## LABOR CATEGORY DESCRIPTIONS

Labor Category:	Consultant I
<b>Minimum Experience:</b>	3 Years of related Technical Experience
<b>Job Description:</b>	<p>Provides wide range of consulting, training and management services related to security or law enforcement related objectives. Supports integration and management activities through the life cycle of the project or program. Develops comprehensive, “total” solutions to threat and/or vulnerability--related problems and their impact on systems, organizations or facilities. Performs threat reduction measures, crisis management, consequence management, and training. Performs security, threat, vulnerability, interoperability, and capability assessments including anti-terrorism scenario modeling and simulations. Identifies and implements security measures including plans, policies, and procedures; risk management planning; physical and cyber security; mechanical, structural, and architectural reviews, and business continuity planning. Performs crisis response and consequence activities including first response; active defense; civil support; explosive, chemical, biological, radiological, and nuclear incident response; medical response; information continuity; and continuity of operations. Supports training activities with emphasis on monitoring and measuring performance, implementing lessons learned, enforcing standards, and test scenarios. Able to complete most tasks with minimal supervision.</p>
<b>Minimum Education:</b>	Bachelors Degree in Related Industry

<b>Labor Category:</b>	<b>Consultant II</b>
<b>Minimum Experience:</b>	5 Years of related Technical Experience
