## [Company Profile](#)

iLanguage Interpretation Services (iLanguage) is an industry leader in providing critical services for the U.S. Government (USG) initiatives around the globe. Headquartered outside of Washington, D.C., iLanguage provides *proven-effective solutions for the delivery of quality services* to the highest levels of U.S. and foreign governments. iLanguage specialize in providing language and associated support services, a full-scope of event management services, and related consulting services to a wide range of U.S. government and commercial enterprises. Our language personnel are highly experienced in their respective areas of expertise and consistently go the extra mile to deliver quality services regardless of the challenge. iLanguage maintains a deep pool of highly skilled language professionals and has demonstrated its capacity to deliver on-point, high-quality language and event management services rapidly and consistently for all of its clients.

iLanguage has earned a reputation as a company that successfully delivers language and event management solutions to a multitude of clients both Federal and Commercial in CONUS and OCONUS environments. With a backlog of experience in providing interpretation, translation, language training and event management services, iLanguage has many seasoned/freelance professionals, managers and consultants who have proven themselves to be reliable, efficient and effective in the most difficult and challenging environments providing such services. With experienced management team and personnel, comprised of approx. two hundred (200) screened and vetted interpreters, translators and event planners with years of performance experience, we will continue to provide superior service to the USG.

iLanguage is small but proud to be considered the *best-quality solution* for meeting and exceeding clients' needs. Through our commitment to excellence, clients retain a service provider who fully understands the mission and provides solutions beyond what is "standard."

*Minimum order is 1,000 target words per language per project.*

## [SIN 382-2 - Interpretation Services](#)

To ensure highest level of services are delivered to our clients, iLanguage certified consecutive and simultaneous interpreters are carefully selected for their advanced language skills to be the voice and ears of our clients. All of our interpreters are certified by the Dept. of State, Federal Court, and/or have a master's degree in linguistics from an accredited university.

**Simultaneous Interpretation** is provided in formal environments in a booth setting, with interpretation and sound equipment, where information is interpreted to/from Source language and Target language simultaneously.

**Consecutive Interpretation** is provided in both formal and information environments. Interpreter speaks (translates) to/from Source language to Target language only when speaker has finished.

### [Language Groups](#)

**Group 1:** Arabic, Dari, Farsi, Pashto, Spanish and Urdu.

**Group 2:** Chinese (Cantonese & Mandarin), French, Portuguese, Russian, Turkish and Ukrainian.
