</table>

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. See Page 4.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. See Page 6

2. Maximum Order: $1,000,000.00

3. Minimum Order: $100.00

4. Geographic Coverage (delivery Area): Domestic Only

5. Point(s) of production (city, county, and state or foreign country): Same as company address

6. Discount from list prices or statement of net price: Government net prices (discounts already deducted).

7. Quantity discounts: None

8. Prompt payment terms: Net 30 days, Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions

9. Foreign items (list items by country of origin): None

10a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

10b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor
10c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor

10d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: Contact Contractor

11. F.O.B Points(s): Destination

12a. Ordering Address(es): Same as Contractor

12b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s), are found in Federal Acquisition Regulation (FAR) 8.405-3.

13. Payment address(es): Same as company address

14. Warranty provision: Contractor’s standard commercial warranty.

15. Export Packing Charges (if applicable): N/A

16. Terms and conditions of rental, maintenance, and repair (if applicable): N/A

17. Terms and conditions of installation (if applicable): N/A

18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable): N/A

18b. Terms and conditions for any other services (if applicable): N/A

19. List of service and distribution points (if applicable): N/A

20. List of participating dealers (if applicable): N/A

21. Preventive maintenance (if applicable): N/A

22a. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants: N/A

22b. SECTION 508 COMPLIANCE FOR ELECTRONIC AND INFORMATION TECHNOLOGY (EIT): Compliant. The EIT standards can be found at: www.Section508.gov/.

23. Data Universal Numbering System (DUNS) number: 808444330

24. Notification regarding registration in System for Award Management (SAM) database: Registered

Service Contract Labor Standards: The Service Contract Labor Standards (SCLS) are applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and/or when the contractor adds SCLS labor categories/employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
Labor Category Descriptions

**Acquisition Lead**

**Functional Responsibility:** The Acquisition Lead is responsible for providing support for all facets of acquisition life-cycle (from cradle to grave) to include administrative support policy; market survey and source selection (i.e., acquisition planning and pre and post award activities); contract close out; and professional analytical support.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 10 years

**Acquisition Program Analyst**

**Functional Responsibility:** The Acquisition Program Analyst is responsible for reviewing Government and contractor documentation; tracking contract data requirements list deliveries; and preparing program documentation to include identifying, developing, organizing, and staffing documents necessary to meet program goals and milestone criteria.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 4 years

**Contract Management Specialist**

**Functional Responsibility:** The Contracts Management Specialist responsible for applying appropriate control management analysis processes for programs, including modeling and simulation tools, and technical techniques to provide the services required. This position employs process improvement and reengineering methodologies and principles to conducting process modernization projects for organizations. Provides group facilitation, interviewing, training, and additional forms of knowledge transfer. Coordinates a project team to ensure enterprise-wide integration of management efforts.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 3 years

**Sr. Acquisition Program Analyst**

**Functional Responsibility:** The Sr. Acquisition Program Analyst is responsible for working with Government and contractor documentation; participating in working groups, programs, and technical reviews; and tracking contract requirements and deliveries.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 8 years
**Budget and Finance Analyst**

**Functional Responsibility:** The Budget and Finance Analyst is responsible for providing financial functions for system development including should-cost and projected cost analysis and trade studies related to cost trade-off options; providing business management and analytic support to include risk assessments for scheduled events, impact of changes, preventative, and corrective actions and analysis of phasing/obligation rates.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 4 years

**Change and Risk Management Lead**

**Functional Responsibility:** The Change and Risk Management Lead is responsible for acting as a resource in use of change management procedures, with a focus on maintaining reference materials and ensuring new employees are trained in their proper roles. Facilitates change requests, approvals, and the scheduled releases into the production systems along with risk assessments. Represents the configuration, efficiency, and effectiveness of the change management process tool. Provides daily support for the change management policy, process, procedures, and tools, including training to users when necessary.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 8 years

**Configuration Management Analyst**

**Functional Responsibility:** The Configuration Management Analyst is responsible for using Configuration Management Databases (CMDBs) to track, log categorize, and maintain changes against the accepted baseline standards. Additionally, responsibilities include developing, distributing, and tracking change packages and providing direction regarding change status, deadlines, and problems.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 7 years

**Customer Relations Manager**

**Functional Responsibility:** The Customer Relations Manager is responsible for liaising between customers and the support team to manage customer service portfolios; respond to customer inquiries; facilitate face-to-face meetings with customers; and resolve business issues.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 7 years
**Functional Specialist – Consultant 1**

