|-------|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 561612| Guard I          | The Unarmed Guard requires the successful completion of a background investigation, including criminal and employment checks and a drug screening. Duties require protecting personnel and property from injury, theft, loss or damage. Must have good interpersonal skills and present a neat and professional appearance. The Unarmed Guard position requires high school diploma or GED; must complete and maintain all local and state certification requirements for an Unarmed Guard position. May require demonstrating ongoing physical fitness. The Unarmed Guard is responsible for maintaining the safety and security of the facility and personnel; duties include, but are not limited to, preventing unauthorized entry and/or any attempted unauthorized entry; conducting random inspections to ensure unauthorized material is not taken in nor taken out of the facility; providing immediate response to medical, fire and security emergencies and situations; conducting roving patrols, monitoring surveillance equipment and conducting magnetometer screening. Additional duties may include working in the Visitor Control Center and/or Security Operations Center. A security clearance may be required. | High School/GED   | 0 |
| 561612| Guard II         | The Armed Guard requires successful completion of a background investigation, including criminal and employment checks as well as a drug screening. Must have good interpersonal skills and present a neat and professional appearance.                                                                                                                                                                                                                                                               | High School/GED   | 1 |
| 541611 | **Project Manager** | The Project Manager requires a minimum of five (5) years of experience in project management from transition, execution and close-out; expertise in management and control of funds and resources using complex reporting mechanisms; and demonstrated capability in managing multi-task contracts and subcontracts of various types and complexity. Able to interpret written policies, set priorities, and analyze complex issues.  

The Project Manager shall have a bachelor’s degree in any field of study or have substantial and verifiable law enforcement, military or business management experience, which demonstrates individual’s capacity to effectively manage a security force and contract/task order equivalent to scope, magnitude, and complexity as may be required.  

The Project Manager serves as the Company’s point of contact with the government Contracting Officer and/or the Contracting Officer’s Representative with the authority to make decisions on all matter relating to contract performance. The Project Manager is responsible for all security operations including Security Guard, Access Control, Badge and Pass Operations and Security Operations Center. Consistent with all contract requirements, the Project Manager is responsible for developing and assigning work schedules; managing personnel matters; maintaining budget discipline; preparing, reviewing and submitting required deliverables. The Project Manager shall be responsible for implementing the Company Quality Control Program to ensure compliance with of all project performance objectives and customer expectations.  

A security clearance may be required. | Bachelors | 5 |
The Service Contract Labor Standards (SCLS) is applicable to this contract and it includes SCLS applicable labor categories. The prices for the indicated (**) SCLS labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCLS matrix. The prices awarded are in line with the geographic scope of the contract (i.e. nationwide).
