# CONTRACTOR INFORMATION

---

**1a. TABLE OF AWARDED SPECIAL ITEM NUMBERS (SINs)**

SIN 132-51 Information Technology Professional Services

SIN 132-56 Health Information Technology Services

**1b. LOWEST PRICED MODEL NUMBER AND PRICE FOR EACH AWARDED SIN:**

Refer to Page 18

**1c. HOURLY RATES (Services only):** Starts on Page 18

**2. MAXIMUM ORDER THRESHOLD:**

SIN 132-51 \$500,000

SIN 132-56 \$500,000

NOTE TO ORDERING ACTIVITIES: If the best value selection places your order over the applicable Maximum Order Threshold, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the Contactor for a better price. The Contractor may (1) offer a new price for this requirement, (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the schedule contract in accordance with FAR 8.404.

**3. MINIMUM ORDER THRESHOLD:** \$100.00

**4. GEOGRAPHIC COVERAGE:** Domestic delivery, 48 Contiguous States, District of Columbia, Alaska, and Hawaii

**5. POINT(S) OF PRODUCTION:** Bethesda, MD

**6. DISCOUNT FROM BEST MARKET RATE:** GSA Net Prices are listed below. Negotiated discounts have been applied and the Industrial Funding Fee has been added.

**7. QUANTITY DISCOUNT(S):** None

**8. PROMPT PAYMENT TERMS:** Net 30

**9.a Government Purchase Cards will be accepted at or below the micro-purchase threshold.**

**9.b Government Purchase Cards will not be accepted above the micro-purchase threshold.**

10. **FOREIGN ITEMS:** None
- 11a. **TIME OF DELIVERY:** Negotiated between Contractor and Ordering Agency
- 11b. **EXPEDITED DELIVERY:** Negotiated between Contractor and Ordering Agency
- 11c. **OVERNIGHT AND 2-DAY DELIVERY:** Negotiated between Contractor and Ordering Agency
- 11d. **URGENT REQUIRMENTS:** Agencies can contact the Contractor's representative to affect a faster delivery. Customers are encouraged to contact the Contractor for the purpose of requesting accelerated delivery.
12. **FOB POINT:** Destination, 48 Contiguous States, District of Columbia, Alaska, and Hawaii
- 13a. **ORDERING ADDRESS:** Same as Contractor Address
- 13b. **ORDERING PROCEDURES:** Ordering Activities shall use the ordering procedures described in Federal Acquisition Regulation 8.405-3 when placing an order or establishing a BPA for supplies or services. The ordering procedures, information on Blanket Purchase Agreements (BPA's) and a sample BPA can be found at the GSA/FSS Schedule Homepage ([www.fss.gsa.gov/schedules](http://www.fss.gsa.gov/schedules)).
14. **PAYMENT ADDRESS:** Same as Contractor Address
15. **WARRANTY PROVISION:** Standard Commercial
16. **EXPORT PACKING CHARGES:** None
17. **TERMS AND CONDITIONS OF GOVERNMENT PURCHASE CARD ACCEPTANCE:** None
18. **TERMS AND CONDITIONS OF RENTAL, MAINTENANCE, AND REPAIR (IF APPLICABLE):** Not Applicable
19. **TERMS AND CONDITIONS OF INSTALLATION (IF APPLICABLE):** Not Applicable
20. **TERMS AND CONDITIONS OF REPAIR PARTS INDICATING DATE OF PARTS PRICE LISTS AND ANY DISCOUNTS FROM LIST PRICES (IF AVAILABLE):** Not Applicable
- 20a. **TERMS AND CONDITIONS FOR ANY OTHER SERVICES (IF APPLICABLE):** Not Applicable
21. **LIST OF SERVICE AND DISTRIBUTION POINTS (IF APPLICABLE):** Not Applicable

