Information for Ordering Activities:

1.a Table of Award Special Item Numbers (SINs):

SIN	Service Description
336611	<p>Dry Docking and/or Dockside Maintenance and Repair Services - Dry Docking services include, but are not limited to, the lifting of vessels out of the water for inspection, repair of hull services and undocking after completion of work. Dry Docking services include floating dry docks, gravity dry docks, marine railways, vertical lifts, and travel lifts and cranes used in the removal of marine vessels from the water for the performance of inspections, testing, maintenance and repair services.</p> <p>Dockside maintenance and repair services could include, one or more of the following: preservation of ship structures, deck covering systems, welding processes, temporary hull access, electrical and HVAC systems, auxiliary machinery systems, shipboard ventilation systems, electrical rotating machines, generators and motors, propulsion systems, and tank and void inspection, testing, repair and maintenance. Dry Docking and Dockside Maintenance could include a variety of classes of marine vessels.</p>
OLM	<p>Order-Level Materials (OLMs) Order-Level Materials (OLMs) are supplies and/or services acquired indirect support of an individual task or delivery order placed against a Federal Supply Schedule (FSS) contract or FSS blanket purchase agreement (BPA). OLMs are not defined, priced, or awarded at the FSS contract level. They are unknown before a task or delivery order is placed against the FSS contract or FSS BPA. OLMs are only authorized for inclusion at the order level under a Time-and- Materials (T&M) or Labor-Hour (LH) Contract Line Item Number (CLIN) and are subject to a Not To Exceed (NTE) ceiling price. OLMs include direct materials, subcontracts for supplies and incidental services for which there is not a labor category specified in the FSS contract, other direct costs, and indirect costs. OLMs are purchased under the authority of the FSS Program and are not "open market items."</p>
MAS	<p>Items awarded under ancillary supplies/services or other direct cost (ODC) SINs are not OLMs. These items are defined, priced, and awarded at the FSS contract level, whereas OLMs are unknown before an order is placed. Ancillary supplies/services and ODC SINs are for use under all order type CLINs (Fixed-Price (FP), T&M, and LH), whereas the Order-Level Materials SIN is only authorized for use under T&M and LH order CLINs.</p>
OLM	<p>The Order-Level Materials SIN is only authorized for use in direct support of another awarded SIN. Price analysis for OLMs is not conducted when awarding the FSS contract or FSS BPA; therefore, GSAR 538.270 and 538.271 do not apply to OLMs. OLMs are defined and priced at the ordering activity level in accordance with GSAR clause 552.238-82 Special Ordering Procedures for the Acquisition of Order-Level Materials. Prices for items provided under the Order-Level Materials SIN must be inclusive of the Industrial Funding Fee (IFF). The cumulative value of OLMs in an individual task or delivery order cannot exceed 33.33% of the total value of the order.</p>

1.b. Market Price List, Time & Material Labor Rates (per hour): All the following prices are applicable for delivery Worldwide, at both Contractor and Customer Facilities, for SIN 336611:

Service Proposed	Unit	Period 1	Period 2	Period 3	Period 4	Period 5
Technician I**	Hour	\$ 46.38	\$ 47.54	\$ 48.73	\$ 49.94	\$ 51.19
Technician II**	Hour	\$ 52.69	\$ 54.01	\$ 55.36	\$ 56.74	\$ 58.16
Technician III**	Hour	\$ 70.76	\$ 72.53	\$ 74.35	\$ 76.20	\$ 78.11
Technician IV**	Hour	\$ 79.03	\$ 81.01	\$ 83.03	\$ 85.11	\$ 87.23
Subject Matter Expert I	Hour	\$ 95.65	\$ 98.04	\$ 100.48	\$ 102.99	\$ 105.57
Subject Matter Expert II	Hour	\$ 120.39	\$ 123.41	\$ 126.49	\$ 129.65	\$ 132.90
Subject Matter Expert III	Hour	\$ 146.42	\$ 150.08	\$ 153.82	\$ 157.67	\$ 161.61
Technician I** (OT)	Hour	\$ 69.55	\$ 71.29	\$ 73.08	\$ 74.90	\$ 76.78
Technician II** (OT)	Hour	\$ 79.03	\$ 81.01	\$ 83.03	\$ 85.11	\$ 87.23
Technician III** (OT)	Hour	\$ 106.15	\$ 108.80	\$ 111.52	\$ 114.31	\$ 117.17
Technician IV** (OT)	Hour	\$ 79.03	\$ 81.01	\$ 83.03	\$ 85.11	\$ 87.23

