, it will remain in effect for the remainder of the fiscal year unless terminated upon (30) days advance written notice to KMBS. The Government will be required to pay an excess copy charge once the annual copy volume of the maintenance agreement is exceeded. KMBS is not responsible for the monitoring of government machine usage to insure that billings do not exceed the dollar amounts indicated on the purchase orders. As a result, the amount shown on the purchase order shall not be binding on KMBS.

6. P.O. RENEWALS

If the agency neglects to renew their PO, then the KMBS shall have the right to continue invoicing and customer will pay until such time as notice of termination or renewal P.O. has been provided to KMBS. A maintenance agreement that includes drums assumes that the

drum in the copier is either new, or the copier is just coming off warranty or rental conversion to purchase. In all other instances, the Government must purchase a drum when changing from a Full Service Maintenance plan that does not include drums to one that does include drums. The old drum remains the property of the Government.

7. RELOCATION OF COPIERS

In the event equipment being maintained under the terms and conditions of a Full Service Maintenance or Cost-Per-Copy Maintenance plan is moved to another location, KMBS will continue to maintain the equipment at the new location providing KMBS has service coverage at the new location. If the equipment is moved to a geographical area no serviced by KMBS or beyond fifty (50) miles of a KMBS branch or authorized dealer, the maintenance order shall be terminated without further obligations being incurred by either KMBS or the government. The Government shall give at least thirty (30) days advance written notice of the movement of equipment.

When relocation of copiers covered by a Full Service Maintenance plan or Cost-Per-Copy Maintenance plan occurs, the Government will be responsible for all costs associated with the move. When shipment is under control of the Government and damage is incurred which results in costs for either labor or parts to restore the equipment to good operating condition at the new site, such costs shall be borne by the Government.

If the Government moves equipment that is owned by KMBS without prior written permission from KMBS, any and all damages and expenses as a result of that move will be borne by the Government. When the relocation of the copier is under control of KMBS and damage occurs which results in costs for either labor or parts to restore the equipment in good operating condition, such cost shall be borne by KMBS. KMBS reserves the right to reject any request for relocation to an area which is remote or not readily or adequately serviced by a KMBS branch or authorized dealer.

8. KMBS HOURLY REPAIR SERVICE

The rates listed below apply to all copying equipment included in this contract for which Full Service Maintenance is available. All service charges will be based on actual labor time plus all necessary parts on an Open Market basis. During KMBS' normal working hours, mileage or travel time will not be charged under this schedule. The hourly rate schedule applies to the 48 contiguous states and the District of Columbia, within fifty (50) miles of a KMBS branch or authorized dealer.

Rates for service beyond fifty (50) miles must be obtained on an Open Market basis. Repair work will begin within nine (9) hours from the time the repair order is received. No refund to the Government will be made if the service repair is not made within nine (9) hours, 8:30 a.m. to 5:00 p.m., Monday through Friday, excluding Federal Government and KMBS holidays. Where two or more copiers are located in the same building or easy walking distance and repairs are ordered for multiple units, the charges will be computed from the time the serviceman commences work on the first copier until the work is complete on the last copier (provided the copiers are within a reasonable walking distance of each other). KMBS will charge the Government for the time needed to go from one copier to another.

HOURLY REPAIR RATES	Minimum Labor Charge	Hourly Labor Charge	Each Add'l 1/4 Hour
Monday-Friday (8:30 a.m.- 5:00 p.m.) (Excluding Holidays)	$121.00	$121.00	$30.25
Monday-Friday (5:00 p.m. - Midnight) (Excluding Holidays)	$182.00	$182.00	$45.50
Saturday Hours* (8:30 a.m. - 5:00 p.m.)	$182.00	$182.00	$45.50
Sunday Hours* (8:30 a.m. - 5:00 p.m.)	$242.00	$242.00	$60.50

** Service at other than normal business hours is subject to manpower availability and charges will be calculated to include round trip travel expense.*

9. SERVICE/REPAIR AT KMBS SERVICE LOCATIONS

Copiers will be serviced and repaired at any KMBS service location as provided listed in this schedule provided the copiers are delivered to and picked up from KMBS' service location by the Government.

10. DISCONTINUED LEGACY MINOLTA COPIERS - MAINTENANCE PRICING STRUCTURE

Copier Service is provided in the following zones at the rates shown for the zone in which the equipment is located:
Zone 1: 0 to 25 miles from servicing location
Zone 2: 26 to 50 miles from servicing location
Zone 3: 51+ miles from servicing location

51-500 MPS

Methodology

The KMBS MPS plan for the Federal Government is a highly customized approach that will vary from agency to agency depending on the size of the fleet, access to the agency network, types of devices used, accuracy of the SIN 51-501 Needs Assessment & Analysis provided to KMBS, overall volumes generated, personnel and departmental requirements, etc.

KMBS Offers Two MPS Options Overviewed Below
Konica Minolta Business Solutions USA, Inc. (KMBS) provides services required to allow the Federal Government to control costs by assuming responsibility for day-to-day management of the Federal agency's printing infrastructure, providing what is needed to maintain a cost-effective and productive environment, so that personnel can focus on the core mission of the agency. One of the two options KMBS recommends utilizes a DCA (Data Collection Agent), which provides greater cost efficiencies as well as automated toner, technician and parts dispatch via digital technology.

Konica Minolta's Managed Print Services (MPS) can help drastically reduce downtime, conserve Federal Agency assets and provide management of your print output devices through our two options detailed below. The KMBS implementation plan is a highly customized approach that can vary depending on the agency, size of the fleet, type of output devices used, overall print volumes generated, Federal personnel and departmental and agency requirements. In order for KMBS to implement a successful MPS Program a comprehensive needs and facility assessment completed by a vendor holding a 51-501 Special Item Number (SIN) will need to be accurate, complete and shared with Konica Minolta.

In the case when an Electronic Data Collection Agent will not be authorized for deployment on an agency's network Konica Minolta will provide Option 1 and use an MPS Site Supervisor to collect the data through a manual process that is not reliant on an electronic assessment tool. The MPS Site Supervisor is the equivalent of KMBS's OPS Site Supervisor. This will be accomplished based on a Statement-of-Work (SOW) from the customer and subject to the charges for an on-site MPS Supervisor of $70/Hour/Supervisor.

KMBS MPS Program - Option 1
(Available for All KMBS GSA Models

Overview
Konica Minolta will initially utilize many of our currently awarded GSA Special Item Numbers (SIN) to offer Federal Government agencies the advantages of Managed Print Services (MPS). KMBS will use SIN 51-100 for those Federal agencies requiring ownership of equipment. Those Federal customers that require leasing of equipment we will use SIN 51-58 (LTOP) - Lease-to-Ownership Plan and Operating Lease Plan (OLP) - without ownership at the end of the lease term. Equipment maintenance will be accomplished on-site using KMBS current SIN 51-57 SIN that can be offered with or without supplies (excluding paper).

Pricing
Pricing will be based on a combination of current GSA purchase, lease, maintenance, and supply pricing against a required volume of copies per month. Pricing can only be developed based upon the customer's specific copy volume and requirements provided at the time of request or detailed in the independently created needs assessment analysis. Pricing will be based on copier model(s) required, procurement method (Purchase or Lease), monthly copy volumes and if an MPS Site supervisor is required.
Pricing will be proposed by the KMBS Government Account Manager and based on a combination of SIN'S 51-100, 51-101-2, 51-55, 51-57 or lease 51-58/58a. Also, any manual data collection will be priced based on MPS Site Supervisor at $70/Hour/Supervisor.

