14. Warranty:

All recommendations, statements, and technical data contained herein are based on tests we believe to be reliable and correct, but accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty, either expressed or implied.

User shall rely on his own information and tests to determine suitability of the product for the intended use and user assumes all risk and liability resulting from his use of the product.

Sellers and manufacturers sole responsibility shall be to replace that portion of the product of this manufacturer, which proves to be defective.

Warranty returns are accepted only in their original unopened containers. No warranty claims are accepted for goods repackaged or altered.

Neither seller nor manufacturer shall be liable to the buyer or any third person for any injury, loss, or damage directly or indirectly resulting from the use of or inability to use the product.

Recommendations or statements, other than those contained in a written agreement signed by an officer of the manufacturer, shall not be binding upon the manufacturer or seller.
