Further, the software may be used on a sharing basis where multiple agencies have joint projects that can be satisfied by the use of the software placed at one ordering activity's site. This would allow other agencies access to one ordering activity's database. For ordering activity public domain databases, user agencies and third parties may use the computer program to enter, retrieve, analyze and present data. The user ordering activity will take appropriate action by instruction, agreement, or otherwise, to protect the Contractor's proprietary property with any

- (4) The ordering activity shall have the right to use the computer software and documentation with the computer for which it is acquired at any other facility to which that computer may be transferred, or in cases of Disaster Recovery, the ordering activity has the right to transfer the software to another site if the ordering activity site for which it is acquired is deemed to be unsafe for ordering activity personnel; to use the computer software and documentation with a backup computer when the primary computer is inoperative; to copy computer programs for safekeeping (archives) or backup purposes; to transfer a copy of the software to another site for purposes of benchmarking new hardware and/or software; and to modify the software and documentation or combine it with other software, provided that the unmodified portions shall remain subject to these restrictions.

1. DESCRIPTION OF THE SERVICES; AUTHORIZATION

- A. Services; Authorization. CampusLogic authorizes Customer and its authorized Users on a subscription basis, subject to payment of the Subscription Fees, to access and use the Services as defined in one or more Subscription Order Forms between CampusLogic and Customer, during the Term of Service and subject to the Agreement between CampusLogic and Customer, including without limitation the Service Level Agreement attached as Exhibit A (“SLA”). CampusLogic has and will retain sole control over the operation, provision, maintenance, and management of the Services.
- B. Implementation Services. CampusLogic agrees to provide on a one-time basis, and in exchange for the Implementation Fees, the implementation services (“Implementation Services”) as defined in any Subscription Order Form.
- C. Additional Services; Changes. CampusLogic reserves the right, in its sole discretion, to make any changes to the Services that it deems necessary to maintain or enhance the quality or delivery of the Services to its customers, the competitive strength or market for the Services, the Services’ cost efficiency or performance, or to comply with applicable law. In the event that CampusLogic discontinues or diminishes the Services, such that it may no longer be used for the intended purpose, that Ordering Activity has contracted for, Ordering Activity shall be entitled to a pro rata refund for any fees paid not used. CampusLogic may offer custom development, custom reports, specialized training or other advanced services to Customer (collectively “Additional Services”). Additional Services shall be provided under a separate professional services agreement mutually agreed upon by CampusLogic and Customer for the fees agreed upon between CampusLogic and Customer.
- D. Student Users. Customer agrees that Student Users’ use of the Services may be conditioned upon Student Users’ acceptance of the CampusLogic end user services agreement, website terms of use and privacy policy available upon registration for use of the Services.

2. FEES AND PAYMENT

- A. Fees. Unless otherwise specified in a Subscription Order Form, all Subscription Fees are subscription-based, not usage-based. Implementation Fees are one-time fees due prior to the Service Effective Date, unless otherwise specified in any Subscription Order Form. Customer agrees to pay the fees set forth in each Subscription Order Form between CampusLogic and Customer (the “Fees”), in accordance with this Section 2 and the GSA Schedule Pricelist.
- B. Payment. Unless otherwise specified in a Subscription Order Form, Customer agrees to pay all Fees annually within thirty (30) calendar days of the invoice receipt date. Customer shall make all payments in US dollars to the address or account on the Subscription Order Form or such other address or account as CampusLogic may specify from time to time.

- D. Reimbursable Expenses. To the extent applicable, Ordering Activity agrees to pay any travel expenses in accordance with Federal Travel Regulation (FTR)/Joint Travel Regulations (JTR), as applicable, Ordering Activity shall only be liable for such travel expenses as approved by Ordering Activity and funded under the applicable ordering document.
- E. Taxes. Customer status shall state separately on invoices taxes excluded from the fees, and the Customer agrees either to pay the amount of the taxes (based on the current value of the equipment) or provide evidence necessary to sustain an exemption, in accordance with FAR 52.229-1 and FAR 52.229-3.

Exhibit A
CAMPUSLOGIC SERVICE LEVEL AGREEMENT

This Service Level Agreement (“SLA”) is incorporated by reference in any executed Subscription Order Form between CampusLogic and Customer. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Subscription Order Form between CampusLogic and Customer. Subject to the Agreement (as defined in the Subscription Order Form), CampusLogic will use commercially reasonable efforts to make the Services available as set forth in this Service Level Agreement.

