Price List current through modification PA-0014 effective March 16, 2023

## CUSTOMER INFORMATION

1a. Table of awarded special item number(s) with appropriate cross reference to item descriptions and awarded price(s).

SIN	Description
511210	Software Licenses
54151	Software Maintenance Services
OLM	Order-Level Materials (OLM)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. **See Price List**

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. **Not Applicable**

2. Maximum order. **\$500,000**

3. Minimum order. **\$100**

4. Geographic coverage. **Domestic**

5. Point of production. **US**

6. Discount from list prices or statement of net price. **Prices shown are NET Prices; Basic Discounts have been deducted.**

7. Quantity discounts. **See Volume Discount Table**

Volume Discount Table	
Number of Licenses Purchased in a single order	Volume Discount
10	6.94%
20	8.33%
30	10.42%
40	13.19%
50	14.58%

Volume Discount Table	
Number of Licenses Purchased in a single order	Volume Discount
60	15.97%
70	17.36%
80	18.75%
90	19.44%
100	20.83%
150	36.78%
200	25.00%
250	26.39%
300	27.78%
350	28.47%
400	29.17%
450+	30.56%

8. Prompt payment terms. **Net 30. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.**

9. Foreign items. **None**

10a. Time of delivery. **30 Days ARO**

10b. Expedited Delivery. **Contact Contractor**

10c. Overnight and 2 day delivery. **Contact Contractor**

10d. Urgent Requirements. **Contact Contractor**

11. F.O.B. point(s). **Destination**

12a. Ordering address. **Same as company address**

12b. Ordering procedures: **See Federal Acquisition Regulation (FAR) 8.405-3.**

13. Payment address. **Same as company address**

14. Warranty provision. **Standard commercial warranty**

15. Export packing charges. **Not Applicable**

16. Terms and conditions of rental, maintenance, and repair. **Not Applicable**

17. Terms and conditions of installation. **Not Applicable**

18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices. **Not Applicable**

18b. Terms and conditions for any other services. **Not Applicable**

19. List of service and distribution points. **Not Applicable**

20. List of participating dealers.

**ALPHA ENGINEERING ASSOCIATES INC**

716 Giddings AVE STE 32

Annapolis, Maryland, 21401-1419, United States

Phone: 443-336-5310

Email: [pkelly@alphaengr.com](mailto:pkelly@alphaengr.com)

POC: Peter Kelly, Senior VP of LIMS Operations

21. Preventive maintenance. **Not Applicable**

22a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants). **Not Applicable**

22b. If applicable, indicate that Section 508 compliance information is available for the information and communications technology (ICT) products and services offered and show where full details can be found (e.g., Contractor's website or other location). ICT accessibility standards can be found at <https://www.section508.gov/>. **Not Applicable**

23. Unique Entity Identifier (UEI) number. **HSWPJJDF8Q81**

24. Notification regarding registration in System for Award Management (SAM) database. **Registered**

511210	SL-XFD	Perpetual Software - STARLIMS Standard Designer License	Perpetual Software - The STARLIMS XFD Standard Designer, built to allow authorized users to intuitively configure and make appropriate enhancements and modifications as business requirements change. The Designer makes the underlying complexities and inner workings of the system transparent to the user, and employs a set of easy -to-use design tools to enable system administrators and designers to focus on business rules, rather than on basic system functions such as GUIs and Internet protocols. Using drag & drop design tools, the STARLIMS XFD Designer dynamically creates XML forms containing both layout tags, used in a declarative way for describing the user interface, and JScript.NET code, used to programmatically handle these elements and corresponding events, as well as make remote calls to business logic services located on the server. The integrated Designer is also used for creating Web services made available to third-party client applications for seamless interoperability between enterprise applications and STARLIMS. The STARLIMS Designer exposes comprehensive reporting tools using Business Objects Crystal Reports, Microsoft Word and Excel.	\$7,526.45	US
511210	SL-MHD	Perpetual Software - STARLIMS Mobile and HTML5 Designer License	Perpetual Software - The STARLIMS Mobile and HTML5 Designer License allows authorized named users to intuitively build or modify smartphone and tablet apps to meet business requirements. This includes tools which leverage the programming technologies built into STARLIMS, allowing the user to tap into device capabilities, such as the GPS and Camera. In addition, the Mobile and HTML5 Designer allows building browser independent HTML5 forms. The Designer makes the underlying complexities and inner workings of the system transparent to the user, using drag & drop easy to use design tools to enable system administrators and designers to focus on business rules, rather than on basic system functions such as GUIs and Internet protocols.	\$7,526.45	US

