Service Contract Labor Standards: The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Professional Services Schedule (PSS) Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and/or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

GSA Labor Category Description

Commercial Job Title: Behavioral Specialist SME 3

**Minimum/General Experience:** 14 years of experience in positions of increasing responsibility; when appropriate, 2 years of experience may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client's needs.

**Functional Responsibility:** The Behavioral Specialist SME 3 provides behavioral science subject matter expertise. As an expert practitioner, they provide consultation, develop and deliver trainings, briefings and workshops, conduct empirical research and surveys, and engage in internal and external working groups and taskforces. They conduct psychological evaluations to assess the psychological suitability of applicants/employees to possess security clearances and encumber special assignments; support counterintelligence and insider threat initiatives; perform risk/threat assessments; confer regarding employees demonstrating concerning behaviors; and, provide professional development and performance enhancement programming and talent management guidance. They synthesize psychological theory, empirical findings, and practical techniques to ensure all deliverables meet professional standards. Due to their extensive knowledge and experience, the SME 3 is best used as a consultant or practitioner, rather than as a manager or supervisor.

**Minimum Education:** Doctoral degree in Psychology and be licensed in any of the 50 States or territories.

Commercial Job Title: Behavioral Specialist SME 2

**Minimum/General Experience:** 10 years of experience in positions of increasing responsibility; when appropriate, 2 years of experience may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client's needs.

**Functional Responsibility:** The Behavioral Specialist SME 2 provides behavioral science subject matter expertise. As an expert practitioner, they provide consultation, develop and deliver trainings, briefings and workshops, conduct empirical research and surveys, and engage in internal and external working groups and taskforces. They conduct psychological evaluations to assess the psychological suitability of applicants/employees to possess security clearances and encumber special assignments; support counterintelligence and insider threat initiatives; perform risk/threat assessments; confer regarding employees demonstrating concerning behaviors; and, provide professional development and performance enhancement programming and talent management guidance. They synthesize psychological theory, empirical findings, and practical techniques to ensure all deliverables meet professional standards. Due to their extensive knowledge and experience, the SME 2 is best used as a consultant or practitioner, rather than as a manager or supervisor.

**Minimum Education:** Doctoral degree in Psychology and be licensed in any of the 50 States or territories.
Commercial Job Title: Behavioral Specialist SME 1

**Minimum/General Experience:** 7 years of experience in positions of increasing responsibility; when appropriate, 2 years of experience may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client’s needs.  
**Functional Responsibility:** The Behavioral Specialist SME 1 provides behavioral science subject matter expertise. As an expert practitioner, they provide consultation, develop and deliver trainings, briefings and workshops, conduct empirical research and surveys, and engage in internal and external working groups and taskforces. They conduct psychological evaluations to assess the psychological suitability of applicants/employees to possess security clearances and encumber special assignments; support counterintelligence and insider threat initiatives; perform risk/threat assessments; confer regarding employees demonstrating concerning behaviors; and, provide professional development and performance enhancement programming and talent management guidance. They synthesize psychological theory, empirical findings, and practical techniques to ensure all deliverables meet professional standards. Due to their extensive knowledge and experience, the SME 1 is best used as a consultant or practitioner, rather than as a manager or supervisor.  
**Minimum Education:** Doctoral degree in Psychology and be licensed in any of the 50 States or territories.

Commercial Job Title: Insider Threat SME

**Minimum/General Experience:** 12 years of experience in positions of increasing responsibility; when appropriate, 2 years of experience may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client’s needs.  
**Functional Responsibility:** The Insider Threat SME is a senior expert in their field. As an expert practitioner, provides guidance on strategy and best practices in the areas of support for insider threat programs. Guides client leadership in the design, implementation and execution of solutions to achieve organizational objectives in the areas of insider threat, personnel security, physical security, information security, force protection, and mission assurance. Can conduct program development, policy and procedures development, SOP and CONOP development, and training and education support. Due to their extensive knowledge and experience, the Insider Threat SME is best used as a consultant or practitioner, rather than as a manager or supervisor.  
**Minimum Education:** Doctoral degree in Psychology and be licensed in any of the 50 States or territories.

Commercial Job Title: Intelligence Training Specialist 5

**Minimum/General Experience:** 18 years of operational experience in the Intelligence Community in positions of increasing responsibility; when appropriate, 2 years may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client’s needs.  
**Functional Responsibility:** The Intelligence Training Specialist 5 is a senior expert in the field of training development and delivery. Through extensive study and years of practice in a variety of circumstances, the Training Specialist 5 has attained mastery of both the theory and practice of their field. As an expert practitioner, develops education and training materials using state-of-the-art methodologies and design tools. Presents courseware using established guidelines with current instructional course design models. May serve as course director or leader of training development staff.
**Minimum Education:** Bachelor’s degree preferred; when appropriate, the bachelor’s degree requirement may be waived for practitioners who possess certifications or experiences especially relevant to the client’s needs.

