GENERAL SERVICES ADMINISTRATION

Federal Supply Service
Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through GSA Advantage!™, a menu-driven database system. The INTERNET address for GSA Advantage!™ is: http://www.GSAAdvantage.gov.

Contract Number: 47QTCA21D002T
Contract Period: 12/09/2020 – 12/08/2021

For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at fss.gsa.gov.

Contractor: Ardilla Federal Systems, LLC
1050 Connecticut Ave NW Ste 500
Washington, DC 20036

Schedule Title: Multiple Award Schedule
Federal Supply Group: Information Technology

Business Size: Small Business, HUBZone-Certified Business

Telephone: 202-772-1061
FAX Number: 202-772-3131
Web Site: www.ardillafederal.com
E-mail: info@ardillafederal.com
Contract Administration: Michael L Strich, President

Pricelist Effective Mod #001 dated 12-9-2020.
CUSTOMER INFORMATION:

1a. Table of Awarded Special Item Number(s) with appropriate cross-reference to page numbers:

<table>
<thead>
<tr>
<th>SIN</th>
<th>SIN Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>54151S</td>
<td>Information Technology Professional Services</td>
</tr>
<tr>
<td>OLM</td>
<td>Order Level Materials</td>
</tr>
</tbody>
</table>

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. See Pricing Page 5.

1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. See Labor Category Descriptions Page 6.

2. Maximum Order: For SIN 54151S - $500,000.00
   For SIN OLM - $250,000.00

3. Minimum Order: $100.00

4. Geographic Coverage (delivery Area): Domestic

5. Point(s) of production (city, county, and state or foreign country): Same as company address

6. Discount from list prices or statement of net price: Government net prices (discounts already deducted).

7. Quantity discounts: None

8. Prompt payment terms: Net 30 days
   Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions

9a. Notification that Government purchase cards are accepted up to the micro-purchase threshold: Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold: Will not accept

10. Foreign items (list items by country of origin): None

11a. Time of Delivery (Contractor insert number of days): Specified on the Task Order

11b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: As agreed upon between Ardilla Federal and the ordering agency.
11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: As agreed upon between Ardilla Federal and the ordering agency.

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: As agreed upon between Ardilla Federal and the ordering agency.

12. F.O.B Points(s): Destination

13a. Ordering Address(es): Ardilla Federal Systems, LLC
1050 Connecticut Ave NW, Ste 500
Washington, DC 20036
Phone: 202-772-1061
Email: info@ardillafederal.com

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPAs) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address(is): Ardilla Federal Systems, LLC
1050 Connecticut Ave NW, Ste 500
Washington, DC 20036
Phone: 202-772-1061
Email: info@ardillafederal.com

15. Warranty provision: Not Applicable for Services

16. Export Packing Charges (if applicable): Not Applicable

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level): Not accepted over the micro-purchase level

18. Terms and conditions of rental, maintenance, and repair (if applicable): Not Applicable

19. Terms and conditions of installation (if applicable): Not Applicable

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable): Not Applicable

20a. Terms and conditions for any other services (if applicable): Not Applicable

21. List of service and distribution points (if applicable): Not Applicable

22. List of participating dealers (if applicable): Not Applicable

23. Preventive maintenance (if applicable): Not Applicable
24a. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants:
   Not Applicable

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and
   Information Technology (EIT) supplies and services and show where full details can be found (e.g.
   contactor’s website or other location.) The EIT standards can be found at:  www.Section508.gov/.
   Not Applicable

25. Data Universal Numbering System (DUNS) number: 081372916

26. Notification regarding registration in System for Award Management (SAM) database:
   Registered.
GSA Awarded Pricing for SIN 54151S

The rates are inclusive of the Industrial Funding Fee (IFF) of 0.75%.

**Service Contract Labor Standards:** The Service Contract Labor Standards (SCLS) are applicable to this contract as it applies to the entire Consolidated MAS Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and/or when the contractor adds SCLS labor categories/employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
SIN 54151S Labor Category Descriptions

IT Analyst (I)

Functional Responsibilities: May develop and recommend solutions to technical requirements as assigned relating to the development, operation of systems, and procedures dealing with resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Follows technical and process guidance and instructions, contributing to the completion of assigned technical tasks.

Minimum Education: Bachelor’s
Minimum Experience: 2 years

IT Analyst (II)

Functional Responsibilities: Responsibilities may support research and assignments relating to the development, operation of systems, and procedures dealing with resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Follows established procedures and contributes to the completion of milestones associated with specific projects.

Minimum Education: Bachelor’s
Minimum Experience: 4 years

IT Engineer (I)

Functional Responsibilities: Responsible for engineering support relating to resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Follows technical and process guidance and instructions, contributing to the completion of assigned technical tasks.

Minimum Education: Bachelor’s
Minimum Experience: 1 year

IT Engineer (II)

Functional Responsibilities: Responsible for engineering support relating to resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Follows established procedures and contributes to the completion of milestones associated with specific projects.

Minimum Education: Bachelor’s
Minimum Experience: 3 years
IT Engineer (III)

**Functional Responsibilities:** Responsible for engineering support relating to resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Contributes to the completion of specific programs and projects with frequent customer contact.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 5 years

IT Engineer (IV)

**Functional Responsibilities:** Responsible for solving engineering problems relating to resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Determines program objectives and requirements and develops standards and guides for diverse engineering and scientific activities. Guides the successful completion of major programs and may function in a project leadership role. Serves as the prime technical contact on contracts and projects. Interacts with customers on significant technical matters.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 7 years

Program Manager (I)

**Functional Responsibilities:** Manages a segment of a program, project, or function relating to resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Responsible for providing objective-oriented direction utilizing management guidelines and general policies. Responsibilities may include planning and program/project performance addressing cost, schedule, technical performance, and quality of a work package, subsystem, or related group of work packages on a large system development-type task or full responsibility for all aspects of program/project performance on technical services-type task.

**Minimum Education:** Bachelor’s

**Minimum Experience:** 3 years

Program Manager (II)

**Functional Responsibilities:** Manages a segment of a program, project, or function relating to resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, and other computer related services. Responsible for providing objective-oriented direction utilizing management guidelines and general policies. Responsibilities may include planning and program/project performance addressing cost, schedule, technical performance, and quality of a work package, subsystem, or related group of work packages on a large system development-type task or full responsibility for all aspects of program/project performance on technical services-type task.
development-type task or full responsibility for all aspects of program/project performance on technical services-type task.

Minimum Education: Bachelor’s  
Minimum Experience: 5 years

**Subject Matter Expert (I)**

**Functional Responsibilities:** Serves as subject matter expert, possessing in-depth knowledge of a particular area, such as business, computer science, engineering, mathematics, or the various sciences. Provides technical knowledge and analysis of highly specialized applications and operational environments, high-level functional systems analysis, design, integration, documentation and implementation advice on exceptionally complex problems that need extensive knowledge of the subject matter for effective implementation. Participates as needed in all phases of software or systems development with emphasis on the planning, analysis, testing, integration, documentation, and presentation phases. Applies principles, methods and knowledge of the functional area of capability to specific task order requirements, advanced mathematical principles and methods to exceptionally difficult and narrowly defined technical problems in engineering and other scientific applications to arrive at solutions.
