1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. See page 4.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. See Price List on page 4.

2. Maximum Order: $500,000.00

3. Minimum Order: $100.00

4. Geographic Coverage (delivery Area): CONUS

5. Point(s) of production (city, county, and state or foreign country): Same as company address

7. Quantity discounts: None offered

8. Prompt payment terms: Net 30 days. Information for ordering officers: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.

9a. Notification that Government purchase cards are accepted up to the micro-purchase threshold: Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold: will accept

10. Foreign items (list items by country of origin): None

11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: Contact Contractor

Service Contract Labor Standards (SCLS) are applicable to this contract and it includes SCLS-eligible labor categories. The prices for the cited SCLS labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCLS matrix above. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCLS rates, resulting in lower wages being paid, the task order prices will be discounted accordingly. The WD is based upon the Geographic Area is for Washington DC.

**LABOR CATEGORY DESCRIPTIONS**

**Sr. IT PM Analyst**

**Functional Responsibilities:** Responsible for performing senior level program management analytic support for Information Technology tasks, programs and projects. Performs day to day operational support. Works with leadership to develop strategic materials. Provides analytical support and reviews for Information Technology programs including budgetary, risks, issues, accomplishments, milestones, program direction and critical project reporting.
