Customer Information

1a. Table of awarded special item numbers with appropriate cross-reference to item descriptions and awarded prices.

SINs	Recovery	SIN Title
33411	33411RC	Purchase of New Electronic Equipment
511210	511210RC	Software
54151	54151 RC	Software Maintenance Services
54151S	54151SRC	Information Technology Professional Services
811212	811212RC	Computer and Office Machine Repair and Maintenance
OLM	OLMRC	Order-Level Materials (OLM's)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. [See Pages 6-57.](#)

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item. [See Page 56.](#)

2. Maximum order:

SINs	Maximum Order
33411	\$500,000
511210	\$500,000
54151	\$500,000
54151S	\$500,000
811212	\$350,000
OLM	\$250,000

3. Minimum order: **\$100.00**

4. Geographic coverage (delivery area).

SINs	Delivery Area
33411	Domestic - 48 contiguous states and the District of Columbia.
511210	Worldwide
54151	Domestic - 48 contiguous states and the District of Columbia.
54151S	Domestic - 48 contiguous states and the District of Columbia.
811212	Domestic - 48 contiguous states and the District of Columbia.
OLM	Domestic - 48 contiguous states and the District of Columbia.

5. Points of production (city, county, and State or foreign country).

- **Services: 7385 North State Route 3, #136, Westerville, Ohio 43082, Delaware County**
- **ibml: 2750 Crestwood Blvd., Birmingham, AL, USA 35210, Jefferson County**
- **Uipath: 90 Park Ave, 20th Floor, New York, NY 10016, New York County**
- **OpenText: 275 Frank Tompa Drive, Waterloo, ON, N2L 0A1, Canada**
- **Kodak: 343 State Street, Rochester, NY 14650, Monroe County**
- **Fujitsu, 2290 North First Street, Suite 212, San Jose, CA 95131, Santa Clara County. Singapore and Japan.**
- **Canon: One Canon Park, Melville, NY 11747, Suffolk County**

6. Discount from list prices or statement of net price. **Government Net Prices (discounts already deducted.)**

7. Quantity discounts. **1% on orders over \$500,000.**

8. Prompt payment terms. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions. **Net 30 days**

9. Foreign items (list items by country of origin).

SINs	COO
33411	US, Japan, Singapore, Korea, Taiwan
511210	US
54151	US
54151S	US
811212	US

10a. Time of delivery. **Contact Contractor**

10b. Expedited Delivery. Items available for expedited delivery are noted in this price list. **Contact Contractor**

10c. Overnight and 2-day delivery. **Contact Contractor**

10d. Urgent Requirements. **Contact Contractor**

11. F.O.B. points. **Destination**

12a. Ordering address.

Ordering Address:
BPS Technologies 7385 North State Route 3, #136 Westerville, OH 43082

12b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

13. Payment address.

Payment Address:
BPS Technologies 7385 North State Route 3, #136 Westerville, OH 43082

14. Warranty provision. **Standard Commercial Warranty Terms & Conditions**

15. Export packing charges. **Not Applicable**

16. Terms and conditions of rental, maintenance, and repair. **Not Applicable**

17. Terms and conditions of installation. **Not Applicable**

18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices. **Not Applicable**

18b. Terms and conditions for any other services. **Not Applicable**

19. List of service and distribution points. **Not Applicable**

20. List of participating dealers. **Not Applicable**

21. Preventive maintenance. **Not Applicable**

22a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants). **See pricelist for any special attributes.**

22b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g., contractor's website or other location.) The EIT standards can be found at: www.Section508.gov/.

23. Unique Entity Identifier (UEI) number. **GHD7ZK1DVF61**

24. Notification regarding registration in System for Award Management (SAM) database. **Contractor registered and active in SAM**

UiPath

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210 SOFTWARE				
511210	UIPCPOB0000	UiPath - Orchestrator - Basic	A "basic" Orchestrator package limited to a single tenancy, with a maximum of 5 Robots, Attended and/or Unattended, and a maximum of 5 Studios.	\$8,614.61
511210	UIPCPOBU000	UiPath - Orchestrator - Basic Upgrade	Upgrade path from Orchestrator Basic to Orchestrator Standard Edition	\$11,486.15
511210	UIPCPOSE000	UiPath - Orchestrator - Standard	Robot Management and Control System supporting: release management, centralized logging, reporting, auditing and monitoring tools, remote control, centralized scheduling, queue / robot workload management, assets management. It provides a limited amount of tenants (e.g. separate logical environments of robots, processes, users and systems and data).	\$19,143.58
511210	UIPNPO0000	UiPath - Orchestrator - NonProduction	Orchestrator offered for non production scope, for developing purpose.	\$3,828.72
511210	UICPAIRO0000	UiPath - AI Robot	An AI Robot is the runtime for serving ML Skills (i.e. making machine learning models available for Robots to make prediction requests to) and for run ML Training jobs (i.e. training a new model version of new data to improve its accuracy). One AI Robot can serve to ML Skills concurrently or run one ML training job concurrently.	\$8,614.61

