**Alarm Monitor**
Operate communication equipment to receive incoming calls for assistance and dispatch personnel and equipment to the scene of an emergency. Operate telephone console to receive incoming calls for assistance. Monitor alarm system signals that indicate the location of the fire or other emergency. Operate two-way radio to dispatch police, fire, medical, and other personnel and equipment and relay instructions or information to remove units. Type commands on computer keyboard to update files and maintain logs. Test communications and alarm equipment and backup systems to ensure serviceability.

**Badging Specialist**
Create access control badges to include all programming as it relates to activation and deactivation. Process tenant badges and maintain appropriate logs regarding their issuance and return and track all associated actions. Perform customer service by interacting with internal and external clients and assist in finding resolutions of issues or concerns. Permit authorized persons to enter property and monitors entrances and exits. Monitor all communication devices to include but not limited to:
phones, emails or online requests. Report all issues that cannot be resolved within the scope of work to a supervisor. Assist customers, employees, and visitors in a courteous and professional manner and answer questions and provide directions. Protect property from theft or damage, or persons from hazards or interference.

Guard I
Secures premises and personnel by patrolling property; monitoring surveillance equipment; inspecting buildings, equipment, and access points; permitting entry. Completes reports by recording observations, information, occurrences, and surveillance activities; interviewing witnesses; obtaining signatures. Protect property from theft or damage, or persons from hazards or interference.

Duties involve serving at a fixed post, making rounds on foot or by motor vehicle, or escorting persons or property. Carry out detailed instructions and procedures primarily oriented to insure that emergencies and security violations are readily discovered, and reported to the appropriate authority.

Primary duty is to observe and report security and emergencies. Intervene directly only in situations which require minimal action to safeguard property or persons. Duties require minimal training and physical fitness standards. Position is unarmed.

Guard II - Level I
Secures premises and personnel by patrolling property; monitoring surveillance equipment; inspecting buildings, equipment, and access points; permitting entry. Completes reports by recording observations, information, occurrences, and surveillance activities; interviewing witnesses; obtaining signatures.

Protect property from theft or damage, or persons from hazards or interference. Duties involve serving at a fixed post, making rounds on foot or by motor vehicle, or escorting persons or property. Carry out detailed instructions and procedures primarily oriented to insure that emergencies and security violations are readily discovered, and reported to the appropriate authority. Primary duty is to observe and report security and emergencies. Intervene directly only in situations which require minimal action to safeguard property or persons. Duties require minimal training and physical fitness standards. Enforces regulations and procedures designed to prevent breaches of security. Exercise judgment and use discretion in responding to incidents and emergencies. Determine whether to intervene directly, ask for assistance as time permits, keep situation under control, conduct surveillance, or report the incident to the appropriate authority for handling. Duties require specialized training in methods and techniques of protecting controlled areas. May be required to demonstrate proficiency in the use of firearms and/or other special weapons and continuing physical fitness.

Guard II – Level II
Secures premises and personnel by patrolling property; monitoring surveillance equipment; inspecting buildings, equipment, and access points; permitting entry.

Completes reports by recording observations, information, occurrences, and surveillance activities; interviewing witnesses; obtaining signatures.

Protect property from theft or damage, or persons from hazards or interference.

May be required to demonstrate proficiency in the use of firearms and/or other special weapons and continuing physical fitness. Required to demonstrate proficiency in the use of firearms and/or other special weapons and continuing physical fitness. May provide guidance, mentorship, or supervision to lower level guards.

**Locksmith**
Install, repair, modify, and open a variety of locking mechanisms found on doors, desks, compartments, mobile equipment, safes, and vaults.
Examine locking mechanism and install new unit or disassemble the unit and replace worn tumblers, springs, and other parts or repair them by filing, drilling, chiseling and grinding.
Open door locks by moving lock pick in the cylinder or open safe locks by listening to lock sounds or by drilling. Make new or duplicate keys, using a key cutting machine. Change combination by inserting new or repaired tumblers into the lock. Establish keying systems for buildings.

**Personnel Security Specialist I**
Familiar with special access programs and security procedures.
Follow detailed procedures in performing, simple repetitive tasks in the same sequence.
Familiar with customer-required security protocols.
Responsibilities include filing pre-coded documents in a chronological file or operating office equipment (e.g., mimeograph, photocopy, addressograph or mailing machine).
Follow detailed specific procedures in completing several repetitive clerical steps performed in a prescribed or slightly varied sequence. Specific work may include but is not limited to coding and filing documents in an extensive alphabetical file, simple posting to individual accounts, opening mail, calculating and posting charges to departmental accounts, operating basic office equipment. Little or no subject matter knowledge is required, but the clerk uses judgment in choosing the proper procedure for each task.

