Appendix C – Terms and Conditions

No cost contracting procedures are hereby incorporated into this contract. Federal Business Council, Inc. may choose to provide all services as required by a task order at no cost to the Government. Federal Business Council, Inc. is entitled to all of the registration, exhibition, sponsorship, and/or other fees collected as payment for performance under a task order if the performance of the task order defined in the task order and the Government's liability for payment of services under this task is zero. For the Industrial Funding Fee (IFF) calculation and Sales Reporting as required by Clause 552.238-80 Industrial Funding Fee and Sales Reporting (May 2019), the value of the task order is determined by the amount of the registration, exhibition, sponsorship, and/or other fees collected under the task order. Federal Business Council, Inc. is required to provide an accounting of expenses and revenue, if requested, by the government agency issuing the task order.

Under a no cost contracting arrangement, the contractor's profit, if any, shall be derived from the revenue stream created through fees collected, if any. Additionally, should there be any commissions received by the contractor for conference events or trade show planning, etc., the contractor shall be entitled to retain any said commissions.

IMPORTANT CONSIDERATIONS:

1. NO COST CONTRACTING is **NOT** a stand-alone service. No Cost Contracting may only be offered on awarded MAS contracts with priced Labor and Other Direct Costs (ODCs).
2. Ordering Agency should request the contractor's cancellation policy as part of the bid/proposal and use it as an evaluation criterion.
3. Recommend setting minimum attendance and maximum attendance numbers.
4. Describe minimum needs of the conference rooms (i.e. meals, capacity, audio/visual, etc.).
5. Past performance is a required evaluation criterion.
6. Agencies may play a role in determining fees charged by contractors acting under authority of a No Cost Contract. Agencies should not "lose sight of [their] objectives for a particular event", and should ensure that in minimizing costs, they do not act to "compromise the effectiveness of [a] conference, or "undermine the achievement of agency goals."
7. The agency should request a breakdown of the pricing in accordance with the statement of work.
8. No Cost Contracting can be combined with priced tasks