- 22. **LIST OF PARTICIPATING DEALERS (IF APPLICABLE):** Not Applicable
- 23. **PREVENTIVE MAINTENANCE (IF APPLICABLE):** Not Applicable
- 24a. **SPECIAL ATTRIBUTES SUCH AS ENVIRONMENTAL ATTRIBUTES (e.g. recycled content, energy efficiency, and/or reduced pollutants):** Not Applicable
- 24b. **SECTION 508 COMPLIANCE FOR ELECTRONIC AND INFORMATION TECHNOLOGY (EIT):** Compliant. The EIT standards can be found at:  
[www.Section508.gov/](http://www.Section508.gov/).
- 25. **DUNS NUMBER:** 807806034
- 26. **NOTIFICATION REGARDING REGISTRATION IN SYSTEM FOR AWARD MANAGEMENT (SAM) DATABASE:** Contractor has an active registration in the System for Award Management (SAM) database.

**TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY  
(IT) PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51)**

**1. SCOPE**

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT Professional Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

**2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)**

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

**3. ORDER**

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

**4. PERFORMANCE OF SERVICES**

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.

- d. Any Contractor travel required in the performance of IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

**5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)**

- (a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-
  - (1) Cancel the stop-work order; or
  - (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.
- (b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-
  - (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
  - (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.
- (c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.
- (d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

**6. INSPECTION OF SERVICES**

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS-- COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS  COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I  OCT 2008) (DEVIATION I – FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

**7. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

**8. RESPONSIBILITIES OF THE ORDERING ACTIVITY**

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Professional Services.

**9. INDEPENDENT CONTRACTOR**

All IT Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

**10. ORGANIZATIONAL CONFLICTS OF INTEREST**

a. Definitions.

“*Contractor*” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“*Contractor and its affiliates*” and “*Contractor or its affiliates*” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “*Organizational conflict of interest*” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

**11. INVOICES**

The Contractor, upon completion of the work ordered, shall submit invoices for IT Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

**12. PAYMENTS**

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time and materials orders, the Payments under Time and Materials and Labor Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time and materials orders placed under this contract. For labor hour

orders, the Payment under Time and Materials and Labor Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition. As prescribed in 16.601(e)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—
  - (1) The offeror;
  - (2) Subcontractors; and/or
  - (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

**13. RESUMES**

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

**14. INCIDENTAL SUPPORT COSTS**

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

**15. APPROVAL OF SUBCONTRACTS**

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

**16. DESCRIPTION OF IT PROFESSIONAL SERVICES AND PRICING**

- a. The Contractor shall provide a description of each type of IT Service offered under Special Item Numbers 132-51 IT Professional Services should be presented in the same manner as the Contractor sells to its commercial and other ordering activity customers. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles (labor categories) for those individuals who will perform the service should be provided.
- b. Pricing for all IT Professional Services shall be in accordance with the Contractor's customary commercial practices; e.g., hourly rates, monthly rates, term rates, and/or fixed prices, minimum general experience and minimum education.

**TERMS AND CONDITIONS APPLICABLE TO HEALTH INFORMATION  
TECHNOLOGY (IT) SERVICES (SPECIAL ITEM NUMBER 132-56)**

*Vendor suitability for offering services through the new Health IT SIN must be in accordance with the following laws and standards when applicable to the specific task orders, including but not limited to:*

- Health Information Technology for Economic and Clinical Health Act of 2009 (HITECH)
- The Health Insurance Portability and Accountability Act of 1996 (HIPAA)
- National Institute of Standards and Technology (NIST) Federal Information Processing Standards (FIPS) and Special Publications
- Federal Information Security Management Act (FISMA) of 2002

**1. SCOPE**

- a. The labor categories, prices, terms and conditions stated under Special Item Number 132-56 Health Information Technology Services apply exclusively to Health IT Services within the scope of this Information Technology Schedule.
- b. This SIN is limited to Health IT Services only. Software and hardware products are out of scope. Hardware and software can be acquired through different Special Item Numbers on IT Schedule 70 (e.g. 132-32, 132-33, 132-8).
- c. This SIN provides ordering activities with access to Health IT services.
- d. Health IT Services provided under this SIN shall comply with all Healthcare certifications and industry standards as applicable at the task order level.
- e. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

**2. ORDER**

- a. Agencies may use written orders, Electronic Data Interchange (EDI) orders, Blanket Purchase Agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

**3. PERFORMANCE OF SERVICES**

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity. All Contracts will be fully funded.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.

- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of Health IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts. All travel will be agreed upon with the client prior to the Contractor's travel.

**4. INSPECTION OF SERVICES**

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS –COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

**5. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

**6. RESPONSIBILITIES OF THE ORDERING ACTIVITY**

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite Health IT Services.

**7. INDEPENDENT CONTRACTOR**

All Health IT Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

**8. ORGANIZATIONAL CONFLICTS OF INTEREST**

**a. Definitions.**

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor's or its affiliates' objectivity in performing contract work.

- b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any

tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

## **9. INVOICES**

The Contractor, upon completion of the work ordered, shall submit invoices for Health IT Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

## **10. RESUMES**

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

## **11. INCIDENTAL SUPPORT COSTS**

Incidental support costs are not considered part of the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

## **12. APPROVAL OF SUBCONTRACTS**

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

## **13. DESCRIPTION OF HEALTH IT SERVICES AND PRICING**

- a. The Contractor shall provide a description of each type of Health IT Service offered under Special Item Numbers 132-56 Health IT Services and it should be presented in the same manner as the Contractor sells to its commercial and other ordering activity customers. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles (labor categories) for those individuals who will perform the service should be provided.
- b. Pricing for all Health IT Services shall be in accordance with the Contractor's customary commercial practices; e.g., hourly rates, monthly rates, term rates, and/or fixed prices, minimum general experience and minimum education.

Leads and provides guidance and insight into specific business functions, technologies, or approaches. Independently perform a variety of architecture, discipline, advising, design, and integration planning and execution as related to Health Implementation projects. Plans and performs technical and functional research and other assignments in specific functional or technical areas related to Health IT. May supervise a broad team of other SMEs, technical resources, or engineers. Responsible for highly complex functional and technical areas. Bachelor's Degree and 10 years of related experience.	Bachelor's Degree	10 Years
<b>Health Software Architect Level III</b>	Design, Develops and creates solutions for technical problems for healthcare clients. Utilizes the latest technologies and applies healthcare standards and industry best practices in design solutions for healthcare clients. Acts as the highest level technical expert in software design, implementation, testing, and deployment processes and techniques. Works independently or within teams to design software solutions. Performs feasibility analysis of solutions and guides technical teams on implementation, design and architecture. Bachelor's Degree with 15 years in related experience	Bachelor's Degree	15 years
<b>Health Software Architect Level II</b>	Design, Develops and creates solutions for technical problems for healthcare clients. Utilizes the latest technologies and applies healthcare standards and industry best practices in design solutions for healthcare clients. Acts as the highest level technical expert in software design, implementation, testing, and deployment processes and techniques. Works independently or within teams to design software solutions. Performs feasibility analysis of solutions and guides technical teams on implementation, design and architecture. Bachelor's Degree with 10 years in related experience	Bachelor's Degree	10 years
<b>Health Software Architect Level I</b>	Design, Develops and creates solutions for technical problems for healthcare clients. Utilizes the latest technologies and applies healthcare standards and industry best practices in design solutions for healthcare clients. Acts as the highest level technical expert in software design, implementation, testing, and deployment processes and techniques. Works independently or within teams to design software solutions. Performs feasibility analysis of solutions and guides technical teams on implementation, design and architecture. Bachelor's Degree with 7 years in related experience.	Bachelor's Degree	7 Years
<b>Health Software Engineer Level III</b>	Working under general supervision, designs, develops and implements software solutions using a variety of programming languages and tools to create applications against healthcare client's requirements. Disciplined in software development life cycle techniques and health data standards. Expert in software tools, deployment methodologies, implementation techniques, and technologies. Provides expertise in coding, testing, and debugging software applications and products. Bachelor's Degree with 10 years' experience.	Bachelor's Degree	10 years

