Authorized Federal Supply Schedule Pricelist

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!, a menu-driven database system. The INTERNET address for GSA Advantage! is: GSAAdvantage.gov.

MULTIPLE AWARD SCHEDULE

LARGE CATEGORY: INFORMATION TECHNOLOGY
SUBCATEGORY: IT HARDWARE

Special Item Number 33411   Purchase of New Electronic Equipment

Includes desktop, laptop, tablet computers (including rugged), servers, storage equipment, hyper-converged integrated systems, supercomputers, routers, switches and other communications equipment, IT security equipment (hardware based firewalls), audio and video (AV) equipment, public address systems, monitors/displays, sensors and other Internet of Things (IOT) devices, printers and Multi-Function Device (MFD) equipment, broadcast band radio, two-way radio (LMR), microwave radio equipment, satellite communications equipment, radio transmitters/receivers (airborne), radio navigation equipment/antennas, optical/imaging systems, and associated peripherals required for operations (such as controllers, connectors, cables, drivers, adapters, etc., ancillary installation of any equipment purchased.

NOTE: Subject to Cooperative Purchasing

FSC/PSC Code: 7010

Special Item Number 811212   Computer and Office Machine Repair and Maintenance

NOTE: Subject to Cooperative Purchasing

FSC/PSC Code: J070

LARGE CATEGORY: INFORMATION TECHNOLOGY
SUBCATEGORY: IT SERVICES

SIN 54151S   Information Technology Professional Services

IT Professional Services and/or labor categories for database planning and design; systems analysis, integration, and design; programming, conversion and implementation support; network services, data/records management, and testing.

The Contractor shall not resell IT Professional Services, except that IT professional services may only be resold in direct support of products that are authorized to be sold via the schedule contract, e.g. SIN 54151 - Software Maintenance Services that supports SIN 511210 - Software Licenses. (This does not include SINs within the IT Services Subcategory).

NOTE: Subject to Cooperative Purchasing

FSC/PSC Code: D399
LARGE CATEGORY: MISCELLANEOUS
SUBCATEGORY: COMPLEMENTARY SINs

Special Item Number OLM  Order-Level Materials (OLM)

OLMs are supplies and/or services acquired in direct support of an individual task or delivery order placed against a Schedule contract or BPA. OLM pricing is not established at the Schedule contract or BPA level, but at the order level. Since OLMs are identified and acquired at the order level, the ordering contracting officer (OCO) is responsible for making a fair and reasonable price determination for all OLMs.

OLMs are procured under a special ordering procedure that simplifies the process for acquiring supplies and services necessary to support individual task or delivery orders placed against a Schedule contract or BPA. Using this new procedure, ancillary supplies and services not known at the time of the Schedule award may be included and priced at the order level.

OLM SIN-Level Requirements/Ordering Instructions:

OLMs are:
• Purchased under the authority of the FSS Program
• Unknown until an order is placed
• Defined and priced at the ordering activity level in accordance with GSAR clause 552.238-115 Special Ordering

Procedures for the Acquisition of Order-Level Materials. (Price analysis for OLMs is not conducted when awarding the FSS contract or FSS BPA; therefore, GSAR 538.270 and 538.271 do not apply to OLMs)
• Only authorized for use in direct support of another awarded SIN.
• Only authorized for inclusion at the order level under a Time-and-Materials (T&M) or Labor-Hour (LH) Contract Line Item Number (CLIN)
• Subject to a Not To Exceed (NTE) ceiling price

OLMs are not:
• "Open Market Items"
• Items awarded under ancillary supplies/services or other direct cost (ODC) SINs (these items are defined, priced, and awarded at the FSS contract level)

OLM Pricing:
• Prices for items provided under the Order-Level Materials SIN must be inclusive of the Industrial Funding Fee (IFF).
• The value of OLMs in a task or delivery order, or the cumulative value of OLMs in orders against a FSS BPA awarded under an FSS contract, cannot exceed 33.33%.

