Becton, Dickinson and Company's commercial warranty supplements, but does not replace Federal Acquisition Regulation (FAR) clause 52.212-4 (o) and (p).

In addition to the Government Warranty provision, Becton, Dickinson and Company offers the following supplements:

BD warrants to the original purchaser that each Product will be free from defects in material and workmanship for the period set forth in the labeling of the particular Product or, if no such period is set forth in the labeling, for a period of one year from the date of purchase. If a Product proves to be so defective, such Product may be returned to BD for repair, replacement, refund or credit, in accordance with BD's return goods and allowance policy and in collaboration with the ordering agency. Any alteration, abuse, misuse, further manufacture, packaging, processing, adjustment or repair by any person or entity other than BD or a person or entity authorized in writing by Supplier shall void this limited product warranty at such time.

Applicable for the following SINs:

A-64

BD warrants to Customer that for a period of ninety (90) days after Acceptance (except for Alaris Equipment and/or Software, which has a warranty period of one (1) year after Acceptance and Respiratory Equipment, which is subject to the warranty period set forth in the applicable User Guide), the Product will perform substantially in accordance with the specifications of its User Guide. If a Product fails to perform substantially in accordance with the specifications of its User Guide during the applicable warranty period, then Customer will notify BD in writing. Notifications can be sent to BD Customer Service via email at OEM@bd.com. In that case, in collaboration with the ordering agency, BD will promptly repair or replace that Product, or any part or portion thereof. The Warranty does not apply to any Product that does not perform substantially in accordance with the specifications of its User Guide because the Product: (i) has been modified, repaired or altered, except by BD; (ii) has not been properly installed, used, handled, operated or maintained in accordance with any handling or operating instructions provided by BD; (iii) has been subjected to physical or electrical stress, misuse, abuse, negligence, accidents, or causes beyond BD's reasonable control; or (iv) includes repair or service parts, add-ons, or disposables that are not manufactured or approved by BD.
