25. **DUNS NUMBER:** 615195344

26. **NOTIFICATION REGARDING REGISTRATION IN SYSTEM FOR AWARD MANAGEMENT (SAM) DATABASE:** Active in SAM. CAGE Code 7PMA9

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF
GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY NEW
EQUIPMENT(SPECIAL ITEM NUMBER 132-8)**

1. MATERIAL AND WORKMANSHIP

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

3. TRANSPORTATION OF EQUIPMENT

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

4. INSTALLATION AND TECHNICAL SERVICES

a. **INSTALLATION.** When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

See attached pricelist.

b. **INSTALLATION, DEINSTALLATION, REINSTALLATION.** The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall received less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8 or SIN 132-9.

c. **OPERATING AND MAINTENANCE MANUALS.** The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with the equipment being purchased.

5. INSPECTION/ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its post acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

6. WARRANTY

- a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.
- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. **Limitation of Liability.** Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items:
- d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: N/A

7. PURCHASE PRICE FOR ORDERED EQUIPMENT

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

8. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT

When an ordering activity determines that Information Technology equipment will be replaced, the ordering activity shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43.6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).

Return Information and Conditions of Sale

If you are not completely satisfied with your order, 3GStore offers a 30-day return policy (which begins on the day your order ships, with certain exceptions noted below) during which you may request a **Return Merchandise Authorization by contacting 3GStore at 866-3GSTORE (866-347-8673), Extension 762**. With the exception of the products/services detailed below, returned 3Gstore equipment is eligible for a 100% store credit (less shipping charges) OR a credit back to your payment method less a 20% restocking fee (Bitcoin orders are eligible ONLY for store credit). However, *if the 3GStore procedures are not followed you may incur a reduced refund or no refund at all.*

Important RMA rules and exceptions:

- Return shipping costs are the responsibility of the customer.
- In the unlikely event that an item is missing from your order or the order is in any way damaged/incomplete, you must report the issue to us within 3 days. 3Gstore is NOT obligated to replace missing/damaged items if they are not reported within 3 days.
- Shipping charges are NOT refundable. Additionally, if you received free or flat-rate shipping at the time of your order and later return the order, the actual cost of shipping paid by 3Gstore will be deducted from your store credit/refund amount unless the 20% restocking fee is assessed.
- In the event that your package has to be redirected by FedEx/UPS after it has shipped due to customer error or request (e.g. you entered an incorrect address

HELPING YOU STAY CONNECTED

when placing the order OR you simply decide you want it delivered to an alternate location once it's already in transit), you will automatically be charged a \$15 redirect fee.

- Most equipment falls under our 30-day policy, which begins on the day your order ships. **However, there are a few exceptions:**
 - SIM cards are non-returnable.
 - "Open box" items are non-returnable.
 - Special order and custom items may not be returnable.
 - Router upgrade fees, extended warranties, and manufacturer service plans/licenses are non-refundable.
 - SimplyBonding service fees are non-refundable
- The original product(s) must be returned in otherwise new condition with ALL original materials (original packaging, manuals and accessories). All returned items will be inspected upon receipt at our warehouse, and if the product(s) is scratched, dirty, missing packaging/parts or in otherwise used condition your total refund will be decreased or denied.
- You MUST request an RMA before returning an order - if you return products without contacting 3GStore for an RMA there will be an automatic 20% restocking fee in addition to the standard 20% restocking fee that is applicable to all items being returned for a refund. We are NOT obligated to offer full or partial refunds for returns WITHOUT an RMA number.
- If you return your item(s) AFTER the 30-day time frame and your RMA has expired we are NOT obligated to credit your order.
- Any refused shipments will incur a 20% restocking fee plus the cost of return shipping.
- If you are returning a product that came with free accessories, you must return the free accessories as well. If you fail to return the accompanying free accessories, your refund will be reduced or you will be charged our regular sale price for the free items.

After requesting an RMA:

- 3Gstore will email you detailed instructions for returning your products. It is very important that you follow the instructions provided and ship your return to the address listed in the RMA email. If your product is returned to us in like-new

condition and you have followed our return policy, 3Gstore will issue your refund or credit:

- Customers may choose to receive either a store credit for 100% of the value of the returned equipment (your store credit information will be emailed to you within 15 business days), OR
- If you prefer a refund back to your original payment method, there will be a 20% restocking fee and your credit will be processed within 15 business days.
- **Orders paid via Bitcoin are ONLY eligible for store credit (no refunds)**
- You must include your RMA number on the side(s) of the box you are shipping your items back to us in. Do not write on the manufacturers packaging, only the OUTER shipping carton!
- RMAs are valid for 10 days. If you do not return your items within 10 days of receiving the RMA instructions from 3Gstore, you may receive a reduced refund or no refund at all.

