Sparta Software Corporation (DBA: Sparta Science)
165 A Constitution Dr Menlo Park, CA 94025
Business Phone: (650) 833-9384

Point of Contact: Mike Hoffmann, Director of Sales,
Government Point of Contact Phone: (712) 249-3760

Website: spartascience.com

- **Contract Information**

Contract Number: 47QSMA19D08NE
Schedule Number: 78 SPORTS SIN:
192 08 Fitness Equipment

- **Product Explanation: Hardware**

The product item, #978: Hardware, includes a Force Plate and a Landing Mat. The Force Plate is the device for which a user will apply forces resulting in generation of raw data. The Landing Mat is the safety device for which a user will apply force if outside the dimensions of the Force Plate. No data is collected from the Landing Mat.

The computer Sparta Science uses in the hardware package is from the manufacturer Apple Incorporated. This product is not TAA compliant. Sparta Science cannot include the computer into the awarded GSA price.

However, the Apple Macbook Pro 13-inch computer is ancillary to the Hardware system and is provided on the open market. For specific pricing on this computer, please reach out to Point of Contact, Mike Hoffmann.
