About the Company: Mozayix International Inc. is a leading global security risk management advisory firm. Our team consists of former military and law enforcement officers who possess specialized commercial security certifications, credentials, and extensive geographic experience in moderate to extreme threat environments throughout the Middle East, Africa and near east Asia. We offer a wide range of tools and resources to assist both government and commercial clients in managing security risks to their essential assets. Our core capabilities include:

- Security risk assessments that identify vulnerabilities and result in prioritized mitigation measure recommendations
- Security needs assessments that support security related purchasing and procurement decision-making
- Security supplier evaluations to identify and qualify vendors capable of meeting client specifications
- Security management services that ensure security implementation and operations are effective

Mozayix is a Veteran Owned Small Business (VOSB) with the U.S. Department of Veterans Affairs, Office of Small & Disadvantaged Business Utilization (SDBSU). We are certified ISO 9001:2015 quality management system and maintain an A++ rating with the Better Business Bureau.

Mozayix International Inc.

Security Manager - II	129.50
Security Manager - I	83.56

The Service Contract Labor Standards (SCLS) is applicable to this contract as it applies to the entire Multiple Award Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and / or when the contractor adds SCLS labor categories / employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

Labor Category Descriptions

PROGRAM MANAGER III

Minimum/General Experience: 9 years

Functional Responsibility: Manages complex, mission-critical, strategic programs for law enforcement, homeland defense, emergency preparedness, and security clients. Serves as focal point for the contract and client regarding the programs direction, task scheduling, acquisition and budget control. Directs internal and subcontractor team(s) and performs overall strategic management, planning, contract level performance metrics and production of overall contract/task order support operations. Procures services from security subcontractors and gives technical direction regarding their performance. Responsible for overall program performance and customer satisfaction. Effectively manages funds, personnel, production standards, and resources, and ensures quality and timely delivery of all contractual items.

Minimum Education: Bachelor's degree