Guaranteed Monthly Minimum Volume Requirements
Please reference Terms & Conditions of the Konica Minolta GSA Schedule 36, SIN 51-100c (Guaranteed Monthly Minimum Volume matrix

KMBS MPS Site Supervisor
Under Option (1) Konica Minolta will require a minimum of one (1) MPS Site Supervisor to be on-site during normal agency working hours for a minimum of 12 months from the start of installation. An MPS Site Supervisor can manage an estimated 300+ output devices, **note**; this may vary based on product mix and geographic coverage. An MPS Site Supervisor may be required for each individual site, i.e. Campus vs. National Enterprise-Wide requirement. The primary function of the site supervisor will be the day-to-day management of the entire MPS fleet, and will be proficient in network connectivity, network software, organizational skills, and possess strong computer and customer/user interpersonal skills. The MPS Site supervisor requires at a minimum a High School graduate and would be helpful if the qualified person CDIA+ Certified. The MPS Site supervisor will also oversee meter reading and report on monthly copier usage along with customer training.

SIN: 51-500	**Customer Hourly Rates**
MPS Site Supervisor	$70/Hour/MPS Site Supervisor

Note: Charges during normal business hours of 8:30AM – 5:00PM

Third Party Support (Non-KMBS Equipment) Under SIN 51-500
Through the utilization of the MPS Site Supervisor, KMBS may be able to order third party service and support. This may require a customized approach and would have to be determined based on a Statement of Work (SOW) from the Federal Government customer.

Customer Billing
Konica Minolta Business Solutions will provide GSA customer billing. The price will be determined based on the combination of required equipment, method of equipment acquisition, i.e. purchase or lease, equipment service with or without supplies, on-site MPS Site Supervisor costs, etc. The price to the customer will be based on equipment and services offered under SIN 51-100, or SIN 51-58/51-58(a), SIN 51-57, print volumes per month and an MPS Site Supervisor if required ($70/Hour/MPS Site Supervisor).

KMBS MPS Program Option - 2
***(Not available on Production Print Models*)**

Overview
In order to implement a more comprehensive MPS program, and avoid the expense of vendor on-site personnel Konica Minolta offers

the installation of an output device **Data Collection Agent (DCA**) which is a software application that is installed on a non-dedicated network server at each location where ***ONLY*** imaging metrics are collected. Konica Minolta would require the assistance of the procuring Federal agency's IT group to help identify the proper IP address ranges for data collections. A Statement-of-Work (SOW) with appropriate authorization will be required and agreed upon before any services will be performed.

Assessed Information is *Secure*---Konica Minolta is committed to ensuring that no user information is accessed in the MPS process and that security is not compromised in any way. The DCA uses one-way communication *ONLY*. This means that the collected data can be transmitted from computer to the MPS server and does not collect personal or user data and cannot transmit information to a Federal agency customer's computer. Only the *device information* that is stored within the device is collected, i.e., page count, meter reads, error codes, page counts, toner levels, device description, and device status, etc. The Konica Minolta software assessment tool, the Data Collection Agent or (DCA), will search the network for identified sub-nets.

The data collected will ONLY be output matrix and is used to generate assessment reports containing details on device usage, consumable usage, costs and potential areas of consolidation, management and saving to the Federal agency.

Pricing

Pricing will be based on a recommended number of Konica Minolta output devices acquired by the agency through the following methods; purchase or lease. Maintenance and supply pricing will be based on a "Cost-Per-Copy Charge" by copier model based on minimum monthly volumes (See Pricing page for equipment maintenance, supplies and data collection monitoring). Total actual pricing can only be established based upon the customer's specific equipment requirements, copy volume and other requirements detailed in the independently created needs assessment analysis.

CPC = Cost-Per-Copy
CPP = Cost-Per-Print

Any manual data collection will be priced based a charge of $70/Hour and performed by the MPS Site Supervisor.

Guaranteed Monthly Minimum Volume Requirements

- **Black & White GSA Models-Minimum Copies per Month**
  Note: See Minimum Speeds and Volumes on Konica Minolta SIN 51-500 Option 2 pricing page
- **Color/Black & White Models – Minimum Copies Per Month**
  Note: See Minimum Speeds and Volumes on Konica Minolta SIN 51-500 Option 2 pricing page

Program Elements

Third Party Device Management, Billing and Service

a. MPS-Consumables for KMBS & 3rd Party Support

Konica Minolta's monitoring software (DCA) continues on the network and provides real time visibility into device operation and produces operational reports. The software also can predict toner and consumables use and replenishment requirements, along with an array of customizable alerts.

b. MPS-Meter Billing & Collection

Remote meters for KMBS and non-KMBS devices are monitored with two main components: a software agent, (i.e. a hardware appliance or device-embedded client located at the customer site), and a central data server.

The central server aggregates meter reading, consumables data, error alerts and other information from monitoring devices. The server stores this information and all reports are made available. Customer billing is based on an MPS Cost-Per-Print Charge per model. Based on monthly minimum volumes.

c. MPS-Automated Services Calls and Supply Fulfillment

Automated Service Calls - Remote monitoring systems allow our MPS GSA customers to migrate from a reactive service model to a more efficient and cost effective, proactive service model. Problems are remotely detected as they occur, automatically triggering a service call.

Automated Supply Replenishment - For supply management, remote monitoring can help to eliminate downtime created by idle devices waiting for supplies. The system reaches a set trigger point, records such elements as "low toner" alerts, supply ordering trigger points and automatically delivered to designated locations.

MAINTENANCE

COST-PER-COPY MAINTENANCE (SIN 51-57)
Includes all Supplies except paper

Mo. Copy Volume	Base Mo. Cost	Overage
700	$14.77	$0.0211
1,100	$21.67	$0.0197
1,400	$26.46	$0.0189
1,800	$32.76	$0.0182
2,700	$46.17	$0.0171
3,600	$58.68	$0.0163
5,400	$82.62	$0.0153
9,000	$126.90	$0.0141

NOTES:
1) A maximum total of 3 additional paper cassettes (combination of PF-P11 and PF-P12) can be added.
2) FK-512 adds fax functionality to device. Mount Kit MK-P03 is required.
3) FS-P02 provides 20-Sheet Corner Stapling.
4) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602.
5) Konica Minolta Return Program cartridges (UAR) are patented print cartridges sold at a discount in exchange for the customer's agreement to the license requirements that the cartridges will be used only once and returned only to manufacturer for remanufacturing or recycling. These patented cartridges are licensed for single use only and will stop working after delivering a fixed amount of toner. Toner may remain in the cartridge when replacement is required. Standard replacement cartridges (STD) are sold without these restrictions .
6) On-site support will only be provided at no-charge if Printer is under Maintenance Contract. Otherwise - normal time and material rates apply on Open Market basis.

* Lease to Own Plans (SIN 51-58) and Operating Lease Plans (SIN 51-58a) are available. Please apply the above purchase pricing to the appropriate lease rate factor found on Page 10.

*Copiers must be acquired as bundled configured units (mainframe & optional accessories). Accessories ordered with the base model are GSA compliant. Accessories cannot be purchased separately on GSA Schedule. Accessories are available only on an Open Market basis when purchased separately. If ordering accessories only, a separate Open Market purchase order must be issued.

MAINTENANCE

COST-PER-COPY MAINTENANCE (SIN 51-57)
Includes all Supplies except paper

Mo. Copy Volume	Base Mo. Cost	Overage
4,000	$35.20	$0.0088
6,000	$51.60	$0.0086
8,000	$67.20	$0.0084
10,000	$83.00	$0.0083
15,000	$123.00	$0.0082
20,000	$160.00	$0.0080
30,000	$237.00	$0.0079
50,000	$385.00	$0.0077

Note: All Maintenance plans are 2 Click Charge for 11" x 17"

* Lease to Own Plans (SIN 51-58) and Operating Lease Plans (SIN 51-58a) are available. Please apply the above purchase pricing to the appropriate lease rate factor found on Page 10.

