   009615821

26. Notification regarding registration in System for Award Management (SAM) database.  
   Actively registered in the SAM database. Cage Code: 5EVJ4. SBA 8(a) Program Participant.
About ITinfra

ITinfra specializes in **IT Infrastructure Optimization**. We have expertise in most current IT Infrastructure technologies. Our goal is making our customers’ IT Infrastructure better: more reliable, more robust, more resilient, more responsive, and more secure.

Core Competencies

- **Cybersecurity**: Compliance Assessment, Penetration Test, Risky and Vulnerability Assessment and Mitigation, Threat Identification and Protection.
- **Enterprise Network**: LAN/WAN, Collaborative Computing, Unified Communications.
- **Data Center**: Windows, Linux, Virtualization, Database.
- **Cloud Computing**: Cloud Migration, Hybrid Cloud Integration, Cloud Security.

We strive to continuously improve our core competencies in the rapidly evolving industry, to provide the best services to our customers.

Why ITinfra

- Dun & Bradstreet Open Ratings overall **97/100**
- Superior technical leadership
- Customers’ testimonials (see web site)
- Highly coveted industry certifications
Labor Category Descriptions

Job Title: Project Manager
Minimum Experience: Five (5) years of experience in, the full project management life cycle and/or software development life cycle for the implementation of highly complex, large-scale, strategic IT and business initiatives.

Functional Responsibility: Implementing established policies, system monitors and controls to ensure the successful management and reporting of all corporate initiatives in the program.
