Labor Category Descriptions SIN 561612:

1. Alarm Monitor** – 27004

General Experience: Five years of continuous work experience that demonstrates reliability, dependability, and good judgment, and a minimum of three years armed security, law enforcement or military police experience. Must have a thorough understanding of security policies and procedures, security and safety alarms, access control systems and emergency contingency plans. Must be mature and display clear presence of mind under stressful situations. Must successfully complete a background investigation, including criminal and employment checks as well as a drug screening. Must have good interpersonal and communication skills and present a neat and professional appearance.

Training/Education: High school diploma or GED certificate and completion of a certified security training program or local state or federal law enforcement training academy.

Functional Responsibility: The Alarm Monitor operates communication equipment to receive incoming calls for assistance and dispatches personnel and equipment to scene of emergency, operates telephone console to receive incoming calls for assistance, questions caller to determine nature of problem and type and number of personnel and equipment needed, following established guidelines, and scans status charts and computer screen to determine units available. This worker monitors alarm system signals that indicate location of fire or other emergency, operates two-way radio to dispatch police, fire, medical, and other personnel and equipment, and to relay instructions or information to remove units. This worker types commands on computer keyboard to update files and maintain logs, tests communications and alarm equipment, and backup systems to ensure serviceability. The Alarm Monitor may provide pre-arrival instructions to caller, utilizing knowledge of emergency medical techniques, and activate alarm system to notify fire stations.

2. Assistant Project Manager (Guard)

General Experience: Three years of security, law enforcement or military related experience, of which at least two years must be specialized or supervisory in nature. Specialized or supervisory experience includes: project development, management and control of funds and resources, demonstrated capability in managing multi-tasks and supervising one or more subordinate units consisting of a squad or multiple squads of security or law enforcement personnel. General Experience includes increasing responsibilities within the security/law enforcement discipline.

Training/Education: Requires bachelor’s degree or equivalent experience. Certificate of graduation from a local, state or federal law enforcement academy or military experience, including satisfactory completion of certified firearms and defensive tactics courses.

Functional Responsibility: Serves as an assistant to the Project Manager and the Contractor’s point of contact and the Contractor’s authorized interface with the Government Contracting Officer or the Contracting Officer’s standards; assigning Contractor schedules; reviewing work discrepancies; supervising Contractor personnel; assisting in all project management task performance; preparing, reviewing and submitting required reports and communicating policies, purpose and goals of the organization to subordinates. Responsible for the overall contract performance in the absence of the Project Manager.

3. Court Security Officer** – 27010

General Experience: Five years of continuous work experience that demonstrates reliability, dependability, and good judgment, and a minimum of three years armed security, law enforcement or military police experience. Must successfully complete a background investigation, including criminal and employment checks as well as a drug screening. Must have good interpersonal skills and present a neat and professional appearance.
Additionally, must demonstrate knowledge of the legal authority and limitations of an armed security officer. Required to demonstrate continuing physical fitness and proficiency with firearms or other special weapons.

Training/Education: High school diploma or GED, completion of a certified security training program and completion of local, state or federal law enforcement training academy. Must successfully complete a firearms qualification program annually.

Functional Responsibility: Patrols courthouse to provide security. Escorts defendants to and from courtroom and stands guard during court proceedings. Monitors courtroom for security. Assignments include not only the control of entrances to the court but also attention to the special needs of the court system, particularly in the area of personal protection for the judges, jurors, witnesses, attorneys and other persons involved with the court, including the general public. Duties require specialized training in methods and techniques of protecting security areas. Is required to demonstrate continuing physical fitness and proficiency with firearms or other special weapons. Must be able to exercise tact and diplomacy dealing with members of the public and senior level government officials and maintain control of government furnished equipment.

4. General Clerk I** – 01111

General Experience: One (1) year of continuous work experience that demonstrates reliability, dependability, and good judgment.

Training/Education: High school diploma or GED certificate

Functional Responsibility: The General Clerk follows clearly detailed procedures in performing simple repetitive tasks in the same sequence. Responsibilities would include filing pre-coded documents in a chronological file, or operating office equipment, (e.g., mimeograph, photocopy, addressograph or mailing machine). This position follows clearly detailed specific procedures in completing several repetitive clerical steps performed in a prescribed or slightly varied sequence, such as coding and filing documents in an extensive alphabetical file; could involve simple posting to individual accounts, opening mail, calculating and posting charges to departmental accounts, operating basic office equipment, e.g., photocopier, facsimile, multi-line phone/voicemail systems, mailing machines, and minimal computer programs. Little or no subject-matter knowledge is required, but the clerk uses his or her own judgment in choosing the proper procedure for each task.

5. Guard I** – 27101

General Experience: Two years of continuous work experience that demonstrates reliability, dependability, and good judgment. Must successfully complete a background investigation, including criminal and employment checks as well as a drug screening. Must have good interpersonal skills and present a neat and professional appearance. Three years of continuous work experience that demonstrates reliability, dependability, attention to detail, and a good work ethic. Required to demonstrate continuing physical fitness.

Training/Education: Requires high school diploma or GED and completion of a certified security training program or local, state or federal law enforcement training academy.

Functional Responsibility: Carries out instruction primarily oriented toward ensuring that emergencies and security violations are readily discovered and reported to appropriate authority. Intervenes directly only in situations which require minimal action to safeguard property or persons. Duties also include: visitor control; maintenance of duty logs; report writing; communicating with and providing assistance to the public; and conducting roving patrols.

