## **Warranty**

Marathon Medical Corporation's Warranty amended for Government use revised on November 28, 2017 accepted as a supplement to Government's warranty 52.212-4 (o) and (p).

### **Warranty Applicable for Ruhof Products**

Marathon Medical hereby guarantees and warrants that all Goods sold, provided, or delivered to purchaser are, as of the date of delivery and acceptance, and for a period of one (1) year thereafter ("**Warranty Period**"): (a) in conformance and compliance with all applicable laws and specifications; (b) free from defects in material and workmanship and shall conform to all applicable plans, specifications, requirements and samples; and (c) merchantable and, if customized for the benefit of a Purchaser, fit for their intended purpose. This warranty shall also apply to any replacement Goods or parts. Vendor further warrants that any and all service repairs shall be free from defects in materials and workmanship for the balance of the Warranty Period.

### **Warranty Applicable for Alliqua BioMedical Products**

For the entire term of this agreement with the Federal Government, Marathon Medical warrants that no product will be shipped to Federal Government facilities with less than 6 months to expiration date stated on the product.

These following warranties cover the following Alliqua BioMedical products (Warranted Product):

#### **Equipment**

- UltraMIST System

#### **Applicators**

- UltraMIST Applicators

Equipment Warranty. Marathon Medical warrants for one year from the acceptance Date that the Equipment will be free from defects in title, material and workmanship under normal use and service. This warranty covers both parts and labor and is available only to end-users that purchase the Equipment.

Applicator Warranty. Applicators carry a warranty of the earlier of first use or expiration date of the products. The reuse of disposable applicators voids this warranty for all Warranted Product (including Equipment) otherwise covered.

To avoid out of warranty repair fees due to damage to the equipment beyond ordinary wear and tear:

- Avoid dropping, impact, or abrasion to transducer.
- Never carry or transport the system using the cable, treatment wand or treatment wand holder.
- Avoid excessive twisting, pulling, pinching or kinking of treatment wand cable assemblies.

- Do not apply excessive force on any component of the system (i.e. depressing key switches with anything other than a fingertip).
- Limit cleaning solutions to those found on the approved list in the IFU
- Never use any abrasive cleaning solutions or wipes.
- Do not immerse or soak treatment wand in any liquid.
- Never energize or operate the system without properly grounded input power (120/220V).
- Review the Instructions for Use for proper care and handling of the Equipment.

#### **Warranty Applicable for Neurometrix's Products**

Marathon Medical offers a 60 day money back guarantee. If for any reason, within 60 days of purchase, your Quell does not provide you with relief from chronic pain, or you wish to return the device, we will accept the return and refund your purchase price.

Marathon Medical carries a 2 year warranty against any technical defect

#### **Warranty Applicable for Teleflex Medical's Products**

Marathon Medical warrants that its products sold to Buyer pursuant hereto, other than products which have been reconditioned or repaired for Buyer, will be free from defects in workmanship for (1) year after the date of original purchase, if they do not have an expiration date, provided they are not used in any application or manner not specified or recommended by Marathon Medical in their Instructions For Use.

#### **Warranty Applicable for B. Braun's Products**

With respect to disposable Products, Marathon Medical warrants to the original purchaser that at time of delivery each product that it manufactures is free of defects in material and workmanship and, when used for the purposes and indications described on the labeling, is fit for the purposes and indications described on the labeling. All warranties for a product shall expire as of the product expiration date or if none, after one (1) year from the date of shipment. The warranty hereunder shall not apply if: (i) a product is not used in accordance with its instructions or if it is used for a purpose not indicated on the labeling; (ii) any repairs, alterations or other work has been performed on such item, other than work performed with authorization and according to its approved procedures; or (iii) the alleged defect is a result of abuse, misuse, improper maintenance, accident or the negligence of any party other than Marathon Medical.

#### **Warranty Request or Questions**

Please contact Marathon Customer Service at (877) 431-4753 phone (855)339-4309 Fax or by e-mail at [cs@marathonmed.com](mailto:cs@marathonmed.com).

Returned Goods Policy:

Marathon Medical Return Goods Authorization (RGA)

Marathon Medical offers a 30-day return policy from the date of delivery under the guidelines detailed below:

All product shipments will be promptly inspected within 12 days of receipt and notify Marathon Medical Corporation of any alleged defects, damage, or shortage.

A Return Goods Authorization (RGA) requires written permission to be obtained from Marathon Medical Corporation in advance, and a return authorization number will be issued to the buyer. Please contact Marathon Customer Service at (877) 431-4753 or by e-mail at [cs@marathonmed.com](mailto:cs@marathonmed.com)

To acquire a Return Authorization Number. If the Customer receives authorization from Marathon Medical Corporation to return a product for credit, the Customer shall be subject to a restocking fee of fifteen percent (15%) of the original list purchase price. No Product return will be honored after 30 days from the date of delivery.

The return of any product shipped in error by Marathon Medical Corporation will require that a return authorization number be issued in advance and accompany the order. All shipping arrangements and costs will be borne by Marathon Medical Corporation for these returns.

All approved returns for product that was NOT shipped in error by Marathon Medical Corporation must be shipped prepaid by the BUYER and delivered to Marathon Medical Corporation, 3251 Lewiston Street, Suite 16, Aurora, CO 80011. All product must be in original manufacturer packaging for a return.

Used Product or custom Product is not returnable except for warranty purposes. Custom product is defined as unique configuration for one customer.

Product returns, which are not approved, do not include the return authorization number, are damaged due to improper packaging, or are not prepaid, will not be accepted by Marathon.
