23. Unique Entity Identifier (UEI) number. **U33WN6KKTTW4**

24. Notification regarding registration in System for Award Management (SAM) database.
**Contractor registered and active in SAM**

**Service Contract Labor Standards:** The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

*DASTON Corporation* offers the following IT Services listed under this schedule. Ordering activities are encouraged to contact or work with a *DASTON Corporation* GSA ordering representative to plan/or specify their ordering requirements. The IT Services may be ordered in whole or in part, requiring differing labor mixes and hours. IT Services can also be combined in a single order for more comprehensive or longer-term on- or off-site services. *DASTON Corporation* will provide help to ordering activities to specify their minimum requirements necessary to ensure complete and satisfactory performance.

*DASTON Corporation* offers only the personnel who meet or exceed the minimum qualification requirements stated in the Commercial Labor Category Descriptions provided herein. *DASTON Corporation* does allow experience to substitute for education requirements. *DASTON Corporation* s criterion for minimum experience substitution by educational degree is as follows.

| | |
|---|---|
| Undergraduate: | Minimum of one (1) year additional relevant project and/or language experience may substitute for undergraduate degree. |
| Graduate or Above: | Minimum of two (2) years additional and relevant project and/or language experience may substitute for graduate degree. |

GSA and/or the ordering activities may have access to any *DASTON Corporation* employee resume (by request) before, during or after assignment of any GSA order. If for some extenuating reason a person assigned to an order must be replaced or substituted, the ordering activity will be notified in advance, in writing, and the substituting personnel will have equal or greater qualifications than specified in the labor category description of the departing employee.

## Commercial Job Title Descriptions & Pricing

| Labor Category Title | Description | Minimum Education | Minimum Years of Experience |
|---|---|---|---|
| Project Manager | The functional description areas consist of, but are not limited to any of the following:<br>Perform day-to-day management of overall task order support operation. Responsible for requiements gathering, development of training plans, and excution of the training. | 5 Years of IT service experience including three years of specialized IT service |

## Terms and Conditions Applicable To Term Software Licenses (Special Item Number 511210)

### 1. Scope

a. The prices, terms and conditions stated under Special Item Number 511210 Term Software Licenses apply exclusively to software product licenses within the scope of this Information Technology Schedule.

b. *DASTON Corporation* shall provide the software product licenses at the Contractor's facility and/or at the ordering activity location via Internet provisioning, as agreed to by the Contractor and the ordering activity.

### 2. Order

a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003)

Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.

b. All delivery orders are subject to the terms and conditions of the contract. In the event of conflict between a delivery order and the contract, the contract will take precedence.

**4. Delivery of Software Licenses**

a. *DASTON Corporation* shall deliver the software product licenses on the date agreed to by the Contractor and the ordering activity via Internet provisioning procedures.

b. *DASTON Corporation* agrees to deliver the software products only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.

c. Any travel, if required, by *DASTON Corporation* for the delivery of the software product licenses must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all *DASTON Corporation* travel. *DASTON Corporation* cannot use GSA city pair contracts.

**5. Stop-Work Order (FAR 52.242-15) (Aug 1989**

(a) The Contracting Officer may, at any time, by written order to *DASTON Corporation*, require *DASTON Corporation* to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to *DASTON Corporation*, and

for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, *DASTON Corporation* shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to *DASTON Corporation*, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, *DASTON Corporation* shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

(1) The stop-work order results in an increase in the time required for, or in the *DASTON Corporation*'s cost properly allocable to, the performance of any part of this contract; and

(2) *DASTON Corporation* asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

**6. Inspection of Services**

The Inspection of Services–Fixed Price (AUG 1996) (Deviation – May 2003) clause at FAR 52.246-4 applies to firm-fixed price orders placed under this contract. The Inspection–Time-and-Materials and Labor-Hour (JAN 1986) (Deviation – May 2003) clause at FAR 52.246-6 applies to time-and-materials and labor-hour orders placed under this contract.

**7. Responsibilities of the Contractor**

*DASTON Corporation* shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a delivery order is software, then FAR 52.227-14 (Deviation – May 2003) Rights in Data – General, may apply.

**8. Responsibilities of the Ordering Activity**

Subject to security regulations, the ordering activity shall permit *DASTON Corporation* access to all facilities, if necessary, to fulfill the order.

**9. Independent Contractor**

All software product licenses delivered by *DASTON Corporation* under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

**10. Organizational Conflicts of Interest**

a. Definitions.

"Contractor" means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

"Contractor and its affiliates" and "Contractor or its affiliates" refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An "Organizational conflict of interest" exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor's or its affiliates' objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

**11. Invoices**

*DASTON Corporation*, upon delivery of the software product licenses ordered, shall submit invoices for the licenses delivered. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products.

**12. Payments**

All orders for software product licenses will be on a firm-fixed price basis. The ordering activity shall pay *DASTON Corporation*, upon submission of proper invoices or vouchers, the prices stipulated in

this contract for licenses delivered and accepted. Progress payments shall be made only when authorized by the order.

### 13. Incidental Support Costs

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

### 14. Description of Software Products and Pricing

*DASTON Corporation* offers the following term software products listed under this schedule. Ordering activities are encouraged to contact or work with a *DASTON Corporation* GSA ordering representative to plan/or specify their ordering requirements. *DASTON Corporation* will provide help to ordering activities to specify their minimum requirements necessary to ensure complete and satisfactory performance