NOTE: When used in conjunction with a Cooperative Purchasing eligible SIN, this SIN is Cooperative Purchasing Eligible.

NOTE: Subject to Cooperative Purchasing

FSC/PSC Code: 0000

Schedule Contract Number
47QTCA19D003F

3. Minimum Order: $100

4. Geographic Coverage: Domestic
5. Points of Production:

Cybernetics Equipment and Maintenance Services: Yorktown VA (USA)

Maureen Data Systems IT Services: New York NY (USA)

6. Discount from List Price or Statement of Net Price:

The GSA Net Prices published on the GSA Advantage website reflect the fully burdened price. The negotiated discount has been applied and the Industrial Funding Fee has been added.

7. Quantity Discount: None.

Note: Prompt Payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.

9. Government Purchase Card: Accepted for all purchases.

10. Foreign Item: Not Applicable.

11a. Time of Delivery:

Special Item Number 33411 As negotiated with the Ordering Activity
Special Item Number 811212 As negotiated with the Ordering Activity
Special Item Number 54151S As negotiated with the Ordering Activity
Special Item Number OLM As negotiated with the Ordering Activity

11b. Expedited Delivery: Please contact the Contract Administrator for availability and rates.

11c. Overnight and 2-day Delivery: Please contact the Contract Administrator for availability and rates.

11d. Urgent Requirements:

Please contact the Contract Administrator for availability and rates associated with accelerated delivery options.

12. F.O.B. Point: Destination

13a. Ordering Address:

Andrea Parado
Project Manager
Maureen Data Systems, Inc.
500 West 43rd Street
Suite 33E
New York NY 10036
201-874-5989 (telephone)
212-328-1713 (facsimile)
aparado@mdsny.com

13b. Ordering Procedures:

For supplies and services, the ordering procedures and information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.
14. Payment Address:

Stewart E Lande  
Executive Vice President  
Maureen Data Systems, Inc.  
500 West 43rd Street  
Suite 33E  
New York NY 10036

347-668-9406 (telephone)  
212-328-1713 (facsimile)  
stewart@mdsny.com

15. Warranty Provisions:

Cybernetics' Standard Commercial Warranty passes through to the Ordering Activity.  
Maureen Data Systems' IT Services shall be completed in a good and workmanlike manner.

17. Terms and conditions of Government purchase card acceptance:

Please contact the Contract Administrator for additional terms and conditions of acceptance.

18. Terms and conditions of Rental, Maintenance, and Repair: Not Applicable.

19. Terms and conditions of Installation: Not Applicable.

20. Terms and conditions of Repair Parts indicating date of parts price lists and any discounts from list prices:

Not Applicable.

20a. Terms and conditions for any other Service: Not Applicable.

22. List of Participating Dealer: Not Applicable.

24a. Special Attributes such as Environmental Attributes (E.G., Recycled Content, Energy Efficiency, and/or Reduced Pollutants):

Not Applicable.

24b. Section 508 Compliance Information:

Section 508 compliance information on the supplies and services in this contract are available in Electronic and Information Technology (EIT). The EIT standard can be found at: http://www.Section508.gov/.

25. Data Universal Number System (DUNS) Number: 008 150 653
26. Notification regarding registration in System for Award Management (SAM) database:

Contractor has a current registration in SAM.

SPECIAL ITEM NUMBER 54151S
INFORMATION TECHNOLOGY PROFESSIONAL SERVICES

Senior Systems Architect

Minimum/General Experience: Ten (10) years technical experience in general computer networking, including two to three years of demonstrated specialized discipline in one or more major vendor certifications; ability to supervise several junior engineers; designs enterprise, multi-protocol computer networks; proficient with Microsoft or Unix based systems.

Functional Responsibility: Develops and modifies complex systems and subsystems to enhance network operations; applies analytical techniques when gathering user information; develops procedures for resolving work problems; develops specifications to enable programmers to prepare required applications; gathers statistics and analyses data; prepares project synopses; compares alternatives; coordinates the various teams working on projects.