By purchasing from our web site you acknowledge that you have read and agree to all terms and conditions.

If you have already ordered from 3Gstore and need technical support, please do not hesitate to [contact us](#). We are proud to provide excellent technical support and are happy to assist you!

Peplink Warranty Statement

Standard Hardware/Software Warranty Policy.

Peplink warrants solely to the original end user purchaser (“Purchaser”) that hardware (“Hardware”) purchased from Peplink or our Authorized Partners will be free from defects in materials and workmanship when used within the limits set forth in the documentation (data sheet and user manual) for a period of twelve (12) months, starting from the time of shipment of the Hardware.

This limited warranty is non-transferable and extends only to the original end-user purchaser who acquired the Hardware from an Authorized Partner who has the right to sell in the end-user’s territory. Peplink explicitly disclaims any warranty obligations for Hardware that is sold outside of the assigned territory of an Authorized Partner. Your exclusive remedy and Peplink’s entire liability under this limited warranty will be for Peplink, at its option, to (a) repair the Hardware with new or refurbished parts, or (b) replace the Hardware with a reasonably available equivalent new or refurbished Peplink Hardware. Any repaired or replacement Hardware will be warranted for the remainder of the original Warranty Period or thirty (30) days, whichever is longer. All Hardware and parts that are replaced become the property of Peplink.

Exclusion and Limitations

This limited warranty does not apply if: (a) the Hardware assembly seal has been removed or damaged, (b) the Hardware has been altered or modified, except by Peplink, (c) the Hardware damage was caused by use with non Peplink Hardware, (d) the Hardware has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Peplink, (e) the Hardware has been subjected to abnormal physical or electrical stress, abuse, misuse, negligence, or accident, (f) the serial number on the Hardware has been altered, defaced, or removed, or (g) the Hardware is supplied or licensed for beta, evaluation, promotional, testing or demonstration purposes for which Peplink does not charge a purchase price or license fee.

ALL SOFTWARE PROVIDED BY PEPLINK WITH OR WITHOUT THE HARDWARE, WHETHER FACTORY LOADED ON THE HARDWARE, CONTAINED ON MEDIA ACCOMPANYING THE HARDWARE OR DOWNLOADED FROM OUR WEBSITE, IS PROVIDED “AS IS” WITHOUT WARRANTY OF ANY KIND.

Without limiting the foregoing, Peplink does not warrant that the operation of the Hardware or software will be uninterrupted or error free. Also, due to the continual development of new techniques for intruding upon and attacking networks, Peplink does not warrant that the Hardware, software or any equipment, system or network on which the Hardware or software is used will be free of vulnerability to intrusion or attack. The Hardware and software may include or be bundled with third party software or service offerings. This limited warranty shall not apply to such third party software or service offerings. This limited warranty does not guarantee any continued availability of a third party’s service for which this Hardware’s or software’s use or operation may require.

TO THE EXTENT NOT PROHIBITED BY LAW, ALL IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE DURATION OF THE WARRANTY PERIOD. ALL OTHER EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF NON-INFRINGEMENT, ARE DISCLAIMED.

Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary by jurisdiction.

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL PEPLINK BE LIABLE FOR ANY LOST DATA, REVENUE OR PROFIT, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, REGARDLESS OF THE THEORY OF LIABILITY (INCLUDING NEGLIGENCE), ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE THE HARDWARE AND/OR SOFTWARE, EVEN IF PEPLINK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL PEPLINK' LIABILITY EXCEED THE AMOUNT PAID BY YOU FOR THE HARDWARE AND/OR SOFTWARE.

The foregoing limitations will apply even if any warranty or remedy provided under this limited warranty fails of its essential purpose. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

MOBILE MARK, INC. TERMS AND CONDITIONS

Exclusive Terms of Sale. Seller has sold the goods referenced in this invoice (“Goods”) to Buyer subject in all respects to these Terms and Conditions. This invoice (“Invoice”) arises in connection with the purchase order to buy any Goods referenced in this Invoice (“Order”), these Terms and Conditions (which may also be attached to, contained in or otherwise referenced in Seller’s sales quotation, Order acknowledgement or other correspondence from Seller) will constitute the entire agreement by and between Buyer and Seller, and any additional or contrary provisions attached to, contained in or otherwise referenced in the Order or any other of Buyer’s forms or other correspondence will not be part of the agreement between Buyer and Seller. These Terms and Conditions may be modified only by a writing signed by Seller. These Terms and Conditions are for the benefit of Seller and Buyer and not for the benefit of any third party.

