CONFERENCE MANAGEMENT CONSULTATION SERVICES

Director of Operations

This senior-level executive position requires a minimum of 20+ years of experience (including at least 12 years in the Federal Government arena) providing operations management across multiple departments. The Director of Operations has responsibility for supervising and overseeing all senior management personnel and the overall operations of the corporate and conference planning functions to ensure quality delivery of all corporate services. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Senior Project Director

This senior-level executive position requires a minimum of 20+ years of experience (including at least 10 years in the Federal Government arena) working in the conference planning and management field. The Senior Project Director has responsibility for supervising and consulting with internal conference management/planning teams and staff, as well as providing expert conference planning advice to clients. The Senior Project Director is accountable for ensuring the successful implementation for all clients' events according to Federal Government rules and regulations. The role of the Senior Project Director also includes overseeing the continuous evolution of conference planning technology tools, conference/business writing, marketing, business development, and accountability for overall corporate operations. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Conference Director/Senior Manager

This senior management position requires a minimum of 15+ years of experience in the field of conference/and exhibit show planning and multi-project/team management (including 5+ years specifically in the Federal Government arena). The Conference Director has responsibility for supervising and consulting with senior conference planning team members and advising clients regarding overall management of a project. The Conference Director oversees and manages large conferences of 1000+ participants and is responsible for ensuring services and staffing for all events. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Project Director, Planning and Consultation Services (Conference Planning and Exhibits)

This position requires a minimum of 10+ years of experience in the field of conference planning and multi-project management, including managing multiple work plans and project teams. This position has executive responsibility for all Conference activities. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

CONFERENCE PLANNING SERVICES

Senior Conference Manager

This position requires a minimum of 8+ years of relevant conference management experience and entails responsibility for participating in client meetings as a note-taker, writing, and editing minutes; on-site management as needed; and at times managing and supervising the Conference Managers and Conference Planners/Assistants (professional) staff on large conferences. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Associate Project Director/Senior Account Manager

This position requires a minimum of 7+ years of conference management experience and involves direct, administrative supervision of personnel and management of multiple accounts. This position entails complete accountability for success of projects, including budget/work plan management, quality of work, ensuring contract deliverables, knowledge of contract requirements and regulations, and maintaining excellent communication with clients. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Conference Manager

This position requires a minimum of 6+ years of relevant conference management experience and entails responsibility for managing and supervising the Conference Planner (professional) staff. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Conference Planner Level III

This position requires a minimum of 5+ years of experience as a Conference Planner, and includes the ability to manage logistics for multiple, complex, and large meetings of 500+ participants, including implementation and daily management of workplans and budgets. Education: Bachelor's degree. A CMP, CDMP, or CGMP certification may be substituted for a bachelor's degree.

Conference Planner Level II

This position requires a minimum of 2+ years of experience as Conference Planner Level I and requires managing meetings of 100+ participants, and/or assisting as co-lead on larger conferences. Education: Associate degree. A CMP, CDMP, or CGMP certification, or two years administrative experience may be substituted for an associate degree.

Conference Planner Level I

This position is for Conference Assistants/Registration Clerks interning as a first level conference planner and requires a minimum of one year of experience in a conference support position. May assist as co-coordinator on complex or large conferences and provide planning for meetings of less than 100 participants, in addition to providing assistance on all levels to other conference planners as needed. Education: Associate degree. A CMP, CDMP, or CGMP certification, or two years administrative experience may be substituted for an associate degree.

Service Contract Labor Standards (SCLS)

SCLS Eligible Labor Category	SCLS Equivalent Code Title	Wage Determination No
Data Entry Clerk III	01051 - Data Entry Operator I	15-4281, Rev 9, 1/10/2018
Data Entry Clerk II	01052 - Data Entry Operator II	15-4281, Rev 9, 1/10/2018
Data Entry Clerk I	01052 - Data Entry Operator II	15-4281, Rev 9, 1/10/2018

*The Service Contract Labor Standards, formerly the Service Contract Act (SCA), apply to this contract and it includes SCLS applicable labor categories. Labor categories and fixed price services marked with a (**) in this pricelist are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCLS/SCA matrix. The prices awarded are in line with the geographic scope of the contract (i.e., nationwide).*

Description of Services

Infinity Conference Group, Inc. (ICG), a woman-owned small business incorporated in 1991, provides professional and superior quality conference planning and event management services for clients who seek to improve the world in which we live. Located in the Washington, DC area, Infinity Conference Group has planned hundreds of events nationwide, ranging in size from 20-2000 participants each.
