Trillion Technology Solutions Inc. Labor Category Descriptions

Labor Category: Training Specialist I

Develops, directs, plans, delivers and evaluates training programs or activities to meet external customer or internal employee learning objectives. Provides direct instruction and training to customers on services, procedures, processes, techniques, tactics, products or skill development. Assignments may include needs analysis, custom course development, development of criteria for evaluating the effectiveness of course objectives, and evaluation and learning assessments. Collaborates with customer or internal functional organization to develop, enhance, and/or evaluate new or existing learning objectives and course content. May create course curriculum, training materials, visual aids and documentation to support a variety of instructional formats such as lecture, lab exercises, field training, computer-based training (CBT), and/or web-based training (WBT). May develop exam materials and may
be responsible for testing and qualitative evaluation of participant’s attainment of learning objectives. Monitors and evaluates training programs, assesses results, and implements enhancements as needed. Trainers may also administer training programs to meet student needs, which may require post-training follow up to determine applicability of course material or training approaches. Has the knowledge and experience to be able to handle unusual and seldom occurring job events. Requires Bachelor’s degree and minimum two years professional experience.

Has significant interface with Project Managers, Senior Technical Personnel, as well as other organizations. Work is accomplished without considerable direction. Exerts significant latitude in determining objectives of assignments. May determine methods and procedures on new assignments and may supervise or provide guidance to other personnel. Increase in complexity and scope of responsibility at higher levels. Requires Bachelor’s degree and minimum eight years professional experience.

Service Contract Act: The Service Contract Act (SCA) is applicable to this contract as it applies to the entire Professional Services Schedule (PSS) Schedule and all services provided. While no specific labor categories have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCA eligible labor categories. If and / or when the contractor adds SCA labor categories / employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