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210	UICPAIRP0000	UiPath - AI Robot Pro	An AI Robot Pro is a commercial SKU that includes an AI Robot and an attachable GPU. So if you have made a GPU available in your machine/cluster that AI Fabric is running in, you will be able to utilize that GPU for serving ML Skills or running ML Training jobs.	\$13,400.50
511210	UIPCPCUR000	UiPath - Unattended Robot - Concurrent Runtime	Concurrent licenses are available ONLY in the case of Orchestrator scenario. 1 active runtime, unlimited users and workstations defined. Unattended Concurrent Runtime License - the No. of Unattended Concurrent Runtime licenses purchased equals the maximum number of unattended robots that are able to execute back office processes simultaneously, regardless of the number of users and machines defined in Orchestrator.	\$7,657.43
511210	UPCPCOURT00	UiPath - Cloud Orchestrated Unattended Robot - Test	UiPath Unattended Test Robot provides the ability to execute automated tests orchestrated from the UiPath Automation Cloud.	\$1,914.36
511210	UINPTR00000	UiPath - Unattended Robot - Test	UiPath Unattended Test Robot provides the ability to execute automated tests from UiPath Orchestrator.	\$1,531.49
511210	UINPCOR0000	UiPath - Cloud Orchestrated Robot - Non-Production	Cloud Orchestration for a non-production Robot	\$1,052.90
511210	UIPNPR00000	UiPath - Robot - NonProduction	Test robot offered for non production scope.	\$382.87
511210	UICPACNU000	UiPath - Action Center - Named User	The Action Center offering includes Task Capture and Action Center. Action Center is a central portal allowing humans and unattended robots to seamlessly collaborate on a process. Sold per Named User with a minimum sale of 5 users.	\$421.16
511210	UICPCOACNU0	UiPath - Cloud Orchestrated Action Center - Named User	The Action Center offering includes Task Capture and Action Center. Action Center is a central portal allowing humans and unattended robots to seamlessly collaborate on a process. Sold per Named User with a minimum sale of 5 users. Orchestrated from the UiPath Automation Cloud	\$421.16
511210	UICPCOANU02	UiPath - Cloud Orchestrated Attended - Named User	The Attended offering includes Task Capture, Action Center and an Attended Robot. The Attended Robot is deployed on a desktop and allows a user to access, manage, and run automations. Orchestrated from the UiPath Automation Cloud.	\$1,531.49

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210	UICPCDNU000	UiPath - Citizen Developer - Named User	The Citizen Developer offering includes Task Capture, Action Center, an Attended Robot and StudioX. StudioX is an automation design tool that allows the business user to rapidly automate their business apps without the need for developer resources or coding, bringing automation to the masses. Intended for a single named user.	\$1,914.36
511210	UICPCOCDNU0	UiPath - Cloud Orchestrated Citizen Developer - Named User	The Citizen Developer offering includes Task Capture, Action Center, an Attended Robot and StudioX. StudioX is an automation design tool that allows the business user to rapidly automate their business apps without the need for developer resources or coding, bringing automation to the masses. Intended for a single named user. Orchestrated from the UiPath Automation Cloud.	\$2,488.66
511210	UICPPMBUNU0	UiPath - Process Mining Business User - Named User	The Process Mining Business User offering includes Action Center, Task Capture and Process Mining access. As a Process Mining Business User, you gain full transparency into your processes. Process Mining gives users the ability to reveal inefficient processes, discover automation opportunities, and continuously enhance and monitor end-to-end processes. Licenses a single named user.	\$861.46
511210	UICPPDNU000	UiPath - Process Mining Developer - Named User	The Process Mining Developer offering includes Task Capture, Action Center, an Attended Robot, StudioX, Studio and Process Mining Development. As a Developer User, you can fully access the design and development functionality of Process Mining, to develop, customize and administer platform apps.	\$5,264.48
511210	UICPCOPDNU0	UiPath - Cloud Orchestrated Process Mining Developer - Named User	The Process Mining Developer offering includes Task Capture, Action Center, an Attended Robot, StudioX, Studio and Process Mining Development. As a Developer User, you can fully access the design and development functionality of Process Mining, to develop, customize and administer platform apps. Orchestrated from the UiPath Automation Cloud.	\$6,221.66
511210	UICPCORDNU0	UiPath - Cloud Orchestrated RPA Developer - Named User	The RPA Developer offering includes Task Capture, Action Center, Attended Robot, StudioX and Studio. Studio is an automation design tool that allows developers full control over automations with advanced activities, powerful debugging tools and team development support. Intended for a single named user. Orchestrated from the UiPath Automation Cloud.	\$4,211.59