Cancellation of Orders. Prior to shipment by Seller, (i) Orders may be cancelled or deliveries deferred only upon the condition that Buyer assumes immediate liability, and makes payment to Seller, for all work completed to date at the unit sales price, plus work in process on the basis of the percentage of completion thereof times the unit sales price, plus raw material, tooling, engineering and other cancellation charges incurred on the basis of cost to Seller, plus handling and overhead charges; and (ii) all cancellation charges shall be determined by Seller at the time of cancellation or deferment and notice thereof shall be provided to Buyer. After shipment by Seller, Orders are non-cancellable and non-returnable unless the Goods are nonconforming.

Terms of Payment. Seller will invoice Buyer for Goods upon shipment, and Buyer will pay the invoice within thirty (30) days after the date of the invoice. Invoiced amounts not paid in accordance with these terms will bear interest at a rate equal to the lesser of (i) one and one-half percent (1.50%) per month; or (ii) the highest rate allowed under applicable law. In addition, Buyer shall pay Seller all reasonable costs and expenses incurred by Seller and its agents in connection with all attempts to collect from Buyer amounts not paid in accordance with these payment terms, including, without limitation, reasonable attorneys’ fees, collection fees, interest and court and arbitration costs. Further, if Buyer fails to pay any invoiced amount in accordance with these payment terms, Seller may, in its sole and absolute discretion and without prejudice to any of its other remedies, suspend further production and deliveries to Buyer, and, if at any time Seller determines in its sole and absolute discretion that Buyer’s financial ability is or becomes inadequate to support shipment of Goods on an open account basis, Seller reserves the right to require full cash payment or satisfactory security before continuing production or making deliveries.

Taxes. Buyer shall pay any tax, import or export duty or other governmental charge upon the production, sale, shipment or use of the Goods (collectively, "Taxes"), including any such Taxes that Seller is required to remit or to collect from Buyer, unless Buyer furnishes Seller with an exemption certificate acceptable to the applicable taxing authority. Buyer shall pay Seller all reasonable costs and expenses incurred by Seller and its agents in connection with all attempts to collect from Buyer any such Taxes, including, without limitation, reasonable attorneys' fees, collection fees, interest and court and arbitration costs.

Property and Intellectual Property Rights. Any and all tools, dies, patterns, molds and things used by Seller in manufacturing the Goods are the sole and exclusive property of Seller. In addition, Buyer will obtain no right whatsoever in any copyright, patent, trademark, trade secret, mask work or other intellectual property right pertaining to the Goods.

Freight. Terms are Ex Works (Incoterms 2010) Seller's plant. Title to Goods passes to Buyer, and Seller's liability with respect to the Goods ceases, upon making delivery of the Goods to the carrier at Seller's plant. Seller will ship Goods in a reasonable method in suitable packages, the nature of which will be determined by Seller, except where otherwise expressly agreed upon in writing by Buyer. The full cost of shipping the Goods will be added to the invoice and paid by Buyer or Goods will be shipped freight collect.

Delivery. Acceptance by Seller of an Order with a requested or required delivery date, or any estimate by Seller of the date delivery of Goods will be made, will be made by Seller in good faith, but does not represent a guarantee that delivery will occur on that requested, required or estimated delivery date. Accordingly, under no circumstances will Seller be liable for any damages, direct or consequential, arising out of any delayed delivery of Goods. Seller may make deliveries in installments, and each installment may be separately invoiced and shall be paid by Buyer as billed without regard to subsequent deliveries. Any delay in delivery of any installment or failure to ship any installment does not relieve Buyer of its obligation to accept remaining installments, unless otherwise expressly agreed to in writing by Seller.

Excuse of Performance. Seller will not be liable to Buyer for any delay or failure to perform its obligations, in whole or in part, due, directly or indirectly, to any circumstance beyond Seller's control, including, without limitation, war, terrorism, riot, flood, act of God, shortage of transportation, blockade, embargo, court order, governmental action, strike or other labor trouble, fire, damage to or destruction in whole or in part of Goods or Seller's plant or inability to obtain material, equipment or transportation (any such circumstance, a "Force Majeure Event"). If shipment of any Order is delayed by more than six (6) months because of a Force Majeure Event, either Buyer or Seller may cancel that shipment and the balance, if any, of the Order, and, in the event of any such cancellation, Buyer shall reimburse Seller for Seller's costs incurred to date in accordance with Section 2 hereof and, upon such reimbursement by Buyer to Seller, neither party will be liable to the other for any loss or damage, direct or consequential, from such cancellation. If for any reason (due to Force Majeure or otherwise), Seller is unable to supply the entire demand for the Goods in any Order for any reason, Seller reserves the right to allocate its available supply among any or all orders taken, including, without limitation, orders taken from different

customers of Seller, all on such basis as Seller may deem fair and practical, without liability to Buyer resulting therefrom.

