ESCALATION/PROBLEM RESOLUTIONPROCEDURES/REPLACEMENT AND TERMINATION

Radiology Staffing, Inc. (RSI) will require the client to complete an Employee Evaluation Form on a monthly basis to monitor and proactively address any areas requiring attention.

Conflicts arising in the performance of individuals providing services under this contract will be addressed as follows:

1) If a customer is not satisfied with Radiology Staffing, Inc.'s personnel relating to work performance, the customer will notify Radiology Staffing the same day of the occurrence of dissatisfaction.
2) The placement consultant of the employee will initiate interviews with all involved to gather facts concerning the incident within 24 hours.
3) Seriousness of the offense will be determined and options for actions will be discussed with the Client.
4) For minor offenses, normal actions are as follows:
    a) 1st Offense: Verbal counseling and required action documented in employee's personnel file and then faxed to the Client.
    b) 2nd Offense: Written counseling and required corrective action documented in employee's personnel file. The employee and Client will be informed that the second offense warrants a 30-day probationary period.
    c) 3rd Offense: Termination depending on the seriousness and circumstances of the offense.
    d) For more serious offenses, normal actions are as follows:
        i) Disciplinary Probation – During the period of probation a complete investigation of the circumstances will be conducted.
        ii) Termination.
5) IMMEDIATE TERMINATION: If a major infraction or violation of any regulations listed occurs, the employee will be immediately discharged. Other appropriate disciplinary actions may be taken if RSI considers them necessary. This list includes but is not limited to the following:
    a) Accepting an assignment and then failing to report to work and failing to notify RSI.
    b) Excessive cancellations or tardiness.
    c) Failure to comply with all safety rules and regulations, including failure to wear safety equipment when required.
