GSA PRICING ........................................................................................................................................ 9
Customer Information

1a. Table of awarded special item numbers with appropriate cross-reference to item descriptions and awarded prices.
   Special Item Number 541620/RC: Environmental Consulting Services
   Special Item Number 562910REM/RC: Environmental Remediation Services
   Special Item Number OLM/RC/STOLC: Order-Level Materials (OLMs)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.
   See Approved GSA Pricing

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided.
   See Page 6.

2. Maximum order.
   541620 & 562910REM: $1,000,000
   OLM: $250,000

3. Minimum order.
   $100

4. Geographic coverage.
   The Geographic Scope of Contract will be domestic only.

5. Point of production.
   Same as company address

6. Discount from list prices or statement of net price.
   Prices shown are NET Prices; Basic Discounts have been deducted.

7. Quantity discounts.
   None

8. Prompt payment terms.
   Net 30 days from receipt of invoice or date of acceptance. Information for Ordering Offices:
   Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions

   All items are Trade Agreements Act complaint.
10a. Time of delivery.
