This MoL also plays a part in price reductions clause compliance, as contractors are allowed to give discounts on orders that exceed the MoL to their Most Favorite Customer (MFC)/Basis of Award (BOA) Customer. The maximum order threshold does not prevent contractors from having orders that exceed the MoL.

While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
