## Firm Description

Cherry Bekaert ranks as one of the Top 25 CPA firms in the nation. The Firm comprises a broad network of over 1,200 employees offering a wide range of quality services to thousands of clients. In addition to providing audit and tax services for 74 years, Cherry Bekaert offers a wide range of specialized advisory consulting services designed to reduce expenses, mitigate risk, and meet your organization's goals. Our advisory practice provides risk, accounting, management consulting, IT, analytics, information assurance/cyber security services and cloud services.

We have a rich heritage providing audit services to our public sector clients for over 70 years. Over the last 10 years, our advisory and consulting practice has performed engagements to both commercial and public sector clients focusing on risk assessments, internal controls, internal audit, grants management, financial management, business process improvement, accounting advisory, IT, analytics, information assurance and cybersecurity that help our clients better manage risk, protect value, and build sustainable and resilient operations. Additionally, over the past 7 years, we have provided cloud computing services to hundreds of clients. This experience and practical knowledge are complemented by professional accreditations such as: Certified Public Accountant (CPA), Certified Internal Auditor (CIA), and Certified Information Systems Auditor (CISA) to name a few.

**Service Contract Labor Standards:** The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