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210	UICPRDPNU00	UiPath - RPA Developer Pro - Named User	Designed for an advanced RPA developer. Adds Studio Pro to the RPA Developer SKU. Studio Pro is an advanced IDE that includes RPA testing and Application Testing capabilities, cutting-edge RPA features and coding services.	\$4,307.30
511210	UICPTNU0000	UiPath - Tester - Named User	UiPath Tester provides annual access to comprehensive test management. It includes access to UiPath Test Manager, to manage requirements, design test cases and integrate with ALM tooling.	\$1,148.61
511210	UICPTDPNU00	UiPath - Test Developer Pro - Named User	UiPath Test Developer Pro provides annual access to a full-featured development and test environment for RPA and beyond. It adds UiPath Studio Pro to the RPA Developer SKU. Studio Pro is an advanced IDE that includes RPA testing and Application Testing capabilities, cutting-edge RPA features and coding services. It also includes access to UiPath Test Manager, to manage requirements, design test cases and integrate with ALM tooling.	\$5,264.48
511210	UICPACMU000	UiPath - Action Center - Multiuser	The Action Center offering includes Task Capture and Action Center. Action Center is a central portal allowing humans and unattended robots to seamlessly collaborate on a process. Sold per Named User with a minimum sale of 5 users. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On.	\$842.32
511210	UICPCOACM00	UiPath - Cloud Orchestrated Action Center - Multiuser	The Action Center offering includes Task Capture and Action Center. Action Center is a central portal allowing humans and unattended robots to seamlessly collaborate on a process. Sold per Named User with a minimum sale of 5 users. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On. Orchestrated from the UiPath Automation Cloud	\$842.32
511210	UICPAMU0000	UiPath - Attended - Multiuser	The Attended offering includes Task Capture, Action Center and an Attended Robot. The Attended Robot is deployed on a desktop and allows a user to access, manage, and run automations. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On.	\$2,297.23
511210	UICPCOAM000	UiPath - Cloud Orchestrated Attended - Multiuser	The Attended offering includes Task Capture, Action Center and an Attended Robot. The Attended Robot is deployed on a desktop and allows a user to access, manage, and run automations. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On. Orchestrated from the UiPath Automation Cloud.	\$3,062.97

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210	UICPCDMU000	UiPath - Citizen Developer - Multiuser	The Citizen Developer offering includes Task Capture, Action Center, an Attended Robot and StudioX. StudioX is an automation design tool that allows the business user to rapidly automate their business apps without the need for developer resources or coding, bringing automation to the masses. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On.	\$3,828.72
511210	UICPCODM00	UiPath - Cloud Orchestrated Citizen Developer - Multiuser	The Citizen Developer offering includes Task Capture, Action Center, an Attended Robot and StudioX. StudioX is an automation design tool that allows the business user to rapidly automate their business apps without the need for developer resources or coding, bringing automation to the masses. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On. Orchestrated from the UiPath Automation Cloud.	\$4,977.33
511210	UICPRPADMU0	UiPath - RPA Developer - Multiuser	Designed for an RPA developer. Adds Studio to the Citizen Developer SKU. Studio is an automation design tool that allows developers full control over automations with advanced activities, powerful debugging tools and team development support. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On.	\$6,508.82
511210	UICPCORPADM	UiPath - Cloud Orchestrated RPA Developer - Multiuser	The RPA Developer offering includes Task Capture, Action Center, Attended Robot, StudioX and Studio. Studio is an automation design tool that allows developers full control over automations with advanced activities, powerful debugging tools and team development support. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On. Orchestrated from the UiPath Automation Cloud.	\$8,423.17
511210	UICPRDPM000	UiPath - RPA Developer Pro - Multiuser	Designed for an advanced RPA developer. Adds Studio Pro to the RPA Developer SKU. Studio Pro is an advanced IDE that includes RPA testing and Application Testing capabilities, cutting-edge RPA features and coding services. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On.	\$8,614.61