**Personnel Security Specialist II**
Familiar with special access programs and security procedures. Follow detailed procedures in performing, simple repetitive tasks in the same sequence. Familiar with customer-required security protocols. Responsibilities include filing pre-coded documents in a chronological file or operating office equipment (e.g., mimeograph, photocopy, addressograph or mailing machine). Follow detailed specific procedures in completing several repetitive clerical steps performed in a prescribed or slightly varied sequence. Specific work may include but is not limited to coding and filing documents in an extensive alphabetical file, simple posting to individual accounts, opening mail, calculating and posting charges to departmental accounts, operating basic office equipment. Little or no subject matter knowledge is required, but the clerk uses judgment in choosing the proper procedure for each task. Familiar with special access programs, analyze security procedures, and recommend changes to make the procedures more effective. Use some subject matter knowledge and judgment to complete assignments consisting of numerous steps varying in nature and sequence. Select from alternative methods and refer problems not solvable by adapting or interpreting substantive guides, manuals, or procedures. Typical duties include but are not limited to assisting in a variety of administrative matters; maintaining a wide variety of financial or other records (stored both manually and electronically); verifying statistical reports for accuracy and completeness; compiling information; handling and adjusting complaints. May direct lower level specialists.

**Program Coordinator**
Coordinate duties assigned to the security, loss prevention, and safety function including staff management, general administration, facility access control, and life/safety responsibilities of the department. Operate security and access control systems. Process requests for access from staff, visitors, and contractors. Schedule security coverage, as necessary. Arrange schedules and regulate the flow of work within or between organizational units or businesses. Maintain departmental training records. Serve as the senior security representative after hours and on weekends. Ensure the Security Department is properly staffed. Conduct briefings with contract security personnel. Prepare detailed support documents for high-level customer meetings. Prepare reports by collecting and analyzing information. Confer with supervisors to determine progress of work and to provide information on changes in processing methods.

**Program Manager**
Implement program through a risk and oversight approach for all phases of program activities. Identify risks and problems, propose solutions, and provide timely and accurate contract deliverables. Develop and interpret policies in specific program areas, and provide leadership, coordination, and advice to customers. Direct, administer, and evaluate programs, policies, and procedures in the required program areas. Assure compliance of program activities with laws and regulations. Ensure the effective management of the assigned program areas. Provide technical support, in support of various projects and review and evaluate ongoing and completed project management. Develop project management plans, as necessary, and adhere to established policies and procedures to execute the project /
contract. Attend technical meetings to provide task status briefings and reports. Develop plans for correction/improvement and provide plans to customers and staff to ensure implementation. Develop strategies to optimize the organizational contract performance, ensure efficiency, and achieve a high-level of customer satisfaction.

Security Officer (K-9)
Perform traffic checkpoint operations, city patrols, transportation checks and other law enforcement duties, as assigned. Will use trained K-9 dogs to assist in daily patrolling duties.
Maintaining surveillance from a covert position.
Using cutting edge technology, such as infrared scopes during night-time operations.
Interpreting and following tracks, marks and other physical evidence of illegal aliens and smugglers.
Utilizes trained explosives or narcotic detection dog to conduct searches and inspections of structures, objects, ships and watercraft, and aircraft and open areas.
Work with a canine partner to maintain control and develop skills.
May require canine and kennel support including but not limited to grooming and feeding canine partner.
May use two-way radio communication devices, cellular phones, communications devices, and other devices as necessary to communicate.
Maintain a log, written reports, and canine and handler records

Security Police Officer I
Enforce laws established for the protection of persons and property by detaining, arresting, interrogating, and incarcerating suspected violators, and appearing as a witness at trials.
Carry out general and specific assignments from superior officers in accordance with established rules and procedures.
Maintains order, enforce laws and ordinances, and protect life and property in an assigned patrol district or beat by performing a combination of duties.
Duties may include patrolling a specific area on foot or in a vehicle, directing traffic, issuing traffic summonses, investigating accidents, apprehending and arresting suspects, processing prisoners, and protecting scenes of major crimes. May participate with detectives or investigators in conducting surveillance operations. This position is typically armed.

Training Instructor
Teach one or more short courses in a technical trade or craft.
Prepares an instructional program in accordance with training or other course requirements, assembling materials to be presented.
Teach assigned topics in accordance with approved curriculum effectively utilizing all allotted time.
Maintain proficiency in instructional techniques; incorporate current examples in the teaching process (e.g., develop clarification or real world examples of application related to the subject matter); and develop and maintain classroom techniques that reflect professionalism, good discipline and enhance teaching. Alternates teaching techniques to maintain high motivation and interest in the subject areas.
Administer grades, record and critique examinations, and prepare and administer remedial assignments. Submit written recommendations for curriculum updates to ensure consistency with changes and innovations in the latest applicable publications or documents.

Training Manager
Oversee all training and provide support and guidance as needed.
Coach, motivate and demonstrate all required tasks to complete assignments.
Assess employees’ skills, talents, performance and productivity and prepare written evaluations with advice for improvement.
Oversee the training in all key areas related to project performance and research new training materials and supplies that may enhance training procedures and provide value to employees.
On-board new hires and assign them to training sessions.
Identify future training needs and create a curriculum to facilitate that training.
Search for gaps in training material or content that should be filled to ensure safety and productivity among staff members.
Communicate with team members, trainers, and management to ensure all needs are met.