1.c. Descriptions of Services Proposed:

Labor Category	Functional Responsibilities	Minimum Educational/Degree Requirements	Minimum Year of Experience
Technician I	Performs simple routine tasks under close supervision that require mainly physical abilities/efforts involving little or no specialized skill or work experience that may include, but are not limited to: firewatch; loading and unloading tools, equipment, and materials from warehouse to truck to ship; simple touch-up painting; cleaning; trash removal; delivery services; etc. These tasks support the installation, repair, and maintenance of hull, mechanical, electrical, or electronic ship systems and equipment. Ability to secure and maintain Department of Defense (DOD) clearance. (30081)	High School Diploma	One (1) year of practical experience.
Technician II	Performs tasks with minimal supervision or from detailed procedures that may include but are not limited to accomplishing: installation; maintenance; repair; overhaul; troubleshooting; modification; and construction and testing of various types of electrical, electronic, and/or mechanical equipment and related devices. Applies technical knowledge of mechanical and electronics	High School Diploma	Three (3) years of practical experience.

	principles to solve moderately complex problems. Assists in the preparation of operating and malfunction reports and related documentation. These tasks support the installation, repair, and maintenance of hull, mechanical, electrical, or electronic ship systems and equipment. Ability to secure and maintain Department of Defense (DOD) clearance. (30082)		
Technician III	Performs personnel supervision and performs tasks with supervision and/or from detailed procedures that may include but are not limited to accomplishing: installation; maintenance; repair; overhaul; troubleshooting; modification; construction; and testing of various types of electrical, electronic, and/or mechanical equipment and related devices. Applies technical knowledge of mechanical and electronics principles in order to put equipment in operational condition and solve complex problems. Troubleshoots and corrects malfunctions using specialized test and diagnostic equipment. Modifies circuitry to improve performance. Makes recommendations for improvements or modifications to correct problems. Prepares operating and malfunction reports and related documentation. Works with engineering staff to determine and solve design problems. Performs quality assurance testing of assemblies and equipment repaired or installed by other technicians. Maintains current knowledge of relevant technologies as assigned. These tasks support the installation, repair, and maintenance of hull, mechanical, electrical, or electronic ship systems and equipment. Ability to secure and maintain Department of Defense (DOD) clearance. (30083)	High School Diploma	Five (5) years of practical experience
Technician IV	Performs personnel supervision accomplishing: installation; maintenance; repair; overhaul; troubleshooting; modification; construction; and testing of various types of electrical, electronic, and/or mechanical equipment and related devices. Applies technical knowledge of mechanical and electronics principles in order to put equipment in operational condition and solve complex problems. Makes recommendations for improvements or	High School Diploma	Eight (8) years of practical experience.