SIN	MFR PART NO	PRODUCT NAME	PRODUCT DESCRIPTION	GSA PRICE	COO
511210	SL-MML	Perpetual Software - STARLIMS Mobile-User License	Perpetual Software - The STARLIMS Named Mobile-User License allows existing users to access STARLIMS apps from mobile devices. STARLIMS provides out of the box apps which will run on smartphones and tablets which allow the user to use these mobile devices and leverage native device capabilities including GPS and camera, to conduct specific functionality using the right screen for the task. Customers can also run user built apps using the STARLIMS Mobile and HTML5 Designer (sold separately). The license provides the named user with access to all available apps.	\$752.28	US
511210	SL-AAE	Perpetual Software - STARLIMS Advanced Analytics End User License	Perpetual Software - The STARLIMS Advanced Analytics End User License allows named users to view and interact with out of the box dashboards and visualizations and those newly created by the Advanced Analytics Builder License. Users can gain new insights into business operations through analyzing data in a powerful visual manner. This includes out of the box dashboards and KPIs, with drill down capabilities to visualize business processes, find underlying trends, identify root causes of challenges and possible new opportunities. NOTE: REQUIRES 1 NAMED USER LICENSE TO BE UTILIZED AS ADMINSTRATOR. REQUIRES PURCHASE IN INCREMENTS OF 5 AND REQUIRES AT LEAST 1 ADVANCED ANALYTICS BUILDER LICENSE	\$997.48	US
511210	SL-AAB	Perpetual Software - STARLIMS Advanced Analytics Builder License	Perpetual Software - STARLIMS Advanced Analytics Builder License provides named users with easy to use tools to create their own dashboards and visualizations. These can be published to enable Advanced Analytics End Users to gather new insights about their business.	\$1,994.96	US
511210	SL-SDM	Perpetual Software - STARLIMS SDMS License (purchased with product)	Perpetual Software - The STARLIMS-integrated Scientific Data Management System (SDMS) License provides STARLIMS users with the capability to automatically capture and parse relevant documents & instrument data files, transform unstructured data into XML and extract key words and other metadata. This is complemented by powerful search capabilities. In addition, STARLIMS SDMS allows automating documents creation, review, approval, distribution and management throughout the organization.	\$1,881.79	US
511210	SL-ELN	Perpetual Software - STARLIMS ELN User License	Perpetual Software - The STARLIMS-integrated Electronic Notebook (ELN) was designed for use in regulated environments, including QA/QC labs operating under GxP, or ISO 17025 requirements. It is a powerful tool that, in conjunction with the SDMS, ensures that all test preparation and execution steps	\$2,257.57	US

			defined in the Standard Operating Procedures are followed, and that all operational information and data required to meet regulatory requirements is appropriately recorded.		
511210	SL-STB	Perpetual Software - STARLIMS Stability Studies License	Perpetual Software - The STARLIMS Stability Studies Site License creates and maintains stability studies seamlessly within the labs workflow. The module enables the creation of test plan templates (Blue Prints), incorporating storage conditions and intervals and tests to be performed at each interval. Blue Prints are used to create specific instances of the template each with unique specifications. The module contains integral reporting and calculation services, allowing intuitive reporting of shelf-life data accumulated during the study and the performance of shelf-life projections.	\$11,289.31	US
511210	SL-WAT	Perpetual Software - STARLIMS for Waters® Empower License	Perpetual Software - The interface between Waters Empower chromatography data system and STARLIMS enables bidirectional information flow with the CDS without intervening steps. A single-window construct allows the user to remain within the workspace instead of accessing a range of applications using cascaded windows.	\$7,526.45	US
511210	SL-CHR	Perpetual Software - STARLIMS Chromeleon License	Perpetual Software - The interface between Chromeleon chromatography data system and STARLIMS enables bi-directional information flow with the CDS without intervening steps. A single-window construct allows the user to remain within the workspace instead of accessing a range of applications using cascaded windows.	\$7,526.45	US
511210	SL-SAP	Perpetual Software - STARLIMS for SAP® License	Perpetual Software - STARLIMS provides a SAP Certified interface for both QM-IDI and SAP Enterprise Services. This interface allows you to map SAP data to STARLIMS data to provide automation of the production environment. In addition the interface is bi-directional so that STARLIMS can notify SAP when tests or product batches have been released by the lab.	\$7,526.45	US
511210	SL-QM-AVF	Perpetual Software - STARLIMS Automated Validation Framework & Kit for QM	Perpetual Software - This provides a framework that can be used in the client environment to automate the testing of the software requirements. Deliverable include: STARLIMS Quality Manufacturing Solution QM12.1 Entity relationship Diagram, IQ Installation Qualification, Computerized System Validation Plan Template, Computerized System Validation Summary Report Template, Automated Test Cases for the Out-of-the-Box System (OOTB), Manual Test Cases for requirements/functionality that was not automated, and Readme File. Disclaimer: Customer must purchase SmartBear TestComplete for the creator/editor and TestExecute for the execution in order to utilize this	\$32,118.89	US