Acceptance of Goods. Buyer shall inspect the Goods immediately upon receipt and shall give written notice to Seller of any claim that the Goods supplied are nonconforming within thirty (30) days of Buyer's receipt of such Goods. Seller will thereupon be afforded a prompt and reasonable opportunity to inspect the Goods at a location specified by Seller. If Buyer fails to give such notice within thirty (30) days of receipt or fails to provide such prompt and reasonable opportunity to inspect, the Goods will be deemed to be accepted and Buyer will be deemed to waive any right Buyer may have to revoke or refuse acceptance of the Goods or refuse to make payment therefor. Buyer must receive Seller's written authorization before returning any Goods. If Goods are returned without such written authorization, they will be refused by Seller. If Seller determines in its reasonable discretion that Goods do not comply with the Goods Warranty (as defined below) or the Order quantity, Buyer's exclusive remedy against Seller, if for (a) shortage, will be to require Seller to make up the shortage within ninety (90) days of Seller's receipt of the notice; or (b) Goods that fail to comply with the Goods Warranty, will be to return the Goods to Seller, at Seller's expense, by reasonable method of shipment, within thirty (30) days after receiving Seller's written authorization, whereupon Seller at its election shall repair or replace the same or refund the purchase price thereof. The aforesaid obligation of Seller to repair or replace Goods that fail to comply with the Goods Warranty, refund the purchase price or to make up any shortage within ninety (90) days will be (i) the limit of Seller's liability; and (ii) Buyer's sole and exclusive remedy for Goods that fail to comply with the Goods Warranty or any shortage.

Goods Warranty. Seller warrants to Buyer that for a period of two (2) years from the date of shipment the Goods will be free from defects of material and workmanship and will be in accordance with Seller's specifications or, if applicable, to any specifications provided to and accepted by Seller (the "Goods Warranty"). Seller will hold Buyer harmless against any rightful claim of any third person that the Goods infringe any U.S. patent; provided, however, if (i) Goods are manufactured pursuant to specifications provided to Seller; or (ii) to the extent that infringement arises where Goods are used or combined by Buyer or a third party with other things not furnished hereunder, then Seller will have no such indemnification obligation, and Buyer will hold Seller harmless against any such infringement claim; provided further that the party seeking to be held harmless notifies the other party and gives it the right to defend such claim. IT IS EXPRESSLY AGREED THAT THE FOREGOING WARRANTY IS IN LIEU OF ANY AND ALL OTHER WARRANTIES AND LIABILITIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. IN ADDITION, IN NO EVENT WILL THE LIABILITY OF SELLER UNDER ANY ORDER EXCEED THE PURCHASE PRICE OF THE GOODS PURCHASED ON THAT ORDER, AND FURTHERMORE, UNDER NO CIRCUMSTANCES WILL SELLER BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL OR CONTINGENT DAMAGE OR EXPENSE ARISING DIRECTLY OR INDIRECTLY FROM ANY NONCONFORMING GOODS OR FROM THE USE THEREOF (INCLUDING BUT NOT LIMITED TO LOST PROFITS), NOR IS ANY OTHER PERSON AUTHORIZED TO ASSUME FOR SELLER ANY SUCH LIABILITY.

Confidentiality. Buyer will keep in confidence and prevent the disclosure to any person all information and data disclosed to it by Seller that is marked “confidential” or by its nature ought to be considered confidential, including, but not limited to, quotes, business plans, technological techniques, prints, inventions and research and development. Notwithstanding the foregoing, Buyer will not be liable for disclosure of any confidential information if it: (i) is or becomes readily ascertainable by the public by proper means without breach of any obligation of confidentiality owed to Seller; (ii) is disclosed with the prior written approval of Seller; (iii) becomes known to Buyer from a source other than Seller without a breach of any obligation of confidentiality owed to Seller; or (iv) is required to be disclosed by Buyer pursuant to operation of law or authority of any regulatory agency.