1. AVAILABILITY

A. Formula. The Services will, subject to the limitations and exceptions listed below, be available 99.9% of the time during each calendar month from the Service Effective Date (referred to herein as the “Availability Commitment”). The Services will be “available” if the Services are available for access and use by Customer and its Users over the Internet and operating in material accordance with the Documentation provided to Customer. The availability of the Services for a given month will be calculated according to the following formula (referred to herein as the “Availability”):

Where: Total minutes in the month = TMM

Total minutes in the month the Online Services are unavailable = TMU

And: $(TMM - TMU) / TMM$

B. Limitations. For purposes of this calculation, the Services will be deemed to be unavailable (referred to herein as “Unavailable”) only (i) if the Services do not respond to HTTP requests issued by CampusLogic's monitoring software, or (ii) for the duration of a Severity-1 Error as defined in the CampusLogic Customer Support Guide currently in effect (available at <http://campuslogic.com/CustomerSupportGuide>.) Further, the Services will not be deemed Unavailable for any downtime or outages excluded from such calculation by reason of the exceptions set forth in Section 2 of this SLA. CampusLogic's records and data will be the basis for all SLA calculations and determinations.

C. Requested Maintenance. Maintenance performed at Customer's request outside of the normally scheduled maintenance will not be considered an outage or as Unavailability of the Services.

2. EXCEPTIONS

A. The Services will not be considered to be Unavailable for any outage that results from any maintenance performed by CampusLogic (a) prior to the Service Effective Date; or (b) during CampusLogic's standard maintenance windows which occur Saturdays and Sundays between 12:01am and 6:00am Eastern Standard Time (collectively referred to herein as “Scheduled Maintenance”).

B. The Services will not be considered Unavailable for any outage of the Services due to (a) Customer's information content or application programming, acts or omissions of Customer or its agents; (b) delays or failures due to circumstances beyond CampusLogic's reasonable control that could not be avoided by its exercise of due care; (c) failures of Internet backbone itself and the network by which Customer connects to the Internet backbone or any other network unavailability outside of the CampusLogic network; or (d) any suspension of the Services as set forth in the Agreement.

3. REMEDIES

A. Subject to the exceptions provided for in this SLA, Customer will have the rights set forth below.

i.If the total Availability (as calculated in Section 1 above) for a given month is less than the Availability Commitment, Customer will receive one Service Credit. In addition, each 100 minute increment by which the allowable Unavailability is exceeded, Customer will receive one-half (1/2) of a Service Credit.

ii.For purposes of this SLA, a Service Credit will be deemed to be an amount equal to the pro-rata Fee for one (1) day of the subscription to the affected Services (herein referred to as "Service Credit"). The total Service Credits for a given month will, in no event, exceed an amount equal to fifty percent (50%) of the then-current pro-rata monthly Fee for the applicable subscription to use the affected Services. Service Credits will be applied to extend the Term of Service of the applicable Subscription Order Form.

iii.Remedies will not accrue (i.e., no Service Credits will be issued and an outage will not be considered Unavailable for purposes of this SLA) if Customer is not current in its payment obligations. CampusLogic has no obligation to issue any Service Credit unless Customer reports the Unavailability to CampusLogic immediately upon becoming aware of such outage.

B. Upon written request from Customer, CampusLogic shall promptly provide a report specifying the level of Unavailability and Service Credits due (if any) for the requested month. To receive Service Credits, Customer must submit such request within 90 days after the end of the month in which the Services were Unavailable.

C. This Section 3 sets forth CampusLogic's sole obligation and liability and Customer's sole remedy for any service level failure as set forth in this section 3.

4. MODIFICATIONS

A. CampusLogic reserves the right to modify the non-material terms of this Service Level Agreement, at any time, by providing notice of such modified terms to Customer as set forth herein. All modifications will be posted on the CampusLogic website (www.campuslogic.com/legal) and Customer will be notified of such modifications at least thirty (30) days prior to posting of the modified Service Level Agreement. Modifications will be deemed accepted and become effective thirty (30) days after the date of such notice unless Customer provides CampusLogic written notice of rejection of the modifications during such thirty (30) day period. Customer's continued use of the Service following the effective date of the modification and silence during the notice period will constitute Customer's consent to the modified Service Level Agreement. Any material updates to this agreement shall be presented to Ordering Activity for review and will not be effective unless and until both parties sign a written agreement updating these terms.