*Copiers must be acquired as bundled configured units (mainframe & optional accessories). Accessories ordered with the base model are GSA compliant. Accessories cannot be purchased separately on GSA Schedule. Accessories are available only on an Open Market basis when purchased separately. If ordering accessories only, a separate Open Market purchase order must be issued.

Item Number	Item Description	GSA Purchase Price

NOTES:

1) External Keyboard requires EK-606 or EK-607 USB Host Board to connect to MFP. KH-101 Keyboard Holder is also required for all models.
2) LK-102 v3 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Upgrade Kit is required per device.
3) LK-104 v3 i-Option License Kit requires the UK-204 Memory Upgrade Kit. bizhub C754e/C654e, C754/C654 and 754/654: requires EK-604 or EK-605 USB Interface
4) LK-105 v3 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Kit is required per device.
5) LK-106 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Kit is required per device.
6) LK-107 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Kit is required per device.
7) LK-108 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Kit is required per device.
8) LK-101 v3 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Upgrade Kit required per device.
9) LK-110 i-Option License Kit requires the UK-204 Memory Upgrade Kit. Only one UK-204 Memory Upgrade Kit required per device.
10) LK-111 i-Option License Kit DOES NOT require the UK-204 Memory Upgrade Kit.
11) EK-606 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
12) EK-607 Local USB Interface Kit is required to connect optional external keyboard, provides Bluetooth printing support for mobile phone link and optional LK-104 v3 i-Option License Kit (Voice Guidance).
13) When the optional SC-508 Copy Guard Kit is required, 2 SC-508 Copy Guard Kits are needed per device when equipped with DF-701 Single Pass Dual Scanner
14) MK-735 supports internal mounting of AU-201H & AU-202H Card Authentication Unit.
15) KH-102 Required for External Keyboard.
16) AU-201H requires WT-506 Working Table or MK-735 Mount Kit to install internally.
17) AU-202H requires WT-506 Working Table or MK-735 Mount Kit to install internally.
18) SP-501 stamps successful fax transmissions on originals through Document Feeder.
19) To support a third fax line, add the FK-508 Fax Kit and MK-728 Fax Mount Kit. To support a fourth fax line, add a second FK-508. Only one MK-728 Fax Mount Kit required to support Fax Line 3 and Fax Line 4.
20) FK-511 adds fax functionality to device. No Mount Kits required. For dual line fax capability, order two FK-511 Fax Kits.
21) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, SD-509. The product finish is black to match the "tuxedo" look of the MFP products.
22) FS-534 + SD-511 Provides 50-Sheet Stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.
23) OT-506 required if a finisher is not attached.
24) DK-510 cannot be used as part of a configuration that includes LU-204 or LU-301.
25) LU-204 or LU-301 requires one of the following options: PC-410, PC-210, PC-110

If ordering accessories only, a separate Open Market purchase order must be issued.

Item Number	Item Description	GSA Purchase Price

NOTES:

1) SD-512 A2Y2WY1 Provides booklet output for FS-535 Staple Finisher (20 sheets/80 pages)
2) OT-503 A092WW1 OT-503 Output Tray is required if a finisher is not installed.
3) FS-534 -- 50 Sheet Staple Finisher required to support additional PK-520 Punch Kit ; supports banner printing.
4) FS-534 + SD-511 provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.
5) FS-535 -- 100 Sheet Staple Finisher required to support additional PK-521 Punch Kit, SD-512 Saddle Stitcher, JS-602 Job Separator Tray, PI-505 Post Inserter and ZU-606 Z-Fold Unit.
6) PK-521 -- Provides 2/3-Hole Punch for FS-535.
7) JS-602 -- Adds third tray to FS-535 Finisher.
8) To add fax capability order A4MF011 FK-511 Fax Kit. For dual fax line capability add two FK-511 Fax Kits.
9) To add third fax line, order A22M011 FK-508 Fax Kit and A4NPWY1 MK-728. To add fourth fax line order a second FK-508. Only one FK-728 Fax Mount Kit is required to support Fax Line 3 and Fax Line 4.
10) PK-520 A3ETW11 PK-520 Punch Kit is an option for FS-534 Staple Finisher.
11) A0YCWY4 EK-604 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
12) 4614506 SP-501 Stamp Unit is installed on standard Dual Scan Document Feeder.
13) KH-102 Keybaord Holder holds optional external keyboard.
14) LK-102 v3 A0PD016 LK-102 v3 i-Option License Kit requires the UK-204 i-Option Upgrade Kit. Only one UK-204 Upgrade Kit is required per device.
15) UK-204 -- Required for LK-101 v3, LK-102 v3 LK-104 v3, LK-105 v3, LK-106, LK-107, LK-108 and PageScope My Panel; Contents include 2 GB memory upgrade. Only one UK-204 required per machine
16) LK-103 v3 i-Option License Kit A0PD10H enables Web Browser functions from the MFP Control Panel. Requires UK-204.
17) LK-104 v3 i-Option License Kit A0PD017 provides Voice Guidance. Requires UK-204, EK-604 or EK-605 to access is via a Register Key. To access Voice Guidance functions from the hard 10-key pad, the optional KP-101 10-Key pad is also required .
18) MK-735 Mount Kit internally mounts the AU-201H HID Proximity Card or AU-202H iClass Card Authentication Unit.
19) WT-506 Working Table is recommended to hold AU-201H, AU-202H and AU-211P; if WT-506 is not installed, AU-201H and AU-202H must be mounted internally with the optional MK-735 Mount Kit.
20) LK-105 v3 i-Option License Kit -- Enables Searchable PDF Functionality. Requires UK-204.
21) WT-506 A0W4WY2 WT-506 Working Table is required for A0X9WY1 AU-102 Biometric Authentication Unit, 7640008394 AU-202H HID iClass Card Authentication Unit, 7640005064 AU-201H HID Proximity Card Authentication Unit. and 7640008082 AU-211P CAC/PIV Reader w/Certificate . AU-201H or AU-202H can be mounted internally using optional MK-735 Mount Kit.
22) SC-508 When the SC-508 is added to the 754 or 654, two SC-508 Copy Guard Kits are required to apply the copy guard/password protection to each side of the original since both sides are scanned in one pass;
23) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, FS-534, SD-509, SD-511 and SD-512. The product finish is black to match the "tuxedo" look of the MFP products.

Note: All Maintenance plans are 2 Click Charge for 11" x 17"

* Lease to Own Plans (SIN 51-58) and Operating Lease Plans (SIN 51-58a) are available. Please apply the above purchase pricing to the appropriate lease rate factor found on Page 10.

*Copiers must be acquired as bundled configured units (mainframe & optional accessories). Accessories ordered with the base model are GSA compliant. Accessories cannot be purchased separately on GSA Schedule. Accessories are available only on an Open Market basis when purchased separately. If ordering accessories only, a separate Open Market purchase order must be issued.

