II. G4S - A History of Innovation

G4S (fka The Wackenhut Corporation) is a leader in providing quality physical security services. We have over four decades of experience, the expertise, and the professionalism that U.S. Government Agencies have come to rely upon.

Because we are dealing with such important issues as protecting people and physical assets, security of government facilities and nuclear power plants, we cannot afford anything less than a total commitment to the pursuit of quality and professionalism wherever the G4S name may appear.

EXPERIENCE THE DIFFERENCE

Building upon its tremendous success in meeting, and often times exceeding, the commercial markets' need for quality security forces, G4S is now offering its elite Custom Protection services to the Government through a GSA Federal Supply Schedule contract.

The following positions can be ordered:

- Guard I & II Officers
- Detention Officers
- Court Security Officers (CSO)
- Supervision
- Project Management

Our ability to satisfy the Government's security service requirements (NAICS Code 561612) with a combination of quality and value is second to none. Whether it is a single security officer in Albuquerque or a quasi-police/military force protecting sensitive assets, G4S will deliver quality and professional services.

But don't just take our word for it. Look at our extensive track record, strong management team, worldwide organization, consistent history of financial stability and judge for yourself. Contact us today for more information.

CUSTOM PROTECTION

The Custom Protection Division, established in 1989, seeks out and recruits men and women with criminal justice degrees or background and experience in law enforcement and/or military experience, or experience as a Federal Agency officer. They are subjected to a rigorous background check prior to employment and given training that goes well beyond industry standards.
PROFESSIONAL APPEARANCE AND STANDARDS

The G4S Custom Protection Officer® is highly qualified and meets standards above that of a standard Guard I and Guard II officer. As such, the Custom Protection Officer® becomes a visible symbol of the agency being represented and must have the bearing and appearance to reflect the highest standards possible.

You will find that the Custom Protection Officer® is your best choice for a highly reliable security professional who will represent your agency to the public in a polished, professional manner.

ADVANTAGES OF UTILIZING G4S ’S PREMIER SERVICES

With G4S, you have a single source for your physical security needs. G4S is eminently qualified to provide full-service solutions specifically designed for the unique requirements of the U.S. Government.

G4S’s years of exemplary service to the Federal Government is substantiated by experience with the following agencies:

- U.S. Department of Homeland Security
- Federal Communications Commission
- Federal Protective Services
- General Services Administration
- National Oceanic and Atmospheric Administration
- U.S. Department of Justice
- U.S. Department of the Interior
- U.S. Department of Veteran’s Affairs
III. Labor Category Descriptions

Guard Occupational Base

Positions protect property from theft or damage, or persons from hazards or interference. Duties involve serving at a fixed post, making rounds on foot or by motor vehicle, or escorting persons. Guard may be deputized to make arrests and may help visitors and customers by answering questions and giving directions. This position may be required to demonstrate (1) proficiency in the use of firearms and other special weapons and (2) continuing physical fitness.

GUARD I:
Guard I carries out instructions primarily oriented toward ensuring that emergencies and security violations are readily discovered and reported to the appropriate authorities. Intervenes directly only in situations which require minimal action to safeguard property or persons. Duties require standard training and commonly the guard is required to demonstrate continuing physical fitness.

GUARD II:
Enforces regulations designed to prevent breaches of security. Exercises judgment and uses discretion in dealing with whether first response should be to intervene directly (asking for assistance when deemed necessary and time allows), to keep situation under surveillance, or to report situation so that it can be handled by appropriate authority. Duties require specialized training in methods and techniques of protecting security areas. The guard is required to demonstrate continuing physical fitness and to demonstrate proficiency with firearms or other special weapons. This labor categories can also include the following at client request: 1) Provides secure custody of detainees at medical facilities as well as other locations as requested and at the direction of the government. Capable of accepting custody of detainees from a law enforcement agency and will properly transfer custody of the detainee back from a law enforcement agency or back to the agency. Duties require specialized training in methods and techniques of operating in medical facilities.

and/or

Operates commercial transportation vehicles, which requires a Commercial Driver's License (CDL) including prisoner/detainee vans and buses. This individual will maintain physical control of the detainee at all times.

SUPERVISOR:
Provides oversight to security operations and establishes, promotes and maintains site security and property protection programs personally and/or through subordinate supervisors. Must have one year of verifiable security services management experience.

COURT SECURITY OFFICER:
Patrols courthouse to provide security; escorts defendants to and from courtroom and stands guard during court proceedings; checks courtroom for security violations; monitors court entrances; attends to the special needs of the court system, particularly in the area of personal protection for the judges, jurors, witnesses, attorneys and other persons involved with the court, including the general public. Duties require specialized training in methods and techniques of protecting security areas. Court Security Officers are also required to demonstrate continuing physical fitness and proficiency with firearms or other special weapons.
DETENTION OFFICER:
Responsible for maintaining a secure detention facility and/or the safe custody of inmates. Performs a variety of technical and administrative tasks associated with facility operations and the incarceration of prisoners. Processes and releases inmates including taking photographs and obtaining legible sets of inked fingerprints, and/or palm prints. Observes and controls visitors and inmates prior to, during and after visits. Required to report facility mechanical failures. Exercises judgment and uses discretion in dealing with prisoner-related events. Duties require specialized training. Transport or escort inmates (hostile, aggressive, passive) using handcuffs and other approved restraints in accordance with policy and procedure. Communicate effectively and coherently with other staff or inmates with approved facility communication devices including the telephone system, intercom system, and portable or base radios; demonstrate effective communicative skills with inmates, public and staff. This officer is also required to demonstrate continuing physical fitness.

If armed must demonstrate proficiency with firearms or other special weapons in addition to the Detention Officers duties.

DETENTION OFFICER SUPERVISOR: Exercises direct supervision over Detention Officers on assigned shifts. Provides oversight to security operations and establishes, promotes, and maintains site security and processes to ensure safe custody of inmates. Provides scheduling and staffing support to ensure client requirements are performed. Must meet the qualifications for Detention Officer and have a minimum of two (2) years successful experience in field supervision of detention officer or correctional officer services.

ASSISTANT PROJECT MANAGER:
Assists the Project Manager to ensure that goals and objectives of the project are accomplished and acts as a deputy in the absence of the Project Manager. Must have one year of verifiable security services management experience.

PROJECT MANAGER:
Manages, directs and controls all project activities to obtain optimum efficiency and economy of operations. Also interfaces with customer(s) on a regular basis in support of security and program management activities. Must have two years of verifiable security services management experience.

PROJECT MANAGER Detention Services:
Responsible for successful execution and ongoing management of a detention-oriented security program and is accountable for accomplishing stated project objectives. The Project Manager Detention Services serves as the point of contact for all communications, work, and technical direction of project with the client. The Project Manager Detention Services is available 24 hours a day / 7 days a week for technical and administrative duties as required. Must have a minimum of five (5) years of administrative or project management experience in detention or transportation of detainees.
SHORT-TERM services generally do not exceed 180-days per assignment. The position may be dispatched to remote sites under provisions authorized by GSA Federal Travel Regulations.

Client defined additional qualifications, special services or additional equipment needed that is not included as a part of the duties for these labor categories will be considered on a case-by-case basis.