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210	UICPCORDPM0	UiPath - Cloud Orchestrated - RPA Developer Pro - Multiuser	Designed for an advanced RPA developer. Adds Studio Pro to the RPA Developer SKU. Studio Pro is an advanced IDE that includes RPA testing and Application Testing capabilities, cutting-edge RPA features and coding services. Each Multiuser license adds 3 authorized users. Requires UiPath Multiuser Add-On. Orchestrated from the UiPath Automation Cloud.	\$10,528.97
511210	UICPMUAO000	UiPath - MultiUser Add-On	Required to enable the use of Multiuser licensing with the UiPath Platform. Multiuser licenses add 3 authorized users for each purchased product. Multiuser Licenses are purchased separately from the Multiuser Add-On.	\$38,287.15
511210	UICPPMS0000	UiPath - Process Mining Server	Process Mining enables organizations to discover high impact automation opportunities and continuously monitor and improve their operations. With Process Mining, organizations can easily visualize, analyze and monitor key business processes, using the derived insights to introduce process enhancements that maximize the ROI of their RPA programs. Note that a separate Starter Pack is required for Process Mining implementation, which includes UiPath support during the implementation process.	\$19,143.58
511210	UINPPMS0000	UiPath - Process Mining Server - NonProduction	Process Mining enables organizations to discover high impact automation opportunities and continuously monitor and improve their operations. With Process Mining, organizations can easily visualize, analyze and monitor key business processes, using the derived insights to introduce process enhancements that maximize the ROI of their RPA programs. This offering is intended for training, development, acceptance or testing purposes, and can only be sold in combination with a server license. Its usage is limited only to non-production servers.	\$3,828.72
511210	UICPCAH0000	UiPath - Cloud Automation Hub - Standard	Automation Hub enables organizations to manage the entire automation lifecycle with instant transparency and control. With Automation Hub, organizations can discover, prioritize, and track automation ideas in one place, and more easily scale their automation programs. An unlimited number of users is included in every Automation Hub instance. This SKU also includes enterprise production licenses of Task Capture, a separately downloaded tool that enables employees to quickly document step-by-step processes.	\$8,614.61

SIN	PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA Price (including IFF)
511210	UICPCDUPB00	UiPath - Cloud Document Understanding Page Bundle	Document Understanding enables UiPath robots to classify and extract information from forms, documents (including invoices and receipts), and unstructured text using a combination of OCR, template, and machine learning approaches. This offering is priced per page and this SKU contains a bundle of 16K pages. For greater volumes, simply order as many as needed to meet required customer volumes.	\$7,657.43
511210	UICPDUPG000	UiPath - Document Understanding Page Bundle	Document Understanding enables UiPath robots to digitize, classify, and extract information from forms, documents, and unstructured text using a combination of OCR, template, and machine learning approaches. This offering is priced per page and per extraction or classification method. This SKU contains a bundle of 16K pages, but certain features and models may be metered at different rates. For greater volumes, simply order as many as needed to meet required customer volumes.	\$7,657.43
511210	UICPCS00000	UiPath - Connector for Salesforce	An application on the Salesforce AppExchange that gives users the ability to start Jobs and add Queue Items in UiPath Orchestrator from actions in Salesforce Flow or Process Builder. The UiPath Connector for Salesforce creates a "server-server" connection from the Salesforce Cloud to UiPath Orchestrator deployed on-premises or in the Cloud. Sold per Salesforce Org.	\$2,871.54
511210	REDPMIPSM01	UiPath - High-Availability Add-On for Orchestrator	For each deployment of the UiPath Platform that requires Multi-Node, High Availability, Disaster Recovery or Active-Active scenarios for UiPath Orchestrator the High Availability Add-on is required. It offers enterprise grade security, professional grade caching and UiPath support.	\$17,229.22
511210	REDPMIPSM02	UiPath - High-Availability Add-On for Orchestrator – NonProduction	For each non-production deployment of the UiPath Platform that has two or more Orchestrators that require High Availability. The SKU enables active-active DR, low latency grade caching.	\$3,445.84
511210	UICPIOAO0000	UiPath – Insights – Orchestrator Add-On	UiPath Insights provides powerful, embedded analytics that measure, report and align RPA Operations with Strategic Business Outcomes. It is licensed per Orchestrator. This add-on covers all connected robots and users on a single production Orchestrator.	\$8,614.61
511210	UINPIOAO0000	UiPath – Insights – Orchestrator Add-On - NonProduction	UiPath Insights provides powerful, embedded analytics that measure, report and align RPA Operations with Strategic Business Outcomes. It is licensed per Orchestrator. This add-on covers all connected robots and users on a single nonproduction Orchestrator.	\$1,722.92