Item Number	Item Description	GSA Purchase Price

NOTES:

1) FS-534 Staple Finisher required to support additional PK-520 Punch Kit; supports banner printing.
2) FS-534 + SD-511 provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.
3) FS-533 Inner Staple Finisher required to support additional PK-519 Punch Kit supports banner printing.
4) PK-519 provides 2/3-Hole Punch for FS-533.
5) PK-520 provides 2/3-Hole Punch for FS-534.
6) To add fax capability order the FK-511 Fax Kit. For dual fax line capability add two FK-511 Fax Kits.
7) To add third fax line, order A22M011 FK-508 Fax Kit and A4NPWY1 MK-728. To add fourth fax line order a second FK-508. Only one FK-728 Fax Mount Kit is required to support Fax Line 3 and Fax Line 4.
8) EK-606 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
9) EK-607 Local USB Interface Kit is required to connect optional external keyboard , provides Bluetooth printing support for mobile phone link and optional LK-104 v3 i-Option License Kit (Voice Guidance).
10) SP-501 Stamp Unit is installed on DF-624 or DF-701 Document Feeders.
11) Spare Fax Stamp is installed on DF-624 or DF-701 Document Feeders.
12) UK-204 is required for LK-101 v3, LK-102 v3 LK-104 v3, LK-105 v3, LK-106, LK-107, LK-108, LK-110, and PageScope My Panel; Contents include 2 GB memory upgrade. Only one UK-204 required per machine
13) MK-735 Mount Kit internally mounts the AU-201H HID Proximity Card or AU-202H iClass Card Authentication Unit.
14) WT-506 Working Table is required to hold AU-201H and AU-202H. If WT-506 is not installed, AU-201H and AU-202H must be mounted internally with the optional MK-735 Mount Kit.
15) Models equipped with DF-701 Single Pass Dual Scan Document Feeder require two SC-508 security kits.
16) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, FS-533, FS-534, FS-534 + SD-511, SD-509, and SD-512. The product finish is black to match the

* Lease to Own Plans (SIN 51-58) and Operating Lease Plans (SIN 51-58a) are available. Please apply the above purchase pricing to the appropriate lease rate factor found on Page 10.

*Copiers must be acquired as bundled configured units (mainframe & optional accessories). Accessories ordered with the base model are GSA compliant. Accessories cannot be purchased separately on GSA Schedule. Accessories are available only on an Open Market basis when purchased separately. If ordering accessories only, a separate Open Market purchase order must be issued.

Item Number	Item Description	GSA Purchase Price

NOTES:

1)The FS-534 requires the RU-513 relay unit for installation on the bizhub C368 or 308.
2) FS-534 Staple Finisher required to support additional PK-520 Punch Kit; supports banner printing.
3) FS-534 + SD-511 provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.Requires the RU-513 relay unit for installation on the bizhub C368/C308.
4) FS-533 Inner Staple Finisher required to support additional PK-519 Punch Kit supports banner printing.
5) PK-519 provides 2/3-Hole Punch for FS-533.
6) PK-520 provides 2/3-Hole Punch for FS-534.
7) To add fax capability order the FK-514 Fax Kit. For dual fax line capability add two FK-515 Fax Kits.
8) To add third fax line, order A884W11 FK-515 Fax Kit and A886WY1 MK-742. To add fourth fax line order a second FK-515 .Only one MK-742 Fax Mount Kit is required to support Fax Line 3 and Fax Line 4.
9) EK-608 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
10) EK-609 Local USB Interface Kit is required to connect optional external keyboard, provides Bluetooth printing support for mobile phone link and optional LK-104 v3 i-Option License Kit (Voice Guidance).
11) SP-501 Stamp Unit is installed on DF-629 or DF-704 Document Feeders.
12) Spare Fax Stamp is installed on DF-629 or DF-704 Document Feeders.
13) MK-735 Mount Kit internally mounts the AU-205H IC Card Reader Unit.
14) WT-506 Working Table is recommended to hold AU-205H. If WT-506 is not installed, AU-205H must be mounted internally with the optional MK-735 Mount Kit. WT-506 Working Table is required for AU-102 Biometric Authentication Unit and AU-204H Mag Stripe Card Reader.
15) Models equipped with DF-704 Single Pass Dual Scan Document Feeder require two SC-508 security kits.
16) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, SD-509. The product finish is black to match the "tuxedo" look of the MFP products.
17) VI-508 Fiery Inteface Kit is required for IC-416 Fiery Controller.
18)The FS-534 requires the RU-513 relay unit for installation on the bizhub C368 or C308.
19) IC-416 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers.
20) UK-212 provides wireless secure printing, scanning and Authentication. Required for "waking MFP from ErP Mode" when using bizhub RA (Remote Access) app.
21) i-Options do not require additional memory when installed on the bizhub C368 or C308

3) FS-534 + SD-511 provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.Requires the RU-513 relay unit for installation on the bizhub C368/C308.
4) FS-533 Inner Staple Finisher required to support additional PK-519 Punch Kit supports banner printing.
5) PK-519 provides 2/3-Hole Punch for FS-533.
6) PK-520 provides 2/3-Hole Punch for FS-534.
7) To add fax capability order the FK-514 Fax Kit. For dual fax line capability add two FK-515 Fax Kits.
8) To add third fax line, order A884W11 FK-515 Fax Kit and A886WY1 MK-742. To add fourth fax line order a second FK-515 .Only one MK-742 Fax Mount Kit is required to support Fax Line 3 and Fax Line 4.
9) EK-608 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
10) EK-609 Local USB Interface Kit is required to connect optional external keyboard, provides Bluetooth printing support for mobile phone link and optional LK-104 v3 i-Option License Kit (Voice Guidance).
11) SP-501 Stamp Unit is installed on DF-629 or DF-704 Document Feeders.
12) Spare Fax Stamp is installed on DF-629 or DF-704 Document Feeders.
13) MK-735 Mount Kit internally mounts the AU-205H IC Card Reader Unit.
14) WT-506 Working Table is recommended to hold AU-205H. If WT-506 is not installed, AU-205H must be mounted internally with the optional MK-735 Mount Kit. WT-506 Working Table is required for AU-102 Biometric Authentication Unit and AU-204H Mag Stripe Card Reader.
15) Models equipped with DF-704 Single Pass Dual Scan Document Feeder require two SC-508 security kits.
16) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, SD-509. The product finish is black to match the "tuxedo" look of the MFP products.
17) VI-508 Fiery Inteface Kit is required for IC-416 Fiery Controller.
18)The FS-534 requires the RU-513 relay unit for installation on the bizhub C368 or C308.
19) IC-416 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers.
20) UK-212 provides wireless secure printing, scanning and Authentication. Required for "waking MFP from ErP Mode" when using bizhub RA (Remote Access) app.
21) i-Options do not require additional memory when installed on the bizhub C368 or C308

Note: All Maintenance plans are 2 Click Charge for 11" x 17"

* Lease to Own Plans (SIN 51-58) and Operating Lease Plans (SIN 51-58a) are available. Please apply the above purchase pricing to the appropriate lease rate factor found on Page 10.

*Copiers must be acquired as bundled configured units (mainframe & optional accessories). Accessories ordered with the base model are GSA compliant. Accessories cannot be purchased separately on GSA Schedule. Accessories are available only on an Open Market basis when purchased separately. If ordering accessories only, a separate Open Market purchase order must be issued.