Minimum Education and Certifications: Bachelor's Degree in Computer Science, Mathematics or Electrical Engineering. Cisco CCIE, Microsoft MCSE, A+ or Sun Certified System Administrator.

Information Security Analyst

Minimum/General Experience: Seven (7) years technical experience in general computer networking including two to three years of demonstrated specialized discipline in one or more major vendor security certifications; ability to supervise several junior engineers; designs enterprise, multi-protocol computer networks; proficient with Microsoft or Unix based systems.

Functional Responsibility: Plans security measures to protect computer systems, networks, and data. Performs Vulnerability Assessments and Gap Analysis of computer networks for data loss prevention and end point protection. Educates end users on proper handling of data and electronic mail. Performs penetration tests, provides compliance guidance for a range of regulatory mandates.

Minimum Education and Certifications: Bachelor's Degree in Computer Science, Mathematics or Electrical Engineering. Cisco CCNP or CCDP, Microsoft MCSE, CISO.

Senior Systems Engineer

Minimum/General Experience: Seven (7) years technical experience in general computer networking including two to three years of demonstrated specialized discipline in one or more major vendor certifications; ability to supervise several junior engineers; designs enterprise, multi-protocol computer networks; proficient with Microsoft or Unix based systems.

Functional Responsibility: Develops and modifies complex systems and subsystems to enhance network operations; applies analytical techniques when gathering user information; develops procedures for resolving work problems; develops specifications to enable programmers to prepare required applications; gathers statistics and analyses data; prepares project synopses; compares alternatives; coordinates the various teams working on projects.

Minimum Education and Certifications: Bachelor's Degree in Computer Science, Mathematics or Electrical Engineering. Cisco CCNA, Microsoft MCSE or equivalent.
Cloud Systems Consultant

Minimum/General Experience: Seven (7) years technical experience in general computer networking including two to three years of demonstrated specialized discipline in one or more major vendor certifications; ability to supervise several junior engineers; designs enterprise, multi-protocol computer networks; proficient with Microsoft or Unix based systems.

Functional Responsibility: Develops private, public, and hybrid cloud computing environments. Migrates data from on premise to the cloud. Applies security measures for cloud systems. Works with IaaS, PaaS, and virtualized networks to seamlessly when gathering user information; develops procedures for resolving work problems; develops specifications to enable programmers to prepare required applications; gathers statistics and analyses data; prepares project synopses; compares alternatives; coordinates the various teams working on projects.

Minimum Education and Certifications: Bachelor’s Degree in Computer Science, Mathematics or Electrical Engineering. Cisco CCNA, Microsoft MCSE or equivalent certification.

IT Project Manager

Minimum/General Experience: Five (5) years technical experience in general computer networking including two to three years of demonstrated specialized discipline in one or more major vendor certifications; ability to supervise several junior engineers; designs enterprise, multi-protocol computer networks; proficient with Microsoft or Unix based systems.

Functional Responsibility: Provides direction to guide the execution of projects, scheduling and assigning duties to subordinates and subcontractors. Ensures standards are maintained, contract compliance achieved and prepares written and oral reports to upper management.

Minimum Education and Certifications: Bachelor’s Degree in Computer Science, Mathematics or Electrical Engineering. Cisco CCNA, Microsoft MCSE or equivalent certification.

SPECIAL ITEM NUMBER 33411
PURCHASE OF NEW EQUIPMENT

INFORMATION TECHNOLOGY CATEGORY
IT HARDWARE SUBCATEGORY
SPECIAL ITEM NUMBER 811212
COMPUTER AND OFFICE MACHINE REPAIR AND MAINTENANCE

HARDWARE MAINTENANCE ORDER TERMS

1) Service Areas
   a) Maintenance services are NOT performed at the Ordering Activity's location.
   b) When maintenance and/or repair services cannot be performed at the ordering activity installation site, the repair services will be performed at the Contractor's plant(s) listed below:

   Cybernetics
   121 Production Drive
   Yorktown VA 23693
   757-597-0985 (phone)

2) Loss or Damage
   When the Contractor moves equipment to its/OEM location for repairs, the Contractor shall be responsible for any damage or loss, from the time the equipment is removed from the ordering activity installation, until the equipment is returned to such installation.