**Commercial Job Title:** Intelligence Training Specialist 4

**Minimum/General Experience:** 12 years of operational experience in the Intelligence Community in positions of increasing responsibility; when appropriate, two years may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client’s needs.

**Functional Responsibility:** The Intelligence Training Specialist 4 is a seasoned expert in the field of training development and delivery. As an expert practitioner, develops and presents courseware using state-of-the-art methodologies and design tools. May serve as a lead instructor, course developer and designer or manager.

**Minimum Education:** Bachelor’s degree; when appropriate, the bachelor's degree requirement may be waived for practitioners who possess certifications or experiences especially relevant to the client’s needs.

**Commercial Job Title:** Intelligence Training Specialist 3

**Minimum/General Experience:** 10 years of operational experience in the Intelligence Community in positions of increasing responsibility; when appropriate, two years may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client’s needs.

**Functional Responsibility:** The Intelligence Training Specialist 3 is an expert in the field of training development and delivery. As an expert practitioner, delivers training and exercise support. May serve as an instructor, exercise course administrator, assistant instructor.

**Minimum Education:** Bachelor’s degree preferred; when appropriate, the bachelor’s degree requirement may be waived for practitioners who possess certifications or experiences especially relevant to the client’s needs.

**Commercial Job Title:** Intelligence Training Specialist 2

**Minimum/General Experience:** 5 years of operational experience in the Intelligence Community; when appropriate, two years may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client’s needs.

**Functional Responsibility:** The Intelligence Training Specialist 2 is proficient in the field of training development and delivery. As a practitioner, delivers training and exercise support. May serve as a project coordinator, assistant instructor, personnel coordinator, logistical coordinator, team lead, highly specialized role player.

**Minimum Education:** Bachelor’s degree preferred; when appropriate, the bachelor’s degree requirement may be waived for practitioners who possess certifications or experiences especially relevant to the client’s needs.
Commercial Job Title: **Intelligence Training Specialist 1**

**Minimum/General Experience:** 4 years of operational experience in the Intelligence Community; when appropriate, two years may be waived for those practitioners possessing unique qualifications or experiences which are especially relevant to the client's needs.

**Functional Responsibility:** The Intelligence Training Specialist 1 is proficient in the field of training development and delivery. As a practitioner, delivers training and exercise support. May serve as a role player, functional team member.

**Minimum Education:** Associate’s degree preferred; when appropriate, the associate’s degree requirement may be waived for practitioners who possess certifications or experiences especially relevant to the client's needs.

Commercial Job Title: **Intelligence Analyst 1**

**Minimum/General Experience:** Seven years of experience in positions of increasing responsibility; when appropriate, 2 years may be waived for those candidates possessing unique skills, qualifications or experiences which are especially relevant to the client's needs.

**Functional Responsibility:** The Intelligence Analyst 1 assists in preparing, facilitating, and editing project deliverables, finished intelligence products, briefings, and analysis to support the client’s products. Provides analytical support to investigations, operations, vulnerability assessments, risk, security, and intelligence collection activities. Communicates in a detailed, effective and timely manner.

**Minimum Education:** Bachelor's degree; when appropriate, the bachelor's degree requirement may be waived for candidates with training, certifications or experiences especially relevant to the client's needs.

Commercial Job Title: **Functional Specialist 1**

**Minimum/General Experience:** 12 years of experience; when appropriate, 2 years of experience may be waived for those candidates possessing skills, training or qualifications which are especially relevant to the client's needs.

**Functional Responsibility:** The Functional Specialist 1 is an expert within their designated field or discipline area. Through study and experience, the Functional Specialist 1 has attained a level of expertise that allows them to contribute to small teams and projects. Maintains industry-standard licenses and certifications appropriate to their technical area. Proficient in the use of the tools, techniques and procedures within their technical area. Applies industry best-practices within their technical area to the execution of tailored solutions in support of client needs. Integrates with other capabilities within the organization.

**Minimum Education:** Bachelor’s degree preferred; training and certifications within the functional area are acceptable in lieu of a bachelor's degree.

Commercial Job Title: **Intelligence Specialist II**

**Minimum/General Experience:** 25 years of experience; when appropriate, 2 years of experience may be waived for those candidates possessing skills, training or qualifications which are especially relevant to the client’s needs.

**Functional Responsibility:** The Intelligence Specialist II is a senior expert with an extensive background in the field of Intelligence and experienced in one or more designated functional and/or domain areas. Provides insight and advice...
concerning strategic direction and applicability of up to date, industry standard solutions. Is responsible for providing high level vision to program/project manager or senior client leadership to influence objectives of complex efforts. Due to their extensive knowledge and experience, the Intelligence Specialist II is best used as a consultant or practitioner, rather than as a manager or supervisor. The Intelligence Specialist II is typically a former high-ranking military or civilian official and recognized by industry as an expert in their specific field.

**Minimum Education:** Bachelor's degree preferred; training and certifications within the area of expertise are acceptable in lieu of a bachelor's degree.
