Price list current as of: Modification # PO-0001 dated September 5, 2023

CUSTOMER INFORMATION

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

SINs	SIN Title
54151S	Information Technology Professional Services
611420	Information Technology Training
511210	Software Licenses

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. See below

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item. See below

2. Maximum order:

SINs	Maximum Order
54151S	\$500,000
611420	\$250,000
511210	\$500,000

3. Minimum order: \$100

4. Geographic coverage (delivery area). Worldwide

5. Point(s) of production.

30 E Wading Pond CIR,
Tomball, Texas 77375-4673

6. Discount from list prices or statement of net price. Government Net Prices (discounts already deducted.)

7. Quantity discounts. None

8. Prompt payment terms. Net 30 days

9. Foreign items (list items by country of origin). None

10a. Time of delivery. (Contractor insert number of days.) SIN 511210 – 30 days ARO. SINs 54151S and 611420 - To Be Determined at the Task Order level

10b. Expedited Delivery. Items available for expedited delivery are noted in this price list.
To Be Determined at the Task Order level

10c. Overnight and 2-day delivery. To Be Determined at the Task Order level

10d. Urgent Requirements. To Be Determined at the Task Order level

11. F.O.B. point(s). Destination

12a. Ordering address.

26400 Kuykendahl Rd
Suite C180-319
The Woodlands, Texas 77375

12b. Ordering procedures: See Federal Acquisition Regulation (FAR) 8.405-3.

13. Payment address.

26400 Kuykendahl Rd
Suite C180-319
The Woodlands, Texas 77375

14. Warranty provision. SIN 511210 - Ortus Software Bug Fixes included with active subscription. For Lifetime licenses support is purchased separately.
SIN 54151S - Ortus Contractor Warranty (90 days for Bugs)

15. Export packing charges, if applicable. Not Applicable

16. Terms and conditions of rental, maintenance, and repair. Not Applicable

17. Terms and conditions of installation. Not Applicable

18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices. Not Applicable

18b. Terms and conditions for any other services. Not Applicable

19. List of service and distribution points. Not Applicable

20. List of participating dealers. Not Applicable

21. Preventive maintenance. Not Applicable

22a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants). Not Applicable

22b. If applicable, indicate that Section 508 compliance information is available for the information and communications technology (ICT) products and services and show where full details can be found (e.g. contractor's website or other location.) ICT accessibility standards can be found at: <https://www.Section508.gov/>.

Ortus Solutions Corp will comply with Section 508 if applicable at the Task Order Level.

23. Unique Entity Identifier (UEI) number. YAK9J6MGVLN5

24. Notification regarding registration in System for Award Management (SAM) database.
Contractor registered and active in SAM

Service Contract Labor Standards:

The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

Ortus Solutions Corp Training Course Descriptions

Course Title	Course Description	Course Length	Minimum Participants	Maximum Participants
Object Oriented Programming with CFML On-Site	In this course you will learn Object Oriented Programming with COLDFUSION CFML and begin your journey into the COLDBOX framework with a solid foundation.	14 hours	3	7
Object Oriented Programming with CFML Virtual	In this course you will learn Object Oriented Programming with COLDFUSION CFML and begin your journey into the COLDBOX framework with a solid foundation.	12 hours	3	7
ColdBox Master Class On-site	Our COLDBOX Master Class combines all COLDBOX trainings into one: Intro to COLDBOX, Core COLDBOX, WIREBOX, COLDBOX Modules and Testing.	40 hours	3	7
ColdBox Master Class Virtual	Our COLDBOX Master Class combines all COLDBOX trainings into one: Intro to COLDBOX, Core COLDBOX, WIREBOX, COLDBOX Modules and Testing.	30 hours	3	7
ColdBox Zero to Hero On-Site	In this workshop you will be introduced to the latest version of the most popular CFML MVC framework; ColdBox 5 . We will go over the basics of installation, templating and configuration to the most advanced features like HMVC development with modules, RESTFul APIs, integration testing, interception points and much more.	14 hours	3	7
ColdBox Zero to Hero Virtual	In this workshop you will be introduced to the latest version of the most popular CFML MVC framework; ColdBox 5 . We will go over the basics of installation, templating and configuration to the most advanced features like HMVC development with modules, RESTFul APIs, integration testing, interception points and much more.	12 hours	3	7
ColdBox Hero to SuperHero On-site	This workshop is the continuation of the zero to hero workshop. In this session we will be building a headless CMS API based on ColdBox best practices, database migrations, database seeding, BDD, JWT token authentication, fluent queries via QB and object resources.	14 hours	3	7
ColdBox Hero to SuperHero Virtual	This workshop is the continuation of the zero to hero workshop. In this session we will be building a headless CMS API based on ColdBox best practices, database migrations, database seeding, BDD, JWT token authentication, fluent queries via QB and object resources.	12 hours	3	7

Course Title	Course Description	Course Length	Minimum Participants	Maximum Participants
ColdBox Zero to MegaHero: REST APIs + VueJS On-site	This 2 day workshop will walk us through creating a Quiz Game app with a ColdBox REST API backend and a VueJS Application, written in the Quasar Framework.	14 hours	3	7
ColdBox Zero to MegaHero: REST APIs + VueJS Virtual	This 2 day workshop will walk us through creating a Quiz Game app with a ColdBox REST API backend and a VueJS Application, written in the Quasar Framework.	12 hours	3	7
Intro to COLDBOX On-site	The COLDBOX Framework is a great tool, but it is only as good as you use it. Take this course to get started with COLDBOX Application development and start creating your web apps the right way. Understanding the basics behind the MVC framework will help you use the tool the way it is meant to be. Take this course and learn the key concepts for developing reliable, scalable, and performing web applications with COLDBOX.	14 hours	3	7

CBElstatic Search On-site	Our applications today are data heavy. At the same time, more and more of our users expect a Google-like experience when searching. A simple `WHERE LIKE` query isn't going to cut it. We need a more robust search solution. Enter Elasticsearch. In this workshop, you will learn the basics of Elasticsearch and how to run a version of Elasticsearch locally. We will explore how to serialize data to Elasticsearch and query results from it. Finally, we will show how to integrate your new Elasticsearch service into a ColdBox application.	14 hours	3	7