SIN 54151S - IT Professional Services

Overview

Founded in 1994, BPS Technologies provides customized information system development services in web-based, client-server and mainframe technologies. BPS Technologies specializes in the following services and technologies:

Information Planning	Application Design	Software Development/Engineering
<ul style="list-style-type: none"> ○ e-business Strategic Planning ○ Process Re-engineering ○ Technology Assessments ○ Information System Plans ○ Quality Assurance 	<ul style="list-style-type: none"> ○ Project Management Workflow ○ Systems Analysis and Design ○ Data Architecture ○ Requirements Definition ○ Document Imaging ○ Network Faxing 	<ul style="list-style-type: none"> ○ Web Development/ECommerce ○ Visual Basic ○ SQL Server ○ MS Access ○ Lotus Notes ○ MS Visual InterDev ○ C, C++, Visual C++ ○ COBOL ○ DB2, IMS/DB

The following charges apply to purchases of contracted professional services during normal business hours (Monday - Friday, 8:00 am – 5:00 pm, exclusive of holidays observed by the Government or BPS Technologies and to the local service area (50 miles radius). In those instances where an ordered service cannot be supported from within a 50-mile radius, BPS Technologies will, upon receipt of an order for services, provide the procurement office with a not-to-exceed estimate of travel and per diem costs. All Information Technology Services engagements carry a minimum purchase requirement of eight (8) labor hours per individual.

Hourly Labor Category	Year 1 Rate	Year 2 Rate	Year 3 Rate	Year 4 Rate	Year 5 Rate
IT Junior Consultant	\$67.14	\$68.62	\$70.13	\$71.67	\$73.25

Labor Category Descriptions

Labor Category	Description	Education	Experience
IT Junior Consultant	Supports team under supervision of Senior Consultants in implementation and testing on client software and system development projects; including basic programming functions and development project activities. Experience in software development environment, analysis and design of web enabled, client-server or mainframe applications.	BS/BA in Computer Science or related curriculum or equivalent.	0
IT Consultant II	Responsible for implementing business process, systems and operations support based on the clients' requirements. Under supervision of Senior Consultants, supports team in implementation and testing on client software and system development projects as needed.	BS/BA in Computer Science or related curriculum or equivalent.	2

Labor Category	Description	Education	Experience
IT Senior Consultant I	Supervises the operations team, monitoring system development, performance and configuring new software and hardware. Analyzes and studies complex system requirements. Experience in software development environment, analysis and design of web enabled, client-server or mainframe applications.	BS/BA in Computer Science or related curriculum or equivalent.	3
IT Manager	IT Manager provides technical, administrative, and operational leadership to assigned task(s); supervises assigned staff; performs additional duties as assigned. Ensures that project deliverables meet quality assurance levels. Experience in managing large projects in IT and IT related areas; familiarity with senior management, best practices, team building and business resource allocation, operations.	BA/BS in technical discipline and/or equivalent experience for the service being provided.	3
IT Partner	IT Partner advises on a variety of IT-specific tasks such as best practices, integration. Provides expertise in final contractual decisions for HMB as to pricing, project approach, methods and staffing requirements. Provides high-level technical guidance to other partners, managers and senior consultants. Provides high-level technical guidance to other team members.	BA/BS in technical discipline and/or equivalent experience for the service being provided.	10

Education Level Specified	College Years	Degree and Work-Related Experience Substitution	Work Substitution for Degree (1 Year College = 1 Year Work)
Master's	6	(1) Bachelor's plus two years' work-related experience (2) Associate's degree plus four years related work experience (3) High school diploma plus six years related work experience	6 Work Years
Bachelor's	4	(1) Associate's degree plus two years related work experience (2) High school diploma plus four years related work experience	4 Work Years

Service Contract Labor Standards: The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
