Overview of Schedule Offerings

**SIN 33721 - Office Furniture**
Includes all furniture placed in an office, such as chairs, desks, etc.

**SIN OLM - Order-Level Materials (OLM)**

SUBJECT TO COOPERATIVE PURCHASING – OLMs are supplies and/or services acquired in direct support of an individual task or delivery order placed against a Schedule contract or BPA. OLM pricing is not established at the Schedule contract or BPA level, but at the order level. Since OLMs are identified and acquired at the order level, the ordering contracting officer (OCO) is responsible for making a fair and reasonable price determination for all OLMs.

OLMs are procured under a special ordering procedure that simplifies the process for acquiring supplies and services necessary to support individual task or delivery orders placed against a Schedule contract or BPA. Using this new procedure, ancillary supplies and services not known at the time of the Schedule award may be included and priced at the order level.