**Functional Responsibility:** The Functional Specialist – Consultant 1 is responsible for providing task-unique functional expertise necessary to interpret requirements, ensure responsiveness, and achieve successful performance. This position advises IT consultants with the analysis, evaluation, and implementation of systems and other IT tasks. This is a non-management position.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 5 years

---

**Lead Scheduler**

**Functional Responsibility:** The Lead Scheduler is responsible for developing and updating project schedules for programs and maintaining multi-disciplined engineering and project execution schedules for complex projects. This position must be able to work independently; lead schedule meetings; and facilitate discussions to obtain the information to organize activities, validate schedule calculations, and perform weekly/monthly status updates and reports. Additionally, the Lead Scheduler interfaces directly with project team members and vendor organizations, monitors work activities, and identifies potential schedule conflicts.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 7 years

---

**Logistics Analyst**

**Functional Responsibility:** The Logistics Analyst is responsible for preparing integrated logistic plans, policy, and procedures for logistic support; ensuring that proper logistic considerations are included in system development at each milestone; and determining maintainability, reliability, and supportability requirements.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 4 years

---

**Portfolio Manager**

**Functional Responsibility:** The Portfolio Manager is responsible for liaising between client’s customers and the client support team to manage client portfolio; responding to customer inquiries; facilitating face-to-face meetings with customers; and resolving business issues.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 10 years

---

**Program Analyst**

**Functional Responsibility:** The Program Analyst is responsible for performing day-to-day management of assigned Task Order (TO) projects involving engineers, scientists, and management professionals; analyzing, designing, integrating, training, testing, documenting, implementing, and maintaining large complex systems; and organizing, directing, and coordinating planning and production of all activities associated with assigned TO projects.
**Minimum Education:** Bachelor’s

**Minimum Experience:** 2 years

**Program Manager**

**Functional Responsibility:** The Program Manager is responsible for performing day-to-day management of overall contract support operations, possibly involving multiple projects and groups of personnel at multiple locations, including organizing, directing, and coordinating planning and production of all contract support activities.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 8 years

**Program Support Specialist**

**Functional Responsibility:** The Program Support Specialist is responsible for identifying areas for improvement regarding processes, procedures, resource utilization, and collaboration for programs.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 2 years

**Project Control Lead**

**Functional Responsibility:** The Project Control Lead is responsible for reviewing contracts and identifying project control requirements; determines staff assignments, project control systems, and administrative and financial reporting requirements; tracks and validates all client financial information; establishes and maintains master contract files; prepares reports on and monitors status of all deliverables; ensures Quality Assurance (QA) in all products delivered; tracks the financial status of contracts; and reports payment of government fees. Additionally, this position frequently prepares and updates task status reports and prepares revenue projections reports. This position must employ automated tools and systems to perform project control functions.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 6 years

**Senior Program Manager I**

**Functional Responsibility:** The Senior Program Manager I is responsible for performing day-to-day management of overall contract support operations, possibly involving multiple projects and groups of personnel at multiple locations, including organizing, directing, and coordinating planning and production of all support contract support activities.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 8 years
Sr. Program Analyst

**Functional Responsibility:** The Sr. Program Analyst is responsible for providing management and technical direction to Program Managers or other program or project personnel. This position is responsible for project planning, directing, coordinating, and controlling technical and administrative activities for programs, as well as supervising Program Managers in accomplishing their assigned tasks.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 6 years

Subject Matter Expert - Level 1

**Functional Responsibility:** The Subject Matter Expert (SME) – Level 1 is responsible for developing requirements from a project’s inception to its conclusion in the subject matter area for simple to moderately complex systems. This position assists other Senior Consultants with analysis and evaluation and with the preparation of recommendations for system improvements, optimization, development, and/or maintenance efforts.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 8 years

Subject Matter Expert - Level 2

**Functional Responsibility:** The SME – Level 2 is responsible for defining the problems and analyzes and develops plans and requirements in the subject matter area for moderately complex to complex systems. This position coordinates and manages the preparation of analysis, evaluations, and recommendations for proper implementation of programs and systems specifications.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 12 years

**Experience & Degree Substitution Equivalencies - Non-Engineer Labor Categories**

Experience exceeding the minimum shown may be substituted for education. Likewise, education exceeding the minimum shown may be substituted for experience.