<b>Health Software Engineer Level II</b>	Working under general supervision, designs, develops and implements software solutions using a variety of programming languages and tools to create applications against healthcare client's requirements. Disciplined in software development life cycle techniques and health data standards. Experienced in software tools, deployment methodologies, implementation techniques, and technologies. Provides assistance in coding, testing, and debugging software applications and products. Bachelor's Degree with 5 years' experience.	Bachelor's Degree	5 years
<b>Health Software Engineer Level I</b>	Working under general supervision, designs, develops and implements software solutions using a variety of programming languages and tools to create applications against healthcare client's requirements. Knowledgeable in software development life cycle techniques and health data standards. Knowledgeable in software tools, deployment methodologies, implementation techniques, and technologies. Provides assistance in coding, testing, and debugging software applications and products. Bachelor's Degree with 2 years' experience.	Bachelor's Degree	2 years
<b>Health Database Engineer Level I</b>	Working under general supervision, designs, develops and implements software that can read/write/update/delete data from databases based on healthcare client requirements and specifications. Knowledgeable in the use of database technologies and techniques to query and perform database queries, database performance tuning, and table design and optimization. Knowledgeable in developing data strategies for supporting business intelligence reporting and building solutions to optimizes client's access to data and analysis. Bachelor's Degree with 2 years of relevant experience.	Bachelor's Degree	2 years
<b>Health Test Engineer Level II</b>	Working under general supervision, designs, implements, and performs testing of software applications as part of Software Quality Assurance and Testing for projects to ensure that healthcare client requirements are met according to their acceptance criteria. Experienced in the tools, processes, documentation for developing test scripts, data, and processes for performing software and application testing. Experienced in the use of both automated and manual testing tools, techniques, and standard testing processes. Experienced in interpreting results of tests providing feedback to developers and clients on all deficiencies found. Bachelor's Degree with 5 years of relevant experience.	Bachelor's Degree	5 years
<b>Health Project Analyst Level III</b>	Working under general supervision, provides program support in analyzing requirements, documenting and recording healthcare stakeholder needs, performing general research on feasibility of functional and technical requirements. Expert in documenting user requirements and using tools to facilitate the creation of requirements related artifacts. Works closing with project managers to support day to day operations. Provides analysis and feedback on schedule, performance, cost of client projects. Expertise in capturing business processes, workflows, and supporting information for IT systems and applications. Bachelor's Degree with 7 years of relevant experience.	Bachelor's Degree	7 years
<b>Health Project Analyst Level I</b>	Working under general supervision, provides program support in analyzing requirements, documenting and recording healthcare stakeholder needs, performing general research on feasibility of functional and technical requirements. Knowledgeable in documenting user requirements and using tools to facilitate the creation of requirements related artifacts. Works closing with project managers to support day to day operations. Provides analysis and feedback on schedule, performance, cost of client projects. Exposure to capturing business processes, workflows, and supporting information for IT systems and applications. Bachelor's Degree with 2 years of relevant experience.	Bachelor's Degree	2 years

<b>Health Technical Writer Level III</b>	Working under general supervision, provides program and project level support in the editing of technical and functional documentation related to health, medical, clinical systems processes. Expert in correcting typographical errors, grammar, punctuation, and formatting issues within documents. Expert in tools and techniques to produce high quality documents using word processing and desk top publishing applications. Expert in gathering data and information from other project and program team members to be able to assemble well written documentation meeting client needs. Bachelor's Degree with 7 years of relevant experience.	Bachelor's Degree	7 years