3) Scope
   a) The Contractor shall provide maintenance for all equipment listed herein, as requested by the ordering activity during the contract term. Repair service and repair parts/spare parts shall apply exclusively to the equipment types/models within the scope of the Information Technology Category.
   
   b) Equipment placed under maintenance service shall be in good operating condition.
   i) In order to determine that the equipment is in good operating condition, the equipment shall be subject to inspection by the Contractor, without charge to the ordering activity.
   
   (ii) Costs of any repairs performed for the purpose of placing the equipment in good operating condition shall be borne by the Contractor, if the equipment was under the Contractor/OEM guarantee/warranty or maintenance responsibility prior to the effective date of the maintenance order.
   
   (iii) If the equipment was not under the Contractor/OEM responsibility, the costs necessary to place the equipment in proper operating condition are to be borne by the ordering activity, in accordance with the provisions of the contract.
4) Responsibilities
   a) For equipment not covered by a maintenance contract or warranty, repair service personnel shall complete repairs as soon as possible after notification by the ordering activity that service is required. Within the service areas, this repair service should normally be done within 4 hours after notification.

   b) If the Ordering Activity task or delivery order specifies a factory authorized/certified service personnel then the Contractor is obligated to provide such a factory authorized/certified service personnel for the equipment to be repaired or serviced, unless otherwise agreed to in advance between the Ordering Activity and the Contractor.

5) Maintenance Rate Provisions
   a) The Contractor shall bear all costs of maintenance, including labor, parts, and such other expenses as are necessary to keep the equipment in good operating condition, provided that the required repairs are not occasioned by fault or negligence of the ordering activity.

      i) Regular Hours: The basic monthly rate for each make and model of equipment shall entitle the ordering activity to maintenance service during a mutually agreed upon nine (9) hour principal period of maintenance, Monday through Friday, exclusive of holidays observed at the ordering activity location.

      ii) After Hours: Should the ordering activity require that maintenance be performed outside of regular hours, charges for such maintenance, if any, will be specified in this Schedule Pricelist. Periods of less than one hour will be prorated to the nearest quarter hour.

      iii) Travel and Transportation: If any charge is to apply, over and above the regular maintenance rates, due to the distance between the ordering activity location and the Contractor/OEM’s service area, the charge will be negotiated at the Task Order level.

   b) Quantity Discounts from listed maintenance service rates for multiple equipment owned and/or leased by an ordering activity shall be provided below.

   The Provisions are outside the scope of the Contract.

HARDWARE REPAIR SERVICE ORDER TERMS

1) Service Areas
   a) Repair services are NOT performed at the Ordering Activity’s location.

   b) When maintenance and/or repair services cannot be performed at the ordering activity installation site, the repair services will be performed at the Contractor's plant(s) listed below:

      Cybernetics
      121 Production Drive
      Yorktown VA  23693
      757-597-0985 (phone)

2) Loss or Damage
   When the Contractor moves equipment to its location for repairs, the Contractor shall be responsible for any damage or loss, from the time the equipment is removed from the ordering activity installation, until the equipment is returned to such installation.
3) **Scope**
   
a) The Contractor shall provide maintenance for all equipment listed herein, as requested by the ordering activity during the contract term. Repair service and repair parts/spare parts shall apply exclusively to the equipment types/models within the scope of the Information Technology Category.

b) Equipment placed under repair service shall be in good operating condition.
   
i) In order to determine that the equipment is in good operating condition, the equipment shall be subject to inspection by the Contractor, without charge to the ordering activity.

   ii) Costs of any repairs performed for the purpose of placing the equipment in good operating condition shall be borne by the Contractor, if the equipment was under the Contractor/OEM guarantee/warranty or maintenance responsibility prior to the effective date of the maintenance order.

   iii) If the equipment was not under the Contractor/OEM responsibility, the costs necessary to place the equipment in proper operating condition are to be borne by the ordering activity, in accordance with the provisions of the contract.

