About Saf-T-Gard International, Inc.

Located in Northbrook, Illinois, Saf-T-Gard International, Inc. is a privately-held family-owned and operated manufacturer, distributor, importer, exporter and global supplier of personal protective equipment, electrical safety, facility safety and first aid. Today, Saf-T-Gard carries on the tradition that was started more than 87 years ago: Bringing customers the products, training and service they need to keep employees safe in the workplace. Saf-T-Gard is an active member of the National Safety Council (NSC), the International Safety Equipment Association (ISEA), and the AD Safety Network and provides thousands of solutions from recognized brand names, in addition to its renowned line of proprietary brands. Saf-T-Gard actively operates the Voltgard® Test Lab, one of the largest, independent, NAIL4PET-accredited test labs for rubber insulating products in the United States.

Our Mission is to provide, based on our experience, expertise and understanding of our customer's requirements, solutions to their needs for industrial safety products and personal protective equipment of the finest world-class quality, appropriate and suitable for the purposes intended, that provide value, safety and security.