6. Guard II** – 27102

General Experience: Four years of continuous work experience that demonstrates reliability, dependability, and
good judgment, and a minimum of one year armed security, law enforcement or military police experience. Must successfully complete a background investigation, including criminal and employment checks as well as a drug screening. Must have good interpersonal skills and present a neat and professional appearance. Additionally, may demonstrate knowledge of the legal authority and limitations of an armed security officer. May to demonstrate continuing physical fitness and proficiency with firearms or other special weapons.

Training/Education: High school diploma or GED certificate and completion of a certified security training program or local, state or federal law enforcement training academy. Must successfully complete a firearms qualification program annually.

Functional Responsibility: Enforces regulations designed to prevent breaches of security. Exercises judgment and discretion in dealing with whether first response should be to intervene directly (asking for assistance when deemed necessary and time allows), to keep situation under surveillance, or to report situation so that it can be handled by appropriate authority. Duties may also include: access control; personnel protection; plant security; theft prevention; surveillance; post/gate control; alarm monitoring; magnetometer screening; roving foot and vehicle patrols; security escort/dignitary protection; vehicle and visitor screening/badging; armory management; first responder emergency services; communicating with and providing assistance to the public; preparing reports and duty logs; and rendering assistance as necessary.

7. Police Officer I** – 27131

General Experience: Must meet one of the following experience/education requirements:
• Prior experience in military (combat arms preferred)
• Federal, state, and local law enforcement experience
• Three years’ experience as armed security guard
• Associate’s Degree in Security related field

Training/Education: Must successfully complete a firearms qualification program annually and comply with state law certifications.

Functional Responsibility: The Police Officer enforces laws established for the protection of persons and property, by detaining, arresting, interrogating, and incarcerating suspected violators, and appearing as a witness at trials. Work is performed in uniform or civilian clothes, and officers are typically armed. Excluded are:

a. Supervisory positions.
b. Criminal investigators.
c. Police detectives and specialists performing duties above those described for Police Officer II.
d. Positions requiring the operation of aircraft.
e. Police academy cadets and positions receiving on-the-job training and experience in basic police activities.

This officer carries out general and specific assignments from superior officers in accordance with established rules and procedures, maintains order, enforces laws and ordinances, and protects life and property in an assigned patrol district or beat by performing a combination of duties. These duties could include: patrolling a specific area on foot or in a vehicle, directing traffic, issuing traffic summonses, investigating accidents; apprehending and arresting suspects, processing prisoners, and protecting scenes of major crimes. This officer may participate with detectives or investigators in conducting surveillance operations.

8. Supervisor (Guard)

General Experience: Five years of continuous security, law enforcement, or military police experience, of which at least two years must be supervisory in nature and at least two years experience as an armed security officer. Specialized or supervisory experience includes: project development, management and control of funds and resources, demonstrated capability in managing multi-tasks and supervising one or more subordinate units consisting of a squad or multiple squads of security or law enforcement personnel. Must successfully complete a
background investigation, including criminal and employment checks as well as a drug screening. Must have good interpersonal skills and present a neat and professional appearance. Additionally, must have detailed knowledge of federal contract security operations. Required to demonstrate continuing physical fitness and proficiency with firearms or other special weapons.

Training/Education: High school diploma or GED certificate and completion of a certified security training program or local state or federal law enforcement training academy. Must successfully complete a firearms qualification program annually.

Functional Responsibility: Responsible for enforcing work standards; scheduling security force personnel, including analysis of resources and workload; analysis of Contractor’s performance and implementation of change to improve operations; interprets policy standards and directives and formulates strategies for improving policies, processes and directives; participates in recruitment, hiring, qualification and termination of security officers; reviews work discrepancies; supervises Contractor personnel; training of subordinates; preparing, reviewing and submitting required reports and communicating policies, purpose and goals of the organization to security officers; prepares operational reports; ensures complete security coverage of assigned facility; counsels and disciplines security officers and implements post and general orders. Shall be responsible for the overall contract performance for specific times (shifts) and/or locations (districts, zones, etc.)

9. Project Manager (Guard)

General Experience: Five years of security, law enforcement or military related experience, of which at least five years must be specialized or supervisory in nature. Specialized or supervisory experience includes: project development, management and control of funds and resources, demonstrated capability in managing multi- tasks and supervising one or more subordinate units consisting of a squad or multiple squads of security or law enforcement personnel. General Experience includes increasing responsibilities within the security/law enforcement discipline.

Training/Education: Requires bachelor’s degree or equivalent experience. Certificate of graduation from a local, state or federal law enforcement academy or Prior Military Experience, including satisfactory completion of certified firearms and defensive tactics courses.

Functional Responsibility: Serves as the Contractor’s principal point of contact and the Contractor’s authorized interface with the Government Contracting Officer (CO) or the Contracting Officer’s Representative (COTR).

Functional Responsibilities: Responsible for formulating and enforcing work standards; assigning Contractor schedules; reviewing work discrepancies; supervising Contractor personnel; assisting in all project management task performance; preparing, reviewing and submitting required reports and communicating policies, purpose and goals of the organization to subordinates. Shall be responsible for instituting quality assurance programs to insure the attainment of all project performance objectives.
