<td>Inspector</td>
<td>A certified elevator mechanic or technician performs the necessary tests, and our inspectors are witnessing the tests being performed. We are inspecting the work they are doing to make sure it falls within the regulation of what is specified in ASME17.1. We witness all work being performed and verify that it was done within the parameters set forth by the AHJ and report that back to them. We look at the tests closely as they are performed to discover any shortcomings as standards set by NAESA and other governing bodies. This hourly rate is used when any additional services are needed.</td>