Item Number	Item Description	GSA Purchase Price
	Supplies (SIN 51-101-2)	
A33K132	TN-512K Toner Black	$29.00
A33K232	TN-512Y Toner Yellow	$92.00
A33K332	TN-512M Toner Magenta	$92.00
A33K432	TN-512C Toner Cyan	$92.00
14YK	SK-602 Staples for FS-534/SD-511	$49.13

NOTES:

1) FS-534 Staple Finisher required to support additional PK-520 Punch Kit; supports banner printing.
2) FS-534 + SD-511 provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.
3) FS-533 Inner Staple Finisher required to support additional PK-519 Punch Kit supports banner printing.
4) PK-519 provides 2/3-Hole Punch for FS-533.
5) PK-520 provides 2/3-Hole Punch for FS-534.
6) OT-506 Output Tray is required if a finisher is not installed.
7) To add fax capability order the FK-511 Fax Kit. For dual fax line capability add two FK-511 Fax Kits.
8) To add third fax line, order A22M011 FK-508 Fax Kit and A4NPWY1 MK-728. To add fourth fax line order a second FK-508. Only one FK-728 Fax Mount Kit is required to support Fax Line 3 and Fax Line 4.
9) EK-606 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
10) EK-607 Local USB Interface Kit is required to connect optional external keyboard , provides Bluetooth printing support for mobile phone link and optional LK-104 v3 i-Option License Kit (Voice Guidance).
11) SP-501 Stamp Unit is installed on DF-624 or DF-701 Document Feeders.
12) Spare Fax Stamp is installed on DF-624 or DF-701 Document Feeders.
13) UK-204 is required for LK-101 v3, LK-102 v3 LK-104 v3, LK-105 v3, LK-106, LK-107, LK-108, LK-110, and PageScope My Panel; Contents include 2 GB memory upgrade. Only one UK-204 required per machine .
14) MK-735 Mount Kit internally mounts the AU-201H HID Proximity Card, or AU-202H iClass Card Authentication Unit .
15) WT-506 Working Table is recommended to hold AU-201H, AU-202H and AU-211P. If WT-506 is not installed, AU-201H or AU-202H must be mounted internally with the optional MK-735 Mount Kit. WT-506 Working Table is required for AU-102 Biometric Authentication Unit and AU-204H Mag Stripe Card Reader.
16) SC-508 Two Copy Guard Kits are required to apply the copy guard/password protection to each side of the original since both sides are scanned in one pass.
17) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, FS-533, FS-534, FS-534 + SD-511, SD-509, and SD-512. The product finish is black to match the "tuxedo" look of the MFP products.
18) VI-506 Fiery Inteface Kit is required for IC-414 Fiery Controller.
19) IC-414 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers.
20) DK-510 Copy Desk cannot be used as part of a configuration that includes LU-204 or LU-301.

12) VI-506 Fiery Inteface Kit is required for IC-414 Fiery Controller. Move Below
13) EK-606 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
14) EK-607 Local USB Interface Kit is required to connect optional external keyboard , provides Bluetooth printing support for mobile phone link and optional LK-104 v3 i-Option License Kit (Voice Guidance).
15) SP-501 Stamp Unit is installed on DF-624 or DF-701 Document Feeders.
16) Spare Fax Stamp is installed on DF-624 or DF-701 Document Feeders.
17) UK-204 is required for LK-101 v3, LK-102 v3 LK-104 v3, LK-105 v3, LK-106, LK-107, LK-108, LK-110, and PageScope My Panel; Contents include 2 GB memory upgrade. Only one UK-204 required per machine
18) MK-735 Mount Kit internally mounts the AU-201H HID Proximity Card or AU-202H iClass Card Authentication Unit .
19) WT-506 Working Table is recommended to hold AU-201H , AU-202H and AU-211P. If WT-506 is not installed, AU-201H or AU-202H must be mounted internally with the optional MK-735 Mount Kit. WT-506 Working Table is required for AU-102 Biometric Authentication Unit and AU-204H Mag Stripe Card Reader.
20) SC-508 Two Copy Guard Kits are required to apply the copy guard/password protection to each side of the original since both sides are scanned in one pass.
21) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, FS-533, FS-534, FS-534 + SD-511, SD-509, and SD-512. The product finish is black to match the "tuxedo" look of the MFP products.
22) VI-506 Fiery Inteface Kit is required for IC-414 Fiery Controller.
23) IC-414 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers.
24) DK-510 Copy Desk cannot be used as part of a configuration that includes FS-535, ZU-606, LU-204 or LU-301.

* Lease to Own Plans (SIN 51-58) and Operating Lease Plans (SIN 51-58a) are available. Please apply the above purchase pricing to the appropriate lease rate factor found on Page 10.

*Copiers must be acquired as bundled configured units (mainframe & optional accessories). Accessories ordered with the base model are GSA compliant. Accessories cannot be purchased separately on GSA Schedule. Accessories are available only on an Open Market basis when purchased separately. If ordering accessories only, a separate Open Market purchase order must be issued.

Item Number	Item Description	GSA Purchase Price

NOTES:

1) SD-512 A2Y2WY1 Provides booklet output for FS-535 Staple Finisher (20 sheets/80 pages)
2) OT-503 A092WW1 OT-503 Output Tray is required if a finisher is not installed.
3) FS-534 -- 50 Sheet Staple Finisher required to support additional PK-520 Punch Kit ; supports banner printing.
4) FS-535 -- 100 Sheet Staple Finisher required to support additional PK-521 Punch Kit, SD-512 Saddle Stitcher, JS-602 Job Separator Tray, PI-505 Post Inserter and ZU-606 Z-Fold Unit.
5) FS-534 + SD-511 -- Provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.
6) PK-521 -- Provides 2/3-Hole Punch for FS-535.
7) JS-602 -- Adds third tray to FS-535 Finisher.
8) To add fax capability order A4MF011 FK-511 Fax Kit. For dual fax line capability add two FK-511 Fax Kits.
9) To add third fax line, order A22M011 FK-508 Fax Kit and A4NPWY1 MK-728. To add fourth fax line order a second FK-508. Only one MK-728 Fax Mount Kit required to support Fax Line 3 and Fax Line 4.
10) VI-506 A4MGWY1 VI-506 Fiery Inteface Kit is required for IC-414 Fiery Controller.
11) PK-520 A3ETW11 PK-520 Punch Kit is an option for FS-534 Staple Finisher.
12) A0YCWY4 EK-604 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
13) 4614506 SP-501 Stamp Unit is installed on standard Dual Scan Document Feeder.
14)IC-414 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers.
15) KH-102 Keybaord Holder holds optional external keyboard.
16) LK-102 v3 A0PD016 LK-102 v3 i-Option License Kit requires the UK-204 i-Option Upgrade Kit. Only one UK-204 Upgrade Kit is required per device.
17) UK-204 -- Required for LK-101 v3, LK-102 v3 LK-104 v3, LK-105 v3, LK-106, LK-107, LK-108, LK-110 and PageScope My Panel; Contents include 2 GB memory upgrade. Only one UK-204 required per machine
18) LK-103 v3 i-Option License Kit A0PD01H enables Web Browser functions from the MFP Control Panel. Requires UK-104.
19) MK-735 Mount Kit internally mounts the AU-201H HID Proximity Card or AU-202H iClass Card Authentication Unit .
20) WT-506 Working Table is recommended to hold AU-201H, AU-202H and AU-211P; if WT-506 is not installed, AU-201H or AU-202H must be mounted to device or mounted internally with the optional MK-735 Mount Kit.
21) LK-105 v3 i-Option License Kit -- Enables Searchable PDF Functionality. Requires UK-204.
22) WT-506 Working Table is required for A0X9WY1 AU-102 Biometric Authentication Unit, 7640008394 AU-202H HID iClass Card Authentication Unit , 7640005064 AU-201H HID Proximity Card Authentication Unit and 7640008082 AU-211P CAC/PIV Reader w/Certificate. AU-201H or AU-202H can be mounted internally using optional MK-735 Mount Kit.
23) SC-508 When the SC-508 is added to the C754e or C654e, two SC-508 Copy Guard Kits are required to apply the copy guard/password protection to each side of the original since both sides are scanned in one pass; All other models compatible with the SC-507 Copy Guard Kit only require one kit per device.
24) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, FS-534, FS-534 + SD-511, SD-509, SD-511 and SD-512. The product finish is black to match the "tuxedo" look of the MFP products.
25) IC-414 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers

NOTES:

1) SD-512 A2Y2WY1 Provides booklet output for FS-535 Staple Finisher (20 sheets/80 pages)
2) OT-503 A092WW1 OT-503 Output Tray is required if a finisher is not installed.
3) FS-534 -- 50 Sheet Staple Finisher required to support additional PK-520 Punch Kit ; supports banner printing.
4) FS-535 -- 100 Sheet Staple Finisher required to support additional PK-521 Punch Kit, SD-512 Saddle Stitcher, JS-602 Job Separator Tray, PI-505 Post Inserter and ZU-606 Z-Fold Unit.
5) FS-534 + SD-511 -- Provides 50-sheet stapling and booklet output (20 sheets/80 pages). SD-511 not sold separately.
6) PK-521 -- Provides 2/3-Hole Punch for FS-535.
7) JS-602 -- Adds third tray to FS-535 Finisher.
8) To add fax capability order A4MF011 FK-511 Fax Kit. For dual fax line capability add two FK-511 Fax Kits.
9) To add third fax line, order A22M011 FK-508 Fax Kit and A4NPWY1 MK-728. To add fourth fax line order a second FK-508. Only one MK-728 Fax Mount Kit is required to support Fax Line 3 and Fax Line 4.
10) PK-520 A3ETW11 PK-520 Punch Kit is an option for FS-534 Staple Finisher.
11) A0YCWY4 EK-604 Local USB Interface Kit is required to connect optional external keyboard or optional LK-104 v3 i-Option License Kit (Voice Guidance).
12) 4614506 SP-501 Stamp Unit is installed on standard Dual Scan Document Feeder.
13)IC-414 Productivty Package contains Graphic Arts components that are not sold separately. These include Fiery Image Viewer, Post Flight Report, Image Enhance Visual Editor, Control Bar, Paper Simulation, Graphic Arts Filters, PDF/X Preflight Filter, Print Next and Process Next. Also included are Hot Folders and Virtual Printers.
14) KH-102 Keybaord Holder holds optional external keyboard.
15) LK-102 v3 A0PD016 LK-102 v3 i-Option License Kit requires the UK-204 i-Option Upgrade Kit. Only one UK-204 Upgrade Kit is required per device.
16) UK-204 -- Required for LK-101 v3, LK-102 v3 LK-104 v3, LK-105 v3, LK-106, LK-107, LK-108 and PageScope My Panel; Contents include 2 GB memory upgrade. Only one UK-204 required per machine
17) LK-103 v3 i-Option License Kit A0PD01H enables Web Browser functions from the MFP Control Panel. Requires UK-104.
18) MK-735 Mount Kit internally mounts the AU-201H HID Proximity Card or AU-202H iClass Card Authentication Unit .
19) WT-506 Working Table is recommended to hold AU-201H , AU-202H and AU-211P; if WT-506 is not installed, AU-201H or AU-202H must be mounted internally with the optional MK-735 Mount Kit.
20) LK-105 v3 i-Option License Kit -- Enables Searchable PDF Functionality. Requires UK-204.
21) WT-506 A0W4WY2 WT-506 Working Table is required for A0X9WY1 AU-102 Biometric Authentication Unit, 7640008394 AU-202H HID iClass Card Authentication Unit and 7640005064 AU-201H HID Proximity Card Authentication Unit 7640008082 AU-211P CAC/PIV Reader w/Certificate. AU-201H or AU-202H can be mounted internally using optional MK-735 Mount Kit.
22) SC-508 When the SC-508 is added to the C754e or C654e, two SC-508 Copy Guard Kits are required to apply the copy guard/password protection to each side of the original since both sides are scanned in one pass; All other models compatible with the SC-507 Copy Guard Kit only require one kit per device.
23) CS-1 Convenience Stapler is a standalone device electronic stapler that can staple up to 50 sheets at a time. The refill staples for the CS-1 Convenience Stapler are the SK-602, which are the same refill staples found on the following Konica Minolta Finishers & Options: FS-504, FS-514, FS-517, FS-519, FS-520, FS-524, FS-527, FS-529, FS-534, FS-534 + SD-511, SD-509, SD-511 and SD-512. The product finish is black to match the "tuxedo" look of the MFP products.

NOTES:

1) HT-506 is recommended when customer runs high volumes of coated stock and/or has excessive humidity.
2) One FA-502 is required for each additional PFU attached to a max. of 3. Max. is (3) PF-707's or (1) PF-708 + (2) PF-707.
3) RU-511 is REQUIRED for all configurations.
4) HM-101 Humidification Unit includes a water tank that requires distilled water. This option is useful to eliminate curling of uncoated output.
5) GC-501 Glue Chips must be ordered with every PB-503.
6) GP-501 does not include any die sets. At least one die set must be ordered with each GP-501.
7) Configurations including the GP-501 require BOTH the RU-510 AND RU-511 Relay Units.

NOTES Cont'd:

8) MK-732 Mount Kit Required for attachment of PI-502 Post Inserter to FS-532 Finisher.
9) Must order at least one binding element (RB-101) with each GP-502
10) Each LS-506 includes one LC-501 stacker cart.
11) UK-105 is required whenever the PF-708 is configured with a 3rd party (EFI or Creo) controller.
12) UK-206 is required for eCopy integration.
13) VI-507 Video Interface Kit required for IC-415 and IC-308 connectivity
14) Color Management is a separate page called Color Mgnt Tools

Bizhub Secure

OF ALL THE RESOURCES IN TODAY'S BUSINESS AND PROFESSIONAL WORLD, YOUR DATA CAN BE THE MOST VALUABLE – AND ALSO THE MOST VULNERABLE.
That's why Konica Minolta offers lock down protection with bizhub® SECURE: a set of enhanced password and data security measures to give your bizhub MFP an extra level of security. We offer professional safeguard services that will be provided by your Konica Minolta field engineer. Ensure that your data is more than just secure – it's bizhub SECURE!

SECURE MEASURES FOR TOTAL PEACE OF MIND

How can you make certain your valuable data is safe from theft – and prevent it from being stolen from your MFP by an unauthorized user or extracted if the hard disk drive is removed from your multifunction device? The answer is simple – and all it takes is allowing an authorized Konica Minolta field engineer to activate the bizhub security features of your bizhub MFP. With bizhub secure safeguards in place, you'll know that your documents have uncompromising security protection.

At Konica Minolta we understand that your organization may not have the bandwidth or infrastructure to enable, configure and track the security functions that are required for compliance or internal mandates. That is why we developed the bizhub SECURE Service. To provide you with the resource you need to lock down and protect any document data that might reside on the bizhub's internal hard drive.
The first step to securing and protecting any document image data that might be present on the hard drive is changing the default Administrative Password to a Secure Password. In addition, the following Security Functions will be enabled for your bizhub:

- Hard Drive Encryption
- Hard Drive Lock Password
- Automatic Deletion of any temporary image data
- Data Overwrite of electronic documents on a timed basis

Common Access Card (CAC) Encryption

Strong Authentication, Data Security & Digital Signature

Konica Minolta has partnered with ActivIdentity, a global leader in strong authentication and credential management, to develop a comprehensive Common Access Card (CAC)/Personal Identification Verification (PIV) card Solution that meets the most technically aggressive requirements put forth by the Department of Defense (DoD) and other highly secure government facilities for user access and authentication to bizhub MFPs.

The Konica Minolta ActivClient solution authenticates users for secure usage of Konica Minolta multifunctional devices (MFD) for e-mail, scan to email, network scanning and network printing on the Konica Minolta MFD via PKI certificates and keys on an end- user's CAC.

