Innovative Transducer Implementation LLC D/B/A ITI SYSTEMS (Service Provider), requires two weeks from the date of contract award to guarantee resource availability.

All services pricing is based on work performed during normal business hours, 9AM - 5PM, Monday - Friday, unless otherwise identified in writing.

Customer agrees to provide ITI with the full cooperation it needs to perform the Professional Services. This includes timely access to Customer office accommodations, facilities, network, computer systems, and storage equipment. Customer also agrees to provide assistance and complete and accurate information and data from officers, agents, project sponsors, subject matter experts, and employees as ITI may request, in addition to suitably configured, licensed, and operational computer and storage products involved in delivery of the Professional Services. If Customer fails to provide the requisite cooperation on a timely basis, ITI will be relieved of any schedule, milestone, or financial commitments associated with the Professional Services. Customer remains responsible for the physical and network security of Customer’s environment. Customer shall also perform its specific obligations as described in the relevant SOW, and, if necessary, assist and support ITI in the provision of the Professional Services as reasonably requested by ITI, and shall provide all conditions in its business necessary for due performance of Professional Services by ITI.

ITI shall perform Services in a workmanlike manner in accordance with generally accepted industry standards. Customer must notify ITI of any failure to perform within ten (10) days after the performance of the applicable portion of the Services. ITI's entire liability, and Customer's sole remedy, for ITI's failure to so perform shall be for ITI to, at its option, (i) use reasonable efforts to correct such failure, and/or (ii) terminate the applicable SOW and refund that portion of any fees received that correspond to such failure to perform.