	modifications to correct problems. Prepares operating and malfunction reports and related documentation. Works with engineering staff to determine and solve design problems. Performs quality assurance testing of assemblies and equipment repaired or installed by other technicians. Maintains current knowledge of relevant technologies as assigned. Participates in special projects as required. These tasks support the installation, repair, and maintenance of hull, mechanical, electrical, or electronic ship systems and equipment. Ability to secure and maintain Department of Defense (DOD) clearance. (30084)		
Subject Matter Expert I	Provides knowledge, interpretation and alternatives in specified hull, mechanical, electrical or electronic ship systems and equipment. Develops and executes project plans to implement the specific solution. Conducts assessment of specific systems and equipment and troubleshoots.	Bachelor's degree or higher in Engineering, Engineering Technology, or Physical Science	Eight (8) years of practical experience.
Subject Matter Expert II	Provides advance knowledge, interpretation and alternatives in specified hull, mechanical, electrical or electronic ship systems and equipment. Works on complex technical problems and provides solutions which are highly innovative. Develops and supervises project plans to implement the specific solution. Conducts trade-off and design assessment supporting specific subject matter technology and troubleshoots the implemented specific subject matter technology environment.	Bachelor's degree or higher in Engineering, Engineering Technology, or Physical Science	Ten (10) years of practical experience.
Subject Matter Expert III	Provides expert knowledge, interpretation and alternatives in specified hull, mechanical, electrical or electronic ship systems and equipment. Works on complex technical problems and provides solutions which are highly innovative or technically authoritative. Develops and supervises project plans to implement the specific solution. Conducts trade-off and design assessment supporting specific subject matter technology and troubleshoots the implemented specific subject matter technology environment.	Bachelor's degree or higher in Engineering, Engineering Technology, or Physical Science	Fifteen (15) years of practical experience.

2. Maximum Order*: \$1,000,000

*If the "best value" selection places your order over the Maximum Order (\$1,000,000.00) you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contractor for a better price. The contractor may (1)

offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the Schedule contract in accordance with FAR 8.404

3. **Minimum Order:** \$100
4. **Geographic Coverage:** CONUS and OCONUS
5. **Point(s) of Production:** Philadelphia, PA; Norfolk, VA; San Diego, CA; Bremerton, WA; Pearl Harbor and Honolulu, HI
6. **Discount from list prices or statement of net price:** 1.00%
7. **Quantity Discounts:** None.
8. **Prompt Payment Terms:** Net 30 Days.
Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.
- 9a. **Government Purchase Card Accepted (Below Micro-Purchase Threshold):** Yes
- 9b. **Government Purchase Card Accepted (Above Micro-Purchase Threshold):** Yes
10. **Foreign Items:** None.
- 11a. **Time of Delivery after receipt of Order:** As required.
- 11b. **Expedited Delivery:** Items available for expedited delivery are noted in this price list.
- 11c. **Overnight and 2-day Delivery:** Not applicable.
- 11d. **Urgent Requirements:** Please see the Urgent Requirements clause of the contact. Please contact Delphinus to affect a faster delivery.
12. **F.O.B. Point(s):** Destination.
- 13a. **Ordering Address:** Delphinus Engineering, Inc.
1510 Chester Pike
Baldwin Tower, Suite 380
Eddystone, PA 19022
- 13b. **Ordering Procedures:** Please contact Delphinus Engineering, Inc.

14. **Payment address:** Delphinus Engineering, Inc.
1510 Chester Pike
Baldwin Tower, Suite 380
Eddystone, PA 19022
15. **Warranty Provision:** Delphinus Engineering, Inc.'s standard commercial warranty applies. Delphinus Engineering, Inc., per each solicitation or task order, warrants that the work performed will meet or exceed the "Performance Work Standards" spelled out in each solicitation.
16. **Export Packing Charges:** Not applicable.
17. **Terms & Conditions of Government Purchase Acceptance (Any Thresholds above the Micro Purchase Level):** None
18. **Terms and conditions of rental, maintenance, and repair:** Standard.
19. **Terms and conditions of installation:** Standard.
20. **Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices:** Not applicable.
- 20a. **Terms and conditions for any other services:** Standard.
21. **List of service and distribution points:** Not applicable.
22. **List of participating dealers:** Not applicable.
23. **Preventive maintenance:** Not applicable.
- 24a. **Environmental Attributes:** Not applicable.
- 24b. **Section 508 Compliance on EIT Supplies and Services:** Full details may be found at www.delphinus.com
25. **Data Universal Number System (DUNS) Number:** 884473398
26. **Notification Regarding Registration in SAM Database:** Delphinus Engineering, Inc. has a complete registration at www.SAM.gov.
