Warranty Policy for Government Use

GWR Medical, Inc. warrants its products for two (2) years from date of inspection and acceptance. GWR provides replacement of any equipment or device in the event of failure, breakage or questionable performance. Contact the Patient Account Manager or the Sales Representative in the event of a defective device. A replacement device is shipped same day to the client at no charge.

The above warranty with periods and language will be a supplement to the government solicitation warranty clauses below:

52.212-4 (o) (TAILORED) Warranty: The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. In the event that the terms of the contractor’s standard commercial warranty conflict with the warranty terms contained in this clause, the terms of this clause will govern this contract, unless some other resolution is specified in the award document.

52.212-4 (p) (TAILORED) Limitation of Liability: Except as otherwise provided by an express warranty, the contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor’s standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor’s liability than do the terms contained in this clause, the terms of this clause will govern the contract.

Warranty matters will be coordinated with the appropriate government agency(ies).