Firmware License. Buyer may use such firmware as is installed on the Goods solely for Buyer’s own use and operation of the associated Goods. Buyer may not (i) copy any firmware;(ii) decompile, disassemble, decrypt, or reverse engineer the firmware or attempt to derive the source code for any part of the firmware; (iii) encumber any right in the firmware in favor of a third party, whether by agreement, operation of law, or otherwise; (iv) remove from the firmware or associated documentation from any product identification or proprietary rights notices; (v) sell, lease, lend or sublicense the firmware or the documentation to any third party; (vi) use the firmware for timesharing or service bureau purposes; (vii) modify or create derivative works of the firmware (except that Buyer’s code written to published APIs for the firmware will not be deemed a derivative work); or (viii) publish or disclose to any third party the results of any benchmark tests or other evaluation run on the firmware without the prior written consent of Seller.

No Implied Waiver. The failure of either party at any time to require performance by the other party of any provision of these Terms and Conditions will in no way affect the right to require such performance at any time thereafter, nor will the waiver by either party of a breach of any provision of these Terms and Conditions constitute a waiver of any succeeding breach of the same or any other provision.

Assignment and Delegations. Buyer will not assign any rights or delegate any obligations under any Order without the prior written consent of Seller. Any such consent will not release Buyer from any of its obligations under any Order. Seller may subcontract its obligations under any Order.

Governing Law; Notices; Arbitration. These Terms and Conditions will be governed by the Uniform Commercial Code of the State of Illinois without regard to choice of law rules, or to the Convention on Contracts for the International Sale of Goods. Any notice required to be sent under these Terms and Conditions will be sufficiently given if sent by U.S. Mail addressed to the party at the place of business referred to on the front side of the Order. Any dispute shall be resolved exclusively, finally and conclusively by binding arbitration conducted in Cook County, Illinois, in accordance with the commercial rules of the American Arbitration Association. Any action arising under any agreement of the parties must be commenced within one year after such cause of action accrues.

Cradlepoint Support & Warranty

Built in for Customer Success

Cradlepoint's new, simple, all-inclusive NetCloud Solution Packages include our enterprise-class, comprehensive support to keep your network secure, problem-free, and operationally efficient. Our highly trained and experienced support engineers are on standby to quickly resolve your networking issues with excellent customer service and acumen. Cradlepoint Support provides support resources and expertise to keep your network smoothly running and is available in North America, EMEA, and APAC.

Comprehensive support included in NetCloud Solution Packages for Branch, Mobile & IoT:

- 24x7 phone support
 - Weekdays – live support
 - Weekends – emergency only (target response time- maximum 2 hours)
- Online Customer Connect Portal
 - 24x7 support case management
 - 24x5 chat with Support
 - NetCloud OS upgrades
- Cradlepoint Website Knowledge Base
 - 24x7 comprehensive online support database
 - Product documentation, release notes, and product usage tips for self-service technical assistance
- Advanced Exchange: next business (or best available) day replacement
- Service level targets
- 3-year hardware warranty from date of purchase of all products sold in NetCloud Solution Packages
- [Limited Lifetime Warranty](#) for all hardware products covered under an active NetCloud Solution Package subscription

Support Tiers for (separately sold) Routers & Software Services:

Included	CradleCare Basic	CradleCare
<ul style="list-style-type: none"> • 12x5 portal support (for NCM and NetCloud Gateway only) • Knowledge Base access • NetCloud OS upgrades • Standard warranty with extended warranty options 	<ul style="list-style-type: none"> • 12x5 phone, portal and chat support for Cradlepoint routers, NCM and NetCloud Gateway • Knowledge Base access • NetCloud OS upgrades • Standard warranty with extended warranty options 	<ul style="list-style-type: none"> • 24x7 qualified phone support and 12x5 portal/chat support for Cradlepoint routers, NCM and NetCloud Gateway • Advanced Exchange: next business (or best available) day replacement • Service level targets • Knowledge Base access • NetCloud OS upgrades • Extends router warranty for term of CradleCare license

Support Services Tiers for (separately sold) NetCloud Client:

Included	CradleCare
<ul style="list-style-type: none"> • 12x5 portal support for NetCloud Client on any device (PC, iOS, Android, Mac, Linux) 	<ul style="list-style-type: none"> • 24x7 qualified phone, portal and chat support for Netcloud Client on any device (PC, iOS, Android, Mac, Linux)

Extended Warranties on (separately sold) Devices:

Extended Warranties on Cradlepoint hardware can be purchased in subsequent years, and as a follow-on warranty at the conclusion of the standard warranty period on products sold separately. No gap in coverage is allowed: the new warranty must be in place before the existing warranty expires.

- Hardware repair/replacement — extend standard warranty to 2, 3, or 5 years
- Pricing based on annual subscription
