

Air Force Tools and Parts Program (AFTAPP)

Five (5) pre-competed BPAs awarded by the Air Force Civil Engineering Commodity Council for use in supplying Maintenance, Repair, and Operations (MRO) tools and parts for the DoD community. Products have no minimum purchase/delivery limit and may be micro-purchased via the GPC or quotes sought using eBuy RFQs. The AFTAPP BPAs offer MRO products with an average discount of 8.9% below GSA pricing with no minimum purchase/delivery limits. BPAs are pre-competed to facilitate easier GPC purchasing. Cardholder/Buyer assistance available via Program Mailbox (ESG.AFTAPP@wpafb.af.mil).
