All the pockets have oversized zippers, and the padded cord lock holders can hold up to two bats or lacrosse sticks.

The Champion Sports Deluxe All Purpose Backpack is the perfect GSA size bag for any young athlete! The official size game basketball meets the NFHS and NCAA specifications, and it has been perfectly balanced to ensure true bounce and flight. The official size game basketball is made with a durable Syntex leather cover and firm soft polyurethane core, which is a little softer feel, improved handling and performance.

The Champion Sports Junior Ultra Grip Basketball is perfect for any student athlete! This ultra durable 600 Denier nylon bag comes with adjustable padded shoulder straps, a padded back and waist straps for supreme comfort. Two large main compartments hold books and equipment, with a ventilated front pocket, and zipper pocket for smaller items. There is even a handy media pocket! All the pockets have oversized zippers, and the padded cord lock holders can hold up to two bats or lacrosse sticks.

Give young players a safe introduction to the sport with this Level 1 Champion Sports Soft Compression Baseball. It boasts an ultra-soft polyurethane core to help prevent injuries and a tough Syntex leather cover that can stand up to everyday wear and tear. The level 1 baseball comes in an official size and weight, helping players aged 5 to 7 to get accustomed to pitching, hitting and catching with the proper form.

The Champion Sports BSR Series are ball bearing licorice speed ropes built for serious fitness and speed training. These ropes feature ball bearing handles that reduce drag and friction, and provide superior control and accurate cadence transfer. The contoured handles are color coded by size.

The Champion Sports Junior Ultra Grip Basketball features an innovative Ultra Grip cellular rubber cover that provides impressive durability and allows players to get a firm grip on the ball as they shoot and pass. The intermediate size 6 rubber basketball helps players develop a feel for the balls used by the pros and looks and plays just like the leading composite leather basketballs. It has an airtight butyl bladder for superior air retention and is made with an ultra-wide channel, thermal molded rubber.

The Champion Sports Deluxe All Purpose Backpack is the perfect back pack to match the official size and weight of a normal ball, this baseball features a Syntex leather cover to help it stand up to intense use.

The umpire chest protector features a Y-strap design, allowing a comfortable fit while also keeping the shield in place during active use.

Made from a multi-layered low rebound foam, the Champion Sports Youth Chest Protector is great for keeping players aged 7 to 9 feel safe and comfortable when high-speed pitches are tearing through the air. The foam is incredibly lightweight and flexible and is covered with a breathable Lycra® material to prevent overheating when the sun is beating down on the diamond. The chest protector boasts an encased sternum plate to help deafen balls on impact, and it has a removable shoulder cap with a collarbone pad for additional safety.

Made from lightweight, breathable padding and a plastic outer shell, the Champion Sports 17 Inch Outside Plastic Shield Professional Umpire Chest Protector offers exceptional protection without sacrificing comfort and agility. The extra-wide side coverage and shoulder caps of this chest protector ensures maximum protection against wild pitches and foul balls. With a hardened plastic shield, this chest protector is fit for amateur or professional league use.

Made from lightweight soft shell padding and mesh cover for exceptional breathability. With extra-wide side coverage and shoulder caps, this umpire chest protector is great for amateur or professional league use.

The Champion Sports Pro Rubber Basketball is designed for junior players getting into the game. The rubber basketball is made with a 2-ply butyl bladder that has been wound with nylon for improved shape and air retention. The size 5 ball is significantly lighter than an official league basketball and much easier for small hands to grip and control. It comes in orange and features heavy-duty construction to help it stand up to even the most powerful shots.

The Champion Sports Official Size Pro Rubber Basketball is an official size game ball for recreational or competitive play. Built with a composition rubber cover, this pro-style basketball has a heavy-duty construction that will stand up to frequent use on indoor or outdoor courts. The nylon wound 2-ply butyl bladder offers exceptional air retention, so you can spend more time playing and less time inflating the ball.

The Champion Sports Open Reel Measuring Tapes features a durable fiberglass measuring tape with an open reel design, a bottom spike for stability, and a hand rank for easy winding. This quality measuring tape resists stretching, offers reliable measurements for all your needs, and is available in a variety of lengths.
