General Services Administration
Federal Supply Service

Authorized Federal Supply Price List

Federal Supply Group: Professional Services
Multiple Award Schedule
Contract Number:
47QRAA18D0082

Contract Period: April 17, 2018 through April 16, 2023

Arizona State University (ASU) Research Enterprise (ASURE)
1475 N. Scottsdale Rd., Suite 161
Scottsdale, AZ 85257

Telephone Number: (480) 884-0401
Fax Number: (480) 884-0410
Website: http:asure.asu.edu
Contact: Steven Latino
Contracting Email: slatino@asuep.org
Business Size: Other Than Small Business

For more information on ordering from Federal Supply Schedules go to the GSA Schedules page at GSA.gov.

Price list current as of Modification #PA-0017 effective November 17, 2021

Prices Shown Herein are Net (discount deducted)

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through GSA Advantage!™, a menu-driven database system. The INTERNET address for GSA Advantage!™ is http://www.GSAAdvantage.gov.
Customer Information

1. **Scope of contract**: ASURE’s labor categories and associated qualifications for professional engineering services under the Multiple Award Schedule are applicable for the following Special Item Numbers (SINs) under this contract.

<table>
<thead>
<tr>
<th>SIN</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>541330ENG</td>
<td>Engineering Services</td>
</tr>
<tr>
<td>541613</td>
<td>Marketing Consulting Services</td>
</tr>
<tr>
<td>541715</td>
<td>Engineering Research and Development and Strategic Planning</td>
</tr>
<tr>

<td>Other Direct Costs for Marketing and Public Relations Services</td>
</tr>
<tr>
<td>OLM</td>
<td>Order-Level Materials (OLMs)</td>
</tr>
</tbody>
</table>

2. **Maximum order**: A maximum threshold value of $1,000,000.

3. **Minimum order**: There is a minimum threshold value of $100.00.

4. **Geographic Coverage**: Domestic

5. **Point(s) of production**: Same as company address.

6. **Discount from price lists or statement of net price**: Government net prices (discounts already deducted). Reference Net pricing included herein.

7. **Quantity discounts**: None offered.

8. **Prompt payment terms**: Net 30 days. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.

9. **Foreign items**: None

10. **Time of delivery**: Delivery schedule is specified by task order. ASURE will deliver or perform services in accordance with terms negotiated on the agency’s order.

11. **F.O.B Points(s)**: Destination

12. **A. Ordering address**:
    ASURE
    1475 N. Scottsdale Rd, Suite 161,
    Scottsdale, AZ 85257

    **B. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable)**: N/A.
13. Payment address:
ASURE
PO Box 2260
Tempe, AZ 85280

15. Export packaging: N/A.

16. Terms and conditions of rental, maintenance, and repair: N/A.

17. Terms and conditions for any other services: N/A.

18. A. Terms and conditions of repair parts indicating date of parts price lists and any discounts from the list or terms and conditions for any other services: N/A.

B. Terms and conditions for any other services: N/A.

19. List of service and distribution points: N/A.

20. List of participating dealers: N/A.

21. Preventive maintenance: N/A.

22. A. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants): N/A.

B. Special 508 compliance: N/A.

23. Unique Entity Identifier (UEI) Number: 078658589.

24. Notification regarding registration in System for Award Management (SAM): Registered.

Company Overview:

ASU Research Enterprise (ASURE) performs applied research and development that delivers focused innovation and real-world solutions designed to meet the needs of our partners and customers in government and industry.

ASURE is overseen by our Chief Executive Officer (CEO) and Principal Investigator, Dr. Elizabeth Cantwell. ASURE is a 501(c)(3) non-profit organization that performs applied research to meet our customer’s
needs. The ASURE technical staff is comprised of defense industry professionals and military veterans with experience levels across the Army, Navy, and Marines. The ASURE team has DoD acquisition, program management, and engineering experience with active Top Secret/Sensitive Compartmented Information (TS/SCI) clearances and a Top Secret Facility clearance. Researchers at ASURE work seamlessly with faculty, staff and students across disciplines in basic and applied research. ASURE is supported by strong industry partnerships and collaboration as well as state-of-the-art research tools and facilities. By combining ASURE’s defense-focused expertise and ability to support classified research with ASU’s unsurpassed intellectual resources, we serve as an innovation partner to ASU. Our real-world focus provides a mechanism for taking innovative solution approaches from initial concepts to real-world deliverable capabilities.