The Konica Minolta Activ-Identity CAC solution is an entire application layer which resides inside the Konica Minolta MFP. This application layer is designed to interact with the DoD network no differently than the ActivClient process for a Personal Computer. It also provides the end user activity the option of locking down the MFD for other non network functions like copying.

Please see required accessories and pricing on each model page.

The Konica Minolta bizhub CAC/PIV solution has been developed to reside and run within the bizhub MFP. It meets the Federal Government's two factor authentication requirement and is designed to interface with standard CAC/PIV card readers and is compatible with all CAC and PIV cards available today. The partnership with ActivIdentity ensures all cards available today as well as those released in the future will be fully compatible with Konica Minolta MFP's.

· The solution supports network user authentication via Active Directory.
· Digitally signed and certified email directly from the bizhub MFP using the CAC/PIV users' standard email credentials.
· Scan to email supports Encryption (AES 256 bit) and Digital Signature
· The system also supports access to network and local SMB (shared) folders with complete user rights.
· Secure and encrypted printing using CAC encryption methods.
· Public Key Infrastructure Certificate (PKI) card printing secures and encrypts sensitive prints which are held at the Konica Minolta bizhub MFP until the user logs in with their CAC/PIV card to retrieve them.
· Scan to Me (logged-in users' email address).
· Scan to Home (users' shared folder as defined in Active Directory).
· CAC authenticated Secure Printing.
· CAC upgrade currently submitted for ISO 15408 (Common Criteria) Security Certification at EAL3.
· Middleware is NOT required.
· Embedding ActivClient into the Konica Minolta bizhub MFD provides guaranteed support for all historical versions of CAC Smart Cards. ActivClient supports all of the current and future CAC profiles. The following card types are supported: Gemalto (32K, 64K), Oberthur (32K, 64K), CAC v1, CAC v2, GSCIS, PIV Transitional, PIV End-state.

Hard Drive Clearing or Removal

Konica Minolta Customer Owned or Leased Equipment
The customer shall bear all costs of the removal and replacement of the hard drive ***at the customer's location***. In order to remove the hard drive and data from the hard drive a written approval must be provided by the customer.

The hourly repair rates listed on Page 20, Part 8, apply to most models of Konica Minolta Business Solutions USA, Inc (KMBS) copying equipment. All service charges will be based on actual labor time plus all necessary parts (replacement Hard Drive, etc) to replace and re-install a new hard drive in the existing copier. Should the customer be required to keep the original hard drive a replacement hard drive will be required to make the copier fully operational. The cost of the replacement hard drive and any required firmware upgrades will be charged to the customer at the current Open Market price at the time of replacement. If a replacement hard drive or firmware upgrade is not available then the copier will be deemed inoperable and a fair market value of the copier will be determined and charged to the customer.

During KMBS' normal working hours, mileage or travel time will not be charged under this schedule. The hourly rate schedule applies to the 48 contiguous states and the District of Columbia, within fifty (50) miles of a KMBS branch or authorized dealer. Rates for service beyond fifty (50) miles must be calculated on an "Open Market" basis. All Parts (Hard Drive, etc) will be charged on an "Open Market" basis and costs will be provided by the local KMBS branch or local servicing dealer.

Relocation & Re-Installation of Equipment
In the event that a hard drive must be removed and replaced due to a relocation and re-installation then the same terms and conditions apply as indicated above.

Hard Disk Removal from Non-Konica Minolta Equipment
If a non-Konica Minolta copier is required to be taken in as a trade-in for a KMBS copier(s) and hard drive removal is required it will be the Government's responsibility to contact the non-Konica Minolta contractor for hard drive removal. The Government customer must immediately notify the non-Konica Minolta contractor directly upon award to KMBS and the hard drive MUST be removed prior to the installation of the new Konica Minolta copiers. Additional Open Market charges will prevail if a KMBS branch or dealer has to make a second trip to pick-up non-Konica Minolta equipment. In some cases, Konica Minolta has been contracted to provides equipment service to non-Konica Minolta equipment, and should this be the case, please refer to provisions under *"Konica Minolta Customer Owned or Leased Equipment"* Above.

In Place Hard Drive Data Cleaning
KMBS offers hard drive cleaning as an option to hard drive removal and replacement. A Konica Minolta technician will perform a "data overwrite" of the hard drive using built-in sanitization technology. The hard drive will be cleared of data and re-installed in the equipment before removal from the customer's location.

Availability of this option depends on model and configuration. The customer must approve this in writing prior to hard drive cleaning. The cost will be Open Market.

KIP WIDE FORMAT PRINTERS

KONICA MINOLTA

GSA Schedule Contract

KIP 770

The KIP 770 does it all: a monochrome printer offering full-color wide-format scanning of documents with fast throughput, high resolution and touchscreen convenience, accepts input from mobile sources and USB drives, handles multiple page sizes and paper rolls -- all in compact design, with next-to-wall installation and innovative top stacking system.

(7640012602) Level 4 Base Machine + Scanner + PDF & 2 Software Packages or Bundles

Freight Notes:
KIP 940 Inside Delivery (Does not include forklift*)
*A forklift is required for the equipment delivery & should be provided by the delivery location, if a forklist is not available one can be provided by the KIP preferred carrier for an additional fee. All freight prices reflect shipment/delivery within the continental United States. Deliveries to Alaska, Hawaii, Puerto Rico, Mexico, South America & Canada will incur additional fees.

1) KIP America freight prices reflect 3-5 day standard ground dock to dock ground transportation to specified location in the Continental United States.
Any special freight requirements or requests will be done on a quote basis.
KIP freight prices include scanner accessory box (if applicable).
Freight Special Services are services that you may require that are not covered by standard freight price.
2) If no KIP 1200 Auto Stacker or KIPFold 2000 is configured with printer, then the high capacity print rack is required.
3) **YOU MUST INCLUDE ROLL PAPER WHEN QUOTING OTHERWISE THE CUSTOMER WILL NOT BE GETTING INITIAL PAPER WITH THEIR UNIT. WITHOUT ROLL PAPER, SERVICE CANNOT INSTALL THE PRINTER**.

Mandatory SERVICE PLAN must be selected. This is for ongoing software support (i.e. installing minor updates) and on-site maintenance visits by KMBS Service Dept. The SERVICE COST must be added as a line item in the Service Contract.

