Orders can be canceled if done so prior to shipment. If your order has already shipped (missed cancellation window), you may still return your order to Supply Chimp by following the directions under the Returns & Replacements section below. We strongly recommend customers refrain from refusing delivery of unwanted orders, as they will be charged for both the outbound and return shipping charges associated with that order. These charges will be deducted from any order refund amount. We can not guarantee the final disposition of any orders where the customer or recipient has refused delivery.
Returns & Replacements
In the event that an item needs to be returned e.g. a damaged or incorrect item, contact us immediately to begin the return process. All products are shipped directly from the distributor warehouse and ARE NOT shipped back to the Supply Chimp business address.
Products must be returned within 30 days of purchase, in new and resellable condition and must be in the original box. Please note that a 20% restocking fee may be charged for returned products. Return shipping may be the responsibility of the customer unless item was shipped in error. Returns over 30 days will not be accepted.
Credit will not be issued on shipping charges or special shipping fees. When returning a product that originally received free shipping, your credit will be reduced by the normal shipping costs charged to Supply Chimp.
Some items are non-returnable. At this time, non-returnable items include but are not limited to SEM Hard Drive Crushers, Kobra Branded Products, Pelican Branded Cases, FireKing built to order safes and file cabinets, food/perishable items, and some furniture.
