**Service Description**

We are a third-party debt collection agency specializing in the recovery of moderate to high-risk contractual obligations which are either severely past due or charged-off. Our philosophy of results is through professionalism combining industry specific knowledge, negotiation, credit counseling and advanced skip tracing tools to deliver outstanding results. We contact debtors via phone or email to review accounts and schedule payments, keep records and details for all delinquent accounts and follow-up activity, reconcile customer account statements, process credit and debit memos, and maintain the A/R records by account distributing invoices, debits and credits.

**Minimum Education:** High school diploma or equivalent required.  
**Minimum Years of Experience:** 1 year

**Service Contract Labor Standards:** The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and/or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