**Final Pricing:** The rate shown below include the Industrial Funding Fee (IFF) of 0.75%.

**Labor Categories**

ASURE / GSA Contract: 47QRAA18D0082

---

**Engineer I**

Minimum Education: Bachelor  
Minimum Years of Experience: 3

Provides technical delivery order expertise and technical guidance in solving complex hardware/software engineering problems. Provides technical support of all phases of hardware/software design analysis, development, integration and implementation. Capable of determining appropriate use of technologies in solving engineering problems. Requires supervision through each engineering phase.

---

**Engineer II**

Minimum Education: Bachelor  
Minimum Years of Experience: 5

Provides technical delivery order expertise and technical guidance in solving complex hardware/software engineering problems. Provides technical support of all phases of hardware/software design analysis, development, integration and implementation. Capable of determining appropriate use of technologies in solving engineering problems. Requires periodic supervision during each engineering phase.

---

**Engineer III**

Minimum Education: Bachelor  
Minimum Years of Experience: 10

Provides highly technical delivery order expertise and technical guidance in solving complex hardware/software engineering problems. Provides technical support of all phases of hardware/software design analysis, development, integration and implementation. Capable of determining appropriate use of technologies in solving engineering problems. Requires supervision on review of final product deliverables.
Engineer IV
Minimum Education: Master  Minimum Years of Experience: 15

Provides highly technical delivery order expertise and technical guidance in solving complex hardware/software engineering problems. Provides technical support of all phases of hardware/software design analysis, development, integration and implementation. Capable of determining appropriate use of technologies in solving engineering problems. This is a supervisory engineering role.

Training Specialist
Minimum Education: Bachelors  Minimum Years of Experience: 5

Conducts the research necessary to develop and revise training courses. Develops and revises these courses and prepares appropriate training catalogs. Prepares instructor materials (course outline, background material, and training aids). Prepares student materials (course manuals, workbooks, handouts, completion certificates, and course critique forms). Trains personnel by conducting formal classroom courses, workshops and seminars.

Logistician II
Minimum Education: Bachelor  Minimum Years of Experience: 5

Provides logistical systems support and program analysis in the evaluation of systems, programs, operations, functions, and organizations in the areas of procurement, logistics, maintenance, distribution, transportation, purchasing, inventory, or supply management. Develops and implements logistics program activities including ILS, technical documentation, RAM, provisioning, etc...

Logistician III
Minimum Education: Bachelor  Minimum Years of Experience: 10

Serves as a technical expert in areas relevant to the project for logistical systems support and program analysis in the evaluation of systems, programs, operations, functions, and organizations in the areas of procurement, logistics, maintenance, distribution, transportation, purchasing, inventory, or supply management. Develops and implements logistics program activities including ILS, technical documentation, RAM, provisioning, etc. Capable of leading a logistics team providing guidance and leadership.

Operations Specialist
Minimum Education: Bachelor  Minimum Years of Experience: 10

Serves as a technical expert in areas relevant to the project for planning, directing, and monitoring information systems operations. Must be capable of demonstrating experience in conducting analysis and developing solutions and in the application of information technology.

**Scientist**
*Minimum Education: Ph.D*  
*Minimum Years of Experience: 1*

Develop solutions in highly complex technical studies and analysis efforts.

**Sr. Scientist**
*Minimum Education: Ph.D*  
*Minimum Years of Experience: 15*

Lead highly complex technical studies and analysis efforts.

**Configuration Management Specialist**
*Minimum Education: Bachelor*  
*Minimum Years of Experience: 3*

Manages the coordination and administration of configuration management activities. Monitors the review of released engineering change data and change documentation activities to ensure adherence to configuration management procedures.

**Quality Assurance Specialist**
*Minimum Education: Bachelor*  
*Minimum Years of Experience: 3*

Provides technical and administrative direction for personnel performing software development tasks, including the review of work products for correctness, adherence to the design concept and to user standards, review of program documentation to assure Government standards/requirements are adhered to, and for progress in accordance with schedules. Coordinates with the Project Manager and/or QA Manager to ensure problem solution and user satisfaction. Makes recommendations, if needed, for approval of major systems installations. Prepares milestone status reports and deliveries/presentations on the system concept to colleagues, subordinates and end user representatives.

**Research Specialist**
*Minimum Education: High School*  
*Minimum Years of Experience: 0*

Demonstrated experience in gathering, analyzing, and composing technical information. Ability to conduct research and ensure the use of proper technical terminology. Translates technical information into clear, readable documents to be used by technical and non-technical personnel.

“Service Contract Act: The Service Contract Act (SCA) is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protection for SCA eligible labor categories. If and / or when the contractor adds SCA labor categories / employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor categories titles, the occupational code, SCA labor category titles and the application WD number. Failure to do so may result in cancellation of the contract.”