7640018969	10 Active Inputs (for Dispatcher Phoenix)	51-100	$5,319.90
7640018970	25 Active Inputs (for Dispatcher Phoenix)	51-100	$12,413.10
7640018971	50 Active Inputs (for Dispatcher Phoenix)	51-100	$23,052.90
7640018972	100 Active Inputs (for Dispatcher Phoenix)	51-100	$42,559.21
7640019155	Dispatcher Phoenix Government (DP Govt) includes: - 2 Active Inputs - Advanced OCR - 1D Barcode Processing - Convert to Microsoft Office - Redact, Highlight and Strikeout - Convert to PDF (PDF/A, PDF/A searchable, PDF, PDF searchable) - Metadata Bundle or metadata creation and routing) - ODBC Processing - SharePoint Connector - Copy Defender - CAC/PIV authentication	51-100	$3,092.19
Main Software Maintenance			
7640019159	Dispatcher Phoenix: Maintenance Reactivation Key - Government	51-100	$1,052.90
7640019156	DP Government Software Maintenance (1 yr.)	51-100	$631.74
7640018984	10 Active Inputs (for DP) Software Maintenance (1 yr.)	51-100	$1,032.80
7640018985	25 Active Inputs (for DP) Software Maintenance (1 yr.)	51-100	$2,449.42
7640018986	50 Active Inputs (for DP) Software Maintenance (1 yr.)	51-100	$4,593.50
7640018987	100 Active Inputs (for DP) Software Maintenance (1 yr.)	51-100	$8,613.66
7640019157	DP Government Software Maintenance (3 yr.)	51-100	$1,800.45
7640018988	10 Active Inputs (for DP) Software Maintenance (3 yrs.)	51-100	$2,943.33
7640018989	25 Active Inputs (for DP) Software Maintenance (3 yrs.)	51-100	$6,980.71
7640018990	50 Active Inputs (for DP) Software Maintenance (3 yrs.)	51-100	$13,091.34
7640018991	100 Active Inputs (for DP) Software Maintenance (3 yrs.)	51-100	$24,548.77
7640019158	DP Government Software Maintenance (5 yr.)	51-100	$2,842.82
7640018992	10 Active Inputs (for DP) Software Maintenance (5 yrs.)	51-100	$4,648.06
7640018993	25 Active Inputs (for DP) Software Maintenance (5 yrs.)	51-100	$11,022.88
7640018994	50 Active Inputs (for DP) Software Maintenance (5 yrs.)	51-100	$20,671.24
7640018995	100 Active Inputs (for DP) Software Maintenance (5 yrs.)	51-100	$38,761.93
Software Options			
7640014447	DP 1 Additional Active Input	51-100	$574.31
7640016309	DP Page Count & Color Route Bundle (for advanced job routing)	51-100	$95.72
7640015729	DP Advanced Bates Stamp	51-100	$478.59
7640015731	DP SMTP In & Email Parser Bundle	51-100	$765.74
7640015732	DP LPR Input	51-100	$191.44
7640016313	DP KDK Generator & KDK-PDL Converter Bundle (for use with Kodak print files)	51-100	$478.59
7640018613	DP Worldox Connector	51-100	$957.18
7640018452	DP OnBase Connector (requires additional Hyland OnBase license)	51-100	$2,147.91
7640016311	DP File Parsing Bundle (for print file manipulation)	51-100	$382.87
7640018968	DP Distribution Connector Bundle	51-100	$382.87
7640018967	DP Forms Processing (for image data extraction)	51-100	$3,249.62
7640015736	DP 2D Barcode Processing	51-100	$287.15
7640016308	DP Print to File (includes Printer Port Monitor)	51-100	$191.44
7640019202	DP Workshare Connector	51-100	$957.18
7640019218	Dispatcher Phoenix Release2Me Secure Print Release solution includes: Release2Me node - PJL Print Preferences node - LPR In node - System-defined workflow - Dispatcher Phoenix Release2Me Print Driver	51-100	$554.21
7640019115	DP Rx Shield (for Secure Prescription printing)	51-100	$382.87
7640019236	Dispatcher Phoenix Bubble Grader	51-100	$1,718.14
Software Options Maintenance			
7640014449	DP 1 Additional Active Input Software Maintenance (1 yr.)	51-100	$114.86
7640015766	DP Advanced Bates Stamp Software Maintenance (1 yr.)	51-100	$95.72
7640015768	DP SMTP In & Email Parser Bundle Software Maintenance (1 yr.)	51-100	$153.15
7640015769	DP LPR Input Software Maintenance (1 yr.)	51-100	$38.29
7640016316	DP Page Count & Color Route Bundle Software Maintenance (1 yr.)	51-100	$19.14
7640016318	DP File Parsing Bundle Software Maintenance (1 yr.)	51-100	$76.57
7640016320	DP KDK Generator & KDK-PDL Bundle Software Maintenance (1 yr.)	51-100	$95.72
7640018614	DP Worldox Connector Software Maintenance (1 yr.)	51-100	$191.44
7640018453	DP OnBase Connector Software Maintenance (1 yr.)	51-100	$430.73
7640018996	DP Forms Processing Software Maintenance (1 yr.)	51-100	$649.92
7640018999	DP Distribution Connector Bundle Software Maintenance (1 yr.)	51-100	$76.57
7640015773	DP 2D Barcode Processing Software Maintenance (1 yr.)	51-100	$57.43

AUTOSTORE™ WORKFLOW

Nsi AutoStore Workflow - For Renewals Only

A fast, efficient software solution for capturing, processing and routing documents directly from the control panel of your bizhub MFP -- performing OCR conversion to full-text searchable PDF, cleaning up and rotating images, automatically removing blank pages, adding Bates Stamping, tracking activities and more. In addition to AutoStore Express, AutoStore Workflow offers advanced barcode support, EDMS integration and Enterprise scalability with high volume OCR support.

SOFTWARE: Nuance Output Manager Desktop This product has high-volume pricing options. For more information on how to offer these discounts to customers and getting quotes, please contact your sales representative. Output Manager Desktop Licenses include local print monitoring and the OM Web Interface access (Web Console, Document Library, and Web Upload) for the licensed numbers of concurrent users. Output Manager Desktop Licenses are also included in the Client Bundle - see details in the Bundle section. Tier discounts apply to a single transaction. For example; a customer purchasing 30 device licenses will purchase at the (25 to 49) tier. That same customer purchasing 10 more licenses at a later time purchases those additional licenses at the (10 to 24) tier. To purchase WebCapture / NSi Mobile or AutoCapture please see the WebCapture NSi Mobile and AutoStore sections respectively.

PHAROS SYSTEMS

Pharos Systems and Konica Minolta have partnered to integrate the Pharos Uniprint Solution Suite and Blueprint Enterprise software with Konica Minolta MFPs. Offering seamless integration with superior functionality, these document solutions will help reduce printing costs, meet environmental goals, and offer secure login directly at the MFP control panel

KONICA MINOLTA

GSA Schedule Contract

KIP C7800 Printer & Systems

Mono Centric Plan - For customers who do mainly monochrome printing

In the Mono Centric Plan, the base charge covers monthly mono square footage with each color print charged at the color overage rate.

Monthly Total Square Footage	Base	BW Overage	Color Overage
0	$80.00	$0.0184	$0.0334
5,000 square feet / Mono	$115.00	$0.0160	$0.0310
15,000 square feet / Mono	$260.00	$0.0150	$0.0300
35,000 square feet / Mono	$525.00	$0.0140	$0.0289
75,000 square feet / Mono	$1,010.00	$0.0130	$0.0278
85,000 square feet and above / Mono	$1,055.00	$0.0120	$0.0268

Color Centric Plan - For customers who do mainly color printing

In the Color Centric Plan, the base charge covers monthly color square footage with each mono print charged at the mono overage rate.

Monthly Total Square Footage	Base	Color Overage	Mono Overage
0	$115.00	$0.0334	$0.0288
5,000 square feet / Color	$180.00	$0.0290	$0.0171
15,000 square feet / Color	$455.00	$0.0280	$0.0161
35,000 square feet / Color	$980.00	$0.0270	$0.0150
75,000 square feet / Color	$1,985.00	$0.0260	$0.0139
85,000 square feet and above / Color	$2,160.00	$0.0250	$0.0128

Both Plans have an additional $35.00/per month charge for Digital Support Center Support

If KIP C7800 is also configured with KIP 2300 Scanner or KIP 720 scanner, add an additional $50 per month to the base plan.

What is covered by a Service Plan:

The service plan covers the Drum, the controller, and parts, as well as ongoing software updates. These will be updated/replaced as part of on-site maintenance visits by the KMBS Service Dept.

What is not covered by a Service Plan:

Toner and paper
Damage due to operator misuse
Damage due to natural disasters (flood, tornado, earthquake)
Deinstalling, moving and reinstalling the KIP product in a new location
Excludes glass parts