4) **Responsibilities**
   
a) For equipment not covered by a maintenance contract or warranty, repair service personnel shall complete repairs as soon as possible after notification by the ordering activity that service is required. Within the service areas, this repair service should normally be done within 4 hours after notification.

b) If the Ordering Activity task or delivery order specifies a factory authorized/certified service personnel then the Contractor is obligated to provide such a factory authorized/certified service personnel for the equipment to be repaired or serviced, unless otherwise agreed to in advance between the Ordering Activity and the Contractor.

5) **Repair Service Rate Provisions**
   
a) Charges for repair service will include the labor charge, computed at the rates set forth below, for the time during which repairmen are actually engaged in work, and, when applicable, the charge for travel or transportation.

b) Multiple Machines: When repairs are ordered by the ordering activity on two or more machines located in one or more buildings within walking distance of each other, the charges will be computed from the time the repairman commences work on the first machine, until the work is completed on the last machine. The time required to go from one machine to another, or from one building to another, will be considered actual work performance, and chargeable to the ordering activity, provided the time consumed in going between machines (or buildings) is reasonable.

c) At the Contractor/OEM’s Facility
   
i) When equipment is returned to the Contractor/OEM’s Facility for adjustments or repairs which are not covered by the guarantee/warranty provision, the cost of transportation, packing, etc. from the ordering activity location to the Contractor’s plant, and return to the ordering activity location, shall be borne by the ordering activity.

   ii) The ordering activity should not return defective equipment to the Contractor/OEM for adjustments and repairs or replacement without prior consultation and instruction.
d) At the Ordering Activity Location (Within Established Service Areas)
   i) When equipment is repaired at the ordering activity location, and repair service rates are established for service areas or zones, the listed rates are applicable to any ordering activity location within such service areas or zones. No extra charge, time, or expense will be allowed for travel or transportation of repairmen or machines to or from the ordering activity office; such overhead is included in the repair service rates.

e) At the Ordering Activity Location (Outside Established Service Areas)
   i) If repairs are to be made at the ordering activity location, and the location is outside the service area terms defined in the GSA Price list. Rates negotiated at the task order will apply.
   
   ii) When the overall travel charge computed at the above mileage rate is unreasonable (considering the time required for travel, actual and necessary transportation costs, and the allowable ordering activity per diem rate for each night the repairman is required to remain overnight at the ordering activity location), the ordering activity shall have the option of reimbursing the Contractor for actual costs, provided that the actual costs are reasonable and allowable. The Contractor shall furnish the ordering activity with a report of travel performed and related expenses incurred. The report shall include departure and arrival dates, times, and the applicable mode of travel.

f) Labor Rates
   i) Regular Hours: Contract rates shall entitle the ordering activity to repair service during the period 8:00 a.m. to 5:00 p.m., Monday through Friday, exclusive of holidays observed at the ordering activity location. There shall be no additional charge for repair service, which was requested during regular hours, but performed at the convenience of the Contractor outside the regular hours.
   
   ii) After Hours: Should the ordering activity require that service be performed outside of regular hours, charges for such service, if any, will be specified below. Periods of less than one hour will be prorated to the nearest quarter hour.

   iii) Sundays and Holidays: When the ordering activity requires that repair service be performed on Sundays and Holidays observed at the ordering activity location, the Sundays and Holidays repair service rates shall apply, and will be specified below. Periods of less than one hour will be prorated to the nearest quarter hour.
